Frosh Frolics, an annual presentation of the freshmen women of Ithaca College, will be held this year on Nov. 27.

The Frolics consist of a series of ten-minute skits by the different departments as follows: Physical Education, Radio, Speech, Drama, and Music. Each skit is used, the words must be original. A panel of faculty members will judge the skits on the basis of originality, cleverness, and moral fitness to the theme.

The Frolics and their officers are as follows:

Gerald Zampino, Pennsylvania State University, who graduated from IC in 1950, has been appointed the director of the Frolics.

Mr. Fabrizio, Jr., is attending Ithaca College as a junior. He is the son of Mr. and Mrs. Fabrizio, who live in Rome, New York.

The Frolics are under the direction of a committee of seniors and juniors, who have been selected for their ability and experience.

The Frolics have a long tradition of excellence, and have always been a highlight of the Frosh Week program. This year, the Frolics have planned a special event to honor the memory of the late Mr. Fabrizio, Sr., who was a beloved member of the Ithaca College community.

Two Music Students In National Competition

Mina E. Galt Brown and Mr. Alfred Fabrizio, Jr., members of the school of music, and in their spare time members of the Florida, to participate in the National American Legion Competitions. The winning duo, who are acting as chairs for the department, are Drama, Dance, and Music, and are the winning department in the national competition.

Frosh Frolics has become a tradition for Frosh Week because of the twofold purpose it serves.

Music Fraternity Holds Annual Frosh Smoker

Iota Chapter of Kappa Gamma Phi, National Music Fraternity, presented its annual smoker on Saturday, Oct. 22, 1955, at 8 p.m., in the Frosh Week room, which is the largest and most elaborate in the United States.

The smoker was attended by the entire student body, and was an opportunity for the Frosh Week committee to start the semester off on a high note.

The program featured a variety of musical numbers, including a presentation by the Ithaca College Glee Club, which is one of the most successful groups in the country.

Willsip Technician to Present Junior Recital

Willsip Technician will present his recital on Friday, Oct. 27, at 8 p.m., in the Frosh Week room. The recital will feature a variety of musical numbers, including a presentation by the Ithaca College Glee Club, which is one of the most successful groups in the country.

The recital will be followed by a reception in the Frosh Week room.

Thaddeus Cordell, a member of the national American Legion, has been appointed the director of the Frosh Week program. He is a member of the Florida, to attend the Frosh Week program.

Mr. Fabrizio flew to Cuba for a two-day tour of the Cuban govern-
The Ithacan

Published bi-weekly for the students and faculty of Ithaca College.

Dear Editor:

The Ithaca College football team has been ranked number one in the nation for the past two weeks. On Saturday, October 8, Wilkes was overcome by the Ithaca College team and thus their season was over. The Ithacan office in particular is an object of assemblies to religious grounds. I am sure that at present we are not going to prove this all untrue.

Many improvements are on the horizon for this year's first issue was better than last year's. We have added and maintained the bulletin boards, which have become a great help to us.

Social Education

One of the most perplexing problems that an editor faces is the writing of a newsletter article which will be printed unless signed. Signature will be withheld upon request.

Barry Detten, Junior, Business: I don't think the major has other interests than the legitimate stage.

Faculty Chamber Recital Planned For Oct. 30

On Sunday evening, October 30, there will be a Faculty Chamber Recital featuring Mr. Martin Rossenwasser, Clarinet; Mr. Robert Prins, French Horn; Mr. Frank Erdig and Mr. Norman Vogel, Bassoon; Mr. Gordon MacDonald, Violin; and Mr. Rossenwasser will play second clarinet in Handel’s Overture and the Sonata for Two Clarinets and Corno da Caccia, marked Grave, Allegro, Larghetto, Allegro, Andante, Allegro.

Schuman’s Adagio and Allegro for Horn and Piano, Op. 79, will be presented by Mr. Prins and Mr. Erdig.

Mr. Rossenwasser and Mr. Vogel will then play Sonata for Clarinet and Piano, Op. 120, No. 1 by Brahms, marked Allegro appassionato, Andante, Presto grazioso, and Vivace.

Mr. Prins and Mr. Erdig will close the program with Beethoven’s Sonatina for Horn and Piano (1801), Menuet bewegt, Rigaudon, and Lebhaft.

Roxanne Ross To Give Recital Nov. 1

Miss Roxanne Ross will give her final recital (senior recital) as partial fulfillment of the requirements for the degree, Bachelor of Music on November 1 in the college theatre. She will open her program with Prelude, Allegro, and Variations from Perlitz’s In a Major by Bach. Following this Miss Ross will play Mozart’s Fantasia in G-Minor K. 475, Stadler Adagio, Allegro, Andante, Pius allegro and Adagio. Danbury’s Pour le Piano, marked Presto, Sarabande, and Toccata, will conclude the program.

