FOREWORD

September came and we were on the path of knowledge once again. Only this time it would be a final path for some and a continuation for others. As freshmen, it was new and exciting. As seniors, it was the returning to old ways and old friends but it was the beginning of a very short year. Then, we were ready to continue our course of learning; now we are about to see a new world open up for us.

As freshmen, we thought “my, how big all this is” but soon we learned that it was small; that we were small; but together the two smalls made up one gigantic Big. The memorable Fall and Spring Weekends, the floats, the rallies and bonfires, the best football game of the season that no one dared miss if they were going to be part of the Big. There we were, a member of that curiosity race called “students.” What did we do? There were all kinds of things: sororities and fraternities; clubs — religion, service, study, contemplation, and learning as well as plenty of good times and lots of excitement.

During its four years at I.C. this class witnessed a spectacular change: the growth of an expanding campus. Many things are different now. It’s hard to remember when we changed, but it happened. The memories will be with us always; the friends will remain true. We will never forget the wild antics during rehearsals, nor can we ever forget the time spent in the classroom or the knowledge obtained there. We look back at the long-awaited science and music buildings taking shape and that long winter that couldn’t end too soon. So home we go with these and other memories, which will never leave us but will forever enhance our lives.
In September, 1948, Earl S. Clarke came to Ithaca as Dean of the General College and Professor of Education. He became Dean of Students in September, 1954, and in this capacity he has endeared himself to the faculty and to the students.

Along with his background in Education, which is of considerable aid to his students, there exists within him a feeling of sympathy and understanding when dealing with the problems of the students. It is one thing, however, to understand these problems and another to aid in solving them. This he does with willingness and dedication that has prompted the class of 1964 to dedicate this yearbook to him — Earl E. Clarke, Dean of Students.
The Class of 1964 has experienced greater changes than any previous class at Ithaca College. No class in the future will view as many dramatic changes in its four years of residence at the College.

There are advantages as well as disadvantages in being a part of a rapidly changing community. The disadvantages of a transition over the past four years are apparent; some of the advantages may not be. The excitement of rapid change and progress is an exhilarating force as students and faculty alike view the emergence of beautiful buildings in a setting of almost unparalleled grandeur. They gain inspiration. As the College has met the challenge of the needs of contemporary society, so must each one of us. In close perspective, we cannot evaluate our experiences of the past four years. Later, many of us may realize that the experience of having been a part of the creation of a new intellectual environment has provided personal inspiration, and added to our lifelong creativity.

ALPHA EPSILON RHO

Alpha Epsilon Rho is a national honorary radio-television fraternity consisting of more than fifty chapters throughout the United States. This fraternity is dedicated to leadership in collegiate broadcasting and in service to the college community, developing outstanding men and women for the field of communications.

Alpha Omega Chapter hosted four social events during the fall including participation in a Broadcasting Institute for high school students, a "get-acquainted" party for freshmen, and a banquet for the students of the department and their parents during Parents Weekend. December brought four pledges into active membership in formal ceremonies as well as sending delegates to Syracuse for the Region I Convention.

Being only three years old has not restricted Alpha Omega Chapter from performing many services for Ithaca College and Ithaca College Broadcasting.

CHI SIGMA GAMMA

Chi Sigma Gamma was officially founded at Ithaca College on October 11, 1962. A local math and science sorority, its purpose is to further interest in the sciences, especially in the field of mathematics, and to provide the opportunity for activities of a social nature among its members. The basic requirements for membership are that one be a math or science major and be in at least the second semester of calculus.

Chi Sigma Gamma's plans for the future include assisting in a tutoring program for math and science majors, compilation of scholarship information in the fields of math and science, and presenting speakers on topics in the field of science. Under the advisorship of Miss Mildred Brammer, Chi Sigma Gamma hopes to be able to take many steps forward to achieve its goals.

The Epsilon chapter of Delta Kappa National Fraternity, located at 115 Glen Place, is the only chapter of any national social fraternity represented at Ithaca College. "The House" is the heart of Delta Kappa and all plans and activities originate here.

Delta Kappa has again this year played an important role in the social and academic life of Ithaca College.

In the fall, D.K. men were busy with the preparations and publication of the sixteenth annual edition of the Ithaca College Student Directory edited by Mike Burke.

