BOMBERS TO OPEN WITH ALBRIGHT

"ROME AND JULIET" OPENS FALL SEASON

The Ithaca College Drama Department opens its season with a four day run of "Romeo and Juliet" on October 21, 22, 23, and 24. The opening production will be directed by James H. Niph, producer of the College Theological Drama, and will be presented in the college theater.

Mr. Niph, who is currently engaged in research on the subject of the arts of ancient Greece, will direct the production with the assistance of a number of local actors, including several members of the college faculty.

Mr. Niph's production of "Romeo and Juliet" will be accompanied by a number of musical numbers and dances, performed by the college choir and orchestra.

The cast of the production includes several members of the college faculty and staff, as well as a number of local actors.

In addition to the main production, the drama department will present a number of smaller performances throughout the fall semester, including a performance of "The Importance of Being Earnest" and a production of "A Midsummer Night's Dream."

FELD HOCKEY BECOMING POPULAR

Field hockey is comparatively new in America, but according to Miss Page, woman's physical education instructor, more Freshmen girls were acquainted with the game this year than in previous years, indicating that the sport is becoming prominent among female activities for girls throughout the country. It is highly probable that the sport will gain in popularity in the adoption of the nation-wide physical fitness program.

Here at Ithaca College, the fall season is just getting underway, and the women's field hockey team is already showing promise for an excellent season. The team is composed of a group of talented players, including several veterans of last year's team.

The season will begin in early October with a home game against another college, and will conclude in December with the intercollegiate championship game.

In addition to the regular games, the field hockey team will participate in a number of invitational tournaments and competitions, including the annual Thanksgiving Day tournament.

Two Ithaca College Grad Grad New Jobs

Mrs. Eleanor Irvin Hardy, who graduated from the Department of Drama at Ithaca College with the class of 1940, has been appointed director of the Department of Drama at Pennsylvania State University.

In addition to her duties at Pennsylvania State University, Mrs. Hardy will also be teaching at the Pennsylvania State University at Altoona, where she will be teaching courses in directing and production.

Mr. Hardy was graduated from Ithaca College in 1938, where he was a member of the college drama club and served as president of the college Dramatic Society.

The Ithaca College Drama Department is excited to welcome these new members to our team. We look forward to seeing their contributions to our department.

Well the old ball is beginning to roll and is rapidly gaining headway. Letters from our boys in the armed forces are coming to us from all parts of the country.

MEADE are also here taking their basic training. Please let me know how things are at the college and what’s new at Ithaca. Also, let me know any news about the fellows in the army. (Well do our best, Court, 15 letters bring a pleasant interlude to the general routine of army life.)

I was lucky to get in the 1st band, which is fairly good as army bands go. I'm sure Mr. Beeler could make a much better one of it. About every week I get one or two dance jobs which seem more like civilian life. I got my first class private stripe about all we one got yet.

Kappa Gamma Psi

Freshman had their first view of 506 East Seneca St. on September 17 at our annual smoker. Highlighted feature of the evening was a violin solo artistically rendered by Mr. Coad. Brothers Miller, Roosevelt, Cusma, Jamison, and Korkor also contributed to the program. After refreshments, freshmen and members alike picked up instruments and "jammed" until Dr. Zeller announced quiet hour at 11:30.

Kappa Gamma will regret the loss of Gene Reichenthal who will leave shortly for the army. We're sorry you can't stick around longer. Gene, you've steered us well in the short time you've been here. Landon Morton has been elected as our new presiding officers.

Our next social event will be an open house dance held in conjunction with S.A.I. this evening, Friday, September 25. The welcome mat will be spread for anyone caring to drop in and "trip the light fantastic." We'll see you there.

Phi Epsilon Kappa

The brother of P.E.K. take this opportunity to say, "Welcome Fresh." We were pleased to see some of your faces at the house dance last Friday evening. We are cordially invited to visit the house on the hill whenever the impulse strikes you, or when you feel just lonesome.

Phi Epsilon Kappa is a charter member of the Professional Interfraternity Conference, organized in 1926 to encourage high scholarship, professional research, advancement of professional ethics, the promotion of a spirit of comity among the professional fraternities in the advancement of fraternity ideals.

The members of the conference comprise: Architecture, Chemistry, Commerce, Dentistry, Education, Engineering, Law, Medicine, and Pharmacy.

Phi Mu Alpha

Now that our house opening and open house dances are things of the past, it's time to look towards the future. It was both interesting and satisfying to see the large attendance of freshmen at our house dance. This indication of social mindedness on the part of the freshman is a promising note for the support coming to support coming social school functions.

Our next social event will be a freshman smoker to be held Wednesday, September 30. The smoker will include refreshments and entertainment by house and faculty members and enough weeds to smoke yourself blue in the face. So without further adieu, adios until September 30.

Delta Phi Zeta

With the beginning of school, everyone is bound to find himself in a dilemma. Right now a great many of the Delta Phi Zeta girls find themselves in their first days of practice teaching, academic work and school activities on their hands. Ruth Oakley is now in Spencer, N. Y., teaching; Evelyn Keeler and June Doerner, in Binghamton, N. Y.; Harriett Wolf, in Syracuse, N. Y.; and Mary Jones in Bradford, N. Y.

However, there are many social and other activities that are present at the moment. On Saturday night, September 26, the members of Delta Phi Zeta cordially invite everyone to an informal open house dance.

On Monday Delta Phi Zeta Sorority extends its greeting to the Physical Education women in particular and hopes that there will be many of you at 510 East Seneca Street then.

