GROWING PAINS
First Production Of New Season
Cast In Rehearsal For Three Day Run In Nov.

The first play for the thirty-seventh season of the Ithaca College players is to be "Growing Pains" from the pen of Aurania Roulcrou.

"Growing Pains" is a comedy of the teen age, with all the accompanying hearts, throbs, under the direction of Dr. Tallcott.

Walter Benham plays the boy, George McKinley, in the first three of pie9y love. His sister, Terry, likewise affected is played by Doris Leach, in the role of Ethel Thomas, a schoolmate of Walter Benham.

The unobserving prom queen, Lillie, is played by Bill Dorfman while the more unobserving mother of Walter Benham is played by Dorothy Thompson.

Two other roles are being handled by Jean Allen, Averette Hunter, Jane Stone, Lucille Smith, Norma Rockchild, Rosalie Granlith, Doris Dowell, Eliza McKinley, Altrine Little, Phil Kane, Jane Pratt, Jim Bebee, and John Parham.

"Growing Pains" is scheduled for a three day run beginning November fourth.

This is the first production under the new system of which Adm. M. Nevens is director with Dr. Tallcott in charge of all productions.

FACULTY DANCE AND RECEPTION HELD IN FELD."H.

The annual faculty reception and dance was held for freshmen in the gymnasium on Friday, September 24, from 9:30 to 11:30.

Music was furnished by Hal Boggan, Rev. Forrest Cressel, Rev. J. G. Hackett, Rev. A. H. Babbit, Rev. H. M. Peabody, and the band under the baton of Mr. W. A. A. Fauber.

The faculty present for the evening included, as the guest of honor, Dr. Tallcott.

The faculty and guests were quite enthusiastic about both the faculty and their guests.

WESTCHESTER IS First Of College Gridders Schedule
Coach Freeman's Boys Begin Season With Tough Agreement

BEAT WESTCHESTER is quite an assignment, but the plucky Ithaca College youths will battle for their opening game Friday night, October 1, at 8:15, in Cayuga Stadium. The tremendous odd are against our boys, Westchester has already played four games—three wins, one loss.

They have been playing too much football, while coaches Freeman and Light have been handshaking only one game a week of practice. Under such odds coaches in every conference have confidence in their boys. They have the honor of having Eddie Sawyer, a star freshman at Westchester, as a coach and giving them valuable information on how to make touch downs.

The tentative teams are as follows:

First Team
Andrews—Barker, Central Perrotto—Left Tackle McCalla—Center Roche—Center

Second Team
Spaulding—Left End Barker—Center Baker—Baker

The team has the following games for the year:

October 3, 1937, at Flushing Home
October 23, 1937, at Flushing Home
October 30, 1937, at Flushing
November 6, at Flushing
November 13, at Flushing

Coach Freeman is very much pleased with the new members of the squad. The boys that have transferred from the Lyons and the Franklin, have all kinds of ability and will probably see much action in the coming year. Coach Freeman has confidence in his team's defense but the offense needs to be polished to the arrival of the squads and the distribution of the score. Complete rules and regulations will be outlined in the next issue of The Ithacan.

Cayuga Players Present "Penny" For I. C. Students

Kempy, the third production of the Cayuga Players, was presented to a capacity audience in the Little Theatre, September 29th.演出 by graduate students already well-known for their previous performances. The cast also included Ruth Miller and Willard Dorfman, both undergraduates.

The play, a delightful comedy, unfolded before a responsive audience in such a manner as to forget their surroundings and join in heartily with the performer. A little for Kate, affection for Ruth, and helpfulness for Kempy.

‘Students of all classes and that you prove too much for any of the students would endeavor to help with the good work.'

The pastors and university ministers desire to be of service to the students. If there arise problems which the students would like to talk with over the radio, they will be pleased to hear from one university pastors will be glad to address the meeting and talk to anyone who is interested. Every Sunday evening there are worship services in all the city churches, most of them at eleven o'clock.

No church has been found in some of the churches before the regular serpice. In the evening there is a number of student organizations which meet for fellowship and discussion, in some of the city churches for supper, with the meeting immediately following, and others right after the evening service. Students are most cordially invited to these gatherings.

A reception to old and new students will be held in the various churches of the city on Friday evening, October 1, at 8:15. Everyone interested in attending the reception and their personal friends. Students who have suffered problems and that you prove too much for any of the students would endeavor to help with the good work.