As the Christmas season approached, Delta Kappa was busy with preparations for the annual Christmas Ball, the highlight of the winter social season.

Each year Delta Kappa sponsors the sale of Spring Weekend mugs, and joins with the other organizations at Ithaca College with a float in the Spring Weekend parade. At the close of the school year, Delta Kappa annually presents two awards. One award goes to the senior outstanding in scholastic achievement, the other award being presented to the senior outstanding in athletics. In addition to these awards, Delta Kappa also sponsors the Top Ten Senior Awards.

DELTA PHI ZETA

Voices ringing in song throughout the day... casual, spur-of-the-moment parties... pledges with pink carnations... formal meetings... having coffee with their Delta Kappa brothers... members rushing to games, rehearsals, and concerts... women participating in a variety of college activities... sisters living and working together in harmony; these are Delta Phi Zeta girls!

Delta Phi Zeta, Ithaca College’s only social sorority, was founded on March 6, 1928, to promote a spirit of helpfulness, unity and friendliness among the women of Ithaca College. To maintain this objective, pledges of Delta Phi Zeta are chosen for their character, leadership, sociability, and scholarship. The girls of 510 East Seneca Street, have founded a tradition of sisterhood among girls from all departments.

This year’s social calendar for Delta Phi Zeta includes such activities as the following: doing volunteer work for the Cancer Society and Reconstruction Home, sponsoring an annual birthday party, managing the publicity for Fall Weekend, an annual Christmas banquet and tree-trimming party, caroling with their brother fraternity, Delta Kappa, an annual Pledge Weekend held in the spring, publishing of the sorority’s semi-annual Alumnae Newsletter, and participating in the Greek Sing.

DELTA SIGMA PI

Delta Sigma Pi is an international professional business fraternity and is one of the leading and most prominent fraternities in the professional field. Its purpose is to foster the study of business in universities; to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and the students of commerce; and to further a higher standard of commercial ethics and culture, and the civic and commercial welfare of the community.

Delta Lambda Chapter of Delta Sigma Pi was founded at Ithaca College on May 5, 1957. This has become one of the most active organizations on campus, a goal which each and every member has helped to achieve. Another goal that all the brothers strive for is recognition, which comes with successful fulfillment of their duties and obligations as an active undergraduate chapter in international competition with other member chapters of Delta Sigma Pi.

Delta Lambda Chapter will have completed seven years of active life by the end of this school year. Its position at Ithaca College and as a member of the international professional business fraternity has been gratifying to its members. The goal which it has accepted will be achieved with pride in the work the brothers do — a pride that comes from being a brother of Delta Sigma Pi and a student of Ithaca College.

KAPPA GAMMA PSI

As a National Music Fraternity, the objectives of Iota Chapter include the stimulation of earnest study, the encouragement of superior attainment, and the furthering of the interest and appreciation of all of the fine arts, particularly music. Kappa Gamma Psi has its own woodwind and brass quintets in residence and its musical offering is not limited to members. The aims of Iota Chapter provide for sharing musical experiences with all who may be interested.

The members of Iota Chapter find plenty of time for availing themselves of the companionship and light-heartedness of social gatherings. At such times, good cheer is the rule, and a hearty, refreshing atmosphere prevails.

PHI DELTA PI

The Theta Chapter of Phi Delta Pi, a National Professional Physical Education Fraternity for women was founded at Ithaca College on January 14, 1922. The objectives of Phi Delta Pi are to provide a national, professional Physical Education affiliation for women, to promote the progressive development of Physical Education, and to emphasize and develop effective leadership.

To fulfill these objectives pledges are chosen in the fall and spring on the qualities of scholarship, leadership, character, and sportsmanship. Phi Delt's national project was to give aid to the Cerebral Palsy Foundation in Ithaca by helping to construct an adapted Physical Education program. Phi Delt sponsored the selection of the Court for Fall Weekend. A professional party, to acquaint the freshman girls with Ithaca's surroundings and school life, a House Opening, rush parties, and a patroness tea were some activities in which Phi Delta Pi engaged.

At the beginning of the last Spring semester, Phi Epsilon Kappa, a national professional fraternity for male students of health, physical education and recreation, celebrated its 50th year since its founding in 1913. Mu Chapter was founded here at I.C. in 1928.

