Football Season is Upon Us, Kickoff 2 p.m. Tomorrow
by Herb Burkholder

Tough up front but lacking depth in the backfield up top the Big Ten edition of the Ithaca College football team that Coach "Smokey" Joe Hamilton will roll out on the gridiron tomorrow afternoon at 2 p.m.

Hamilton, in his fourth year as head grid mentor at I.C. will send his freshmen loaded squad against a veteran East Stroudsburg Teachers team that last Saturday clipped the wings of Stillsville S.C., 2-1, via a sharp aerial attack.

In pointing to the Stroudsburg game, Hamilton expressed confidence in stopping the Pennsylvanian running attack but feared the speed of the Teachers. Stroudsburg will run out of an "A" formation, resembling the one used by Steve Owen for so many years with the New York Giants. Ithaca featured a balanced "T" attack.

With two scrimmages under their belt, one against Hobart, the other against the Teachers of Manhattan, all of the starting positions are fairly well set but will not be definite till game time tomorrow.

The probable starting line announced by Coach Hamilton earlier this week will find Stan Weimer, a converted halfback and fullback and the finest runner operating at the tail, pillar points at the ends of the line. A pair of 132-180 pounders, John Tohill and Ed Shirk, and Mel Cohen from the Bronx, are expected to line up.

A definite starter will be Ithaca's own bundle of dynamite, senior John Daker, at right guard. Don Diston or Ed Shirk will start at left guard and in the center slot will be Gerald Kelch, 211 pounds, from Utica, N. Y.

Enrollment Up 2496;

Undergraduate enrollment at Ithaca College this semester is 1,982, an increase of 2496 over registration of 854 a year ago. President Leonard B. Job announced.

Total enrollment is the highest since the 1954-55 academic year. The total registration of graduates, part-time, and evening Susan students is 2,222 and the total enrollment will be around 2,100. It was 882 last year.

The freshman class numbers 480, the largest figure since the GI influx of 1946. There are 55 returning students.

Registration by schools and departments for Music 215, Speech 87, Drama-Radio 103, Liberal Arts 81, Business 250, Physical Education and Recreation 250, Physical Therapy 113, including 16 women in New York City.

The actuarial figures for Business has the sharpest increase in enrollment, approximately 142 new students compared with 82 a year ago. In Ithaca 714 men and 322 women are enrolled.

Marching Band
To Perform At Game Half-Time Show
To Honor Players

The Ithaca College Marching Band, under the direction of Thomas Pulaski, will inaugurate its third season as an organized unit when it performs at the first football game on Saturday October 2.

The band, wearing their blue and gold uniforms, will present a variety of pageantry shows, drill and dance routines-

I.C. Radio Station, WITJ Goes On Air Wed., Oct. 6

WITJ has begun its second year under the guidance of Mr. Robert Earle, director of the radio department, and Mr. Randolph Bates, instructor in radio with the anticipate-able hush-hush of activity from the whole radio department, which has been enlarged this year to 60 students.

Although WITJ is not yet on the air, Herb Burkholder, general manage of the Student-operated station, has announced that programming for the college radio station, WITJ, will begin between Mon., Oct. 2, and Fri., in the broadcasting house, Ithaca.

The program schedule had not been completed at this writing, but word from the radio department reports that there will be a new and varied group of programs this year, along with some of the better ones from last year, that are designed for the college student listener.

In the next issue of the Ithacan you will learn more about the complete schedule and the radio department's second annual open house which will be held this weekend during the latter part of Oct. The shows will be held from 2-3 p.m., Fri. and Sat., 8 in Studio A of the radio building on Campus St.

A note to all college faculty is in order for complete details. These auditions are open to students in all departments of the college.

Excellent job the end position.

Clint Miller, Speedy Halfback, To Run In Season Opener

Clint Miller, the fleet-footed little halfback from Binghamton, will be fired with the spirit and dash starting to put into good physical condition and showing good form for the first six-week period, Sept. 27.

Patricia Ackerman, Homer; Elma Alpert, Penn Yan; baby Breda, Binghamton; Babette Bingham; Geneva; Judy Breese, Candor; The band personnel includes eighty-eight members and the twirlers are much disappointed to complete the game Saturday, but they will still be pleased with at least one individual. Some heavy work.

The October 2 show will have its theme a "Salute to the Football Season." The show will honor I.C.'s football players. The formations for this show includes a helmet, football; cheer, three blind mice, and the traditional block I.

The personnel includes sixty-one members and twelve alternates. Over half the band are freshmen, and all are music education majors.

