Third Annual State Band Clinic Now In Session

Football Team Climax Brilliant Season; Tie Grove City, Pa., 13-13

The season is over and to each man on the team may go the hearty congratulations. It has been a dandy season and a dandy football team, with Coach Buckey Freeman. The squad worked as one unit; one might as well say as a machine.

One of the greatest compliments that could be paid to Buckey was the performances of the team during the past season. No one more truly realized that even in his absence the team carried on. Playing Coach Ben Pinnautt just thought he himself were here to guide them. We must take into our reckoning that there is a lot of praise to be lavished on the men of the Band for a good season. It has been a good season. Ithaca won fourteen games, tied one and lost one, scoring a total of 121 points to the opposition's 39.

The last game on the schedule was that of the old and the new. In September the Band had travelled to Grove City and after a six months' absence the football went to fill a 13-1 tie.

An interesting note was found in Hamilton Life the college paper from Hamilton College. It shows by comparison that Hamilton was 49 points better than Princeton. Still Ithaca had to fight every game and to the State 80 to 13 at Hamilton.

If there are any mathematical geniuses in the audience, they may figure out just how much better Ithaca is than the lesser men of the bigger schools. (Continued on page four)

CAYUGAN CAMPAIGN TO BEGIN AFTER VACATION

The 1935 Cayugan is now in the process of completion. The Cayugan staff will be inaugurated, immediately following the Thanksgiving recess. Group pictures are practically finished, and appointments or individual assignments may be made after vacation.

The staff is virtually complete, headed by Dorothy Humberstone, art editor; W. R. Backus, editorial manager; William Nichols, business manager; Ralph Jackson, editor; Tom Jones, circulation manager; Ronald Gunderman and Gene North literary editors.

An effort will be made to take in a wider scope of school life concurrently, rather than placing emphasis on each department, as has been done in former years.

Best-known trick play in history was pulled by the Catskills Indians in 1903, Pop Warner coaching. The ball was carried 105 yards through Harvard tucked under a player's jersey. The director of the School of Music is to direct the program in Brooklyn.

Middlebury's defeat at the hands of the Little Rocksmen was the most signal of a fraternity before the game, and the Middlebury men were able to defeat St. Anselm's, the only team in the country to defeat the Middlebury Men's Club.

Ithaca College eleven was on the field played, when one turns into consideration the opponents. The one defeat, St. Anselm's, should not be considered.

The Three Soli: Photographed and told if they ever came back to the campus they would get two years in prison. They were only too glad to accept their captors' kindness and they suddenly became sober.

Two boys, Bill and John, were "hundling" through the east. Both were talented men, writers of some distinction, but, alas, occasionally addicted to spirituous liquors. They submitted to this vice upon the night of their arrest in Washington, D. C.

Despite their unshaven condition, their presence: "What the bad word, bad word, are you two doing here?" they demanded roughly.

Bill and John thought painfully, then one of them found the reason for their presence:
