Cortland Second Victim For
Ithaca College; Muddy Field
Hampers Normal, Aids Ithaca

Team Shows Vast Improvement Over Last Week’s Game—Passing and Blocking With Equal Agility—Inferior Westminster Choir College Backs Good Deal Stronger and Tackling Excellent

A fighting Ithaca College team was the loser, but showed up to the full measure of its ability Saturday by defeating a lighter Cortland Normal eleven at 12:45.

Early in the first quarter Cortland gave the Blue and Gold team a scare by bringing it up to the Ithaca 23-yard line. Ithaca seized the opportunity and quick as a flash, with surprising speed, Parker shot a short pass over the line and Hickey took it into the end zone. The play was missed by the Cortland backs and on the very next play a punter of Ithaca failed to punt the ball beyond the 50-yard line. The Cortland backs were penalized for off side and Ithaca for a foul, which cost them 15 yards. This was the end of the first quarter.

Second quarter was more of the same. Cortland was able to pass and punt Ithaca into the Cortland 20-yard line. The Cortland punt was returned to the Cortland 35-yard line and Ithaca backed up the field to the Cortland 10-yard line. The Cortland punt was returned to the Cortland 20-yard line and Ithaca was penalized for off side. On the next play the Ithaca punter missed the punt and Cortland took over at the Ithaca 30-yard line. The next three plays of the Cortland offense resulted in a punt which was received at the Ithaca 30-yard line, but was made and Ithaca was penalized for off side. After three more Cortland offensive plays Ithaca was able to get a punt over the 50-yard line. This punt was returned to the Cortland 10-yard line and Ithaca was penalized for off side. This was the end of the second quarter.

Third quarter was more of the same. Cortland was able to pass and punt Ithaca into the Cortland 40-yard line. The Cortland punt was returned to the Cortland 30-yard line and Ithaca backed up the field to the Cortland 15-yard line. The Cortland punt was returned to the Cortland 10-yard line and Ithaca was penalized for off side. After three more Cortland offensive plays Ithaca was able to get a punt over the 50-yard line. This punt was returned to the Cortland 20-yard line and Ithaca was penalized for off side. This was the end of the third quarter.

Fourth quarter was more of the same. Cortland was able to pass and punt Ithaca into the Cortland 20-yard line. The Cortland punt was returned to the Cortland 10-yard line and Ithaca backed up the field to the Cortland 5-yard line. The Cortland punt was returned to the Cortland 10-yard line and Ithaca was penalized for off side. After three more Cortland offensive plays Ithaca was able to get a punt over the 50-yard line. This punt was returned to the Cortland 20-yard line and Ithaca was penalized for off side. This was the end of the fourth quarter.

The final score was Ithaca 29, Cortland 0

How to Do Europe
On Nothing, Flat.

There have been a number of intermediate developments since I left home. I have never had a car. I think it is time that I had one. But I have also had the advantage of seeing Europe on a small budget and I would like to offer a few tips to travelers. One of the most important things to keep in mind is to plan well. You need to know where you want to go and what you want to see. You should also make sure to have enough money for your trip. Another important thing is to be prepared for the weather. Europe can be very unpredictable, so it's important to have clothing for all types of weather.

Friday, June 6
The first man on this ark was an old fellow. He thought that it had been a long time since he had been on a boat. As a matter of fact, he was pretty sure that they were going to be eaten by the flood. He didn't want to chance it, so he got into the ark and closed the door. The other two were not so sure, and they stayed on land.

Friday, June 7
By now the ark was afloat. He knew that there were many more animals than he had expected. He decided that he would try to keep them all alive. He started to think about the future. He wondered if he would ever be able to return to his home. He knew that he would have to think carefully about what he was doing. He decided that he would try to do the best he could.

Friday, June 8
He had seen a lot of different things on the ark. He was impressed by the power of the floodwaters. He knew that he would have to be careful. He decided that he would try to be as careful as possible. He knew that he would have to think about what he was doing. He decided that he would try to do the best he could.

Friday, June 9
He had seen a lot of different things on the ark. He was impressed by the power of the floodwaters. He knew that he would have to be careful. He decided that he would try to be as careful as possible. He knew that he would have to think about what he was doing. He decided that he would try to do the best he could.
FRATERNITY NOTICES

Amardes Dorothy Gasker

The regular meeting of the Amardes fraternity has been changed to the new chapter room.

On Saturday, October 12, a group of Amardes traveled to Binghamton to see Walter Hampden in the play "Hamlet." Mr. Hampden is an honorary member of the fraternity and especially invited us back stage so he could talk with us. Everyone had such an enjoyable time that plans have started to arrange three trips to nearby cities where fine plays are to be presented.

Miss Isabel Glass '31 is now a member of the Erie Conservatory faculty.

Ernest Brown, '30, who attended Midcliff College this summer, has resumed her teaching in Quakertown, Pa.