Sunny Aronson is the drum Major and the twirlers are Annether T. Hamilton, Elinae LeVis, and Marlene Sharack. Sunny Aronson will add variety to the

Small College Football Still Best

One of the most exciting college football games we have seen in the last ten years was played by two teams that would never have ranked in the top 15 in a stadium that consisted of some weathered bleachers and others that were brand new. The game was played in the early hours of the morning, before the sun had risen. The stadium was packed with fans from all over the country, cheering and yelling for their favorite team.

The game was a hard-fought battle, with both teams playing at a high level. The offense was strong, with a mix of running and passing that kept the defense on their toes. The defense was equally strong, with the linemen blocking and tackling at a high level. The players were physical, with hard hits and stunts that kept the ball carriers off balance.

The game was won in overtime, with a field goal from the kicking team. The winning team celebrated, while the losing team console themselves. The fans were happy, with many taking pictures and taking selfies with the players. The stadium was filled with the sound of cheering and the smell of hot dogs.

The next game on the schedule is against a team from a different conference. The game will be played in a stadium that is much smaller, with a capacity of only 10,000 fans. The team is expecting a tough game, but is confident that they can come out on top. The team is known for their strong defense, with a mix of returning starters and a few new faces in the secondary.

The team is excited about the upcoming game, and is looking forward to the challenge. The team is working hard in practice, with a focus on teamwork and executing plays. The team is confident that they can come out on top and win the conference championship.
Mona Meeker

Mona Meeker had just spent an agonized moment staring helplessly at what was left of her apple pie."I'm not going to college," she declared, doing a typical late fall meal. "I'm going to marry Lloyd Meeker.

Lloyd Meeker

Lloyd Meeker was born in New York, New York, on August 5, 1932. He graduated from Glass Falls High School, where he was active in sports and drama. Lloyd waited a year before going to college. During that year he danced the important part of Harry Beaton in the Glass Falls Operetta Club's production of Honeymoon.

Lloyd started his freshman year at UC as a radio-drama major. He joined Delta Kappa and was active in intramural athletics. He played several roles in his freshman year. He was Douglas in Hitler's Play, a lead role in the TAP one-act and a lead in the main role of the freshman Homecoming of the People and in many of the radio room group acts. He is still active in radio-drama and was seen in his appearance in Scampers as Loskell, his first and best known college appearance.

The beginning of Lloyd's sophomore year was marked by a change of radio-drama to speech. He helped organise WAC, (Men's Athletic Association) and was secretary of the theatre production of The Misanthrope. He workedights for Bachelor Herb and played the lead in a two-act original. In Scampers he played the lead role in a TAP piece. He took a leading role in a TAP piece in his junior year.

In his junior year Lloyd joined Student Council, publically chairing the freshman committee of WAC. He was elected President of TAP and served on the executive board of WAC. He was elected President of TAP 1952-53. As a sophomore he was also president of Theta Alpha Phi. He was also active in intramural athletics and was voted into an all-star team.

Movies are getting better than ever.

Since television has grown into one of the nation's leading industries, people have found a new stay at home to make. Instead of staying at home, the average beer drinker will stay home and watch something like "The Ben/Tony Show: Search for Tomorrow." Even "Dragnet," his twisty taut plot makes for good home viewing. Anybody from Sid Caesar to Hopalong Cassidy is doing a fine job. Rather than dressing up and going out on the town, most individuals have found the home to be the place to be. They are finding a "cheese-it" in their own living room and not anything from comedy to drama.

This is what Hollywood has been coming to.

New motion picture techniques like stereo sound, 3-D, and Techniscope are bouncing back their answer to television. The pan- dramas of television will never be brought into the average American living room.

The true reason for the film comeback is the acquiring of higher quality scripts such as "Rear Window," "On the Waterfront," and "Taxi and the Cowboy." For people who can't enjoy the splendor of a Broadway musical, they can now see the same show in their own homes.

People who can't afford a Broadway show can see the same show in their own homes. Hollywood is bringing to the screen there was no choice between a glamorous star and the reader's imagination. People are enjoying a night at the movies, but these little fellas that care can't contend with. And these little fellas that care can't contend with.

Snack Bar Opens—Goodies Galore!
by Sally Applegate

Here's good news for people who get hungry between classes. Ithaca College has finally come up with a snack bar. It is located in the large room downstairs in the Administration Building that was formerly the Men’s Lounge.