This professional fraternity is unique in that it provides all the advantages of fraternal affiliation, yet offers usual benefits which accrue to a membership comprised of men who have chosen the same profession for their life work. The brothers sponsor such events as: pep rallies, the Sweetheart’s Ball, awarding trophies to the most valuable player in Ithaca College’s six major sports and other professional activities.

Delta Chapter of Phi Mu Alpha Sinfonia, a national, professional music fraternity, has enjoyed another active year on the Ithaca College campus. Since the inception of the chapter in 1901, Delta has graduated over 850 members into the music profession. This year, with over fifty active members, the chapter presented many musical programs. Besides the numerous house recitals presented at the chapter house, the fraternity prepares two recitals at the College Music Hall. The fraternity also sponsors many social events, the highlight being the annual Spring Weekend Banquet.

To the men of Phi Mu Alpha, music is the center of their concentration and endeavors in life. This is reflected by the large number of Sinfonians in the musical organizations on campus, as well as in the educational and professional fields. In essence, the purpose of Phi Mu Alpha Sinfonia can be summed up in these four aims: to advance the cause of music in America, to foster the welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members and to encourage loyalty to the Alma Mater.

Pi Theta Phi, Ithaca's professional physical therapy fraternity, was founded on December 3, 1946, in order to form a more perfect bond of fellowship, to elevate the standards of the Physical Therapy profession, and to advance the science of Physical Therapy.

In the fall, the fraternity sponsors an orientation program to help the new P.T. students to become acclimated and to meet the upperclassmen. This is followed by a Winter Carnival held in February. Pledging is set up on a professional basis and the pledges are required to do assignments which are beneficial to them in later years. It is becoming a tradition that Pi Theta Phi help the children at the Cerebral Palsy clinic and to sponsor annual Halloween and Christmas parties at the Reconstruction Home.

Pi Theta Phi's largest and most important event of the year is the Institute Weekend, which takes place in the spring. It has been found that these weekends are extremely enlightening on the newest advancements in Physical medicine. The seminars are followed by a banquet and a dance.

RHO MU THETA

Rho Mu Theta is a local fraternity that combines professional and social ideals into a compact organization that serves the entire college and fosters a close relationship among its brothers. Rho Mu Theta is the only professional math. and science fraternity in the nation that requires only the scholastic standard set down by the Inter-Fraternity Council as one of its criterion for membership. Of course personality and leadership qualities are important pre-requisites for brotherhood in Rho Mu Theta.

Acquisition of knowledge in the field of math and science is the primary goal of this fraternity, but we believe that a well-rounded program of social activities and service to the school — not to mention the close relationships that are gained by brotherhood in Rho Mu Theta — are important in the complete educational experience that a student receives at college.

SIGMA ALPHA IOTA

Sigma Alpha Iota is a National Professional Music Sorority for women. Epsilon Chapter is one of 129 college chapters throughout the nation. The many activities of Epsilon Chapter are geared toward fulfilling the sorority’s national purpose — to uphold the highest ideals of musical education and to promote a stronger bond of musical understanding and interest throughout the world. SAI requires of its members four prerequisites: musicianship, scholarship, character, and leadership.

Among Epsilon Chapter’s musical activities during the year are the Fall Recital, and the American Music Recital in the spring. There are less formal recitals each month at the SAI House which are open to the public. Our chapter also joins with the other chapters to support SAI’s national projects such as the American Music Awards, designed to aid American composers of outstanding ability.

The Chapter’s social functions include rush parties in the fall and spring, the Holly Hop at Christmas, and a spring picnic.

THETA ALPHA PHI

Dim the House lights! Break a leg! Curtain up! These theatre phrases are familiar to every member of Theta Alpha Phi, the professional drama fraternity here at Ithaca College. Theta Alpha Phi is a national professional fraternity devoted to the advancement and enrichment of college theatre.

The Beta Chapter of “TAP” is composed of upperclassmen, regardless of department who have shown interest in theatre work through their contributions to major productions, senior seminar plays and one-acts. Initiation is offered to all who have fulfilled the point accumulation requirements.