Bob de Lanyu is playing the role of Perseus and Sam with the Washington Junior Players.

Everett Griffin has resumed his muscle building at Elgy, N. Y. During the summer he directed several plays and gave a series of lectures.

Dorothy Wein '30 and Patricia Siler were on tour with the Redpath Chautauqua this summer.

Mr. and Mrs. John Nash '31 are connected with the Little Theatre staff in Watertown, N. Y.

John Fagen is directing several plays for the Gas and Electric company of Ithaca.

Among our alums who are broadcasting are Gilbert Haggerty '28, WBBX; Pauline Feinstein '28, WGO; and Isabel Glass over the Erie station.

Phi Mu Alpha

Progressive fraternity life has slowed down perceptibly this past week. News seems to be a minor quantity. This has been one of those weeks when everyone seems intent on strenuous study. One can only turn to study in the face of a three-week organization period.

Announcements, plans for the future, and stories are all tied up for a short time in order that we may become better acquirers of knowledge for our educational pursuits.

The Student Scamps, we hope, will again become an institution instead of something merely to discuss and plan for. Each organization must in some way memorialize the Scampsers in our professional life. This is one opportunity we have to prepare something really worth with. Let's take advantage of this and make the Scamps bigger and better than ever.

The SATURDAY NIGHT CLUB

DELTA PHI HAS OPEN HOUSE FOR MANY VISITORS

The Delta Phi sorority held its annual house opening on October 13. The reception rooms were charmingly decorated with Autumn flowers and illuminated with colored lights. The outside members as well as those living in the house received the guests who numbered nearly one hundred and sixty. The girls were most considerate in accommodating their choice and originality in arranging their rooms.

World Wide News
A Survey

Thomas A. Edison

Thunder Alva Edison, who died on Sunday, October 18, had been ill on Wednesday, October 21, the fiftieth anniversary of the birth of the inventor, the perfection of the incandescent light bulb which has been turned by many, to be his greatest gift of mankind. For two days his body lay in state in the library at Llewellyn Park, N. J., surrounded by the memories of his many winning struggles for the mastery of man over the elements on his behalf.

Robertson For Chairman

Henry M. Robertson, Los Angeles banker and one of President Hoover's intimate advisors on economic and financial matters, is prominently mentioned in the discussion as the next chairman of the Republican national committee. Some senatorial commitments who have discussed the 1932 campaign with the President are of the opinion that Mr. Hoover looks with favor to the suggestion that the man in question bring of such excellent caliber.

America Site With League

After more than ten years of experience to maintain theoretical isolation, the United States of America accepted an invitation of the League of Nations and set at the table of the council gathered in Geneva to prevent war. Thus by the way of events, the leading delegates took occasion to point out, was worked harmonization in fact between the League covenant and the Pact of Paris, which meets of organization and to date failed to bring about.

Ends Senatorial Talk

Mrs. Dwight W. Morrow does not aspire to the senatorial seat vacated by the death of her husband, and will not take it if Governor Loeb of New Jersey tenders it to her. The information that Mrs. Morrow made her decision came sometime by surprise in political circles where she had been thought by many as the logical appointee.

En Route to South America

The Graf Zeppelin took off from Pernambuco, Brazil on October 17 carrying a crew of twenty and several passengers. The flight is in the dirigible's third to South America this year. The dirigible is under the command of Captain Ernst Lehmann. Plans have been made to stay at Pernambuco several days. The passengers will be taken on sightseeing tours of the country.

Memorial Field

Detailed plans for a Knute Rockne memorial field in Marine Park, Brooklyn, have been disclosed by the park commission in New York City. Mayor Walker announced that the city would build a great play field there and would name it for the famous football coach of Notre Dame. According to the commission the field will be surrounded by one of the largest and finest ations in the world, with a seating capacity of 100,000 or more.

Relief For Unemployed

In a communication to Mayor Walker and the Board of Estimate, Frank J. Taylor, commissioner of public welfare and chairman of the mayor's committee on unemployment, recommended the appropriation by the city of $15,000,000 for emergency relief during the coming winter. Of this sum, $5,000,000 would be used for use in arranging financing emergency jobs.

Lincoln Memorial

George D. Pratt, former state conservation commissioner, has notified the New York historical society that he is willing to provide funds for a Lincoln memorial to commemorate the flight of the Spirit of St. Louis from Roosevelt field to Le Bourger field of four years ago. He stipulated that the memorial of the great statesman across the Atlantic be placed as near as possible to the exact spot where the wheels of the silver-gray plane left the runway.

PLANS MADE FOR ANNIVERSARY OF ITHACA COLLEGE (Continued from page one)

Announcement

All student organizations who meet in the Administration Building must have meeting permits which may be obtained from Miss Howard. These permits are to be handed to Mr. Bolter, who is custodian of the building.
