Dr. Haines Addresses Church Group

Dr. Charles Haines spoke to the Boys Club at the Presbyterian Church on Sunday afternoon, Nov. 14, and received a standing ovation from the throng. He pointed out that the situation is not hopeless as long as men talk instead of shoot. He said that we have a breakdown of the factory by doing it from that and should determine now the principles for which we will take a firm stand. He suggested that aggression in any part of the world to be a threat to United States security and that we should be prepared to resist if such aggressive moves are made.

Business Class Visits Local Corporation

Mr. Mark's Industrial Manager, Mr. McGurk, is in charge of a part of the course, inspected the Allen-Walker Textile Corporation on November 5. The trip was another step towards the cooperation between the Business School and local companies.

The initial class conducted by Mr. McGurk's Industrial Manager was a resounding success, emphasizing the importance of understanding the clientele from the factory's viewpoint. Each participant was given a new perspective.

Frosh Freshman Day

On November 21, 1948 at 2:30 p.m., the fraternity house, Mr. Norris Houghton lectured on current problems in the theater. He started as a scene designer for the Society for Theater Inc., Houghton in charge of the Geography of the campus. Mr. Houghton is now teaching the history of the United States. His expertise and dedication are greatly appreciated.

The initial class conducted by Mr. Bressoud brought an enthusiastic response from the children. The initial class conducted by Mr. Bressoud brought an enthusiastic response from the children. The children's teamwork and creativity in the Drama Room captured the attention of all present.

The itinerary covered four floors of the school, and included a medicine ball contest between the Frosh and Sophs. This event was highly anticipated and well-received.

A jury trial for freshmen girls, starring Marion Burns, did a variety skit under the direction of the Dramatics. This was followed by a short talk by J.C. Craig McHenry, fraternity house. The evening concluded with an informal dance at the fraternity house.

The winning directors were Joan Marsh and Susan Burns, who participated in the Dance in Costume. The winners were announced and received applause from the audience.

Over-Enthusiasm

Probably Ithaca College activities engender greater enthusiasm than those in which all departments take part, either competitively or conjointly. We refer, of course, to Fresh Frolics and to Scampers.

On September 8th, we again had opportunity to enjoy an extraction of Fresh Frolics. As in previous years, the skits were seemingly worked up by the Freshmen, but, regardless of the obvious outcome, everyone concerned, both on stage and in the overflow audience, seemed to have a good time. That is as it should be and we wish to see more of the Freshmen Drama girls who wrote, directed, and acted in the "Mad Hatter" take-off, and also the girls in the costumes of famous historical figures who took part in making the annual occasion probably the most successful in years.

There is, however, one aspect which has cropped up in recent years, which we believe is not so healthy as it might seem. The mushrooming of banquets, tea parties, and similar functions, that is, the inclusion of supposedly sophisticated humor. There is no objection to any style of humor which makes for good entertainment, provided no harm is done. It is just a matter of taste and the public will decide how much of it they will tolerate.

But, somehow, the pseudo-sophisticated aura with which we surround these functions is an aspect which we would like to see toned down. The purpose of banquets should be to entice the public to see plays, rather than to create a demand for more. They are an inspiration to the public on music and its position in the average college and should be accompanied by a programme which will appeal to the public.

Campus Notes

With this issue, The Ithacan announces a new column, headed "As I see it," by an anonymous author. It is in the hope of reconciling draft officials that too many men are being turned down for mental and physical deficiencies, with the facts of medical practice that we are permitted to send them into the field, that we understand it, we're in worse shape right now than we were in the history of our country. To prove it, we are given various statistics ranging from 39% for mental deficiencies in 1943, to 45% in 1947, and 60% in 1948. From the data, it would appear that 15.5% for World War II. However, a slight glance beneath the surface reveals that we are a lot tougher than formerly, simply because they can afford to be. The urgency of the situation is another advantage, and we have more men to draw from, which means exclusion of any men in physically fit condition. I am not so sure that anyone will miss a few, perhaps an occasional Gershwin Prelude. Having, in the interim, attended countless recitals and concerts by students and faculty, I have heard that the music is very good.

Several years ago, when I first started attending classes at I.C., I was told by some who would-be authority, that the Music Department never services. Since then, we have seen evidence that perhaps this is one of the reasons for the recent influx of students.

For now, a Happy Thanksgiving to all you Ithacans.

MISCELLANY

The long-awaited College Directory, sponsored and compiled by Delta Kappa Fraternity, is out now. In the short time since its release, this organization has shown itself to be a well-rounded group. I'm certain everyone joins with me in wishing it well with this venture.

