Dr. Job Answers Questions Concerning New Location

### Band Concert Sun.

The Ithaca College Concert Band will be heard in its first public performance of the year 15:15 Sunday, Oct. 27 in the Little Theatre.

Under the baton of Mr. Walter Beeler, the band will perform the following numbers:

- **Triumphal March**
- **Shostakovich**
- **Tchaikovsky**

- **Finale**

**Atlantia Zephyris...Gardelle Simone**

Jota Aragonese... M. Gluck

**Serenade for Strings**

**Slavonic Rhapsody**

- **C. Friedman**

Thomas Podsky, a junior at Ithaca College, will play the trombone solo. **Atlantic Zephyris**, with music by the late Jan Crystik, has had much performance experience in all-state High School bands and in various Army bands during the war.

Mr. Beeler, an alumnus of the University of Denver, Colorado, has received his Bachelor of Science in Music and Master of Science in Music Education at Northwestern University. In 1925, he entered Ithaca College, where he has been the Conservator of Music, where he played with Con- way's and Karl King's professional orchestras. He has played as a soloist with the Ithaca College Bands, both under Gardell Simmons and Yardov tet. After teaching in the Conservatory for three years, he became conductor of the College Band.

### New Library Ready for Use

The Ithaca College library, under the direction of Mr. Walter Beeler, has opened for the fall semester. The library contains over 25,000 books and volumes, and is now open and ready for student use. The new library is located on the second floor of the College Library Building, N. C. 104. The library has been organized and lighted and therefore quite improvement over the old library. The library has been largely contributed to by our students even though the library is in the care of the administration.

There are a few library rules that have been put into effect, and are as follows:

1. In order to have books taken out unless there is a need for the books to be kept in the library for another student.
2. Books that are over three months old and have been returned to the library.
3. Books that are over six months old and have not been returned to the library.
4. Books that are over one year old and have not been returned to the library.

### Uncle Harry Opens Thursday

**George Apley**

The George Apley** opens Thursday night, Oct. 24, at 8 p.m. in the little Theatre.

**George Apley** has been adapted for the stage by Edward Albee, a third major production. Try-outs will begin on Mon., Oct. 21, and run from 4:00 to 6:00 in Room 100 of the Sayre building and from Monday to Friday, 7:00 to 9:00 p.m. in the Gym. Auditions will take place this night, and from Job, the movie adaptation of which the Sunny Skys was written by Thomas Friedman, will be screening at the Little Theatre on Wednesday, Oct. 23.

FRATERNALLY YOURS

Phi Epsilon Kappa
Mu Chapter of Phi E.K. wishes to welcome all the new members of our faculty: Brothers Karl Klein and Broadwell. Brothers Klein and Broadwell were members of Alpha Phi Epsilons at the Normal College of Indiana University.

The first joint meeting of Sigma Alpha Epsilon was held last Sunday afternoon. Following the dancing both fraternities presented a feature program in the House for a supper and community singing. Last evening the group went en masse to Kappa Gamma's music. Jeanne Milgate, SAI social chairman, arranged the entertainment. Each weekend brings its share of visitors to the Sigma House, Frank Rung, Marge DuBois, and Dorothy Sillars were among the weekend visitors.

Kappa Gamma Psi
Kappa Gamma Psi finished up the events of last week and moved on to the events of this week in a big way. Last Saturday night the rollicking 'Mano's Ball' was held in the Colonnade under the auspices of Grayson's Orchestra helping the festivities along.

Sunday followed Saturday, and the Twins Arts Recital followed the 'Mano's Ball.' A pleasant evening of music of Mrs. Schuckworth, and Chopin, capped with a dramatic reading from 'Madame Bovary.' A big feature at the recital was Miss Louise Tippar's vocal recitation by 'Lucky.'

Phi Alpha Iota
The first joint meeting of Phi Alpha Iota was last Sunday afternoon. The girls put on a dance for their guests, SAI Phi Mu Sigma, and the group finished up the evening with a lovely programme of song.
**Concert Tickets Sold Out**

This is the first season since the history of the Bailey Hall Concerts that an advance ticket sale will be so far in advance. Many I.C. students and teachers too, were disappointed because no more tickets were available at the box office, which had been sold out for some time— and had not been sold out for a while. The performing artists are as follows:

- Marian Anderson (central singing)
- Sylvia Matlows (bassoon)
- Martin Schreibman (bass)
- Russell Stelling (soprano)
- Iselin.)

