CAYUGAN 1963

Ithaca College, Ithaca, New York
DEDICATION

James A. Freeman

James A. Freeman, player, coach, instructor, advisor. Thirty-two years of conscientious, dedicated service have endeared him in the minds and hearts of Ithaca College students old and new. "Buckey's" quiet, soft-spoken mannerisms have given him the respect and admiration of all who have had the pleasure of knowing him. His professional dedication and willingness to help his students are only two of his personal assets. A record of 251 wins against 86 losses, along with last year's District 2 NCAA Championship, clearly point up his success as coach of the IC Bombers. He will long be remembered in the annals of Ithaca College sports, and his influence among his players and students is a lasting tribute to his success.
INTRODUCTION

During our four year stay here at Ithaca College, a formidable "City of Education" arose in our midst on the South Hill campus. There were many among us who shared the enjoyment of being the first occupants of these new facilities.

But we may still graduate with the basic feeling of the antiquity of Ithaca College, instilled in us during our stay at the downtown appendages of the college. An old look had turned to a new look seemingly overnight, for we had grown and the transition was hard to realize.

As you look through the pages of this book it is hoped that you'll remember that we blended the old and the new. This Book shows the face of Ithaca College, a face that is familiar but one that grew different during our stay here. It will continue to change after we leave...

When I look at the cornerstone of the Union Building with its “1960,” I can scarcely believe that it was moved into place October of that year. It was the first above-ground evidence that a campus was to be. You, the members of the Class of 1963, saw the beginning. You shared in the experience of a campus growing at an accelerated pace with new buildings springing out of the ground like mushrooms. But never fast enough. As you graduate, bulldozers will be excavating for three great academic buildings: the Music Building, the Health and Physical Education Center, and the Science Building; all to be completed a year from next fall.

That you will not enjoy the complete campus as under-graduates is unfortunate. But years hence, as you return to your Alma Mater and take pride in its magnificence, you may also be proud that you were a part of its beginning when there were three campuses, Dewitt Park, Quarry, and South Hill—all Ithaca College and “Listen, my children, we rode buses from one to the other.”

The sisters of Phi Delta Pi, a National Professional Physical Educational Fraternity for women have just completed a happy, successful year in their new home at 603 E. Seneca St.

To promote the progressive development of physical education and to emphasize and develop effective leadership, the main objectives of Phi Delt, were responsible for the birth of Theta Chapter at Ithaca College on January 14, 1922. Thus, pledges to Phi Delt are chosen for their scholarship, leadership, character and sportsmanship.

Phi Delt's chapter projects this year consisted of establishing a professional library, developing a physical fitness test and founding Phi Delta Pi Chapters in other colleges. Other activities include the following: A house opening on October 10, a professional meeting to orient the Freshman and transfer women with the city of Ithaca and college life, a tea honoring our patronesses, a buffet dinner sponsored by our patronesses, a sweatshirt and sweatpants sale, participation in the Greek Sing, our seasonal rush parties, our Christmas party, and Phi Delta Pi's weekend held in the Spring to honor our new members.

Our leaders who were responsible for establishing organization within the chapter are as follows:
- Nancy Hicks, President
- Maria D'Onofrio, Vice President
- Jo Ann Faulds, Recording Secretary
- Dorothy Cohen, Treasurer
- Mary Ann Spiejak, Corresponding Secretary
- Margaret Lundell, Alumni Secretary
- Marianne Richards, Chaplain
- Mary A. Moore, Editor
- Bonnie Swick, Sergeant-at-Arms
- Gwen Wedderburn, Pledge Mistress
- Nancy Hicks, I.F.C. Representative

Our loyal advisors were Mrs. Rita D. LaRock and Miss Darla Maenpaa. Mrs. Helen Totman, better known by all as "Mother Helen" is our well-loved house chaperone.

Phi Delta Pi serves its members during their undergraduate, as well as, graduate years professionally by stimulating the spirit of friendliness, coherency and understanding, creating a unique atmosphere of a warm friendship through sisterhood.
Voices ringing in song throughout the day... casual, spur-of-the-moment parties... pledges with pink carnations... formal meetings... having coffee with their Delta Kappa brothers... members rushing to games, rehearsals, and concerts... women participating in a variety of college activities... sisters living and working together in harmony; these are Delta Phi Zeta girls!

Delta Phi Zeta, Ithaca College's only social sorority, was founded on March 6, 1928, to promote a spirit of helpfulness, unity and friendliness among the women of Ithaca College. To maintain this objective, pledges of Delta Phi Zeta are chosen for their character, leadership, sociability, and scholarship. The girls of 510 East Seneca Street have founded a tradition of sisterhood among girls from all departments.

This year's social calendar for Delta Phi Zeta includes such activities as the following: acting as hostesses for various college functions, sponsoring an annual birthday party, managing the publicity for Fall Weekend, an annual Christmas banquet and tree-trimming party, caroling with their brother fraternity, Delta Kappa, teas for rushies, freshman women, and sorority patronesses, an annual Pledge Weekend held in the spring, publishing of the sorority's semi-annual Alumnae Newsletter, and participating in the Greek Sing.

There are twelve officers of Delta Phi Zeta all instrumental in sustaining organization within the group. They are:

- Helen Fanning, President
- Rosemary Murphy, Vice President
- Ellen Tranberg, Recording Secretary
- Janet Skadden, Treasurer
- Patricia Legos, Corresponding Secretary
- Alice Ann Schuster, Sergeant-at-Arms
- Rosemarie Celelli, Social Chairman
- Dianne McKay, Historian
- Kathy Keating, Alumnae Secretary
- Karen Ryan, Inter-Fraternity Council Representative
- Barbara Parlato, House and Hospitality Chairman
- Tiven Sigillo, Chaplain

Delta Phi Zeta
Delta Sigma Pi is an international professional business fraternity and is one of the leading and most prominent in the professional field. Its purpose is to foster the study of business in universities; to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce; to further a higher standard of commercial ethics and culture; and the civic and commercial welfare of the community.