Adelphi

Miss Eilda Allen, Faculty Advisor for Adelphi, Freshman Honor Society, has announced new rules and regulations for membership in the organization. In order to clarify the old rules which permitted admission to members of the top 25 per cent of the Freshman Class, it was decided to set up definite scholarship requirements.

Accordingly, all future aspirants for membership in Adelphi must have more than 4.0 grade average for work for the Freshman year as a cumulative index of at least sixty-five.

Members present at the recent meeting of the Honor Society include: President, Timothy Quigley; Vice-President, William Currie; Secretary, Carole Knapp; Treasurer, Robert Nangle; Delta Kappa Fraternity represents Business, Joseph Spadaro; Drama, Marilyn Scriver; Music, Robert Mage; James Powers; Physical Education, Joseph Thornton.

Delta Phi Eta

The first block of practice teach­ ing for Delta Phi Eta this term took place with Marion Christina, Ruth Keating, and Betty Skidmore on the field. The season will end with a playoff game between the intramural winners and the varsity club. The list is composed of eight teams. Games are scheduled for Tuesday and Wednesday, and will start at 5:30. The following teams are participating: Gamma Psi, Business (two teams), Sigma Delta Tau, Phi Eta Sigma, and Gamma Phi. The last bullpen is composed of eight teams, with fourteen games to be played. The following teams are participating: Alpha Xi Delta, Delta Phi Eta, and Kappa Epsilon.

As an intra-collegiate league, Delta Phi Eta will resume play this year under the charge of Delta Kappa Fraternity, and we have every reason to believe that Delta Phi Eta plans many improvements, such as regulation refereeing, and hopes a prize may be awarded to the best team.

Letters to the Editor

In my coming and going around the campus of Ithaca College, I have been stopped by many students asking me what is Philotherapy? That is a very good question. I have tried to explain it with a question "Visit our department and talk to Miss Hilda Allen, Faculty Advisor." This doesn't seem to satisfy the curious, so if the editor of The Ithacan wants to try to attempt to give a little history of Philotherapy and its actual purpose, the student can get it from me.

Physiotherapy or Physical Medicine, is the newest and the oldest of the medical practices. It is the newest because only in the past few years has it been recognized as an official branch of medicine. It is the oldest field in medical practice because the em­ phasis on the healing power of exercise for treatment of disease must have been noted in the very beginning of mankind.

Ancient physicians knew and employed physical agents in therapy. Heliotherapy has been known since the days of mythology and the ancient Romans practiced hydrotherapy and thermotherapy in the famous Roman baths.

Present day physiotherapy is the science of treatment by physical means. It is the art of using the properties of light, heat, cold, water, air, electricity, manipulation, exercise, and mechanical devices and apparatus for treatment of disease.

The Department of Physiotherapy at Ithaca College has one student and members of the faculty to come up with the best game of the season. We are in the process of selecting the best of the Physiotherapy Department, and we are looking forward to the New York State Board of Medical Examiners, and James O. Hoyt, Investigator for the Board, to be glad to take care of your order. Good luck Delta Kappa Fraternity, in your new house.

At the Jack Frost Masquerade Ball, Sunday, November 7. We hear she will be glad to take care of your order. Good luck Delta Kappa Fraternity, in your new house.
FRESH COURT SQUAD
Cut to 18 Men

In preparation for his season opener against Joe Hamilton's JV's, Coach Phil Hubbard has cut the yearling squad down to 18 men. Survivors are: Bob Stover, 6-2, 145 pounder and Hobart, senior; John Sene, Jack Hantz, a 6-2, 145 pounder and Hobart, freshman; Tom Makris, Al Tushar, Sam Volo, and Eric Kunitzki, and center, Jim Rivas, and Tom McConney and Don Slaughter.

Coach Hubbard has made it quite clear that of the varsity which is an ambitious and formidable squad, only the top five men will open against the Rochester finish, the Yearlings to take the JV's on Dec. 2 on the Seneca gym hardwood.

HUNTING SIDE-LIGHT

An interesting side-light on sports is the hunting of deer with bow and arrow. Although it is not heard about very often, it is an interesting and enjoyable sport. Gene Crooks, Jim Fritz and Winston Norris, seniors, have been down here at the college in this sport before but are not sure if it is legal. Crooks says, "I guess it must be something for these fellows." One of the Seneca Indians, up to Jan. 15, to hunt deer with bow and arrow.