The Music Department at Cornell sponsors these concerts each year, and the first Ithaca College students have been invited to serve as ushers for the season. Consequently, several I.C. music students will usher at the Bailey Hall Concerts.

**By Line** for Contribution

**Dear Editor:**

The Ithacan solicited for contributions from all Cornell students. We hope that readers who are interested in the letter to the editor department will contribute. We have received many thoughtful notes from students who wish to publish their thoughts in the minds of our girls, by viewing the objects they have produced themselves, and that your suggestions are always most interesting.

**Dear Sir,**

I recently read a piece which described a city of lights that was very old and ready-made suits are running this year longer and longer these days. They for- who thought she was a grown-up. Later, they find out they are going to have a baby. The lights go on and they find out that they are not as interesting as they thought they were. We find out what the lights are like. This is the story of a young girl who is not a grown-up.

Marian Anderson Sings Tonight At Bailey Hall Concert

Marian Anderson is the popular drawing card at this season’s Bailey Hall concerts, and it is fitting that the beautiful soprano, who has sung before every major city in America and possibly the world, should be given a robust welcome at the Ithaca College Bailey Hall on Friday, October 25, at 8:15. She will be singing for an audience of 750. Her last appearance at Bailey Hall took place on January 12, 1945. This year her coming concert is as follows: a group of Italian Art Songs; A group of songs from the "Heraldic"; A group of songs from Benvenuto Arrangements; A group of Negro Spirituals.

Miss Anderson is tops in popularity only by Nelson Eddy and Lily Pons. Her concerts are now two years in advance.

She was born of poor Negro parents in South Philadelphia in 1902. Her first concert was given by herself through my voice as long as I can remember. At the age of six she joined the United Baptist Church Junior Choir and at the age of 14, she moved to New York. Her father died when she was twelve and she helped support her family by helping to sing church choirs.

When she was in her second year in college, the distinguished Negro actor, sent her to Mary S. Patton, who offered to teach her. Her remarkable voice won her the attention of several well known teachers, among them Reayford among the most well known. Her high school principal recommended her to Mr. Baggett, one of the teachers. Mr. Baggett remarked that on the day he first heard Miss Anderson sing he was so fascinated that he finished his work, went out to hear more and more singing, and later in life he was to write "The River" and made him cry. In 1925 Baggett encouraged her to enter a singing contest at the State Fair, which was to sing in New York accompanied by the New York Philharmonic Orchestra. She won the Weizmann Contest against 300 other singing students from the entire state.

However, in spite of her triumphs, Miss Anderson was not eligible. "A wonderful voice," people said—"It’s too bad she’s a Negro." She was to be a young and high achieving student. She got a scholarship to Frank LeForge and left the U.S. discouraged by barriers of race discrimination.

Miss Anderson’s first concert in German was at the Democrat’s convention. In May 1914 she performed for the American Red Cross Branch of Ithaca and for the Red Cross Branch of Keuka.

CAMPUS FASHION

"There’s that nag of man-to-man can see.
To face me in this mortal life,
Though ever sweet the spell of night
Where madmen lurk and danger’s near
I laugh and turn another
But somehow when the night comes
And spectres dance across the moon
And nothing human conquers me,
Yes, we al! have our times.
"Oh, that’s apt. I like to look and ‘Wish to eat.’"

The women of the student body have recently announced that the Freshmen Frolics will be held on Friday, November 8, at 7:30 p.m., in the Student Union Auditorium. The Frolics will take the form of an outdoor campfire get together and will be free to all students. The women of the student body have organized this Frolic to provide a welcome to the new Frosh, and to give them an opportunity to meet their classmates.

The Frolic will begin with a bonfire and the singing of songs. The women of the student body will be in charge of the bonfire and will provide the necessary equipment. The bonfire will be located on the north side of the Student Union Auditorium, and will be lit at 7:30 p.m. The women of the student body will provide the music for the Frolic, and will play a variety of songs, including popular college songs and campfire songs.

The Frolic will be a fun and relaxed event, and will provide a good opportunity for the Frosh to meet their classmates and get to know each other. The women of the student body hope that the Frolic will be a success, and that all Frosh will enjoy themselves.

The women of the student body hope to make the Frolic a annual event, and to continue to organize other events to welcome the Frosh to the college.
Boots Prepare for Hamilton

After two weeks rest, due to a bye last Saturday's game with West Chester, the college soccer team travels to Clinton, N. Y. tomorrow afternoon, October 26th. The strength of the Hamilton squad is its depth, which is envied by many other college teams. The booters will continue to try and make the trip seven to eleven, the reserves, if given the chance, by perfecting their game. SURVEY OF STUDENTS

The field of recreation is, without doubt, a concomitant of education. There's undoubtedly an unprecedented need in the post-war college curricula for a rest of the macrocosm, for a recreation program. The world is divided primarily on the needs of recreation, not only in the armed forces but also in the realm of the production line of industry.

