BAGATELLES
by Mr. Orr

Joan Dwyer is one of those unfortunate young ladies who cannot find her way around in a big city. (Ithaca is not so large, either.) It was nearly revealed to this column that Joan set out from the administration building one day for the Corner Bookstore. In attempting to traverse the two and one-half blocks Joan got lost and walked and walked and walked until she reached the freight yards down in the west end of town. When she was asked: "How did you find your way back?" she merely replied: "I just turned around and retraced the same way I came.

Glen Rock is beautiful this time of year... isn't he?

Rheta... Mohanmer was a patient soul; he gave the mountain ample time to come to him before he decided to go to the mountain.

Read any statement about Chesterfield cigarettes
We tell you what they are made of—mild, ripe tobaccos. We tell you that we use Chesterfield pure cigarette paper.

We tell you that Chesterfields are carefully manufactured.

We suggest that you try Chesterfields and find out how mild they are and what a pleasing taste and aroma they have.

A great many cigarette smokers will tell you that Chesterfields satisfy—give them what they want in a cigarette.

To feel good after smoking—
It's not just the pleasure a fellow gets out of smoking Lucky Strikes...it's feeling good after smoking! Fresh as a daisy. A clean taste in your mouth. And when you stare singing in your bath—your voice clear as a bell! That's the great effect of a light smoke. Lucky Strikes—being made from the finest center-leaf tobaccos—taste good. And because they're a light smoke, you feel good smoking them. And after smoking them, too!