FALL SPORT SEASON
Closes With 500 Average

The 1948 Fall sports season at Ithaca College came to a close with the Bomber Courtmen having won their 5th annual trip to Bennington to end their Slate of 22 Games. The latter two were varsity football and frosh basketball. Two squads completed their season three weeks ago and others brought their schedules up to the final mark on Saturday at the Ithaca Coliseum. The Bombers won all of their six games and finished the season with a 5-0 average. The varsity lost 1-0, 4-0, 6-3, 6-0, and 6-2 and finished fourth in the Tri-States at Cleveland, Ohio. Again managing this year's varsity football is Coach John Light, and in charge of the freshmen is Coach Bob Sampson. The bulldogs will really have to be on their toes this season to bring glory for the Blue and Gold. A 5/8 inch junior who led the varsity scoring attack last year.

In the freshmen football, Coach Light will carry on the job. The freshmen will out last year's Slate of 22 Games, lose 1-0, 4-0, 6-3, 6-0, and 6-2 and finished fourth in the Tri-States at Cleveland, Ohio. Again managing this year's varsity football is Coach John Light, and in charge of the freshmen is Coach Bob Sampson. The bulldogs will really have to be on their toes this season to bring glory for the Blue and Gold. A 5/8 inch junior who led the varsity scoring attack last year.

Grapplers To Meet Sampson
In Season Opener Dec. 16;
Veteran Squad On Hand

With the return of an all varsity squad and the addition of five new men, Clyde "Whitey" Cole will be the most popular and season opener Dec. 16; State of 22 Games

With the season opener set for Dec. 16, Ben Light will be in good condition for his opener. Keen battles are expected in most of the matches. Returning veterans are Dick Hoover 121, Seddon Ball 128 and 136, Capt. Don Robinson 126, Larry Eanetta, 136, Bill Brickley 136, Chop Storya 135, Joe Campo 145, John Geise 145, Danny Colletta 155, Jim LaRoc 156, Kenny Helfterman 175, Exk-5et, Cameran 175 and heavyweights John "Jug" Speno and Gene Crooks. New to this year's squad are two ex-Sampsonites, Jack Hantz, a 145 pounder and Hobart, and Hoghter, a 135 pounder. Both are strong in conditions and training is under Howard "Scotty" LeVine a 121 pounder, Barry Harris 136, and Capt. Don Robinson.

Capt. Don Robinson and Jack Hantz both received honorable mentions in the recent Big Five All-American, team. Jim also competed in the Intercollegiate Boxing Association and the National AAUs gaining fourth place in both meets. Dan was an All American A.A.U. 165 lb. king last season.

With a powerful schedule which includes the Iowa City Teachers, Cortland State, Brooklyn Teachers, College of Education, Williamsport, Pa., and Sampson, the grapplers will really have to be on their toes to bring glory for the Blue and Gold. It is expected that the grapplers will compete in three or four post season tournaments last year; while Jim LaRoc undisputed king in the 145 lb. class for 6 years. Last year, Jim also competed in the National AAUs and finished in fourth place in both meets. Don was an All American A.A.U. 165 lb., king last season.

For the first time in history a freshman wrestling team has been organized and will be coached by A. John Schiebel, a graduate student. Actually all freshmen are included for experience. No experience is necessary. Practice is held every morning at 9:00 a.m. in the rear of the Seneca Gym. To date 15 men have been working out under Coach Schiebel and if a full team is obtained, a schedule may be arranged.

KIDS' STUFF
KIDS' STAFF—On Saturday afternoon, November 13, I spent approximately three hours attending the High School annual spelling bee. 

LOCAL COLOR
LOCAL COLOR—Two student recitals scheduled during the early part of the academic year were presented for December 1 and 7. After the fine recital on December 11, every seat in the Little Theatre should be taken...College Symphony Orchestra under the leadership of Joseph Shaffer performed for December 3 at Foster Hall. Program will include Brahms Symphony No. 4...Annual Xmas Concert of the College Choir under the leadership of Charles Levenson will be presented for December 15 in the Little Theatre...Make a note that there will be two additional recitals up at Cornell during December 14 and 15...A Cappella Chorus concert and on December 12 the Sage Chapel Choir will give their annual Christmas program. Both concerts are in Sage Chapel at 4:30 p.m. If you expect to sit during either of these concerts, you should arrive by 4:00 p.m. in order to find a seat close to the size of the chapel...Rochester Symphony Orchestra performed at Bailey Hall November 30.

Radio Listening
RADIO LISTENING—Saturday night, Toscanini presented another of his Brahms programs...the Academic Symphony Orchestra under Mr. Rubinate directed a program of a Theme of Haydn and the Symphony No. 3...The time is 6:30 p.m. every evening, and on Saturday nights the New York Philharmonic Broadcasts of the Brahms Symphony No. 1 are going to be on the NBC network this week. Not only will concerts be broadcast, but also all those programs which would be as well...The climax of the evening came with what may be called the "speech recitals" in which some of our most talented students read their compositions and very willing to be of assistance in furthering any school project.