Since its founding in 1907, Delta Sigma Pi has grown to include in its membership 113 active chapters that include over 43,000 members, active and alumni. Many of these alumni hold top positions in business and education.

Delta Lambda Chapter of Delta Sigma Pi was founded at Ithaca College on May 5, 1957. Since then this chapter has become one of the most active organizations on campus, a goal which each and every member helped to achieve. Another goal that all the brothers strive for is recognition. This comes with successful fulfillment of their duties and obligations as an undergraduate chapter in international competition with other chapters in Delta Sigma Pi.

Delta Lambda Chapter has matured quickly within the ranks of the international organization as evidenced by its placing first in the National Efficiency Contest of Delta Sigma Pi many times in the past few years. Achievements such as these are indications of the professional and business-like attitudes of the members of this chapter. Also included in any fraternal organization is its social contribution. Thus, in a few short years Delta Lambda has made a name for itself and for its college among the many chapters and members of Delta Sigma Pi.

The role Delta Lambda Chapter has played as a member of Ithaca College's fraternal and campus life can be described as active participation with interest toward increasing the school's position of offering organizational activity for the student body and the community as a whole. Delta Lambda's part in social activities include its annual "Rose Dance," Spring Weekend floats, and a fall dance. This past year the brothers sold Campus Pacs, the proceeds of which went to a scholarship fund. And once again Delta Lambda was a co-sponsor of Parents' Weekend. The success of these activities are rewarding to the work of the brothers and will inspire continued interest in such undertakings.

Delta Sigma annually awards a "Scholarship Key" to the graduating senior in the School of Business Administration who achieves the highest accumulated average during his undergraduate studies at Ithaca College. A winner of this award may take great pride in his achievement for he will see his name entered on the Scholarship Key Scroll, thereby, joining others of the highest scholastic standards in the School of Business.

The headquarters of one of Ithaca College's most up-and-coming groups of eager young men can be found at 404 E. Buffalo Street. This is the home of Iota Chapter, Kappa Gamma Psi. As a National Music Fraternity, the objects of Kappa Gamma Psi include the stimulation of earnest study, the encouragement of superior attainment, and furthering of the interest and appreciation of the fine arts, particularly the art of music. Iota Chapter embodies these ideals in attempting to provide for its members greater experience and understanding in the field of music. For those non-members who seek an outlet for musical capabilities or a means of achieving the greater satisfaction from music, Iota Chapter offers opportunities for realizing these ambitions in providing an invitation for membership. Kappa's musical offering is not limited to members and eligible non-members. Rather, the aims of Iota Chapter provide for sharing musical experiences with all who may be interested. In the past these aims have taken form in public guest appearances of noted musicians, some of them members of Kappa Gamma Psi, as well as recitals, lectures and concerts for the purpose of not only providing enjoyment, but for aiding the striving young musician in a realization of his own inherent abilities and goals. Although the emphasis is primarily on self-improvement, the members of Iota Chapter find ample opportunity for availing themselves of the companionship and light-heartedness of social gatherings. At such times, good cheer is the rule, and a hearty, refreshing atmosphere prevails.

A cordial invitation is extended to all to "drop in" at 404 E. Buffalo Street and to witness the determination, the brotherhood and hospitality prevalent among the members of Kappa Gamma Psi.

Alpha Epsilon Rho is a national honorary radio-televison fraternity consisting of fifty chapters throughout the United States.

The purpose of AEP is to honor and encourage outstanding contributions to collegiate and professional broadcasting.

The history of AEP on the Ithaca College Campus began April 26, 1961, when the former Zeta Chapter of Rho Tau Sigma, also a national honorary radio-televison fraternity, became Alpha Omega Chapter of Alpha Epsilon Rho at the national convention in Columbus, Ohio.

Since the beginning of the 1962-63 school year, Alpha Omega Chapter has added eight new members, making a total of twenty-five active members, with the final pledge period of the school year yet to come.

The members of AEP at Ithaca College participate in all phases of management and production in the college stations WICB AM, FM, TV. Many members of this chapter have extended their broadcasting abilities to such markets as Buffalo, Washington, D.C., New York City and Boston, Mass.

Alpha Omega chapter began the year's activities in September by hosting an annual program presented by graduates of the radio-televison department. The topic for this panel discussion concerned job opportunities in the broadcasting profession. The following week AEP held their annual Freshman Orientation Program outlining what jobs would be available to the new students at the college stations and what would be expected of them in broadcasting operations.

AEP took charge of the Ticket Committee of Fall Weekend. They designed, distributed and sold these tickets.

December brought eight AEP pledges into active membership in formal ceremonies following a banquet and presentations of pledging awards.

The Fall semester held three social events of the fraternity, one of which, a party for the entire radio-televison department. An annual Christmas party ended the semester's social events.

Alpha Omega chapter has many events planned for the rest of the school year including the publication of a chapter newsletter, a high school recruiting and visiting program, and the Alpha Epsilon Rho national convention to be held this year in Kansas.

Being less than two years old has not restricted Alpha Omega chapter of Alpha Epsilon Rho from providing many services to Ithaca College and Ithaca College Broadcasting.

