Deadline Set For Fulbright Study Applicants: Nov. 1

Applications are being accepted for the 1962-63 Fulbright scholarship program for graduate study or research in 41 countries in Europe, Latin America, and the Pacific areas.

Applicants must be citizens of the United States and must have completed their undergraduate work by June 1, 1962. Preference is given to individuals under 35 years of age.

The Fulbright Program is designed to increase understanding of the United States by foreign students and scholars.

Fulbright Travel Grants will be awarded to study in the United States for qualified applicants.

Applications are due by November 1, 1961.

The application deadline for the 1962-63 program is Nov. 1, 1961.

Activities Open With Freshmen Class Camp

By Dave Cantore

Ithaca College welcomed 800 incoming freshmen and transfer students with a week of orientation from September 18-23. Under the direction of Dr. John B. MacInnis, the week provided all incoming students with a good picture of I.C. life.

Orientation began for 180 freshmen at I.C.'s Frosh Camp. After leaving haggling in various places about the city, the freshmen spent several days at Frosh Camp, meeting their fellow students and faculty in planned activities.

The complete line of 80 started formal meetings with their departmental dean on Monday. Twenty hours of testing followed. The rest of the week's days and evenings were filled with convocations, dances, teas, lectures, and receptions.

Instructors, Deans, and Student Government officials spoke on varying effective study methods, the yearbook, college, clubs, and dormitory requirements. Church receptions for all faiths were held on Tuesday evening while the following Wednesday was filled with long lines and beauty.

Big Brother and Sister meetings were held on Friday afternoon. Dances sponsored by the Varsity Club and Senior Class were well attended.

The program ended with Frosh Home Day. The games were poorly attended and attendance by both upperclassmen and Frosh was sparse.

Sign Jim Russian To 24G Contract

Another Ithaca College baseball player has been summoned by the major leagues.

Jim, a 20-year-old I.S. junior, was signed this summer by the Boston Red Sox. Although Boston was not the only club watching Jim, he felt that he had a better chance of advancing after accepting their offer of a class A contract with a $24,000 bonus.

When Jim pitched for the I.C. team two years ago, he finished the season with a won-loss record of 6 and 0, and a batting average of .412. He also played football and basketball for I.C., but his favorite sport was always baseball.

Jim spent the past summer playing ball for the Harris Basin League college summer baseball league located in South Dakota. Later in the summer, he traveled to Pawtucket, R.I., for a week of training with the Red Sox.

In January, Jim will leave for Johnston, Pa., where he will play for the Johnston varsity in the Eastern League.

The Ithaca College Committee Against Segregation is now selling tickets for the Harry Belafonte concert which will be held next weekend evening at Barton Hall.

Tickets will go on sale for the Harry Belafonte concert, which will be held next weekend evening at Barton Hall.

The event will be under the guidance of the club's president, Tom Baker.

The second stage will occur later Friday evening, when the junior class will sponsor a rock 'n' roll dance. Junior class president Dave C Beetem promises a successful time for all this year.

Bob Comstock and the Counts will provide the proper mood and music for the event. The ticket will be informal, and attire should reflect the latest in outer-space fashion.

Stage three will take place during the weekend, as we travel up to South Hill for the IC-Southern Cunn. football game on Saturday afternoon.

At half-time, Alpha Epsilon Phi will narrate a short ceremony which will present the court candidates to the weekenders.

Sigma Alpha Mu, under the chairmanship of Jean Thomas, will make possible the presence of a court this year. This court will be selected by the student body by the same system which resulted in the successful mix-up used for the Spring Weekend court.

Requests for application forms must be postmarked before October 15. Completed applications must be submitted by November 1, 1961.

The Institute of International Education, founded in 1919, seeks to strengthen the bonds of friendship between the United States and other countries through exchange of ideas and knowledge among all nations.

It administers two-way scholarship programs for more than 5000 recipients in 80 foreign countries, and is an information center on all aspects of international education.