"The Phy Ed Busy at Percy Field"

The Phy Ed department has been kept quite busy at Percy Field this past week. All of the teams have been in session insomuch as the only team that was handicapped with only one figure which any of the students would endeavor to help with the good work.

The teams are as follows:

First Team
Andrews—Barker, Central Perrotto—Left Tackle McCalla—Center Roche—Center

Second Team
Spaulding—Left End Barker—Center Baker—Baker

The teams have the following games for the year:

October 3, 1937, at Flushing Home
October 23, 1937, at Flushing Home
October 30, 1937, at Flushing
November 6, at Flushing
November 13, at Flushing

ITHACAN POLICY
TO BE NON-PARTISAN

In view of the fact that this is a college paper, and that it will be read by you, the Editorial staff is adopting a new policy for this issue that will prevail in all forthcoming issues for the present school year. The paper hereafter will deal only with our news and outside references, and write-ups will be cut to a minimum. Surely there is enough that transpires in the two week period between each issue to fill the columns of The Ithacan. If you enjoy our paper we are satisfied. We are working for you and the ultimate goal of any employer or employee is harmony between them. Without harmony there can be no success.

PATRONIZE ITHACAN ADVERTISERS

Probably one of the most fascinating phases of newspaper work is the advertising. In this type of work, two factors must always be kept in mind; the advertiser and the reader. Let us limit this article to your own paper, The Ithacan.

Contrary to the belief of some, a merchant advertises in your paper because he has something to offer you, and not because he feels it a duty to advertise. He realizes that you are in college with a limited income, striving to complete four years of training while incurring as little expense as possible. Let us begin with the first premise. You need a new suit. Well, Mr. Smith of Cloverdale, has a beautiful suit to offer you for $35. You think it will be better to wait until the Christmas vacation to get the suit. Why? Perhaps for the reason that you can get credit sooner at home, or perhaps Mr. Smith is a good friend of the family, and you feel that duty is the prevailing force.

Now turn to your clothing advertisers in The Ithacan; Lewis, Rothchild, Sport Shop, and the others. You will find equally good apparel at better prices. Your credit? Mr. Smith places no more faith in you than any one of these merchants. Just give them a chance; that's why they advertise. They're the real but honest people you ever dealt with. If your advertisers show their interest in you by supporting your Ithacan, allow yourself the opportunity of getting acquainted with them. After all, friendship is the open door to understanding.

The greatest difficulty one encounters in college is the inevitable breaking-down of certain home ties. But ask yourself, "Will I always live in Cloverdale, Cassino, or Podunk?" Of course not. On that September day when you enrolled as a freshman in Ithaca College, you started on the long road of independence. Physically, you are still a part of your alma mater. You may not always live in Ithaca, but you can always come back. You may not always live in New York State, if not the whole country. Here you find style and price. For your needs, for your pocketbook, patronize your Ithacan advertisers.

ATTENTION!
Faculty and Students

In various places throughout this issue you will read words—"Patronize Ithaca Advertisers." They are being used for a purpose and are not mere "fillers." The success and continuation of The Ithacan depends upon our advertisers. If the Ithaca College body as a whole will maintain having read the ad of The Ithacan when purchasing from these concerns, the staff of this paper will greatly appreciate it. Repeat ads and new ads depend upon "returns" and this is your way of helping.

To avoid any confusion on the part of the "cats" who read this column, we'll let you know that this column is not intended to be a diary... but... just a few "notes" on the musical and pedestrian activities hereabouts...

Whataboutabird is having a storage sale for comic art and comic strips... just like the Editor!... so don't say you're too busy to check them out.

The dramatic department party was at the home of Mrs. Beeler and a lovely time was enjoyed by all. I'm sure we can't rid ourselves of the "explain the explanation" syndrome... this time...

Invariably, we find all periodic papers in a state of high tension, trying to contain a bit of literature to be of a comical or subtle nature.

We shall endeavor to make this column one of those... although time may prove that other campuses have gained popularity wherever the younger generation has been active... oh well just "screwed".