Delta Kappa

The Epsilon chapter of Delta Kappa National Fraternity, Inc., located at 115 Glen Place, is the only chapter of any national social fraternity represented at Ithaca College. “The House” is the heart of D.K. and all plans, activities, and ideas originate here. Under the capable leadership of its officers,

Jerry Lieberman, President
Dick Bales, Vice President
Colyn Webber, Corresponding Secretary
Bill Masucci, Treasurer
Mike Burke, Recording Secretary

Delta Kappa has again this year played an important role in the social and academic life of Ithaca College.

In the fall, D.K. men were busy with the preparations and publication of the 15th annual edition of the Ithaca College Student Directory edited by Dick Bales. The rest of the fall season was taken up with preparations for Fall Weekend, football games, house opening, and other college events such as the fall convocation at which time Delta Kappa men served as ushers. Delta Kappa also presented its second annual Twisting Party.

As the Christmas season approached, D.K. was once again busy with preparations for the annual Christmas Ball, the highlight of the Christmas Social Season. Plans for the dance and coffee hour at the house were carried into action immediately after Thanksgiving Vacation. The brothers of Delta Kappa would like to take this opportunity to thank the Administration and especially the students of I.C. for their support at all our fraternity functions.

Spring at last arrived bringing with it the warm weather and high spirits. The heavy maroon jackets were hung up, and soon Spring Weekend Mugs arrived. Each year, D.K. sponsors the sale of Spring Weekend Mugs, and joins with the other organizations at I.C. with a float in the weekend parade. At the close of the school year, Delta Kappa annually presents two awards. One award goes to the senior outstanding in scholastic achievement, the other award being presented to the senior outstanding in athletics as chosen by the Physical Education Department. In addition to these awards, D.K. also sponsors the Ten Top Seniors Awards.

After the last exam is taken, and the last Delta Kappa Brother has left for the summer, 115 Glen Place is closed and locked. But one thing is certain, this multi-departmental fraternal organization will come alive again in the fall.

Phi Mu Alpha

Delta Chapter of Phi Mu Alpha Sinfonia, a national, professional music fraternity, has enjoyed another active year on the Ithaca College campus. Since the inception of the chapter in 1901, Delta has graduated over 850 members into the music profession. This year, with over fifty active members, the chapter presented many musical programs. Beside the numerous house recitals presented at the chapter house at 117 DeWitt Place, the fraternity prepares two recitals at the College Music Hall. One of these is the American Music Recital featuring the music of American composers. The chapter also participated in the Greek Sing and presented a forty-piece marching band at Spring Weekend. The fraternity also sponsors numerous social events, the highlight being the annual Spring Weekend Banquet. This year the fraternity started their own newsletter, which is sent to the alumni of this chapter.

To the men of Phi Mu Alpha, music is the center of their concentration and endeavors in life. This is reflected by the large number of Sinfonians in the musical organizations on campus, as well as in the educational and professional fields. In essence, the purpose of Phi Mu Alpha Sinfonia can be summed up in these four aims: to advance the cause of music in America, to foster the welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members, and to encourage loyalty to the Alma Mater.
Phi Epsilon Kappa

Phi Epsilon Kappa, a national professional physical education fraternity, is represented on Ithaca College campus by Mu Chapter. It was granted its charter on April 12, 1926, and is currently enjoying one of its most prosperous years.

All of the school's men's intramural competition, in addition to a co-ed badminton tournament, make up but a small part of the fraternity agenda for the year. The Brothers are also active weekly in a clinic at Willard State Hospital, which gives them valuable professional training. Traditional activities also sponsored by Phi Epsilon Kappa are its annual Sweetheart's Ball and Most Valuable Player awards in the school's six major sports.

The officers and Brothers now wish to extend a hearty “thanks” to all the student body for their support and attendance at all the fraternity sponsored functions.

Theta Alpha Phi, Beta Chapter, is the drama fraternity here at Ithaca College. The fraternity is established nationally and is found at most colleges and universities, where theatre flourishes. The members devote themselves to furthering the advancement of university theatre in all of its practical aspects: acting, directing, scenic design and execution, writing, and theatrical management. During the first week of school, Theta Alpha Phi launches into its yearly programming with a Welcome Freshman Party, the purpose being to acquaint the Freshman with the fraternity and the faculty of the Speech and Drama departments on an informal basis.

Theta Alpha Phi is composed of upperclassmen from many departments. Initiation is offered to all, on a point-accumulation basis for outstanding contributive work on major productions, one-act plays, and seminar pieces. The One-Act Play Program, held shortly before Christmas, is an integral part of the fraternity’s activity, being completely student directed, acted, designed, and managed. The annual After-Scampers-Party, held on the closing night of Scampers is another anticipated event. The Spring Semester brings the Play-Writing Contest. Cash prizes are awarded to the three outstanding entries on the evening of “Salute to Seniors,” the short variety show presented during Senior Week as Theta Alpha Phi’s tribute to the graduating class.

Rho Mu Theta

Fifty megaton bombs? Astronauts to the moon? Want to know the capacity of a beer mug, or the quickest route back to the dorms before curfew? Just ask any of the brothers of Rho Mu Theta fraternity.

Rho Mu Theta celebrated its fourth anniversary on March 5, 1963. Organized just four years ago to further mathematics and sciences at Ithaca College, it is still striving toward this goal. The brothers of Rho Mu Theta are math and science majors and the basic requirement for membership is that one is a mathematics major or has taken a first year course in calculus.