Every day except Sunday, from 7:30 in the morning until 10:30 at night, the snack bar serves breakfast, lunch, and dinner to all comers. For the between class and early morning eaters, there are donuts, coffee, soft drinks, and fountain specialties such as sodas, sundaes, milkshakes, etc. Starting Monday, there will be a complete menu of hot meals at reasonable prices.

The snack bar is run in cafeteria fashion. With students serving themselves, waiting for service is eliminated. The grill is run mostly by students who turn out-temporary hamburgers and cheeseburgers.

This writer would like to suggest that a hamburger, French fries, and a chocolate milkshake at the snack bar makes a satisfying and filling meal.

Poetry Association To Accept Writings Of College Students

All college students are invited to submit original verse to be considered for possible publication in the 12th Annual Anthology of College Poetry.

The recognition afforded by publication will robet definite credit on the author, as well as the college. Over 100,000 manuscripts have been submitted to the National Poetry Association in the past ten years. Of those, about 4,000 have been accepted for publication.

The rules are as follows: Manuscripts must be typed or written in ink on one side of a sheet; students’ home address, name of college and college address must appear on each manuscript.

Students may submit as many manuscripts as is desired. Theme and form may be in accordance with the wish of the student contributor. In order to give as many students as possible an opportunity for recognition and because of space limitations, shorter efforts are preferred.

The closing date for submission of manuscripts is Nov. 5. All works should be sent to Dennis Hartman, Secretary, National Poetry Association, 2210 Selby Avenue, Los Angeles 34, California.

FRESHMEN DOMINATE VARSITY SQUAD

The Ithaca College varsity football lineup will be literally spruced up with freshmen when it trots out on the Percy Field gridiron at 2 p.m. tomorrow in the season’s opener with East Stroudsburg, Pa., Teachers.

Coach Joe Hamilton has but 11 lettermen available, and the young men have been giving the other members of last year’s squad strong competition for berths.

Two halfbacks, Joe Pettrillo of Newburgh, a junior, and John Kalinowski a freshman from Greensport, suffered injuries in practice which will keep them sidelined for a couple of weeks.

East Stroudsburg opened its season with a 1-0 victory over Millerville last weekend. Soons returned with reports that Stroudsburg looked stronger than last season, when it defeated Ithaca 20-0 in the final game of the year.

Quarterbacks are John Filor of Brooklyn and Freshman Joe Tagi of Roslyn Heights, or Lou Center or Freshmen meal. The grill is run mostly very good medicine for a college. In order to give as many students who turn out for tomorrow’s invasion by the teachers from East Stroudsburg, Pa., Teachers.

The rules are as follows: Manuscripts must be typed or written in ink on one side of a sheet; student’s home address, name of college and college address must appear on each manuscript.

The first football game of the 1954 season is set for tomorrow for the Ithaca College Bobcats and Head Coach Joe Hamilton has stepped up the training pace in preparation for the Percy Field contest. The opening opponent will be the always tough East Stroudsburg eleven, a team which IC last defeated in 1936 by 32-8.

The following Saturday, Oct. 9, the College Journeys to Wilkes Barre to take on Wilkes College in a night contest for the Ithacans. Next, the team will travel to take on Cortland for the traditional game with Cortland for the Red Dragons, a rivalry which Tom took over as head coach. It was during his first year that IC beat Wilkes in 1931, the year that Hamilton College opened its football program.

Ithaca College Evening Sessions Started Monday

First classes in the Ithaca College Evening Session were held Monday evening. Additional classes among the 33 subjects being taught will be inaugurated through this week, and on Saturday morning.

Courses in music, child psychology, advanced shorthand, and elementary accounting began Monday evening. Prof. Robert P. Bigler inaugurated in Rochester a course for physical education teachers with permanent teaching certificates who wish to earn the newly-created director's certificate.

In cooperation with Penn Yan Board of Education and the Yates County Tuberculosis and Public Health Association, Ithaca College is continuing at Penn Yan Instruction in health education for elementary teachers who took a preliminary course during the spring semester. Prof. James A. Freeman teaches the course each Tuesday evening.

At 7 p.m. Wednesday Dr. John Hooker, director of adult education chairman of the Committee of the Ithaca Public Schools and Public Relations for the Southern Tier of New York State Teachers Association, presented a course in public and professional relations. Courses in music, physical education, education, and business, were among those started during the remainder of the week.

...Nail Stroudsburg!

All day: 9 a.m.-6:30 p.m.

Ithaca College Football Team will be spending its last few days before the opener with R.P.I. here Saturday concentrating on play patterns for use deep in the opponent's territory.