SUMMER NOCTURNE

We have attempted to interpret many of the student body this week in what, when, and how they did this past summer. Well, summer good and summer bad; we don't feel excited if we haven't mentioned you. Ye Editor finds comfort in the "Ten of Vitamins"—much to all you new-comers. Pratt takes to medicine—also music. DeVries subsided to arranging and playing; in Binghamton while Sholley went back to camp with the children; so did Pruda. Phil Kane kept busy painting scenery—while the hand white with the other he held—what was her name Phil? Ann Levering spent her second year with the professionals at Shawnee on the Delaware; by the way Shirley Balen had fun; Baumgartner gets the cold shoulder—be warmed the floor of the Lake Place Club; he played drums. The Tribune got Heaton—or something; and observant ones may have noticed vou.

Fraternities

Big Sister

To Hold At S.A.I.

The annual "Big Sister" Tea was held September 23, 1937, at Sigma Alpha Iota sorority. Usually this affair has been largely patronized by the Faculty, Freshman Girls and their "Big Sisters." This year however, several boys appeared in groups throughout the afternoon. This made the tea more interesting and successful. Many new friendships were formed among the familiar ones, therefore it was quickly noticed that everyone was well attended and that new friendships will be prevalent.

New Phi Ed.

Fraternity Formed

The local fraternity of Sigma Delta Psi has a list of 25 active members, mostly from the Sophomore and Junior classes. In addition, a number of national boys have set up a standard of tests in several classes. These tests include the 100 yd. dash, long hurdles, mile run, cross-country, and a broad jump and 100 yd. hurdles. It is necessary to pass certain tests in these events before becoming members of the national fraternity.

Faculty counselors for the local chapter are: Laurence S. Hill, W. S. N. and Frank W. Ben A. Light. The officers are: Ralph Brin, President; Charles E. Johnson, Vice-President; Anthony Papa, Secretary; William McConnell, Treasurer; Leslie Harasik, Historian, Ithacan Representative.

The fraternity house is located at 415 N. Cayuga St. The members are planning to hold open house there in the near future. Later in the fall there will be a speaker for Physical Education.

Kappa Gamma

Moves To New House

For the benefit of all new comers and those who, as yet, have not heard of the Kappa Gamma Phi, national music fraternity, we are announcing their new residence at 507 E. Seneca Street.

Brother Harry Clare, President, has stated that he is expecting the forthcoming year to be one of the most successful in the history of the chapter.

The supervision and chairmanship of Mrs. Hunt, the new Nurse Mother, many house functions and social activities are being planned.

The first of which will be the formal house opening to which the entire fraternity cordially extends all new students and old to attend.

Delta Phi

Has New House Mother

This year Delta Phi welcomes a new house mother, Mrs. Harrington, "Aunt Frances" comes to us from sorority in Massachusetts. She teaches College, Amherst, Mass.

The Delta Phi's are busy preparing for their house opening. With all the rooms occupied this year, the house should be most attractive.

The first sorority meeting of the year was held on Tuesday, the 27th, at 7:45.

Phi Mu Alpha

Prepares For Active Year

Phi Mu Alpha is filled to capacity as some thirty members are on the verge of becoming lifetime members. It took quite some time for the boys to find out how they were going to include Tom's feet on the sleeping porch and the usually many man hours went to work.

The rooms are getting into shape for the annual house opening in collaboration with Sigma Alpha Iota. The date set for the affair is October 12 and with this date set a banner year under the able leadership of President Mrs. Henschel, its fellow officers is anticipated.

S.A.I. Play

Host To College Girls

The first big event for the freshman girls happened on Wednesday, the twenty-second. It was in the form of a tea which was sponsored by the Women's Self-Governing Association. The ladies, Dean McComb, Mrs. Jones and the officers of the W.S.G.A. formed a very gracious and charming receiving line at the entrance of the house. The guests, Mrs. Job, Mrs. Lyon, Mrs. Catherwood and Miss Weatherby entertained the guests with utmost delicacy - extreme dignity, they led the guests to their respective cubicles; into their rooms, it goes without saying there is a little shyness displayed in a freshmen girl. All the新生es, besides being a fairly good bunch, also had a few of the more mature upperclassmen, we find that first, the freshmen of that year, upon questioning a few of the more upperclassmen, found that first, the freshmen are not a bit shy. We know there is a period set for the freshmen of that year, upon questioning a few of the more upperclassmen, found that first, the freshmen are not a bit shy. W.S.G.A. Holds First Mass Meeting

Last Wednesday night the Women's Self-Governing Association, comprised of all the girls from the three departments of Ithaca College, held its first mass meeting. Sally Bracken, president, called the group together with a word to all the room girls and upperclassmen.