On every quarter we encounter on many of the only necessity of recreation but, what's more important, it's the forgetting that the goal can't be attained by pestering or strumming the shoulders to say it, let alone. It's a fact, especially true now that college is developing almost to a "com" to the end of the education of our time.

Everyone in the field of education is familiar with the term "Principles," whether of acquired or non-acquired. Now let's change our tack slightly and consider another fine word that's closely allied to Principles: Recreations. As we've been saying along pluckily, but a gale has swept down upon us and convinced the scorned students to red shoes: Principles; Recreations; Recreation. The Son of Neon means that the future educators take on a crimson pallor.

Let's abandon our activities as arm-hours and our vents the deep waters where there's a demand to be satisfied. The charter that Principles without Practice is clap-trap. Self-pity and rationalization are more abominable than dream of such speaking the near day or distant future. It's the responsibility of some willing faculty member to rehabilitate you, so to speak.

If you'll cooperate in the following Recreation Survey there's no doubt that a Recreation Program will be a reality of tomorrow rather than an idle dream.

BUSINESS SCHOOL

College education has been in existence over a quarter of a century. The school was founded
December 1, 1926. John H. Hardy was principal of the school for 15 years.

The school was taken over by Ithaca College in the fall of 1945. The school now offers, in addition to shorthand and typing, a course in office procedures and at present offers a B.S. with majors in Business Management and Education.

At present the school has an enrollment of a hundred students. Three Juniors, eleven sophomores, and seven freshmen are there. Their staff consists of Mr. Charles McGurr, director, Miss Mary Goodridge, secretary, and the clerical staffs. Mr. Mark Pierce isn't a member of the school faculty. The acting director during the summer and through her efforts, the school has been established.

The object of the school is to train students in Business Management and Accounting.

We believe that the trend is coming more complicated it is important for the student to enter business more adequately trained. This course in economics, accounting, bookkeeping, management and law have been added.

The School requires a broad general background, so that Business School students will have a complete comprehension of the liberal arts.

The secretarial section offers a one year course consisting of business, mathematics, and practice work. In addition, the year course is offered in general business.

The business school office and the typing school are located in the same building. There are classrooms since the school's beginning; 711 North Cayuga, over The Corner Book Store.

The Business department students are engaged in the following activities:

- Attending the meeting of the Ithaca College Choir
- Participate in "Scampers." The school attaches so much importance to shorthand maximum period of 4 years, for full or part-time study, graduate or un-

The examination will be held at the above time in designated centers throughout the State to be announced at a later date after applications for the examination have been received and the need for examination centers has been determined. For candidates residing in New York City and vicinity, the examination will be held in the Large Hall, Cooper Union, New York City. When the examination centers have been designated, each candidate will be furnished with an examination at the center nearest the address given in the application and other information that the candidates may be required to submit.

Approximately half of the Pennsylvania candidates will be furnished with an examination as noisy, as discourteous and as a public speaker program.

LIBRARY

The library, as can be seen from page 1, is well supplied with books. There are approximately 10,000 volumes in the library and the school keeps a careful record of what is being added. It is a fact that the school has an excellent library, and the students are happy with the number of books they can read, as well as the number of books they are able to find.

(Continued from page 1)

There are approximately 1,500 books in the library, of which only 1,000 are in good condition. The remaining 500 are in bad condition, but are still being used. The library is well supplied with books on all subjects, but there are not very many books on the subjects of the natural sciences.

REPORTER ATTENDS LUNCHEON

Given for Lehman

"The policies we adopt at home have a sweeping effect on the trends of the world." - Hon. Herbert H. Lehman, former Governor, State of New York, in an address at the luncheon in the attractive Dutch kitchen of the Ithaca Hotel at noon last Friday.

A reporter from the Ithacan, attending this luncheon, noted that Mr. Lehman was shortest in stature of any of those who filled into the dining room to take their places at the head table, yet he has not been satiated. The chatter-chatting between the guests was of many matters, from politics to education, from business to arts, and from sports to the weather. Mr. Lehman was commissioned as an Army Captain in August, 1917, and rose to the rank of Colonel. He was awarded the Distinguished Service Medal. The late Franklin D. Roosevelt was a friend of Mr. Lehman.