“TAP” started the school year off with its traditional “Welcome Freshmen Party” which serves to acquaint new students in the department with the fraternity and to introduce them to the members of “TAP.” Freshman scholarship winners present their scenes at this party. The spring Semester saw a revival of the “TAP One-Acts.” The year closed with the “Salute to Seniors,” a variety show presented in tribute to the graduating class.

The Student Council serves as the executive and legislative head of the student body of Ithaca College. It works to uphold the standards and customs of the college, and by constant contact with the administration and faculty, acts as a clearing house for problems affecting the student body. Council Members not photographed include: R. Reinhart, J. Sedwin, V. Burly, P. Deutsch, M. Mills, S. Burd, R. Coughlin, J. Jaros.
Each fraternal organization is represented in IFC and serves as the governing body for the fraternal organizations of Ithaca College. Its purpose is to foster a feeling of friendship and mutual understanding among these organizations and, in cooperation with the college administration to control and regulate those matters in fraternity life, which are of common interest to the members, organizations and the college. IFC representatives strive to fulfill the purpose and objectives of the Inter-Fraternity Council and encourage the idea of unity. The prime objective is to promote close affiliation among the fraternal organizations.
Women's Student Government stands ready to aid the various House Committees in interpreting the various regulations which apply to the Ithaca College Co-eds. Women's Student Government holds as its purpose the establishment of a closer relationship between the administration and the women students. Duties which continue through the year are advising the frosh women, aiding the head residents and house committees and revising the BLUE AND GOLD. WSG members are elected annually in the spring, by popular vote; their hardest job is trying to remain that way throughout their term of office!

WIVES CLUB

The Ithaca College Student Wives' Club was formed in 1958, in order that wives of Ithaca College students could get together for both educational and social functions. The basis of the organization's efforts lies in the belief that participation on the part of the student wives in a scholastic atmosphere can prove to be productive for both the family and the school.
Since the installation of literary activities last year, the membership of Ithaca College's literary society, Epsilon Nu Gamma, has swelled to a total of ninety student members.

The monthly meetings are conducted on the basis of an informal lecture-discussion hour, led by a member of the faculty having a particular interest in the topic under analysis.

Amidst our season's discussions, ranging from the writings of J. D. Salinger and John Updyke to the philosophical contemplations of J. P. Sartre and Albert Camus, E.N.G. was glad to sponsor the film OEDIPUS REX.

Membership in E.N.G. is open to all students in any department who wish to indulge in stimulating discussions on literature not covered under the regular school curriculum.

Sigma Alpha Eta is a national professional society for prospective speech and hearing therapists. Its chief purpose is to provide a medium for enriched professional and social experiences through co-curricular activities. Through its meetings and special projects, SAH provides many benefits for its members. Films, lectures and demonstrations give the speech major supplementary background on topics pertinent to speech and hearing therapy. A year-round project of the society is keeping the college speech clinic pleasant and attractive. Officers for the 1963-4 year are: Anne Carey, President; Linda Friedman, Vice President; Ethlyn Alheit, Corr. Secretary; Melanie Gray, Rec. Secretary, and Rose Ellen McGuire, Treasurer.

Zeta Sigma Nu, formerly known as Adelphi, is the Freshman Honor Society which seeks to stimulate high scholastic interest, activity, and attainment by all students, and to give recognition to those students who have attained the required scholastic index for membership during their first year at Ithaca College.
The guiding principle of the International Club is a complete education. Its goals, however, also contain a social aspect.

Educationally, the club brings the members together for lectures, discussions and intercollegiate conferences on events of international significance. Socially, the club seeks to promote understanding and friendship between students from different countries attending Ithaca College.
In its second full year of activity, the Modern Language Club was organized to promote greater understanding of the cultures of France, Germany, Spain, Latin America and Russia. The club is open to all students at I.C. who wish to increase their understanding of modern languages.

Regular meetings are held at which the different language departments plan special programs of interest concerning their respective languages.
The Varsity Club, composed of Varsity letter winners who have exhibited a desire to be active members of an organization furthering good sportsmanship, was organized to give recognition to those participating in Varsity Athletics and to motivate future participation.

