The Ithacan

SCAMPERs Program

FEB. 3 IS KOREAN CHILD DAY
$136 IS NEEDED TO COMPLETE FUND

On Feb. 13, 1954, Phil Iliopson, the national fraternity for men, is presenting their annual dance, "The Sweetheart's Ball."

Antigone is Year's First Performance
By Readers Theatre

Sophonous' Antigone, this year's first presentation of the Ithaca College Readers Theatre, will be presented Jan. 31, 8:15 p.m. in the Ithaca College Theatre under the direction of Eugene R. Wood. This same production, with many members of the present cast, was presented last year much success.

"Antigone is a Greek tragedy which deals with the revolt of Creon against the command of Creon, her uncle. Creon had decreed that Polyneices, who was killed when he tried to conquer the city of Thebes, should not have a burial but should lie exposed to the elements. This being a fitting punishment for one who would wound the city. When Antigone buries her brother against Creon's wishes, she commits suicide in Creon's court. The story which follows prove the existence of the original curse on her family and brings about the tragedy of this particular play in Sophonous' trilogies.

This year's production of Antigone has most of the original members of last year's cast. Antigone is recreated by Marilyn Kaplan and Creon by Robert Moss. Others of the original cast are James Paes, as messenger, Lloyd Belfance as the chorus, James Hashbrow Hassen, and James Parker as Teiresias.

Miss Howland
Announced By

It has been announced by Miss Howland that there will be a change in the usual procedure of students obtaining their teaching licenses.

From now on, those students who are recommended for their license will pay a fee of three dollars to the registrar's office. This money will be sent with the list of recommendations to the New York State office of Certification. The qualified students will receive their licenses with their diplomas at graduation.

This new process will do away with the individual rehearsal held under way, which could open up as a smooth flowing, well-coordinated production.

The difficulties of such an involved production will be handled by T. W. Cartin, Production Chairman, and his staff: Marylyn Kaplan, Production Manager; Floyd Meeker, Assistant Production Manager; Shirley Swartz, Scene Designer; Vincent Castelli, Sound Designer, and Robert Lappin, Choral Director.

Another innovation on the production end of this year's Scampers is the appointment of a group of costume designers with James Parler at the head of the committee. The function of this group is to design the costumes to be used in the show, in conjunction with directors and choreographers for each scene so that the final result coming will be more polished and co-ordinated.

As it now stands, Scampers will run as follows: Following the Overture will be a Wartime number choreographed by Lois Neer, with music by Bob Lappin. Song and Dance men, in minstrel tradition, will introduce each major scene of the show. They will be played by Dean Rasmus and Bob Gerlach. The Me We Move It A second is scheduled next, and is followed by Olio. Next comes the Parisian Scene with choreography by Gene Rosmus. This is followed by Olio AB. Act I will close with a Square Dance number choreographed by R. J. McCarth.

Act II will open with the Gymnastic team. Olio B will be followed by the Trilco Scene and Otto C. "From Here to There" will be announced by the Song and Dance men, and the show will close with the finale, part of which will be a complete choral number.

Directors for Scampers will be Miriana Schmidt, James Hashbrow, Jor Polatsky and Jim Russell.

Views for Scampers have also been posted. Stage Manager will be Floyd Meeker, and assistant Stage Manager is Harriet Millstein. Paula Kaplan will head props, Joel Levy-Carp, and Stix Ackerman will do costumes. Bill Elliott and Mary Westwood are electricians for the show.

We are not able to publish any pictures this issue as the Cornell Sun, which makes our cuts, has suspended publication during exam week.
The Mutter Bill
The National Education Commission is urging the United States National Student Association to support the Mutter Bill which is a bill under consideration for college students. This bill is being passed by the lower house and should be passed out of the Senate. It is a bill supported by government as well as college students. It is an opportunity for college students to gain an education, and not all parents are that wealthy that they can afford to pay a child through college without scholarships or loans. It is therefore a necessity that we support this bill as well as the Rep. Duch, who is the one who is sponsoring this bill. It is up to them to support it.

Many students work during the summer and save as much as possible to help them through the next year. Students from low income families have to work very hard in order to support themselves during college years, whereas students from middle class will work only a very small amount of hours and will therefore be provided for. It is therefore up to them to support the Mutter Bill. Here is a bill designed for college students. It is designed to exempt college students from income tax. As things stand, any person who makes over $600 a dollar must pay income tax; this person also can not be claimed as a dependent child by his parents. In this situation, they will be able to help a college student gain an education, and not all parents are that wealthy that they can afford to pay a child through college without scholarships or loans. It is necessary that we support this bill as well as the Rep. Duch, who is the one who is sponsoring this bill.

Not only student associations, but each college student should get involved in the Mutter Bill. Each student should contact their Congressman to support this bill. Here is a bill designed for college students. It is up to them to support it.

Follow Rules
There have been rumors reaching the Ithacan that letters adressed to the paper have not been printed; the students who have written letters are printed that have not been signed. If a student wishes to remain anonymous for some reason or other, he can merely place a small black square in the last line of the letter. There are three places where the letters may be left. The Ithacan office, in the basement below Williams Hall; in the speech office, in the basement below J. Nora Staib, or given to the lower classmen, who desire to have the letters be placed in the Ithacan box in the Administration building. Follow these rules and your letters will be printed.