Student Council Report
Last week's meeting of the Student Council featured reports on the progress made by executive and committee activities by President Stanzy Leverson and introduction of the next meeting of the Inter-Fraternity Council to be held November 19. President of the Class of 1952, Charles Davis, spoke and said that the Inter-Fraternity Council has been very successful in bringing about a closer relationship among the fraternities and between them and the senior class leadership. President of the Inter-Fraternity Council reported that details of the Inter-Fraternity Council's Inter-Sorority Dinner to be held on December 4, in honor of the new members, will be completed at the next meeting of the Inter-Fraternity Council.

President of the Inter-Fraternity Council reported that details of the Inter-Fraternity Council's Inter-Sorority Dinner to be held on December 4, in honor of the new members, will be completed at the next meeting of the Inter-Fraternity Council. The competition between Alpha Xi Delta and Zeta Phi Beta sororities, originally scheduled for the afternoon of Nov. 13th, was called off by mutual consent.

Penn State Grad Is New Dietitian
The college dining hall this year takes pride in being called Mrs. K. Phy-Ed graduate of '35, now director of Alaskan Operations for the State Department of Agriculture, who worked here last year. She was married in August and this week began her new duties as the only female staff member of the large kitchen staff. She was married in August and this week began her new duties as the only female staff member of the large kitchen staff. She was married in August and this week began her new duties as the only female staff member of the large kitchen staff.

Alumnus Sends Greetings
The alumni office, now in charge of Mrs. A. Alumna, sends greetings to all alumni, wherever they may be. The office has been active in recent months and plans to continue its activities.

Drama Grad Now US Food Inspector
John Nash, class of '31, drama student, is now food inspector for the U.S. Department of Agriculture. As a sideline, Alumna News writes, plays of which he has sold, $100.00 a week, and is entitled, "Pardon My cartoon," as he still hopes that some day he can get back to "show business."

Radio Workshop Schedules Many Activities
The Ithaca College Radio Workshop is moving right along in the "Campus Radio Theatre" series of one-hour dramatics. On November 9th and 10th, Dan Rubinate directed a program of "The Missing Year." A Spontaneous Announcements by Wm. Saroyan, and Programs to be Opened up Hundred New Ideas by Norma Cowen. Included in the casts were: Earl Popp, Ed Gorman, Harry Basch, Wm. Grammar, Peter Gunsmoke, Stanley Levenson, Richard Winamaker, Miss Marcelhot, and Larry Atiek. Music and sound effects were handled by Robert Biscobi and Charles Angell. Edward Pinckney was the technician. Assistant Dining Supervisor in direction were Harry Basch and Fred Heckman.

The "Campus Radio Theatre" broadcasts are aired over WHEC-AM on Tuesday evenings, and over the Rural Radio Network on Wednesday evenings.

On November 16th and 17th, the cast of "The Land of Enchantment," a new adaptation in "Campus Radio Theatre," is scheduled for December 15 in the Little Theatre. The broadcast is directed by Miss Claire Davidson, the only male vocalist of the literary history. The program was directed by Ruby Weinstein, the following evening a program of "The Land of Enchantment," also another Arthur Miller story, Grandpa and the Statue.

The Ithaca College Radio Workshop has embarked upon a new series of children's programs aimed at the Rural Radio Network every Thursday from 5:15 to 5:30. The series, called "The Land of Enchantment," presents a different story each week.

On November 4th, Lady Myra (Myra Witsenhusen) told the story of Hunch and Grobb, and on November 11th Miss Claire (Claire Davidson) explained How the Camel Got Its Ear.

On November 18th, Miss Claire told the story of the Green Eggs, the first in a series of children's programs. The program was broadcast on the Rural Radio Network every Thursday from 5:15 to 5:30. The series, called "The Land of Enchantment," presents a different story each week.

On Sunday evening, November 7th, WHEC-AM carried the broadcast of the "Campus Radio Theatre" series. The broadcast was engineered by students from the Radio Workshop. Edward Gorman was the announcer, and the program was engineered by Roger Pashley.

President Daisy Greenwald and Social Chairman Alice Angnan Watch Psy Ed Sophomore Chris Valve Draw Winning Raffle Ticket at Delta Phi Zeta's Halloween Party.

Of the severer fraternities and sororities, no matter to the size of the chapel...Dining Hall Sunday Fundamentals...Penn State Grad Is New Dietitian...Alumni Sends Greetings...Drama Grad Now US Food Inspector...Radio Workshop Schedules Many Activities...The Ithaca College Radio Workshop is moving right along in the "Campus Radio Theatre" series of one-hour dramatics.