**“Rivals”**

The last day of the Student Union Program will be the production’s Stage Manager. The final stage play will be announced before October 16.

For those who just can’t get enough singing in, the Hilfen Foundation of Cornell-Ithaca is initiating a choral group for the first time this year. The rehearsals will be held on Wednesdays, from 7:00 p.m. to 9:00 p.m. at Anabel Taylor Hall, Cornell University. A member of the Cornell Music faculty will conduct the group, which will be rehearsing music of a more or less cultural nature.

The I.C. music fraternities are bustling about too! Phi Mu Alpha will entertain male freshmen and uncommitted upper classmen at a special performance of “Rivals.” Phi Mu will present a Jazz Concert featuring the Jamison Brothers. This group is well known to jazz enthusiasts of New York State and is currently recording on the Riverside label. Phi Mu’s chairman,

**“Out Of This World” Fall Weekend Theme**

In this age of spaceianostronauts and astronauts, the theme for Fall Weekend 1961, being held October 20, 21, 22, will be titled, appropriately enough, “Out Of This World!” With this theme in mind, the participating organizations have prepared a weekend of events through music, with each event numbered as a different stage in the journey.

Kathy Keating will serve as the chairman. In this role she will travel to South Hill for the IC-Southern Cunn. football game on Saturday afternoon.

At half-time, Alpha Epsilon Phi will narrate a short ceremony which will present the court candidates to the weekenders.

**Kathy Keating Weekend Chairman**

John Casagrande has acted as both coordinator and agent for this event.

The group will be heard on records at the ticket booths next week.

Delta Phi Zeta will be handling publicity again this year. Nancy Figler is heading the committee, and work has already begun to bring the weekend information to you by means of posters and paint.

Tickets—$5.00

Buo Mu Thetas has worked out the weekend budget. The chairman Wayne Levin announced that the prices of the ticket will be $5.00 per couple.

The tickets will go on sale the week of October 10th. The ticket will act as your passport to all the events of the weekend, and it will give you the opportunity to use the weekend special grind of Western City, Theory, and Anatomy for a weekend of fun.

**Sybil is Secretary**

Kathy Keating is acting as coordinator and will be on hand at the end of the weekend to assist the Student Council.

A carnival had been planned to be initiated into the weekend events; however, it has been necessary to cancel it due to the lack of time.

Activity on South Hill Buzzes
As New Campus Takes Shape

Welcome to Ithaca College.

For many students this greeting is familiar, for others, September ’61 is just the beginning of a study program which will eventually lead to fulfillment and a better way of life. Equally important, the students of Ithaca College 1961 are unique inasmuch as they are part of a multi-million dollar building and expansion program taking place on South Hill Campus.

The new Student Union Building and five new student dorms represent the initial effort on the part of Ithaca College towards establishing a single, unified campus, which has for so long been a serious problem. The long range goal is to eliminate inter-campus cooperation and to develop academic and dorm facilities within one community.

Will Accommodate 1200

As the program reaches completion, Ithaca College will have academic and residential facilities for 1200 students. The new dorms and buildings are constructed so as to allow for extensions to facilitate 2000 students and faculty.

Our new campus has been developed carefully with insight as to the needs of all departments at Ithaca College. All buildings are easily available, and parking and traffic problems have been minimized by access to main roads. Students will also be glad to know that dorms are situated so as to eliminate noise of local traffic. (The township has been carefully placed so that they too will be free of academic noise.)

Students who reside or attend classes on South Hill are fully aware of the ultra-modern design used on the new buildings. Double occupancy rooms eliminate all crowding. Each floor is divided into two sections, each consisting of ten rooms housing twenty students. There are washing facilities for these students and a coin-operated laundry room in each of these sections.

Dorm 3 Largest

The largest of the sleeping quarters, Dorm 3, is built into the side of the hill and this sloping allows for an extra floor below the first floor. It is this addition which will be used as a recreational area with facilities for sports, faculty lounges, television enjoyment, and games.

