**Terwilliger Receives Ph.D. At Cornell University**

William Terwilliger, assistant professor in the English department, received his Ph.D. from Cornell University in Sept. of this year. Dr. Terwilliger actually completed his graduate work in June. His doctoral dissertation was written in the field of American literature and was entitled "The Individual and Emerson's Concept of Equality."

**Frosh Frolics Planned October 30; Winning Group To Be Awarded Cup**

The 1955 version of "Frosh Frolics" will be held in the College Theater at 8:15 p.m. on Fri., Oct. 30. For this year's annual competition, the freshmen women will present three skits. The group giving the best performance will be presented with a cup. On this cup, the names of the winning department, its director, and the person who wrote the winning skit will be engraved.

"There are to be five judges who will be chosen from the faculty of the College. The music department will present a skit, while the departments of physical education, physical education and business will give an act. And, the departments of drama, radio, liberal arts, and music will be full of surprises."

The Cort­

**Organizational Changes Listed By Administration, Dillingham Vice-Pres.**

"Changes in the administrative organization of Ithaca College were announced today by President Leonard B. Giff."

**Dr. Dillingham is in charge of the general operations of the college. He was made vice-president by the trustees as of July 1 after serving as assistant to the President. Under the General College's five division. Business, Men, Liberal Arts, Radio, and Speech. Dr. Earl E. Clark is dean of the General College. Each department has a faculty chairman. Lawrence S. Hill, is dean of the School of Health and Physical Education with A. Garvan Dinges as director of the Physical Education Division. Dr. David Arnon is the new medical director of the Physical Education Department. The following quarters are in New York City where fourth-year students study and work in clinics.

**Scholarship Winners, T.A.P. Perform Welcome For Freshmen**

"On Sat., Oct. 4 from 2:00 to 5:00 p.m. the members of Theta Alpha Phi, Beta Chapter, National Drama Fraternity, will be welcoming the new freshmen students. Suzan Brindge, Nancy Carol, Edie DeBiss and Willet Silver are some of the students who will be welcoming the new students."

**Mail Boxes Best Method Of Inter-School Contract**

"Principals are urged to check their mailboxes twice a day. This is the college's most efficient way of communicating. School schedules, changes and notification, are checked twice a day. The boxes are located as follows: Business: Annex—opposite room 106 Music: Music building—around 106. Earno—Radio shack Physical Education: Seneca Gym Physical Plant: Physical building Liberal Arts: Administration building.
Activities Books Do Part of the Job

The activities books seem to be doing part of what was expected that they would do. They are getting the students to the games, but the second, and more important, part of what happens there is not in a satisfactory condition.

The St. Louis game tomorrow night is one of the most important of a football year, thereby inconveniencing others in pushing past them, stepping on their hands and coats, and managing to push two or more into a space made for but one.

And to the opposite extreme are those who think it fashionable to leave before the middle of the second act, so some people think it fashionable to go out of a football game, thereby inconveniencing others in pushing past them, stepping on their hands and coats, and managing to push two or more into a space made for but one.

What Tomorrows?

You are the citizen of tomorrow. What are you going to do with your life? Are you going to be the here-today, gone-tomorrow type of person? You have a choice.

The world today offers many great opportunities for personal advancement, preparation and for the preparation of others. These opportunities are primary, for tomorrow will come, and with it comes the need of people to know what is right and what is wrong, what is good and what is bad. The opportunities are everywhere, and it is up to each of us to make the best of them.

Our team and the coaching staff are a fine spirit, but what about our students?

Come to the games on time; stay to the end; let your team hear you; and above all, act like the adult college student you're supposed to be.

Musically

In 1939, the Delta Chapter of Phi Mu Alpha, national music fraternity, was initiated at Ithaca College. Phi Mu Alpha is the oldest national music fraternity in the world, having been founded in 1878. The Delta Chapter, now known as Delta Chapter of Phi Mu Alpha, was the first in the nation to be chartered by the national fraternity. It was organized in 1939 and has since become a leading force in the musical life of the college.

The Delta Chapter is open to any member of the college who wishes to become a member. The chapter sponsors a number of musical activities, including concerts, recitals, symphony orchestra performances, and choral groups.

The chapter also sponsors a number of musical activities, including concerts, recitals, symphony orchestra performances, and choral groups.

Maybray, Maybray Dance Instructor Faculty Member At Ithaca College

Ithaca College is extremely fortunate in having as part of our faculty, Miss Iris Maybray, who has been half a century of "an entirely new figure in the world of dance." Maybray was born in Paris, New York City, and on January 17th, she celebrates her 50th birthday. She has taught in many of the colleges along the west coast and in New York City. She has performed many solo performances in San Francisco, New York, and Paris.

As a modern dancer of the 20th century, she has been recognized as one of the most influential figures in dance history. She has trained many of the great dancers of the 20th century, including dancers such as Martha Graham, Merce Cunningham, and Alwin Nikolais.