According to Coach Don Jones, the team "will be doing mostly light contact work and possibly brushing up on past and kickoff returns. We're trying to keep as far away from Injuries as we can.

Jones received word earlier this week that possible starter John Weatherly, who strained a leg ligament in the scrimmage against Cortland on September 16, will be out at least four weeks and may be out for the season. Fritz Hout- elect, star lineman last year and the latest casualty in the squad, has developed an infected foot and may be out for the opener.

Defensively, the team has rounded out into good shape, according to Jones, who seems quite pleased with the showing.

"The backfield of Cline, Brock, White, a Hansen looks in good condition. I'm not sure yet whether Brock or McDonald will start, as they're both returning and they've been running hard in practice. I guess both of them will see plenty of action."

Soccer With Hamilton At Titus Flats Tomorrow - 2:30 PM

CLINTON, N. Y. - "Things are looking brighter," Hamilton College Soccer Coach Bill Edmunds said yesterday. "In Tomik said when he came in from the practice session yesterday: "It's taken a lot of doing, but these boys are playing better and better. It seemed that their passing and general play-making was better than last year's team."

In his third year as coach, Edmunds is impressed with the showing of four freshmen: fullback Bill Edmunds of Brooklyn, Mass.; wing Tom Sucup of Butler, Pa., and Bob O'Neill of Garden City, and Bill Fairburn of White Plains.

"Those four might stand Saturday when we visit Ithaca, along with our five returning lettermen: Bob Ward, Paul Uffner, Bob Law- der, Charles GNenkim and Cap- tain Jack McNamara."

In his two seasons at Hamilton, Tomik, a 1951 Cortland graduate, has won 4, lost 8, and tied 2 games. His teams have met Ithaca only once before, losing last year, 4-3.

Damiano Gives Pro Piano Recital Wednesday evening September 29th, Frank Damiano gave his profes- sional Junior Piano Recital an ar- ront fulfillment of the require- ments for the degree Bachelor of Music. Mr. Damiano, a senior, is the pupil of Mr. George King Dreier. Mr. Damiano opened his program with Freiheit and Fuga, in C Minor, from Book I of the Well Tempered Clavier, by Bach. He then followed with Haydn's Sonata in E Minor in four movements. A group of three Debussy Preludes followed which included: "La Puerta del Vino," "Des pas sur la neige," and "La Cathedrale engloutie". He con- cluded his program with Romance Op. 116, No. 3. Intermezze Op. 119, No. 4 and Brahmsian Op. 79, No. 2 by Brahms.

The following Saturday, Oct. 9, with Ithaca College will wind off-and-on. with our five returning lettermen, backs and the backfield is running bright," Hamilton College Soccer Coach Bill Edmunds said yesterday. "In his two seasons at Hamilton, Tomik, a 1951 Cortland graduate, has won 4, lost 8, and tied 2 games. His teams have met Ithaca only once before, losing last year, 4-3.

Beat Stroudsburg!

JOE HAMILTON
Football Coach

The last year that IC beat Wilkes was in 1951, the year that Hamil- ton took over as head coach. It squeaked out a 6-5 victory.

The Bobcats return to Cort­ land for the traditional game with the Red Dragons, a rivalry which dates back to just about the be­ ginning of football teams at the College. The record stands at four games won by each school and two ties.

Alfred plays host to the IC gridders on Oct. 23, in a night game, with the boys from Ithaca trying to average the 4-1-1 troth they received from Alfred last season at Waverly.

After these games on foreign gridirons, the Bobcats return to Percy Field for a contest with Brockport under the lights on Oct. 23. Ithaca College will wind up its football season with a Fri­ day night game with Upsala Nov. 5. This will mark the first time that these schools have met on the football field.

The latest word from Hamilton softens slightly the optimistic feeling that was prevalent right after the Hobart scrimmage game. The loss is still missing too many "Those four might start Satur­ day when we visit Ithaca, along with our five returning letter­ men: Bob Ward, Paul Uffner, Bob Law- der, Charles GNenkim and Cap­ tain Jack McNamara."

In his two seasons at Hamilton, Tomik, a 1951 Cortland graduate, has won 4, lost 8, and tied 2 games. His teams have met Ithaca only once before, losing last year, 4-3.

