Football Varsity Meets Vermont Within 2 Weeks

With two weeks to go before the Vermont game, the football squad is fashioning its wrestling team under the watchful eye of Coach Freeman. Daily scrimmages are being held, and the members of the squad will be divided into two teams, which will be the schedule from now on.

University of Vermont will have the advantage of last week's New York series, which has been brought into the competition. The entire department, with local audiences, will return for the Vermont game, and it is expected that every student in the division of the foremost American chamber music will be in attendance.

The formal dance, Glenn Brown and his orchestra furnished a thrilling performance on Saturday night, which was the hit of the evening. It was the result of the sub­ traction of the audience and the addition of two very few fiddles. And to Gur­ dial, Olga, and the University of Vermont student, who drowned the sweet harmony of a competent band.

The success of both functions may be credited to the persons in charge, the Junior Auxiliary, and Miss Wilson, for the Faculty Men present.

The program chosen was one of Liszt, consisting of great compositions, including the best of the world.

Paul heard nothing. His thoughts were playing some sort of a game. No one noticed Paul and Paul noticed no one.

"That pity it would be to be taken away from this," Paul thought. "I want to live very much. It wouldn't be carrying trays all my life. Perhaps I'll get something better soon. At any rate, right now I want to live. Perhaps I shall hear from the publisher."

He balanced himself on one foot as he pulled a nail from the sole of the other. "Damn me, that hurt. People should sweep their walks. My own foot.

We begin with the right kinds of mild ripe Domestic tobaccos. Then we age and mellow them like rare wines for flavor and taste.

Aromatic Turkish tobaccos

Next we add just the right kinds and the right amounts of Turkish tobaccos to give Chesterfield the "seasoning" that helps to make them taste better.

Blended and cross-blended

Finally we "weld" these tobaccos together the Chesterfield way—different from any other—to make Chesterfield a milder better-tasting cigarette.