Maybray's philosophy of dance is based on the belief that dance should be an expression of the human spirit, and that it should be an integral part of the human experience. She believes in the power of movement to transform and inspire, and she has dedicated her life to sharing this gift with others.

In addition to her work as a dance instructor and performer, Maybray has also written extensively on the subject of dance. Her book "The Art of Movement" has become a classic in the dance world.

Maybray has been recognized with numerous awards and honors throughout her career, including the Dance Magazine Award, the Dance USA Lifetime Achievement Award, and the Dance America Legends Award.

She is a member of the American Dance Con-
ATTENTION ALL MEN! If you are interested in taking the entrance test, fill out your application in the Court House. Your application must be in by Nov. 2, 1952, to Dean Clark for further information.

Harry Booth

At four o’clock on the same day that I talked with Pat Lincoln, I was scheduled to meet Harry Booth in the Olympiad. I wandered aimlessly in, looking for all the booth for a guy wearing a chartreuse carnation and carrying a balloon. So much luck. A couple of seconds later he came in but he wasn’t wearing either. (And I had told him to!) We found an empty booth and sat ourselves there. Neither of us felt like coffee so we just sat and talked.

Harry was born in Cleveland and moved. When he was two, to Poughkeepsie. At eight years he began to play the piano. An aspiring violinist, he practiced passionately until, when he was in high school, he landed a spot playing the piano regularly on a local radio station. Also during his high school career, he was a member of the Student Council. He was president of the Student Council.

Then Harry made the wise decision. He has an uncle who was president of the Student Council. He was president of the Student Council.

On the 11th season, he met with his uncle and they talked. Then he became the president of the Student Council.

After graduation, Harry hopes to do graduate work in Music Education. He is a member of the Student Council. He is the president of the Student Council.

Squad Faces Tough Schedule in Next Games; Meets Rivals Tonight

With three games under their belt, Coach Joe Hamilton's I.C. football crew faces next week's schedule. The Bombers play host to Cortland, at Percy Field under the lights tonight and will travel to Waverly, N. Y. next Saturday to meet the brilliant Saxons of Alfred. The Bombers tripped Brockport 12-4 for their second straight victory but were completely outgained in a 26-7 fray with Wilkes.

Relying on the strong right arm of John Filor, the I.C. Bombers downed the teachers of Brockport by the incongruous score of 26-7. The Bombers, outgained on the ground 153-95, were forced to take to the air. As the game got under way, the Saxon defense was unable to handle the Ithaca center, and I.C. scored.

Midway through the first quarter, George took the ball on the goal line and romped over untouched. Filor's scoring pass came in the third quarter, using two long aerials, and Andy Rudison played another fine game defending the I.C. goal.

Williams Provides Two Goals To Decision

Hamilton College 4-3

Johnny Williams, I.C.'s All-American soccer candidate provided two goals, including the winning score as coach Yavits hooters hung up their first victory of the season, a 4-3 decision over Hamilton last week.

Williams booted home the winning goal at 14:31 of the final period and added a pass to Tom La Place, a play that covered 57 yards and was good for a touch-down. Like the other Bomber scorers, Jim Howard starred at his center half position and Andy Rudison played another fine game defending the I.C. goal.

Johnny Filor faded for a total yardage of 55 yards to take a lead that it never again relinquished. The middle two stanzas saw Clad Miller and Fran Soprano wage a ground gaining battle with the Colonie's Ed Fitzerald, moving the ball up and down the field between the 50 yard lines. A recovered lateral led to Wilkes third TD. Filor's wild pitch to Soprano was recovered on the IC 16 by Bill Tait. From there Basney turned right end and scored standing up. This topped the score to Wilkes 20, Ithaca 7.

The Bombers played deep in their own territory during the final quarter and after the ball had changed hands several times Howie Gross whipped a 9-yd. pass to Ed Fitzgerald for the final score of the game.

Ithaca College 7 0 0 7
Wilkes College 12 0 7 2-6

Alfred Game Reset
Oct. 24 at Waverly
Memorial Stadium 8 p.m.

The Alfred game, originally scheduled to be played Fri. night, Oct. 23 at Percy Field, has been rescheduled for Memorial Stadium, Waverly, N. Y. at 8 p.m., Sat., Oct. 24.

Director of Athletics, Ben Light, said that a special section will be reserved for Ithaca College students, and that IC Activities Book tickets will be honored at the game.

LATEST BULLETIN

Brand-new national survey shows college students prefer Luckies

Last year a survey was made in leading colleges throughout the country which showed that smokers in those colleges preferred Luckies to any other cigarette. This year another nation-wide survey was made—a representative survey of all students in regular colleges coast to coast. Based on thousands of actual student interviews—this survey shows that, as last year, Luckies lead again—lead over all other brands, regular or king-size—and by a wide margin! The reason: Luckies taste better.

P. S. Once again we're buying student jingles! $25.00 goes to every student whose Lucky Strike Jingle is accepted for our advertising. So hurry! Send yours in right away to: Happy-Go-Lucky, P. O. Box 67, New York 46, N. Y.