Newman Club Extends Heartly Welcome

Again this year the doors of Newman Club swing open with a hearty WELCOME to all the Catholic students of Ithaca College. The Newman Club is composed of Catholics who wish to foster their spiritual, intellectual, and social interests through relations with those of their religious group. The club was formed by Cardinal Newman and has been adopted by nearly every college and university in the United States.
Throughout the normal school year the club indulges in monthly communion breakfasts, dancing, and a Christmas party, as well as entertainment for the underprivileged children and club discussions. Frank Branti, president, stated that the first of Newman Club activities will be a dance, held Oct. 1, followed by a picnic on Oct. 2, at Camp Erma. Other officers of Newman Club are: Jean Deavin, vice president; Betty Kolakowski, secretary; and Corrine Joneschar, treasurer.

Football Season

(Continued from page 1, col 2) The backfield situation is further complicated by injuries to Ed. Lax, Bill Lee, Joe Petrucco, John Kolnokowski and Roy Peters. Pat Grams, John Bertolissi and Dennis Hore addimmer if not speed to the backfield replacements.

The Bombers pounded out 315 yards in their ground attack against Stauntonfield in a scrimmage on Saturday and moved well against the strong Hobart squad from Geneva the week before. This surprising ability to move overland, so painfully missed in the past two seasons, coupled with a fair passing attack and a strong line leaves only one thing to be desired, an impermeable pass defense.

Skeptic is the outlook of Joe Hamilton for this team which is made up of an abundance of freshness talent. "This game of football takes a long time to learn, and there’s only one way to do it, — practice and lots of it," repeated the IC monitor over and over. The Freshmen need lots of it. "But," he said, "when we play football, we play for all the marbles all the time!"

The game will be broadcast on WITJ. The Ithaca College radio season begins at 2 o’clock. The play by play broadcast will be done by Joe Whelan, ace sportscaster at WVPO, East Stroudsburg, Penna.

IDEO To Sponser Co-Recreation Again This Year

Once upon a time during a regular meeting of IDEO there was a guest wishing to contribute to the success of Ithaca College. This contribution came to us right in the middle of another project which turned into the Ithaca College Snack Bar. The club split its forces and went right to work on this new secret weapon.

After one look at the records in the treasury we have a little bit of about how we were going to work. That was when we decided to ask for material from the student body. The students responded very nicely because the games, cards, and necessary equipment came rolling through the front doors of the Aurora gym.

When we asked for permission for the gym we also asked for some gym apparatus. We got both along with some sound advice from Dean Hill. It is almost impossible to destroy the truth, and the truth at Ithaca College was that we needed a place to let off some steam, a place where good clean fun could be found.

Now the Aurora and Seneca gyms will both be open to the I.C. students. The meeting ground for Co-Recreation is the gymnasium. The ITC Athletic Committee is sure to become more and more enjoyable because of fine contributions, such as the one made by Karl Brittle, an Ithaca College physical education instructor.

Some of the activities will be supervised by the gymnastic team. They run such events like the trampoline and long horse.

The IHCANAN To Send Delegates To Convention In Oct.

Plans are now being made by the ITHACAN to send five of its staff members to the 1954 Associated Collegiate Press conference, to be held this year at the Statler Hotel, Washington, D.C., Oct. 21-24. Editors and their staffs from ACP affiliated college newspapers in all 48 states, Hawaii, and Alaska will be represented at the national convention.

To date, only two definite assignments have been made as to who will represent the ITHACAN at Washington, those being the editor-in-chief, Martin J. Shannon, and the managing editor, Dave Chappel. The other three berths, or possibly four, will be filled out of the permanent staff members on the basis of merit and contributions to the newspaper.

The purpose of the ACP conference is to provide an annual meeting ground for a nation-wide exchange of ideas among college newspapermen.

One of the highlights of this year’s conference will be the photography discussions led by A. L. Terlerv, educational consultant in photography for the Eastman-Kodak Company.

The five or six staff members of the ITHACAN that will represent the newspaper at the conference will leave for Washington on Wednesday, Oct. 20, in order to be on hand for conference meetings starting at 9 a.m. Thursday morning. They will attend various meetings and discussions for these days and cap off their trip with a formal dinner and dance at the Hotel Statler main ballroom on Saturday evening. As plans stand now, the return trip will leave Ithaca sometime late Sunday afternoon.

A task that will face most music students either this year or sometime during their four years in college is the recital. In order to demonstrate that they have earned it well, the students will perform on the Little Theatre stage. When a student does appear in a recital program it is usually because he has completed satisfactorily the assignments given by his teachers. Long hours of practice will be apparent in the undertaking of each selection, but there will be in most cases one flaw in the performance that will diminish the audience's enjoyment of the program. This one flaw is apparent, yet few do anything about it. This blemish, this defect, is usually forgotten because he is so glad it is over. The one thing that is forgotten is that almost everyone will, if they were glad to get away from the stage, almost instantly forget the performance a performer ignores the audience.

