PRESIDENT ELLIS L. PHILLIPS, JR.

(L-R) Mrs. Costello, President Phillips, Mrs. Hensley.
This year Parent's Weekend blended the traditional with the new. As in previous years the music concert, physical education exhibition and the Drama department's production of "The Importance of Being Earnest" were well received by all who attended. A new aspect of the weekend was the departmental presentations by both faculty and students. Each department created a presentation in an attempt to give the parents an idea of the nature of the department.

This Parent's Weekend saw the culmination of many months of planning. The Parent's Weekend Committee composed of students, were aided by both administrators and faculty in creating the weekend. All in all, it was considered a success by both the workers involved and the parents who attended.

HALLOWEEN MAGICIAN
THE PAST

This past year, the Ithaca College School of Health, Physical Education and Recreation celebrated its 50th anniversary. At times, especially in the early 1930's, the 50th seemed impossible. If it hadn't been for a 100 hour a week Dean named Larry Hill, the dedication of people like Bucky Freeman, Doe Yavits and Elsie Hug­gar, I.C. would not have made it through the Depres­sion years.

"I remember a meeting in 1931 when President Leonard Job said we would be better off looking for other jobs because things were so bleak," Freeman recalled. "We all decided to give it one more try. Our budget because so tight you could hardly breathe, but we made it."

Made it they did. With Mrs. Huggar establishing her­self as one of the nation's outstanding women's Physi­cal Education teachers, and with Freeman and Yavits coaching every sport in the School and bringing Ith­aca a fast reputation as a quality opponent, Ithaca was on the rise. By the time World War II came, the Physi­cal Education School enjoyed an excellent rating among its sister institutions in the East, thanks to Hill, Freeman, Yavits, Huggar and outstanding athletes like Ken Patrick and Clyde Cole, who would have been All Americans in the present day era.

Larry Hill

Clyde Cole
The Physical Education School has prospered greatly since the end of the war thanks to people like Dr. Alexander Wilhelm, Carlton Wood, Prof. Rita La Rock, Prof. Joe Hamilton, Prof. Iris Carnell, Dr. Eugene DeLuca and Assistant Professor Herb Broadwell. They have kept the quality of instruction in line with the rapid rise in enrollment.

One of I.C.'s great athletes of the late thirties, "Carp" Wood came back to South Hill in 1952, and began to build a record that few if any coaches can match. Wood has directed the Ithicans to NCAA Tournaments appearances in basketball, soccer and baseball. Another former athlete, Ben Light, took over as athletic director in the late 40's and gave the program outstanding leadership until he became Secretary of the College in 1958. However, Ben never forgot his athletes and many of them owe their diplomas to his financial assistance.

As acting Dean and Associate Dean, Dr. Wilhelm helped to introduce new fields of concentration to Physical Education majors, such as Sports Communications, Athletic Training, and Recreation.

And now a new era will begin on July 1, 1972 when Dr. William B. Koch takes over as Dean. He will certainly have a tradition of excellence to build on.
The Cayugan staff would like to extend its thanks to Phil Langan and his staff, whose cooperation made this book possible. We look forward to working with him next year, as he has accepted the position as the yearbook advisor. Thanks again Phil.

Second of seven teams in ICAC Tourney
The start of the 1972-1973 hockey season will mark the beginning of a new era in the history of the sport at Ithaca College. During the last twelve years a group of dedicated supporters have fought hard to keep hockey alive on campus, receiving very little credit for their efforts. The players will always be grateful for their help.

Next year the hockey team will be a full fledged member of Division II of the Eastern Collegiate Athletic Association and in contention for a playoff spot. Ithaca will be playing a twenty game or better schedule against top teams in Division II and appearances with a few members of the higher ranked Division I.

This new period in hockey will come to be after this season, a season which can best be described as frustrating! A slashed budget limited the players to compete in only fourteen games. Two early season cancellations and mid-year postponements due to poor weather and a break down of the ice surface allowed the Bombers an eleven game schedule. Practice at different hours from day to day and long layoffs between games added to the frustrations. The players came through and proved that hockey has come a long way from the clubs which started in 1960.

Previous to this year, Ithaca had beaten Oswego only once in seventeen starts but proved to be tougher competition this season tying the Lakers and losing a hard fought game in Oswego. Equally impressive was Ithaca's one goal loss to Hamilton College; a team who beat us last year 9-4 and whom we have never beaten.

Next year it will be different with practice at set hours and a larger more consistent schedule. The players and coaches have put up with many hardships but they have proved that hockey can work at Ithaca College. Hopefully, they will receive continued and greater support.

SPIRIT, Dedication, Desire. The three essentials necessary of any sport are found in great depth among the IC swimmers. Each individual participating for a common cause produces an unmistakable feeling of unity which brings the swimmers together to “psyche up” for competition, or as Coach Ware would say, “Stretch it out!!”

GREEKS
Sigma Alpha Eta is a national honorary, professional fraternity designed to further the education of students in the field of Speech Pathology and Audiology. In the course of a year the organization hosts several speakers knowledgeable in the field. The fraternity also functions as a social service group. Among other activities, a large annual event held is a Christmas Party for the children attending the Ewing Clinic on campus.

Bottom to Top (L-R): J. Greenhouse, R. Zoeckler, P. Reed, B. Specht, J. Levy, R. Sylvester.
"Brightly through the winter night" the "Barefoot Boozers" came upon the "Madhatters". The Big Question was do they go to the "first floor" or the "fifth". A decision was reached to "fly" up to the first floor.

The "Phi D ladies" were waiting for them and as they arrived the ladies yelled "Do you love it?" and they answered, "Yes we love it, we want more, more." Course, they all agreed that they'd rather be at the "ocean mist" singing their all time favorite, "Getting to Know You". However, if you're ever in need of a hotel room, remember, "Hotel rooms are too expensive come to Delta Phi." But if you do you'll have lots of "fire drills" to go to. So remember, the "all night pajama parties" and "thumper" and "get the beak off".

Delta Phi is "somewhere up on a hillside singing "happiness is flaming on". So we'll all meet at the "Tavern" and "never come in!"

To attempt to describe exactly what it is like to study abroad and to express the emotions of anticipation, anxiety, jubilation and excitement would be an impossible task. Therefore the pictures will tell the story. There are not many pictures of students in concentrated study but these were in themselves learning experiences. Some of us are in these pictures and some of us are not, but no matter, there is an ambiance of experience that none of us will ever forget.

All of the campuses offer group travel experience. In Paris, the group visited the Champagne region and toured vineyards and homes. In Germany the students did much of the same thing in conjunction with their wine tasting course. There were however, many hours devoted to academic studies. All in all, the experience was quite pleasant.