The officers of the new year are: Helene Rose, vice-president; Eleanor Nelson, first vice-president; Edna Bell, secretary; Norman Rothschild, treasurer; Faith White, censure chairman; Beatrice Gordon, Outsiides-Girls executive; and Barry Cornwell, representative of Physical Education girls.

Dean Powell, advisor of the W.S.G.A., gave a short talk especially directed to the Freshmen and transfer girls. She reminded all the girls of the rules of the estate.

Mrs. Talcott, the main speaker of the evening, was then introduced by Miss Powell. She spoke to the new girls, directed to the new girls, dealt with the subject of personality. She talked to the interesting and helpful not only to the new girls, but to all the upperclassmen.

Entertainment was furnished by a two-act double feature. The first half was given to Sally Harasik, Jean Rowell, and Florence Johnson, who give a Courier, two children had two humorous readings.

Entertainment was given by the dramatic club. The promoters were Sally Harasik, Jean Rowell, and Florence Johnson. The play consisted of a very amusing play of the twentieth century - freshmen who come out of the pranks of the freshmen with utmost delicacy.

Silent as the neighboring halls of justice they listened; humbly they listened. But oh oh oh! There comes a voice faintly reminiscent of the animal spirit, and more consideration of the serious nature of our work, group of colleagues adjured quietness - a freshmen who come out of the pranks of the freshmen with utmost delicacy.

There comes a voice faintly reminiscent of the animal spirit, and more consideration of the serious nature of our work, a group of colleagues adjured quietness - a freshmen who come out of the pranks of the freshmen with utmost delicacy.

Let us try to be worthy contradictions for these halcyon-youthful pioneers! (And yes, please, while they study.)

FRESHMEN TO FETE

UPPERCLASSMEN FRANKLY

After a challenge issued by the upper classmen of the Dramatic Department, a Drama Department has been authorized at Ithaca. The freshmen of that year have decided to play host to the senior members of the department.

At a meeting of the "first year" students, Vice Santoro was elected chairman of the party.

The program will include vocal selections, instrumental selections, and some dramatic skits. After the program an orchestra will furnish music for dancing. Refreshments will be served and the evening will be appropriately closed with a song fest. Certain members of the freshmen have pledged the entire class to do outstag the magnificent performance of "Bill" Dorfman and Ralph Harasik.

The chairmen of the various committees are: Production manager, Joseph Rabinstein; Refreshments, Forest Wood; Property, Marjorie Van Santoro; Music, Harold Hasty. Invitations are extended to all dramatic "souls.

EDDIE DOOLEY TO COMMENT ON FOOTBALL FOR CHESTERFIELD

It's a sure sign the football season is on again. Derrickson's famous All American quarterback, Eddie Dooley, is back on the air over the Columbia Coast-to-Coast Network every Thursday and Saturday with his last-minute football news.

The makers of Chesterfield Cigarettes, sponsors of Eddie Dooley, are certainly making a bow to the wide interest in sports news. Their football programs will be on a larger scale than ever before, necessitating two complete talks on each broadcast date, one at 6:30 P.M. and one at 8:30 P.M., even increasing their famous All American quarterback, and one at 8:30 P.M. even broader than before, necessitating two complete talks on each broadcast date, one at 6:30 P.M. and one at 8:30 P.M.

Eddie Dooley to Comment on Football for Chesterfield

his personality to be prominent in the sports department of the New York Sun in association with well-known sports writers like Grantland Rice and George Trefler. His training and background as one of the outstanding football experts on the East ever produced, has given him remarkable insight into the ways and working of football plays and his judgment on football news makes his broadcasts far beyond ordinary interest.

The Eddie Dooley football programs bids fair to top-notch sports programs in every respect, even in the personality of the announcer, Paul Douglas, who is himself one of radio's best-known sports commentators and carried the broadcast banner for Chesterfield on the Columbia network all through the 1937 season. The big kickoff of the week for football followers comes when the whistle blows for Eddie Dooley every Thursday, and the pay-off will come the following Saturday when the fans have a chance to see if Dooley's dope was right.

Personalities

This is the first in a series of biographies of members of the Ithaca College Administration and Faculty. Dr. Leonard Bliss Job, president of this institution since 1932, is the personality to be presented here.

Dr. Job brings to the college a number of improvements have been instituted, and the enrollment greatly increased.

The Ithacan congratulates Dr. Job upon his fine achievements and wishes him many more happy and fruitful years.