Dramatically Speaking
by Bob Carbone
The certain at the Ithaca College Little Theatre has been brought down for the last time this semester. They have had three major productions: A Bill Wilder’s, Richard Dress, and just last week, The Man. All of the above productions were well received by the student body, and Wilder’s was the warm, honey colored recreation of a play that Eugene O’Neill wrote last year. Dress was the other hand, was very bad. Bob Carbone reviewed the last three, reasoning why the letters are not printed and they will print those sent.

Calendar of Events
Jan. 26
End of Semester
Jan. 21
Seminars, 4:15 p.m.—College Theatre
Feb. 1
Beginning of Spring Semester
Feb. 2
Newman Club—3:30 p.m.—Room 22, Annex
Feb. 3
10:30 a.m.—Women’s Lounge basketball, Cortland vs. Ithaca—8:15 p.m.—Boynton High School
Student Recital—4:15—College Theatre
Feb. 4
Tasting of the Shrew—1 p.m.—Boynton Junior High Gymnasium—Deisig was preceded by “Goodbye” (God be with you) to “Take it easy”... The modern woman, to whom I am referred, it seems, to try to just make out a new, less contradictory and less authoritarian world which is supposed to be the follow-up generation of themselves.

Today, the energy, the emergent morality of the 1950’s, has a style of its own, and special strength and momentum. It can be summed up in a series of phrases. The last line of the list is a comment on the first place, not the second. Thus we can never again speak of the future generation as the “just”... or “the young one”.

Take it Easy
Catchword of Today’s Youth
(ACP)—“Young People never knew what they were in somebody else’s day.”

The SCOUREBOARD. Something it helps us to form opinions more easily if we know what other people are thinking about a given subject.

In Aug. of 1953, a Gallup poll was held in Wisconsin, and the poll had a favorable opinion of Senator Joseph B. McCarthy. Then, under another Gallup poll, it was found that this figure had gone up to 82%, with 95% of the opinion favorable on an opinion.

Of the college graduates polled, 47% had a favorable opinion of Senator Joseph B. McCarthy. Therefore, it is up to them to support this bill. Here is a bill designed for college students. It is designed to exempt college students from income tax. As things stand, any person who makes over $600 a dollar must pay income tax; this person also can not be claimed as a dependent child by his parents. In this situation, they will be able to help a college student gain an education, and not all parents are that wealthy that they can afford to pay a child through college without scholarships or loans. Off Mike
by Phyllis Long

Well, the semester is coming to an end here at Ithaca College, and this reporter, just like everyone else at this time of year, is sub-
mersed in end-of-term projects and finals. And with the week of exams in full swing, it seems like a good time to reflect on what we've learned so far. At WITJ, we're preserving this week's programming with the Don and Gene undertakings, and as the weeks wind down, it seems like a good time to reflect on some of your popular favorites.

Starting scholars with access to an entertainment team bound in full swing, it seems like a good opportunity to reflect on the insecurities and neuroses, and this reporter, just like everyone else at this time of year, is submersed in end-of-term projects and finals. And with the week of exams in full swing, it seems like a good time to reflect on what we've learned so far. At WITJ, we're preserving this week's programming with the Don and Gene undertakings, and as the weeks wind down, it seems like a good time to reflect on some of your popular favorites.

To these people and many others that have not been covered in coverage, the semester is coming to an end here at Ithaca College, and this reporter, just like everyone else at this time of year, is submersed in end-of-term projects and finals. The Bombers took three wacks at win of the season when they met the short end of the score in as the win column and came away on series, the Sabres from Sampson College nosed out IC in an overtime, banked the ball through the many attempts. Tan. 7, Wilkes College tilt, 83-78 and in a home and home among small college ranks rangians shook loose for five consecutive points to ice the game. Batroney took personal charge of the spurt.

Bombers Lose To Sampson Sabres

Byrne Returns As High Scorer

Coach Carp Woods cage crew will still be bidding for their second win of the season when the Cornell State next Tue., night. The Bombers took three wacks at the win and came away on series. The team high scorer, John Abraham with 244 points was only two points behind the former Sysrman, with 26 tallies to his credit.

Ted Burrenz and George Cooke grabbed off 27 rebounds between them and tipped many rebounds in. Burrenz netted 14 and Cooke 16. Chuck Brown, team captain and a former star at Indiana University, hit for eight points but also pulled off 15 rebounds off the boards. Abraham bounded the IC nets to snatch the victory from them and tipped many rebounds in.

IC was led twice during the first five minutes of play, 2-2 and 4-2. After the big Bill Garnes tossed in a two pointer to tie the lead 6-4 after 3 1⁄2 minutes of play, the Sabres used their fast-break attack to literally run the Bombers into the boards. Trailling, 27-25, with only 3 1⁄2 minutes remaining in the first half, the Bombers put together a string of seven points to draw within 15 of the Sabres at halftime, 31-25.

Chuck Stevowsky, former Sysrman U. star led the attack on the IC net with 32 tallies. The team high scorer, John Abraham with 244 points was only two points behind the former Sysrman, with 26 tallies to his credit.