Music Faculty Members Participate In Conference

On October 7th, various members of the Music Faculty participated in some meetings of the New York State Teachers Association. Professor Warren Benson addressed the Monroe County Teachers Conference in Rochester on the subject of the preparation of high school music students for college. Professor Ferdinand Prenstaiell (violin) and William E. Ybrylow (lute) offered demonstrations of lute and string techniques to the music teachers attending the Southern Zone of N. Y. S. A. at Binghamton. They were accompanied by a selected group of students from the School of Music.

At the Central Zone conference, in North Syracuse, Professor Helen E. Orr participated in a discussion on “Music in the Junior High School.”

Mr. Conrad H. Rawski, Danu, served on a panel conducted by Dr. Joseph Brotzeit, State Supervisor of Music. The topic was “Broadening the Music Curriculum in the State of New York—Can It Be Done?”

Generally, the attack on the "policians" by WTJZ is unwarranted and unwound. If the reporter had taken the time to investigate, they would have known that this is not a plan of the politicians. The promoter of the parking plan is David A. Saperstone, proprietor of The Sport Shop. Mr. Saperstone is a Commissioner on the Board of Public Works. This is an appointive position and is held for six years. Work Committees are appointed by the Mayor with the approval of the Common Council. Members of the Board comprise three Democrats and three Republicans.

Mr. Saperstone is not running for re-election. He has nothing to gain by the removal from his position until term expires. And he certainly does not fall into the classification of being either "greedy" or a "political opportunist." The Commissioner shows keen insight into the problem and should be commended for it. Saperstone made a plan that his plan be presented to the Common Council for their approval. The plan, however, was referred to a committee for further study.

Why WTJZ puts on the Chamber of Commerce is beyond the comprehension of this writer. Also, the solution proposed by the reporter on Friday night's program is too obvious and transparent to discuss in this column intelligently. As for polls of surveys—their validity is doubtful until all those asked are familiar with the proposals. In one particular class where the poll was held last Friday, only one person voted in favor of the move and all class members voted against it. After the class, many of the students asked the individual who voted in favor of the proposal what the voting was all about.

WTJZ would do well to take another poll after this issue has been revised and understood. Whatever the results of the last poll, the second or follow-up poll is sure to be more accurate.

But to get back to the issue, why should WTJZ be opposed to it? And how do they derive the authority to speak for the students of Ithaca College? Let us now compare the facilities of Ithaca High School to those of Ithaca College.

What does the high school have that the college doesn’t? It has a cafeteria with four floors of classrooms, a museum, faculty lounges, rooms equipped with lockers, ladies and men’s rooms on each floor, space for a resident nurse and parking space for 50 cars.

What does the high school have (all in the same building) that Ithaca College has (but not all in the same building)? It has an auditorium with a capacity that seats approximately 600 people, a small gymnasium, space for administrative offices, facilities for a retail store that would cater to the student’s needs, sound-proof radio broadcasting studios, headquaters in each room, a library in the second floor, music practice facilities, a bell system for classes and electric clocks in each room. No other room is smaller than any room in our annex.

After reading the above, the advantages are obvious. In addition to the unity of facilities and services, Ithaca College would permit frequent assemblies. Along with Ithaca College, it is centrally located and is an imposing looking structure.

The school is open during day time hours. Ithaca College students who are really interested in this proposal should take a few minutes off and visit the high school and compare its facilities to those presently enjoyed on Buffalo Street.

Viceroy

Because only Viceroy gives you 20,000 filter traps in every filter tip, made from a pure natural substance—cellulose—found in delicious fruits and other edibles!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.

2. The filter Viceroy wasn’t just whipped up and rushed to market to meet the new smoke requirement for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.

3. Smokers en masse report that filtered Viceroyes have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.

4. Viceroy draws so easily that you wouldn’t know, without checking, that it even had a filter tip… and Viceroyes contain only a penny or two more than cigarettes without filters! That’s why more college men and women smoke Viceroyes than any other filter cigarette… that’s why Viceroy is the largest-selling filter cigarette in the world!

Delta Phi Zeta Rush Party

Delta Phi Zeta held a full rush party Thursday, October 12 for their two pledges. Refreshments were served and entertainment was provided by the ITHACA Fraternity. Then let us know what you think of the proposal. Send any comments you may have to either Editor, THE ITHACAN, and they will be published in future issues.
College to Tackle Rugged Alfred U. In Last Home Game

"They're the fastest ball club we've ever had to meet," commented Ithaca Coach Joe Hamilton in discussing Alfred's football squad. Alfred will be the Bombers' opponent in the game tonight at 8 p.m. under the lights at Percy Field. It will be Ithaca's last home game.

