Rivals Now In Final Week Of Rehearsal; To Bow October 18

By Roger Ahrens

Met Star Peerce Slated To Speak At Convocation

Mr. Jan Peerce, renowned concert and recording star, is scheduled to sing in a music convocation to be held in the new Union Auditorium, Saturday, October 21, at 10 a.m.

The distinguished Metropolitan Opera Company tenor has a long and eventful career in music ranging from the Baroque Circuit to the most famous concert halls of the world. Under the auspices of the U. S. State Department, Mr. Peerce has recently completed an international tour.

The presentation of a bronze college seal already placed in the Union, the gift of the class of 1960, will follow the convocation ceremonies. A representative gathering of the Class of ’60 promises to be on hand for their formal class meeting since graduation.

Following a short service written by the Rev. J. D. W. Felter, in memory of Mrs. Merle Patrick Job, a room, furnished by the alumni, will be dedicated to Mrs. Job.

Bobby Comstock To Be Featured At Delta Sig Hop

Bobby and the Counts will provide the music tomorrow night when Delta Sigma Pi, Ithaca College Business Fraternity, presents the “Comstock Rock.” The dance, to be held in the Student Union Building, will last from 8:30 to 11:30 p.m., with an intermission for refreshments. The tickets are $1.25 and all seats are reserved.

Ithaca College students are eligible for one free ticket space upon presentation of identification card at the box office window.

Bombers Out To Extend Victory Streak In Three

By Jim Aversa and Lou Ricks

The Ithaca College football team will try to maintain its winning ways Saturday when it plays host to arch-rival Cortland State at South Hill Field. Kickoff time is slated for 2 p.m.

The Bombers defeated Cortland last year for the first time since 1953 but may find the going a little rougher as scouting reports indicate the Cortland team to be "bigger and faster" than last year’s victims.

IC scout Ed Persinger also reports that the Dragons are an exceptional passing offensive centered around two quarterbacks, Vincent Rocci and Ken Nugent.

Coach Lyon will employ virtually the same starting lineup which figured in IC’s 49-13 win over Kings College last Saturday. However, senior fullback Ron Serafini, who was on the injured list last year, is expected to return to the IC backfield. Seraphino was IC’s leading ground gainer last season.

Coach Lyon is confident the contest will be one of the closest of the season for the Bombers, has been a defensive standout for the team all season.

Best Cortland Team

Although IC scout Persinger feels this year’s is the best Cortland team he has seen in the past five years, Coach Lyon commented, "we’re not going to underestimate our ball club; we know we’ll be up for this game."

The last three meetings between the clubs were decided by a single touchdown and breakaway by the Bombers will very likely be the deciding factors once again.

This will be the 19th meeting of the clubs since the series began in 1929. The Dragons hold a 10-5 advantage over the home team with three games ending in a tie.

VICTORY AT ANY PRICE?

The halcyon days of college bring back many happy memories to the old grads. One such memory is the old, traditional football rivalry. A college doesn't seem complete without its arch-rival—without its football game of monumental proportions. For many years, every fall season was a key event, a battle that was the "big one." Here at Ithaca, the Cortland contest annually takes the limelight, and the win or loss over the campus. Last year, the Ithaca Bombers brought a victory over the Cortland Hawks, a victory that is sure to be remembered as a testament to their strength and determination.

Grim reminders of last year's futility and the need to change the situation can still be seen in DeWitt Park, with the faded white paint of the field. This year and next year, IC students are acutely aware of the senselessness of the game to be wiped off the books. With the Cortland-Ithaca contest had not gotten better, any victory became a Pyrrhic one—battles are won but the over-all situation is lost and the purpose becomes distorted. With the Cortland-Ithaca contest had not gotten better, any victory became a Pyrrhic one—battles are won but the over-all situation is lost and the purpose becomes distorted.

This, after all, is the true sense of the Cortland contest. Success or victory is not enough; there is a need to change the situation. The Cortland contest is a symbol of the futility of the struggle against Cortland. The Cortland contest is a symbol of the futility of the struggle against Cortland. The end of the Berlin blockade and the beginning of the ending of aggression in Greece after the Truman doctrine, and the end of the Korean War are all characterized by the United States' ability to do what it says it wants to do.

Dear Editor:
The students at Ithaca College should feel proud to have a newspaper like that of the Ithaca on our campus. The editors are not only informative and enlightening, but as in all other aspects of life, mistakes are made: mistakes and misunderstandings can be corrected, however, and there is no other way to make sure that the material is correct. I am a freshman and have been in the school throughout the year.

The general music workshop and production classes are in the Green Room. Anyone interested in any of the available positions can attend the council meetings and watch the progress of next year's program. That will be made. In the future we will try to have a means of transportation for the poor people who can't afford it. The answer is simple. Responsibilities. It would be a pity indeed if these available positions were not filled.

The Ithaca College football College's Homecoming Weekend the Monarchs to a stunning 40-13. Scoring twice in each of the first three periods, the Bombers rolled to their second straight win against the lone defeat in the season's opening game at West Chester Kings College, after winning its season's inaugural, has now lost its last two games.

Odell Scores Twice
Bill Odell, the mainstay of the Hobart contest last week, continued his dazzling display of football against the Kingsmen. Odell scored two first IC touchdowns and completing 87 yards on eight carries for an average of 10.9 yards a carry.

What adds to the amazement of this five-foot ten-inch junior from Saranac Lake is the fact that what he would have been his longest gain, a 39 yards sprint, was nullified on a penalty. For three games now, the flashy halfback has chalked up 252 yards on 31 plays, averaging just a hair over eight yards a carry.

