In the Green Room

In the Green Room last Thurs­day evening The Newman Club, a student club sponsored by the English Department, held a turkey dinner to establish itself as Ithaca College, "as a part of the club." Among those present were President Frank W. G. Moore, Dean of Students, and Alice Bechtel, a member of the club. The dinner, which was attended by about 50 students, included roast turkey, ham, and vegetables. In his opening remarks, President Moore emphasized the importance of the club in fostering a sense of community among the students. He encouraged all students to participate in the activities of the club and to help shape its future direction.

The cover of the magazine "Liberty" dated November 13th, 1937, should provoke no little exercise from our minds which are kept in a more or less narrow channel by the selfishness of our surroundings and is a school that makes for much independent thought in our chosen fields, but are sometimes hampered in thinking about that which is going on around us in other fields. The fault cannot be placed at anywhere doorstep, perhaps it is one of the things that go with Specialization, and which calls for a more broadening scholarship. SOCCER TEAM AWARDS
LETTERS TO PLAYERS

Coach Angelo Tarantino has announced that the following men will receive letters for their participation in the varsity soccer games. The list is as follows: Conlin, Wiedrich, McCarthy, Wood, Sebring, Blakeslee, Dewey, Spiotti, Scoma, Miller, Austin, Fuller, Hartsen, Herendeen, Mullaly, Milanette, Tarbell, Marotta, and manager George Hart. Included in the list are only four men who will graduate next June. They are Milanette, center forward; Scoma, right halfback; Dewey, left halfback; and Conlin, goal guard.

Although these men will be greatly missed, there are several players available to fill these positions. With so many key men back for service next year, the prospects for a successful season are indeed bright. Mr. Yavits has already scheduled five games for next year, among which is a contest with Colgate University.