Rho Mu Theta was designed as both a professional and social fraternity. The professional aspect of the fraternity is obtained by the nature of the brotherhood, and the activities of the organization such as tutoring in mathematics and physics, the hiring of speakers, and our annual award for scholarship presented to the math or science student in the college of arts and sciences with the highest average at the end of the first semester of the freshman year. The social aspect takes the brothers away from the more serious side of their subject from time to time and shows that mathematicians can enjoy the pleasures indulged in by less lofty intellects.

The fraternity has also been active in school affairs. For the past three years, the fraternity has been co-sponsor of Parents' Weekend.

Given the right time and place, Rho Mu Theta soon hopes to make a real dent into the social scene at I.C. Rho Mu Theta has come a long way in four short years and even greater strides are expected for the future. Under the leadership of this year's officers progress is being made.

Officers:
Dave Anderson, President

Chi Sigma Gamma

Chi Sigma Gamma was officially founded at Ithaca College on October 11, 1962. A local math and science sorority, its purpose is to further interest in the sciences, especially in the field of mathematics, and to provide the opportunity for activities of a social nature among its members. The basic requirements for membership are that one be a math or science major and be in at least one's second semester of calculus.

Chi Sigma Gamma's plans for the future include assisting in a tutoring program for freshmen and presenting speakers on topics in the field of the sciences. With the induction of a spring pledge class and under the advisorship of Miss Mildred Brammer, Chi Sigma Gamma hopes to be able to take many steps forward to achieve its goals.

This year's officers are:
- Marion Dieckhoff, President
- Carol Meshel, Vice President
- Marilyn Mills, Secretary
- Nancy MacDonald, Treasurer
- Susan Levine, Historian
- Barbara Parlato, Inter-Fraternity Council Representative
- Jeanne Heagy, Publicity Chairman
Sigma Alpha Iota

"Daughters of a great and singing nation.
Let your voices rise in dedication."
The opening lines of the Sigma Alpha Iota Chorale typify the spirit and devotion of the members of the fraternity. A National Professional Music Fraternity for women, S.A.I. holds high musicianship, character, scholarship, and leadership, requiring these qualities of its members. The national purposes are to promote a stronger bond of musical interest and understanding between the United States and other countries, and to uphold the highest ideals of a musical education.

At I.C., the activities of Epsilon chapter are geared to the fulfillment of our purposes. Two recitals are presented by the girls each year, one of which is an all-American music program. In addition, Epsilon joins with the chapters from Syracuse University, Eastman School of Music, and Hartwick College to present a musical, held this year at I.C. Closed house recitals also play an important part in the musical lives of the girls.

Other activities include the sponsorship of the Fall Weekend Court and the All-Greek Sing, an I.C. tradition. There are also receptions after recitals, a joint house opening with Phi Mu Alpha, a tree-trimming party and Holly Hop at Christmas, and a spring picnic.

The officers of Epsilon chapter this year are:
Janet Thornton, President
Sandra Rosenblum, Vice President
Susan Baraban, Recording Secretary
Barbara Wickham, Corresponding Secretary
Diane Larson, Treasurer
Ann Newton, Assistant Treasurer
Barbara Nelson, Chaplain
Lenore Boudreau, Editor
Amy Lou Richards, Sergeant-at-Arms

Pi Theta Phi

Pi Theta Phi, Ithaca's professional physical therapy fraternity, was founded on Dec. 3, 1946, in order to form a more perfect bond of fellowship, to elevate the standards of the Physical Therapy profession, and to advance the science of Physical Therapy.

In the fall, the fraternity sponsors an orientation program and picnic to help the new P.T. students to become acclimated and to meet the upperclassmen. This is followed by a Winter Carnival held in February. Pledging is set up on a professional basis. The pledges are required to do assignments which are beneficial to them in later years. It is becoming a tradition that Pi Theta Phi help the children at the Cerebral Palsy clinic and to sponsor an annual Christmas Party at the Reconstruction Home. Members of the department are invited to attend lectures by guest speakers to give them a closer look at the new developments that are occurring in the field of Physical Therapy.

Pi Theta Phi’s largest and most important event of the year is the Institute Weekend, which takes place in the spring. Last year it was attended by many graduates and lecturers in Physical Therapy. It has been found that these weekends are extremely enlightening on the newest advancements in Physical medicine. The seminars are followed by a banquet and a dance with a picnic on Sunday afternoon.

ORGANIZATIONS
This page represents a blank page in the original document.
Epsilon Nu Gamma

Epsilon Nu Gamma was organized in the second semester of this year. As the literary society of Ithaca College, its aims are to organize and further literary study and discussion, and to bring together students of all departments who are interested in literature.

Subjects are chosen from all fields and ages, according to the students' interests. Each meeting is under the leadership of a professor who is especially interested in the work or author under discussion. After an organized period the members break up into smaller groups to continue their discussion on an informal basis. Visiting faculty members make the latter part especially interesting and fruitful.

At the organizational meeting the officers for the spring semester were elected.

The membership of Epsilon Nu Gamma includes students from almost all departments, including English majors; the discussions are enriched by the varying points of view the wide range of students present.

The first meeting of E.N.G. was on To Kill A Mockingbird; Dr. Baizer, E.N.G.'s adviser, and Mr. Lourie led the discussion. Other works discussed include The Trial by Franz Kafka which Dr. Ogden chaired; Brand by Henrik Ibsen which Dr. Terwilliger led. A dramatic reading was first given. Mr. Gill moderated a discussion of modern poetry.

ENG was also fortunate enough to have John Ciardi give a poetry reading to the group when he came to Ithaca College for a Faculty Senate lecture; Robert Penn Warren also delivered a lecture to the society when he was in Ithaca during the month of April.

