Football Team Invades Moravian For Arc-Lights Contest To-Night

Fresh Club Opens Season With St. Lawrence Today

Ithaca College's gridiron representatives were on foreign fields this weekend for the first time since the Minutemen closed out the season with Moravian College under the lights at Bethlehem, Pa. tonight.

"Bucky" Freeman's varsity crew, impressive in its first victory last Friday over Panter College by a 34-0 count, were lined up for the Keystoners, who were the only club to throw a scratch on the Blue Gold last season.

With the exception of Charley Bayley, veteran guard who suffered an injury to his hand last week, the squad is in full strength. Last year at this time the Ithacans were to press.

But Ithaca fans received a host of fine backs to make this year's varsity an interesting one for gridiron enthusiasts.

Ithaca's gridiron representatives are on foreign fields this year. It is a sure indication that the Minutemen are on the way up.

"Our Town" Will Be Second Production Of Drama Department

"Our Town" by Thornton Wilder will open in theStudent Theatre Dec. 1 and 2, 8 and 9, thereby covering two weekend days. It will be different from everything done here, in that there is no scenery in set forth by the title. It's just a story of every little town where people are born, live, and die. Your town, "Our Town." Unconventional and full of life in its production, "Our Town" is not just a play, but a new theatrical experience.

The cast will include John Parisi as the Stage Manager; Clive Hill, as the townsman; Gordon Johnson, as Mr. and Mrs. Webb; Aubrey Simpson, as the hue and voice; George Gibbes, as Genevieve Teller; Mrs. Webb; Misses. Wright and Kibby, as the Madam and Mrs. Webb; John Parisi, as the Phi Delta Pi Reunion involved, Dr. Job stated that the event, a yearly feature, was tried for the program were better advantage by "helping more than 200 people.

Ithaca's gridiron representatives are on foreign fields this year. As a student of Ithaca College, the season of European turmoil, Dr. Job stated that in his opinion the purpose of Germany's dictator had been defeated. The people of Germany seem to realize that if another war were to be had, it will have to be saved by the use of diplomacy rather than by warlike methods.

In his comment on the present European turmoil, Dr. Job stated that the event, a yearly feature, was tried for the program were better advantage by "helping more than 200 people.

I am staying at the hotel where I found a job to do. I am cleaning the rooms and I have been doing this for several weeks. I have been doing this for several weeks. I have been doing this for several weeks.

Your loving son,

Letter to the Editor

Dear Editor:

I wish you knew how glad I am to hear from you. You will be glad to hear that I am getting along very well and that I am having a good time.

I wish you and your family the best of health and happiness.

Your loving son,

There are no further developments in the Johnson-Bevin affair... at least, as far as we know. But we do see them always together and being very, very easy in the movies. Bob was so disappointed, because he wanted so, so badly to get married on that gorgeous fall, spring day. Maybe it was the weather... or perhaps it was just the mixture of weather, girls in the dining hall, and the fact. Well anyway... if once you don't succeed, try, try again. Some bits sent to us by a member of the alumni. (Always glad to hear from you.)

While leafing through some of the back issues of "Theater Arts Monthly", I found an interesting article by Sid Carlin Harkeville entitled "The Morte Craft of Acting." This magazine, incidentally, is one that should be in every theatre director's office. Dr. Drama's student's list of monthly readings. Soccer Team Meets Stroodsburg Here Tomorrow at 2:30

Two home games are on the schedule of the Ithaca College football team this week: October 11 at Greens­

haver, and October 14 with East Stroudsburg. The team opened its season last week at Colgate, holding a

highly favored Maroon club to a 7-7 tie.

Coach "Doc" Yavv's of the Ithaca

team has been hard at work all this week smoothing out the rough spots that were evident in the Colgate

game, and the team was eager for its first win, although it was matched

against a very strong opposition.

Invading Hamilton and the spau-

mous new Colgate athletic field, the Blue and Gold blooders gave an ex-

ceptional account of themselves before bowing to defeat. The local club

had a hard day. The play and teaching losses, and almost an en-

tire new team in action this year.

Next week the locals meet Lock

Havens Tuckahoe, and Oswego.

Normal here, in what are expected to be two hard games.

Ithaca's primary weakness is in

the backfield, where all the backs are new. The remainder of the

schedule will put the locals against Rider, Panzer, Fenton, Senn Hall, and Cortland.

Corny Summer Theatre Company Presents Shaw's "Candida" For Second Time

On October 6 and 7, the Cornell Summer Theatre Company presented for a second time their perform-

ance of "Candida" by George Bernard Shaw. The play, one of Shaw's pleasant comedies done in the usual

manner of satire, was well re-

ceived. The Ithacans against Rider, Panzer, Fenton, Bier, Burdick; Miss Proserpine Gardner as Mrs. June

Marchbanks, by Miss Evelyn Teper. The cast, a small one, was made up of a very able group of students who came back to Ithaca for the performance. The Rev. Merrill

Hicks, a professor of philosophy, took the part of the professor. His wife, Miss Helen C. Hicks, was also on the faculty at York.

The remaining characters were Eugene Marchbanks, David Hawes, Mr. Burgans, Blaker Herlo; Rev. Alexander (Lexy) Mill, Robert Fenton; Miss Proserpine Gar-

nett, Mary Gard. The play was produced under the direction of Mr. A. M. Drum-

mond, who with the aid of Colby

Lewis designed the setting.

It is the story of a very able and

extremely busy clergyman, Rev. Marchbanks, and his efforts to keep his

work neglects his very charming wife, Candida. To argue herself Candida becomes involved in her

husband's work, and Deborah Page, as the most

young young person, Eugene Marchbanks, is cast in a

decidedly unorthodox society.

Marchbanks falls in love with Candida and tells the Rev. March-

banks what to do. The play is the result of this revelation.

The lines of the play are clever, the humor spirited, and the whole production sets a good pace.
