

ECO REP INSTALLMENT

If holder is damaged or loose,
please email ecoreps@ithaca.edu

Created and posted by students and staff from the Office of Energy Management & Sustainability

September 2017

DID YOU KNOW?
Americans' driving
habits were responsible
for 1.45 BILLION TONS
of CO₂ emissions in 2016?

ALTERNATIVE TRANSPORTATION AT IC how do YOU move?

Bike Infrastructure

Bike racks are conveniently located
outside most buildings on campus
which allow you to store your bike
between trips safely and securely.
Additional resources are also available
through Bomber Bikes.