The interest shown in E.N.G. during its first semester of existence has been encouraging; the tentative plans for fall promise a program that will interest an even wider group and enable the society to continue as a dynamic organization.

Hillel

B’nai B’rith Hillel Foundation has developed as an integral part of Jewish student life. Less than forty years ago the first Hillel Foundation was established at the University of Illinois. Today Hillel encompasses tens of thousands of Jewish students throughout scores of universities and colleges in the United States, Canada, England, and Israel.

Hillel provides the opportunity for students to gather for fellowship and study of our common heritage and individual goals. Through planned programs, informal discussions, and browsing in the Hillel Library, general knowledge is given additional practical and personal significance in a Judaic frame of reference.

Cultural-Religious: In conjunction with the Hillel Foundation of Cornell University, the Ithaca College organization sponsors a broad selection of study groups ranging from instruction in Hebrew, Jewish thought, and the Bible to folk dancing and choral singing. Stimulating lectures are presented by outstanding guest speakers such as Eugene Borowitz and Will Herberg, and also student speakers. A series of film classics including “The Diary of Anne Frank,” “Me and the Colonel,” and “Gentlemen’s Agreement” is provided for student enlightenment and enjoyment. In addition, opportunities are furnished for attendance of religious services and observance of all holidays.

Social: Bagels-and-lox brunches, diners, dances, holiday celebrations and intercollegiate institutes are planned to further friendship and fellowship in an atmosphere of understanding.

The Student Council aims to serve as the executive, legislative, and where necessary, judicial head of the student body of Ithaca College. It works to uphold the standards, customs and traditions of the college, and in close contact with the administration and faculty, acts as a clearing house for problems affecting the student body.

Membership of the Student Council consists of four elected representatives from each class, one from each school. Also included, but with non-voting status, are the Parliamentarian of the Council and a reporter from the Ithacan. To be eligible for election to Council a student must not be on academic probation at the time of election and must have a cumulative index high enough to assure admission to the next higher class.

Activities of the Council are many and include an indoctrination and orientation program for all incoming Freshmen. Many students can remember the days spent at Camp Danaca before the opening of school in September. “On-campus” orientation is planned for Freshmen students during the first weeks of September and of the second semester. Included in orientation programs are talks by the president, deans, and heads of departments as well as social “ice-breakers” co-sponsored by campus groups. Also included under the jurisdiction of Student Council is a Moving-Up Day ceremony held in May for installation of Council and class officers and presentation of newly elected organization heads. Although not in itself a social organization, Student Council is responsible for providing two student co-ordinators to supervise the planning of the college Fall Home-Coming Weekend. Student Council is also in charge of Freshmen nomination and elections in November and of all class elections the third week in April. All Council meetings are open and students are urged to attend and voice their opinions.

Oracle Society

Oracle, a national Honor Society, gives recognition to students, alumni, and members of the faculty who have made outstanding contributions to Ithaca College while attaining outstanding scholastic achievement. The maintenance of high academic and social standing is the goal which the members have set for themselves. By recognizing superior performance, the society points out more clearly defined values and standards for which Ithaca College and the members of Oracle hope the student body will aim. While initiation into Oracle is a commendable goal, true honor lies in what makes membership in the society possible—working up to its requirements. To be eligible for active (student) membership, a student must have acquired at least 75 credit hours, have a 2.0 (B) cumulative index, must have participated actively in at least one co-curricular activity, and must have spent at least three semesters at I.C. The records of all eligible candidates are reviewed by the members of Oracle and the Deans of Ithaca College before the candidates are selected for initiation into the society. Oracle serves Ithaca College and its students by maintaining a loan fund, open to all deserving students of the college. The money in this fund comes from the proceeds of the annual “Scampers” production sponsored by Oracle. “Scampers” is a looked forward-to event at Ithaca College. In recent years, the productions have taken on all the aspects of a Broadway musical. While Oracle is small in the number of its active numbers, its main ingredients are ability, ambition, and work.
Varsity Club

The Varsity Club is composed of Varsity letter winners, who have exhibited a desire to be active members of an organization furthering good sportsmanship. It was organized to give recognition to those participating in Varsity Athletics and to motivate future participation. The objectives of the club are as follows: To foster better intercollegiate relationships, by serving as host to the visiting athletic teams; to aid the college in presenting athletic contests, by collecting tickets, by providing programs for the football games, and by operating the concessions at these games; to arouse school spirit by presenting pep rallies and social functions; and to act as representatives of the Varsity letter winners in school policies.

The Varsity Club also has many social functions, among which are the Welcome Freshman Dance in the fall, and the annual Varsity Club banquet in the spring.

The Varsity Club is extremely grateful to its faculty advisors Joseph Hamilton and Carlton Wood for their fine support and aid in running the club.

Majors Club

As a professional organization, the Majors Club is open to all students enrolled in the School of Health, Physical Education and Recreation, both men and women. The Majors Club is the product of student and faculty planning aimed at effecting an organization to serve the professional interests of students majoring in the above mentioned fields. Meetings are held once every month and they usually feature a guest speaker, trip, or film. Every member is automatically enrolled in the Student Section of the State Association of Health, Physical Education and Recreation. The club also sponsors a social event for the members.

The purposes of the organization are as follows:
1. Awaken a wide and intelligent interest in health, physical education and recreation.
2. Acquire and disseminate accurate information concerning this program.
3. Provide such means of promotion as will secure adequate programs in these fields throughout the state and nation.
4. Advance the standards of teaching and leadership.
5. Cooperate with the State and National Education Departments, to obtain the above objectives.
6. Create social and professional cooperation among all health, physical education and recreation major students, faculty and alumni.

