WITJ-FM Off The Air Frequency To Be Changed

Interference With Rochester Video Halls IC Programs

“After one week of test program- ing, WITJ, the new Ithaca College 10-watt, educational IC radio station, was not received on television sets, Dr. John Grolier stated in an official statement of the station’s action. The disturbance occurred when the Rochester station, previously having no interference, was not completely overlapped by the signal of the WITJ station in this area. Ithaca was a third area considered as a matter of public relations.”

The question of the week seems to be “How are you getting home?” or “Are you anxious to get back to the old stamping ground?”

Yes, at last the time is at hand, for it is time for winter vacation and instead of days to do all those things you’ve planned on. Instead, you get up early—that’s the shortest method of returning to the afternoons, to do the great surprise you will find half the day gone.

One, you have your very best pair of dungarees, take the brownies and the red light breaks through your reminiscence again; you slam on the brakes only when you take it out, and, with your head high, prowl around the streets.

The station will be missed, so the cooperation between the departments on such an activity is much more than a radio pioneer of IC has been a valuable member of the faculty.”

By Dick Kuss

There is one IC activity which doesn’t seem to get the attention it deserves. The broadcasting of the radio station W-HUC-FM. These broadcasts are carried by the station for the enjoyment of its “audience” and not to gain notoriety. The station, in fact, is a part of IC’s cultural highlights and are handled by the radio students of Ithaca College.

The people there are not savages and the streets. The station is not available in Sprague. You cannot pronounce such severe words as “amazing disinterest” on the podium of his literature and speech classes, that he has taken active interest in the students who cooperate with the radio station. He’s a music professor, yet isn’t he always ready and willing to give drama students a more meaningful experience?... And hasn’t Mrs. Wilcox helped us through our preparation of the workshop. That is why we’ve brought a non-swimming team, in the states that are overviewing with us. No, you have your very best pair of dungarees, take the brownies and the red light breaks through your reminiscence again; you slam on the brakes only when you take it out, and, with your head high, prowl around the streets.

Soccer Time At IC – Vintage '49

Come August, letters from Gaff and Ben indicated they'd be on our way. September brought Heher and Danylik hefty, but alas, no Kopeza, no Huet. Boys, there were splendy at Meadow Lark Lane, the pitch was grand, in spite of no rain, practice held daily; Phil's workouts were stout. Brother Light informed Gaffney, the umpire, "You're out."

Practice at Schoellkopf; practice at Wood Street, To a 3-0 tune, the Blue took Burke's, and the boys did thrive. By way of Burke's, and the boys did thrive. The pressure is on! How it did soar!

Hamilton tied us; the score was 1-1. On Bill Orange one, Ithaca four. Saturday on Titus Flats and the game will be fun. Our heroes, the Keystoners, 6 to 2 flayed. So orchids to Dermatis, a goalie grand. And Boola and Gaffney, who worked so swell, and all the reserves, the splendid boys, and Vince and Ralph, who helped us too, for never will he find any grander boys.

Bombers Win Final Game

Record Four Wins, Two Losses

Beat Chaplain 19-6

On Saturday, November 12, The Ithaca College Football Team completed their most successful season in fourteen years, downing Chaplain College, 19-6, at Plattsburgh. The final win gave The Bombers a season record of 4 wins and 2 losses. As in previous Bomber wins, the running of Dick DerCola and the pass catching of "Hunk" Mesaros gave the team a steady 1-0 touchdown on an eighth yard plunge and "Hunk" the other two scores on pass catches.

The Ithacans scored in the first period from the Bombers with a 6 yard run by Dick DerCola to Mezrass for the T.D. Again in the second stanza, the Bombers came through with a 75 yard scoring march. Mesaros racked up the score on a pass from Koch, but the conversion was successful. Early in the last quarter, the Bombers took the ball over on an 8 yard plunge through the Chaplain line to complete the scoring for the Ithacans.

The only score for The Bluejays came late in the quarter on a 88 yard run (intercepted pass). As in previous the game that Ithaca played against Alfred University, the defensive forward was a great job, limiting Chaplain to a meager 6 yards running. The forward pass defense allowed only three completions out of nineteen attempts, made by the Bluejays.

Joe Corcoran, Bill List, Bob Mul- ligan, John Spencer, Camillo De- Santis, Tom Sansone, Sam Bar- roody, and Ed Donnelly played their last game for Ithaca and Ross Passineau, who were out due to injuries have also finished their IC football careers.

Ithaca 7 Cortland
Ithaca 32 Lockhaven 20

Have you ever thought why fish get caught? Why just is it the following:
The baited hook with an eager lore.
They don't think—they just swallow.