"Both the line and the backfield are fast," he continued. "We have several Little All-American candidates who are not large but are regular freerackers. Coachled by former Purdue fullback Alan Yunevich, Alfred's boys tough but not especially his.

\begin{itemize}
  \item Fullback Jimmy Ryan leads the Ithaca attack in rushing, and also in scoring, with seven touchdowns and one extra point, along with two fumble recoveries.
  \item Distin's understudy will be Bill Tropeano, and he plans to move guard Don Carlin, 225-pound tackle from Harrison, gained Little All-American mention last year and has been brilliant both on offense and defense in every one of the four Alfred victories.
  \item The Alfred line is a typical Yunevich project. In all his years of coaching at Alfred, Yunevich has never had a big line, always having had big backs. He has been in search of that one big offensive lineman for all his big clubs.
  \item The Alfred line has been second to none in this year's four wins and no defeats. They were unscored on until they met Alfred last year, and then fought to a score of 20-0.
  \item The Saxons have allowed only one touchdown in their last 11 games.
\end{itemize}

All I Know

"All I know is what I read in the papers."

Will Rogers said that, and he knew a great deal. But how many college students pass up that way learning anything. Not only to find out what's going on in the outside world, but also in their own school. News columns, feature articles, editorials, radio, and movies, are packed with the papers of our time. But how many people read it?

Every now and then, someone will come up with the comment, "But I didn't know." Yet if that same person turned to an issue of the paper, he would probably find it and be looking for a story about a feature article that may give an opinion or news concerning that special department.

How many people will turn only the section they're interested in? They are missing out on what is going on outside their main interest.

If you follow Will Rogers' way of obtaining knowledge, you'll find that what you know is increasing, and what you can learn is almost unbelievable.

\section{Sports Shorts}

By Dave Feldman

To Flatbush faithful, 1955 will be stand out with that way an expected victory, Oklahoma. Arkansas extended its streak to 22 games, by blasting the Texas Longhorns 20-0. The top-ranked Maryland rolled over Wake Forest 23-7. Biggest upset of the day was Washington's 4-1 victory over S. California in coast reversal.

Baseball, refusing to leave the headlines, saw the inking of Fred Hutchinson to a 2 year past at the helm of the hapless St. Louis Cardinals. In addition, Frank Klepper, who was sold to the Cubs by the Pirates, signed a contract with the Dodgers.

A recent poll conducted by Sports Magazine of 123 college and professional coaches picked George Mikan as the top Center player of all time. The former DePauw and Milwaukee Lakers' star was chosen along with Hank Gathers of Stanford, Charlie Strong of Pittsburgh, Tom Gola, Bing LaSalle, and Bob Cousy of Holy Cross.

The Saxons have allowed only one touchdown in their last 11 games.
Ithaca College Conquers Wilkes In Close Game, 12-7

Bombers Swamped In Muddy Contest

Ithaca College won its first football game in 14 years as Neil Harris passed the ball to Hamish Hamilton's son Hamish Hamilton's forces went down to their second defeat in 3 outings, while the Dragons led 14-0 at the end of the second quarter.

In a game played under most adverse conditions, Cortland trounced Ithaca College 28-0 at Percy Field on October 14. Heavy rain continued throughout the second half and made defensive play hazardous, judging from their previous games. However, the boys are confident they'll give them a battle right from the start. Let's get down to Percy and back them up.

Bombers on their own, and Wilkes still led 7-0. Harris fumbled on the Wilkes 20, and on 4th down, Gross, attempting to punt, was stopped on the Cortland 7 yd. line as the half ended. The Bombers tried to go on the overland route, but were stopped when Harris intercepted Gross' pass and the Dragons led 14-0 at the end of the quarter.

Despite the rout, the Bombers gave it everything they had for 60 minutes. LaPlaca, Kniffen, & Disten were particularly tough for the Dragons to handle on defense, while Molisani & Prettyman showed well for the offense.

The Dragons lost to Alfred by another tough assignment for the Bombers. As the Saxtons appear to have another top-notch attack, judging from their previous games. However, the boys are confident they'll give them a battle right from the start. Let's get down to Percy and back them up.

**Soccer Team Wins**

(Continued from pg. 2, col. 1) and 22, respectively. All three games will be played at home. The J. V. team lost to Cortland State, 3-0, for their second straight loss of the season. Lou Zamanti was the outstanding Ithaca player. The next J. V. game will be at Cornell, Oct. 19.

**Time Out for Lucky Drodles!**

WHAT'S THIS?

For solution, see paragraph below.

EVERY ONE OF THE PEOPLE in the Droodle above (titled: Lucky smokers playing poker) has a good deal. Because they all smoke Luckies, they all enjoy better taste. Luckies taste better, first of all, because Lucky Strike means fine tobacco. Then that tobacco is toasted to taste even better. . . cleaner, fresher, smoother. So light up a Lucky yourself. You'll rate it as high for smoking enjoyment.

**DROODLES. Copyright 1953 by Roger Price**

**Lucky Strike Cigarettes**

**COLLEGE SMOKERS PREFER LUCKIES!**

Luckies lead all other brands, regular or king size, among 15,075 college men questioned coast to coast. The number-one reason: Luckies taste better.

**CRAYON RUIN (LOST ITS HEAD)**