Women's Athletic Association

WAA was organized for the benefit of all of the women of Ithaca College, to offer an opportunity for participation together in various sports activities. The main purposes of WAA are: To encourage inter-departmental friendship and understanding by bringing together students from all areas of specialization for participation in activities of mutual interest and appeal; to provide all women students of Ithaca College with the opportunity to participate in recreational sports; individual, dual, and team; to promote good sportsmanship; to organize and conduct the sports program in accordance with the Division for Girls' and Women's Sports. These purposes are met in several ways. WAA offers various sports activities throughout the year including field hockey, tennis, volleyball, basketball, bowling, co-recreational activities, table tennis, badminton and softball. These activities are carried on in an intramural level. Each sport is handled by a sports manager, who plans a tournament and supervises her own activity. In extramural activities, WAA plays hostess and is invited to several colleges and universities in the surrounding area of a number of different sports days during the year. The purpose of these sports days, besides competition between colleges, is extending friendships by meeting other women on the college level. WAA sponsors blazer sales, demonstration clinics, and co-sponsors a high school playday for several schools in Ithaca. In the fall of the year a “Get Acquainted” party is held. To top off our calendar of events, a banquet is planned for the members, at which time awards for the winning teams of the various tournaments are distributed. As a final farewell get-together, a picnic is scheduled at Stewart Park. A great deal of credit for the success of WAA belongs to our advisor, Miss Kelsey, who is always there with encouragement and helpful suggestions.

As Ithaca College grows, so grows WAA—not only in numbers but in success. Every year new ideas are initiated and we hope this will continue in the future.

Newman Club

The Newman Club is a national Catholic organization, established in secular colleges throughout the country. Its goals are to “deepen the spiritual and enrich the temporal lives of its members through a well-balanced program of religious, intellectual and social activities,” to bring Catholic students into a common union, and to assist the college and its students whenever it is necessary. A Catholic student pursuing a secular education should work with his Faith.

The Newman Club offers the students ways and means of fulfilling these obligations. He may have personal counsel with the Chaplain whenever he chooses. The club provides an opportunity for healthy association with other Catholic students in meetings and social events. The Newman Club benefits at Ithaca College are many. There are services and confessions held up on our new campus weekly. There is an envelope system where the club can help raise money for a new Chapel and other needed expenses. There are monthly meetings where honored guests are invited to speak. Every week there is a Theology class held for those who have questions or wish to further their knowledge in the religion. Members are invited to participate in state wide conventions which are held for several days. An annual event for the club is to sponsor a spaghetti dinner. All of these are the privileges a student receives by becoming an active member of the Newman Club which is open to every college student.

The officers are:
Richard Carmody, President
Louis Detmer, Vice President
Patrick Premo, Treasurer
June Jaros, Corresponding Secretary

Women's Student Government

Women's Student Government, counterpart of Men's Student Government, stands ready to aid the various House Committees in interpreting the various regulations which apply to the Ithaca College Co-eds. Women Student Government holds as its purpose the establishment of a closer relationship between the administration and the women students. A full schedule of social activities and services to the College continues throughout their busy year which, incidentally, begins in August when the "Big Sisters" correspond with the incoming freshmen. As a part of the "Big Sister" program, the Big Sister Tea is held the first week of school, so that the freshmen women might have an opportunity to meet the women students, members of WSG and the faculty of Ithaca College. As a part of their orientation program, the frosh coeds participate in Frosh Frolics, which takes place about a month after the beginning of the fall semester. The freshmen coeds are divided into departments and present skits on which they are judged. During Senior Week, a garden party is held after the annual band concert, honoring the Seniors. Other duties which continue throughout the year are advising the frosh women, aiding the head residents and house committees and revising the Blue and Gold. WSG members are elected annually in the spring, by popular vote; their hardest job is trying to remain that way throughout their term of office.

Forensic Association

In its third full year of activity, the Ithaca College Forensic Association has provided the opportunity for Ithaca College students to participate in public speaking in a wide range of media.

Intercollegiate debate teams have traveled both far and near to participate in debate tournaments and have debated with such high-powered teams as Harvard, Massachusetts Institute of Technology, Holy Cross, and West Point. Other activities of the association include radio and television appearances, public speaking contests, intercollegiate legislative assemblies, oral reading programs, and weekly meetings. Along with these events, Ithaca College students have also engaged in after dinner and extemporaneous speech contests at various debate tournaments.

This year, the association will send several delegates to the New York State Intercollegiate Legislative Assembly in Albany. Bills passed by this body are sent to the governor of the state to be considered for passage as laws of New York State.

At the weekly meetings of the association, members have the opportunity to participate in discussion of current issues, hear outside speakers, and debate with other Eastern schools. These meetings are open to the student body and have been well attended. In March, the Forensic Association sponsored the first annual Ithaca College debate tournament. Approximately twenty schools from various parts of the East, including Dartmouth, Colgate, and Cornell, participated. The Ithaca College Forensic Association is a growing organization looking forward to another year of greater growth and service to the students of Ithaca College.

Each fraternal organization is represented in IFC and serves as the governing body for the fraternal organizations of Ithaca College. Its purpose is to foster a feeling of friendship and mutual understanding among these organizations and, in cooperation with the college administration to control and regulate those matters in fraternity life, which are of common interest to the members, organizations and the college. IFC representatives strive to fulfill the purpose and objectives of the Inter-Fraternity Council and encourage the idea of unity. The prime objective is to promote a close affiliation among the fraternal organizations. IFC is responsible for the freshmen receiving information pertaining to the conduct of fraternal groups. As an incentive for group scholastic achievement among the member organizations, IFC presents a cup each year, at the college moving-up day, to the Fraternity or Sorority with the highest index. As an outside project, the IFC sponsors the Ithaca College Blood Donation Drive.