Training Hard

Tomorrow

With the opening football game for the Ithaca College Bombers a scant day away, head coach Joe Hamilton has been busy getting his eleven-pass defense in shape. Hamilton feels that his boys have a long way to go to defend against something like that. The Stroudsburg theory probably is the more you throw, the more you complete.

Stroudsburg, in its last Saturday game against Ullaverville, ran a total of 70 plays. Of these, 30 were pass plays, and of the passes attempted, 12 were good. One was good for a touchdown. Hamilton feels that his boys have a long way to go to defend against something like that. The Stroudsburg theory probably is the more you throw, the more you complete.

The Ithacans are also stressing kicking, figuring that they just might have to do a lot of it come Saturday afternoon. Ed Hurley and John Piler will be the boys that will do the punting, but both are way off a respectable average in that department.

Stroudsburg will come here tomorrow with a heavy line, one that Hamilton expects a lot of trouble from. Scouting reports show that their top line men fill the tackle and guard spots.

The one big thing that Ithaca will lack this season in experience, with just about half of the first team losing made up of freshmen.

It is very hard to break such habits once formed. When you plan on appearing on stage discuss with your teacher the manners in which you are to present yourself before an audience. They will be glad to help you if they see you are interested. Proper stage deportment is a challenge to yourself to prove that you are capable of thinking. Are you going to accept this challenge? If you do you will be a credit not only to your teacher and Ithaca College, but also to yourself.

Army's second score came after Johnson. The varsity had nothing but praise for the first goal in 5 minutes of the game. The boys have been on the practice field since Sept. 1.

The varsity game got off to a slow start, but Frank Adams, all-American inside man, and a senior at the Military Academy, scored the first goal in 3 minutes of the first quarter on a penalty kick. Army's second score came after 16 minutes and was made on a beautiful play by their center forward, Johnson.

The boys' lone score came as a result of some exceptional playing on the part of Jim McEvoy and Arnie Heitz. McEvoy, playing inside left, did some tricky passing to Heitz, who made the tally. Biggley's JV team, which completely outplayed and out-classed but failed to out-score, the Army squad in the final quarter of the game forced the West Pointers to make six corner kicks, while Army forced none. Steinberg made the score for the JVs, out-playing the Army fullback and halfback to score unhindered. Although both the squads were defeated at the Point, the coaches feel that as soon as they get into better physical shape and get used to playing with each other that they will fare better.

Cheerleaders Match Men In Practice

To match the hard practicing of the boys, the cheerleaders have been doing their share of practicing, too. The girls this year will be wearing new uniforms consisting of blue jumpers and white turtle neck sweaters. As captain of the squad, the girls have chosen Amy Yoggy who has five years of high school cheerleading and one year of varsity. Shielding her credit is a Music student, voice major, Class of '56. Co-captain is "uranium乌克兰" Helen Stanton of Scarsdale '55, who has had two years of high school cheerleading. Helen is an English major, Class of '57. Major of last year, Sharon Whitney, has changed her interests this year to the cheerleading squad. Sharon has had three years of high school cheerleading also. She is a Drama major, class of '56.

Cheerleaders have been working hard to make the squad perfect. Cost New: $5.00. Call Bob-9033.

Got a Lucky Droodle in your noodle? Send it in and MAKE $25 Want to pick up $257 Make up a Lucky Droodle and send it in. It's easy.

If you want to find out just how easy it is, ask Roger Price, creator of Droodles. "Very!" Price says. Better yet, do a Droodle yourself, like the ones shown here.

Droodle anything you like. And send in as many as you want. If we select yours, we'll pay $25 for the right to use it, together with your name, in our advertising. We're going to print plenty—and lots that we don't print will earn $25 awards.

Draw your Droodles any size, on any piece of paper, and send them with your descriptive titles to Lucky Droodle, P. O. Box 67, New York 46, N. Y. Be sure your name, address, college and class are included.

While you're droodling, light up a Lucky Strike—the cigarette that tastes better because it's made of fine tobacco... and "It's Toasted" to taste better.

“I’m Toasted” to taste better!

LUCKIES LEAD AGAIN IN COLLEGES!

Newest, biggest survey of smokers in colleges from coast to coast, based on 34,440 actual student interviews, shows that students prefer Luckies to all other brands. Once again, the No. 1 reason: Luckies taste better.