Although the time may seem a little too far in the future, October 10 will be upon us before we know it. Saturday, October 10 is the date of Delta Phi Zeta’s big dance of the year, Madhatter’s. Please start thinking about it everybody and don’t forget to buy those tickets when they go on sale. It’s formal, novel and just a great deal of fun.

EUGENE REICHENTHAL

Eugene Reichenthal, president of Kappa Gamma Psi, president of the Interfraternity Council, and Managing Editor of the Ithacan for two years, was born in the little town of Bons, N. Y., on March 29, 1918.

We Ithacans often wonder how Gene can be so versatile and yet be so modest, but we don’t know the half of it.

At flushing High School, (Gene moved to New York at 16) he was Editor in Chief of his high school paper, and received a letter for varsity track. He was also secretary of the Interscholastic Algebra League.

After graduating from high school, Gene entered Clark University in Massachusetts to major in English. He changed to Modern Languages after three years and received his degree in 1939.

At Clark, Gene was prominent in extracurricular activities. He received his numeraire for basketball and in his junior year and was Editor in Chief of the Clark newspaper. While in this position, Gene was expelled from the university for a satirical newspaper about the Clark faculty, but student ap-pealed the college authorities from carrying out their penalty.

After working for a year on a newspaper in Texas, Gene came to Ithaca College to study music. He claims that another reason for his coming to Ithaca was to keep an eye on his brother, a student in the Drama Department.

Gene will be leaving for the Army in a very few days, and gathering hints from his past record, we can expect that he will do his part.

Theta Alpha Phi

To fill the vacancy left by Bob McCrone, former president, and Jane Young, former treasurer, both of whom left Ithaca College this fall, Theta Alpha Phi last Monday moved vice-president, Wayne Ratz-laff, up to the office of president and elected Marilyn Millen, treasurer. Marty Klzman was elected vice-president to fill Retz-laff’s place.

Other officers who will continue their duties for the year are Evelyn Keeler, secretary, and Ruth Oakey, historian.

As the curtain comes down on baseball, let’s hash over some of the deeds of our own I. C. Boys in the baseball front, before we discuss the coming gridiron season.

Our hearty congratulations go to the Binghamton triplets this faculty, week, after leading their Binghamton triplets to fourth place and to the finals in the playoffs.

Here’s hoping that Ed keeps going and will some day head the Champion New York Yankees.

Charles “Tom” Fitzgerald has just completed a successful season with Hagerstown of the Interstate league. Long Tom was the big gun in his teams climb to first place and was instrumental in their winning of the semi-final playoffs.

However, the Owls lost to William-ington in the finals.

Drew Mabila, Ala. way, rumors have it that Gene has moved up either to Rochester or Columbus, both double “A” clubs. George was All-Star third base-man in his league and wound up the season hitting around .300. In the war effort, it’s very probable that we will see George playing with those dashing St. Louis Cardinals “Go-Head Gang.”

When last heard of Fred Winkler, star catcher of the great undefeated fresh nine of ’41, was playing ball with Pittsfield of the Can-Am league and doing all right by himself.

Dutch Proesel served his time between Binghamton of the Eastern League and Norfolk of the Piedmont this past season, and played good ball. While with Binghamton he hit .314 in ten games.

George Copeland stellar hurler of the great ’42 Ithaca club pitched his heart out for the tail and Rome team of the Can-Am league.

Several of our boys played ball on service teams throughout the country. Jack Kroh starred on the Fort Bragg nine, and little Mike Lurel was subbing for Benny McCoy, Connie Mack’s $45,000 wonder, on the Great Lakes Naval team coached by Mickey Cochrane.

Fred Collins, first baseman for Kansas City, of the American association, was hitting .303 until he joined the Navy last month.

Lieu. Commdr. Jack Thielen starred at the initial sack for his San Diego naval nine.

Frank Huchra is still pitching and pounding them out for his Coast Guard club at Staten Island. So far, Frank has been undefeated, hurling several one and two-hit ball games.

blocks and Tackles

The cancellation of the American International game for Oct. 3 was rather fortunate for I. C. football fans, as they will get a chance to see what our boys can do against a higher ranking All-bright eleven. The “Roaring Lions” from Reading, Pa., played such clubs as Bucknell, Carnegie Tech, and Franklin and Marshall. Last sea-son they finished with six wins against 4 losses.

Heading the Red and White whirlwind attack will be triple-threat back Bob Bennett and two great ends, Bill Spanger and Tony Durke.

It seems a shame that we will be without the services of several veterans, but we are hoping that the slack will be taken up by the incoming freshmen gridironers. As yet, Coach Freeman hasn’t a definite line-up in mind, but as prac-tice continues, he is forming several elevens and will make his startling line-up from the best of them.

Head and Toe

Coach Doe Yavits’ soccer team is steadily going through its paces, and from all indications will have a successful season. The forward line seems to have the scorching punch that was lacking on last year’s club. Kear and Hercinger, two new members, have added considerable power and drive to the line. As yet, the half-back positions look rather weak. The full-back posts will be adequately filled by the veterans, Irv Hale, Dick Cartwright, Tom Fit-tgerald, and Jackie Mahr, while the goal duties will be capably handled by Max Tolaska and Dick Willower.

It appears that this will be my first and last column for the Ithacan as Uncle Sam and F.D.R. have request-ed my presence and although Ithaca and I.C. have registered a permanent affection in my heart, duty now calls, and off to the wars I go.

For The Duration

And so class-mates and faculty I bid you fond farewell. I’ve enjoyed my stay here and I hope to return some day. Best of luck to my successor Tommy O’Connor and the Ithacan staff.