M.E.N.C. is a professional music organization open to all students enrolled in the Department of Music. A local student division, under the guidance of a faculty advisor provides the opportunity for any student studying for a degree in Music Education to avail himself of the advantages of this group.

Although membership in the professional organization is not compulsory for the students of music education, our chapter has an enviable number of student members. I.C. members total nearly 150, this being a small, but significant part of the nearly 37,000 members throughout the nation. This organization provides opportunity for the music student to develop a practical, realistic concept of the music education profession, through trips to nearby cities and programs by various public school music organizations.

Coordinating and Review Board

The Coordinating and Review Board was established this year by the Student Council to coordinate and review all student activities at Ithaca College. It is composed of the presidents of each of the four classes, the Vice President Student Council and the Treasurer of Student Council. In its first year of operation here at I.C., it has established regulations and policies which it believes will lead to a better integrated social life at the college.

The heartbeat of the Ithaca College communication system is The Ithacan, a weekly newspaper. It serves the students, faculty and administration as the focal point of a united college. Under the leadership of Mike Ayers, The Ithacan is currently enjoying a very prosperous year. This year’s staff included: Maureen Daley, News Editor; Janet Kaplow, Feature Editor; Bruce Theobald, Sports Editor; Ron Brown, Photography Editor; Jeanie Heagy, Copy Editor; Miriam Jacobs, Music Editor; Tony Nacinovich, Bob Billings, Gail Warner, Ricki Stofsky, Irving Wood, Theima Freedman, Bonnie Patrick, Moe Ferris, Lou Ricks, John Dickerson, Lois Dunkap and Faculty Advisor, Mr. John Gill.

New columns, such as Radio 600, I.C. Music and Let’s Face It, are valuable additions which serve to make the college newspaper better and more interesting. The Ithacan, published by and for the students of Ithaca College, is truly one of our proudest possessions.

Wives Club

The Ithaca College Student Wives' Club was founded in the fall of 1958 by Mrs. Harriet Ornotto, wife of Mike Ornotto, June '59 graduate from the School of Physical Education. The Club was formed in order that wives of Ithaca College students could get together for both educational and social functions. The basis of the organizations efforts lies in the belief that participation on the part of the student wives in a scholastic atmosphere can prove to be productive for both the family and the school. The bi-weekly meetings are highlighted by many interesting speakers. These speakers cover topics of both social and educational interests. The Club also delves into many money-making schemes. Each year the Club sponsors a banquet and an informal social event. At graduation time the wives are presented with their P.H.T. (Pushing Husband Through) degrees.

This year's officers were:

Mrs. Aurora Valenti, President
Mrs. Judy Siracusa, Vice President
Mrs. Barbara Janowsky, Secretary
Mrs. Carol Collin, Treasurer

International Club

When education does not go beyond the textbook, it is not complete education. This is the guiding principle of the International Club. The club, which was organized two years ago, includes both foreign and American students. The goals of the club are both educational and social. Educationally, the club brings the members together for lectures, discussions and intercollegiate conferences on events of international significance. On the social side the club seeks to promote understanding and friendship between students from different countries attending Ithaca College. The club has been very active and successful in these two years; and there is every reason to look forward to a more successful future.

The officers elected were:

Alfred Magurumbasi Newa, President
Mike Preston, Vice President

Concert Orchestra

The innovation of a tour for the orchestra this year was due, in large part, to the enthusiasm of its fine conductor, Don Wells. The concerts this year, in particular the Concerto Program and the guest appearance of Prof. Joseph Tague, were of professional calibre.

Choir and Chorus

Of its four concerts this year, the most memorable performance given by this combined group was the Christmas presentation of Handel’s, "Messiah." This work was presented in its entirety; a seldom heard feat. The Concert Choir toured through eastern New York and Long Island. Prof. Don Craig’s varied choral experiences makes him one of the leading men in his field in the country. We are proud to have him at I.C.
Concert Band

This group, one of three bands at I.C., is under the direction of Prof. Walter Beeler. The concert band toured this year through Pennsylvania and New Jersey. In late April, they presented a reading clinic for Shawnee Press at Delaware Water Gap, Pa. Four concerts were given during the school year.

Percussion Ensemble

The Percussion Ensemble is made up of six percussion majors at I.C. Their renowned conductor, Prof. Warren Benson, is a well-known composer in his own right.

N.C. A. A. DISTRICT 2 CHAMPIONS
What a year! After compiling a 5-3 record against strong opposition on their Spring Practice Tour, “Bucky” Freeman’s Bombers came north and took charge. The Best in the East fell to the strong bats of the Bombers as they ended their regular season play with a 15-0 record. Still they couldn’t be stopped. Post-Season Play saw them at University Park, Pa., where they defeated Penn State and Gettysburg to enable them to go to the Collegiate World Series at Omaha.

The Bombers were the second team in N.C.A.A. World Series History to come onto the playoffs undefeated. After disposing of Missouri 5-1, the Ball Club was knocked off by Florida State 5-4 and the U. of Texas 3-2. Individual stars at the World Series were Don Fazio who hit a grand slam homer against Florida State and “Tuck” Terranova who batted 4 for 9.

Ithaca, one of the smallest colleges ever represented at Omaha, won the applause of the spectators there. After losing both their games the team was treated to a standing ovation by the stands. Truly a great year for the deserving and well coached club.