Karas Named
Quarterback Larry Karas, earning the ECAC back of the game honors, also turned in his finest performance of the season thus far, connecting on two touchdown passes and turning what seemed to be losses into gains. End Ron Segal was named linemen of the contest, and Tom Lockwood was the outstanding sophomore.

The last four touchdowns were scored by Bob Valessente, Segal, Gene Monje and Ben Morrelli. The high flying Bombers flew right from the start. On the opening play from scrimmage, Karas surprised the defense with a pinpoint 43 yard pass play to right end Larry Gregg that went to the Kings 21 yard line. Two plays later halfback Valente drove to the 15 yard advance, but a clipping penalty moved the ball back to the 30 yard line. After a pass attempt failed, Karas took to the air. Almost pulled in by one man and turned what seemed to be a 15 yard penalty for holding had nullified Tom Vogt's first try.

Kings Score
A poor kick which only covered 46 yards from scrimmage to the IC nine yard line set up Kings first score. Two plays later quarterback Charlie Galliano connected with end Joe Delinsky for pay dirt. Galliano knotted the count 7-7 with the extra point conversion.

The Bombers stormed right back and forty-seven seconds later Ithaca had its second touchdown. Valen­cente grabbed the kickoff and raced to the Kings 27 yard line before being pushed out of bounds. From here, Odell took command and put his teammates out in front by taking it on the 10 and dancing on the clock. Sam Curto converted from 18 yards out after a 15 yard penalty for holding had nullified Tom Vogt's first try.

Kings Score
A poor kick which only covered six yards from scrimmage to the IC nine yard line set up Kings first score. Two plays later quarterback Charlie Galliano connected with end Joe Delinsky for pay dirt. Galliano knotted the count 7-7 with the extra point conversion.

Odell named Co-Captains For Cortland Clash

The Bombers marched 66 yards in nine plays for their third TD, coming at 5:06 of the second period. Karas, almost caught from behind again, just got his pass off to Segal who darted ten yards around and through the left side of the Kings defense for the score. Vogt's extra point try was wide and IC led 26-7 at halftime.

The winners went 69 yards in nine plays the first time it had the ball in the third stanzas. The big gainer were Karas to Odell (90 yards), Lockwood (eight yards), Odell (nine yards) Karas to Segal (16 yards), Odell again (eight yards), and Valente's climaxing slant of tackle from ten yards out. Vogt converted to raise the score 33-7.

Coach Dick Lyon then used his second and third units the remainder of the game.

Two and a half minutes later in the same period the Bombers had their final score of the night. Tackle Richard Travis recovered a fumble on the Kings ten yard line and on the third play Vogt and Mor­relli combined for a quick-pass over the middle for the six points. Vogt converted again and the score was 40-7.

Bombers Fumble
Kings capitalized on an IC fumble at the Bomber's 19 yard line for its second and last touchdown. Gal­lian completed the drive passing from eight yards out to full­back John Katsock for the score. The two point pass attempt was batted down and the final score ended 40 to 13.

Coach Lyon was "real proud" of the team's performance and felt that "the effort, attitude and con­duct was simply terrific!"

IC and Hamilton completed the regular season of ECAC play this afternoon and the two teams will take the field tomorrow for the Championship game.

Coach Messina was well pleased with the result, which marked the end of a good season. Messina's team will play again next week at the big game at the West Point Military Academy.

**Soccer Team Beats Cortland 3-2; Undefeated**

Last Saturday the Ithaca College soccer team came up with their fourth, straight win in as many games when they traveled to Cortland State Teachers College by a score of three-two.

The score was tied 2-2 at the end of the fourth period, so the game went into overtime. Harry Fleischman scored the second goal of the game in the beginning of the first overtime. I.C.'s other score was made by Don Bras, also in the first period.

According to Coach Yavitt, this was the most exciting game of the season. He has high hopes for this team. They are undefeated thus far, and there is a good chance that they will finish the season this way.

**Fall Weekend Nominees To Be Selected By Students Today**

Ithaca College students will have the opportunity to vote for the eighteen nominees who will compete for the Fall Weekend Court. Members of Sigma Alpha Lota have set up booths at both the downtown and South Hill campuses. The nominees will be announced tonight and voting for the final photo will be conducted next week. The Ithaca will publish photos of the finalists in its next edition.

The schedule for the Weekend's activities is as follows:

Friday—"Blitz Off"— pep rally followed by a rock and roll dance entitled, "Sparemen Swing." Saturday—"StarGard" at 9 p.m. semi-formal. Sunday—"Moon Munch" breakfast and "Way Out" jazz session in the afternoon.

Chairman for the Weekend is Kathy Keating.

**Campaign Fund Goal $250,000**

This poster below appearing in the windows of downtown stores and business offices, indicates that the owners have given to Project Ithaca College, a community campaign launched this summer to raise $250,000 for the first academic building on the new campus. Over $250,000 already has been pledged. Many businesses, in appreciation for the contributions of the College and the students to the community, have pledged more to the Project than to any previous local campaign.

**Council Report**

The Ithaca College Student Council entertained discussion on Men's Student Government and decided to investigate the possibility of a Student Activity Fund. The Council, composed of several members of the Women's Student Government and Men's Student Government with a presiding chief justice appointed by the President of the Council, would have jurisdiction over student rules infractions. It would not have expulsion power, but could recommend dismissal.

Bob Shapiro, speaking for the committee forming Men's Student Government, presented incomplete plans for M.S.G. representation—

He will give the final organizational plans for M.S.G. representation.
