ITHACA COLLEGE

School of Music

From the IC Vocal-General Faculty

It is with great pride and pleasure that we, the music education faculty from Ithaca College, present tonight's concert. The student teachers have worked all semester with the children of Immaculate Conception School on a variety of music learning activities. They have focused on singing, movement, creativity, instrument playing, notation and musical collaboration. The mentoring team of two graduate students Ms. Armes and Ms. Wadsworth faculty, and the faculty consisting of Dr. Cremata and Dr. Whitehead have closely supervised this process.

This collaboration would not be possible without the support from the administration at Ithaca College and Immaculate Conception School. This partnership dates back to 1946. We are so grateful to be able to share in this mutually beneficial learning experience. The children have learned so much about music and our student teachers have developed their pedagogic foundations in practical, hands-on fashion. Please enjoy this musical celebration as we celebrate "Love in Any Language".