For the season, six regular batters hit over .300, including Jim Baker, .338; Don Fazio, .325; Co-Captain Bob Valesente, .316; Dick Rockwell, .310; Tom Terranova, .307; and Ed Farquhar, .301. Fazio and Farquhar drove in 27 and 23 runs respectively, while Valesente stole 7 bases. The team batting average was .296 while the team fielding average was a respectable .963.

Strong pitching also helped the Bombers to complete their best year yet. Roger Frieze, 7-0, had a E.R.A. of 1.36, while striking out 46 men in 66 1/3 innings. Dick Lindamer helped the club along with a 1.56 E.R.A. and struck out 42 men in 40 1/3 innings.

The Ithaca College Hockey Club played determined games but still seemed to come on the short end when all the goals were tallied. Ending with a 2-8 record, the club, although still in a formative stage, did have good organization and the boys played well. Captain Pete Reilly served as player-coach assisted by Jeff Hibbard who also saw considerable action. Tom McHugh emerged as top scorer with 16 goals and 9 assists, followed closely by Tim Ragan with 15 goals and 6 assists.

Season Record—6 - 2
This year’s Varsity Football Team compiled the longest win streak on record at I.C. with six consecutive victories. It was an impressive year with important wins over several major teams. Included in the wins was the 24-12 trounce over Cortland which enabled Ithaca to retain the Cortacan jug for the third year in a row. Each weekend saw new records topple and several team members make E.C.A.C. honors. Tops in scoring for the Varsity this year was Little All-American Billy Odell who compiled 82 points in 8 games to rank him second in the East in scoring. Larry Karas broke his own school passing record by completing 43 passes in 74 attempts, good for 8 TD's. Sam Curko kicked three field goals and Jack Yengo's punts enabled him to hold second place in the East in this category. Husky lineman Nick Gordon chipped in with 85 tackles and along with Jim Wilson was accorded All-East honors. To the Post Season Gem Bowl game went Yengo and Odell. The most improved back was Larry Tozzi while the most improved lineman was John Tuttle. Yengo won the Whistleman award and Dick Kingdon was accredited the Attitude Award. The M.V.P. Award went to Odell for the second year in a row. Departing seniors who will be missed next fall are Captain John Miller, Larry Karas, Nick Annoto, Billy Odell, Buddy Brooke, Larry Tozzi, Tom Rogers, Ray Spadafora, Chuck Henke, Jim Wilson, Nick Gordon, Jack Yengo and Manager John Raymond.
Freshmen Football

This year saw the I.C. Football Cubs play their first six game schedule. It wasn't as successful a season as the first year men have enjoyed in the past. Going into their last, and toughest game, the Freshman Team was sporting a 1 - 3 - 1 record, but this didn't stop them from playing one of their best games, even though the score didn't indicate it. The Team also lost several close ones to major clubs such as Hobart and Alfred but toppled Brockport 32 - 2.

Outstanding players for the Team this year were Bob Glazier, halfback; Tom Hicks, guard; John Childs, center; and Len Tyler, end. A slight lack in scoring hampered the Freshmen but with many change-overs in positions everyone got to play. It was a good year in learning and several of the men from this team will greatly help the Varsity next fall.

Varsity Basketball

Hampered in the early season by the loss of Tom Vogt and John Hewes through injuries, the Basketball five bounced back by winning 9 out of their last 11 games. Picking up the team this year was George Strickland, a regular, who returned from the service. This was the 9th successive winning season for the hardwood men who finished with a 13 - 8 record against college teams.

The high scorers this past season were Bill Schutz with 286, George Strickland with 265, while Don Fazio dropped in 257. Mike Lilac and John Hewes were the co-captains, and George Strickland was the M.V.P. on the squad.

With returning juniors such as Tom Vogt, Don Fazio, Bill Schutz, Jack Martin and Carl Colgan plus several sophomores, next year's team will be very promising.

Freshmen Basketball

The basketball Cubs, lacking a scoring punch, ended the season with a 8 - 13 record. Playing against much tougher foes such as the Cornell Frosh and the Syracuse Frosh, the Freshman team gained in experience and know-how.

High scorers for this year’s ball club were George Valesente with 293 points, Bob Stiehler with 193 points and Lou DiParisi with 186.

Freshmen Track

Depth in many events helped the Freshman Track squad come up with a 3-2 record this year. It was a well rounded team with certain individuals able to come up for each meet.

Outstanding members who contributed to the successful year were Gerd Lutter, pole vault; Art Cardi, dash; Walt Ruby, shot; and Paul Whitman in the ¼ mile.

2nd to Hamilton among 8 teams at Harpur Invitational.
Sporting only a 5-6 record, this year's soccer squad still proved to be a good college team. Recognition was given to several players including the choice of sophomore Gerd Lutter to the All New York State 1st team along with senior Fullback LeRoy Greene. Other outstanding players were Pete Navaretta at Center Half and Warren Albrecht at Fullback. Andy Palmer and Don Fazio were chosen as co-captains for next year. With 26 players returning next year, including 12 lettermen, it will prove to be a successful year.

Good Luck Class Of 1963!

Slater School and College Services has been serving wholesome meals at Ithaca College since 1955. Each year at graduation time, we think back on many pleasant times and the fine students we have known. Your college administration realizes that classroom performance starts with planned nutrition. Through the Slater organization, they have wisely invested your dollars in quality foods, prepared and served in a friendly manner. We hope you have enjoyed Slater meals and service. From all of us, good luck and good health in the years ahead!