Study areas and reading rooms are situated in all buildings and constructed in a “fraternity-like” design. Stair cases, operating picturesque views through extra large glass windows are special features in this type design. Lighting, tiling, furniture, exterior design lift the heavy atmosphere of “the institution” from our campus.

The Student Union Building will house some faculty offices, an information desk, barber shop, student lounge, snack bar, and second floor terrace. From this terrace students can observe Cayuga Lake, the wooded areas of the college and the city of Ithaca to the north.

Future Enlarged

The future Ithaca College campus will be enlarged to include ten student dorms, an infirmary, music building, library, chapel, arts building, administration, lecture hall, gymnasium, field house, and several athletic fields.

Perhaps the most significant credit to this building program will be the unity and one-ness which a single campus affords. And let us remember too that this is the beginning of a perfect Ithaca College, which is and should be the ultimate goal in our building program.

The milieu of the “Summer Stock” circuit saw many of our Drama majors this past season. They filled the host of available jobs in almost every capacity, ranging from apprentices in small resident companies to Equity Stage Managers in huge “package” houses.

A few apprentices had an opportunity to act in their company's shows. Carol Berman was an important part of CAME TO DINNER, THE BALD SOPRANO, and re-created her Green Room role of the student in Lonnie's THE LESSON at the Quahog Summer Playhouse in Thompson, Connecticut. Barbara Greacen has been an apprentice at the Corning Summer Theatre, where he played in THE MERRY WIDOW. LIFE WITH FATHER, and THE MARRIAGE OF BARBARA.

Chet Carlin was also at the Corning Summer Theatre where he was engaged as a technician. Again, in the technical side of things, Cliff Wardle worked as a part of a multi-million dollar building and expansion program taking place on South Hill Campus.

180 Attend Frosh Camp

Every year, Ithaca College sponsors a Frosh Camp designed to make freshman adjustment easier. Ithaca College faculty, administration and upper class counselors used the Camp to get to know and to help the freshman in a friendly and casual atmosphere.

This year, the directors were Ken Miller and Joanne Del Vecchio. The M. C. was Jay Yarroe. Counselors were Nancy Bicka, Barbara Purdell, "Weasel" Schneider, Gwen Wedderburn, Eileen Hogan, Ronnie Cornell, Mary Rockwell, Diane Sears, Judy Roland.

Also Rosemary Murphy, Jeanne Blumenfeld, Jim Bableden, Dick Bales, Ruth Flood, Paul Formato, Fred Kiechle, Lars Allanson, Dave Canteen, Jerry Lieberman, Skip Hopson, Paul Stoyell, Tony Murriale and John Pulkiewicz.

Theta Alpha Phi Welcomes Frosh

Theta Alpha Phi, the National Honorary Drama Fraternity, began its productive year by holding its annual "Welcome Freshman" party for all Drama, Speech, and Speech-Drama majors in the Green Room on Sunday afternoon, September 24th.

Serving as host for the occasion was Chet Carlin, the organization's social chairman. One of the scholarship students presented her award-winning scene, and Chet and Barbara Geasen, the fraternity's secretary, did a short scene from ONCE UPON A MATTRESS.

Professors George Hoerner and Robert Backwell were present, along with the Dean of Women, Helen Hood.

The occasion was an opportunity for the freshmen to meet with the upperclassmen and faculty members of the department on an informal basis.

Renew Cortland Rivalry Next Week

By Mike Wimmer

The Ithaca College football team will try to add another win to its 1-1 record when it meets Kings College at Wilkes-Barre, Pa., this Saturday. Although the Bombers have defeated the tough coal miners in seasons past, they don't consider Kings to be a pushover.

With Chuck Brady, IC's first teamers in seasons past, they don't quarter-back out for the season with a leg injury, and Ron Scarpilio, starting half-back on the its victory.