The objectives of the club are as follows: to foster better inter-collegiate relationships; to aid the college in presenting athletic contests; to arouse school spirit; and to act as representatives of the Varsity letter winners in school policies.
WOMEN'S ATHLETIC ASSOCIATION

WAA was organized for the benefit of all the women of Ithaca College and offers an opportunity for participation together in various sports activities. The main purposes of WAA are: to encourage inter-departmental friendship and understanding; to provide all women students of Ithaca College with the opportunity to participate in recreational sports; to promote good sportsmanship; and to organize and conduct the sports program in accordance with the Division for Girls' and Women's Sports. To meet these purposes, WAA offers various intramural activities throughout the year.

The Newman Club is a national Catholic organization, established in secular colleges throughout the country. Its goals are to deepen the spiritual and enrich the temporal lives of its members through a well-balanced program of religious, intellectual and social activities; to bring Catholic students into a common union; and to assist the college and its students whenever necessary.

The Newman Club benefits at Ithaca College are many. Services and confessions are held on our campus weekly. An envelope system is used by the club to help raise money for a new Chapel and other needed expenses. Members are invited to participate in state-wide conventions, to meet and exchange views with other Newman Club members.
B'nai B'rith Hillel Foundation has developed as an integral part of Jewish student life. Hillel provides the opportunity for students to gather for fellowship and study of our common heritage and individual goals. Through planned programs, informal discussions and browsing in the Hillel Library, general knowledge is given additional practical and personal significance in a Judaic frame of reference.

In addition, opportunities are furnished for attendance of religious services and observance of all holidays.
The United Christian Fellowship was created in 1961 to provide the students, faculty, and administration of Ithaca College with the opportunity to actively participate in and study the Christian faith. All students are welcome.
M.E.N.C. is a professional music organization open to all students enrolled in the Department of Music. A local student division, under the guidance of a faculty advisor, provides the opportunity for any student studying for a degree in Music Education to avail himself of the advantages of this group. This organization provides opportunity for the music student to develop a practical, realistic concept of the music education profession.

The purpose of the Ithaca College Forensic Association is to enable students to gain experience in all forensic activities. Forensics includes all phases of speech work from public speaking to discussions, including work in radio and television media, legislative assemblies, and the traditional debate situations.

Our basic area of activity is, of course, the intercollegiate debate program which is open to any student who wishes to prepare for tournament debating on the national topic. The number of intercollegiate tournaments attended is determined by the number of active debaters interested. Our year is highlighted by our own intercollegiate tournament which is attended by colleges and universities throughout New York State and the East, and is usually held during the first or second week in February.
As a professional organization, the Majors Club is open to all students enrolled in the School of Health, Physical Education and Recreation. The purposes of the organization are as follows: To awaken a wide and intelligent interest in health, physical education and recreation; to provide such means of promotion as will secure adequate programs in these fields throughout the state and nation; and to advance the standards of teaching and leadership.
CAYUGAN

Cayugan 1964 is not a product of one person or of a single staff. It is, however, their product as far as work and time are concerned. But, by the same token, it is the product of the administration, the faculty, and the student body through their cooperation and interest. The labors, the cooperation, and the interest produced a finished product. This product we know will satisfy all beyond their services rendered.

The main source for campus news, sports, and humor is the *Ithacan*, a weekly newspaper run by and for the students of Ithaca College. Under the leadership of Roger Gee, the paper is experiencing a year of experimentation and self-evaluation.

In the fall members of the staff attended the Associated Collegiate Press convention in New York City to gain a clear understanding of the purpose of a college newspaper. As a consequence, greater stress was put on the importance of clubs and student organizations submitting publicity information to the *Ithacan*.

Some reorganization of the staff included naming an office manager to start a "morgue" file and naming a correspondence manager to build an extensive circulation program with newspapers of other colleges.

Exploration of new printing methods was conducted to find a better, less expensive means of presenting student news and providing a greater range of positions for students with talents other than the ability to write.

Ithaca College completed the 1963 baseball season with a 17 and 3 won-lost record. There were many factors which contributed to this fine season. Dick Rockwell and Don Fazio led the “Bombers” at the plate with .468 and .458 batting averages respectively. Fazio, who had the second highest batting average on the team, led the squad in the home run department with four. The team batting an amazing .333, is an indication of the team’s power at the plate.

This was a team not only blessed with hitting, but it also possessed a very strong defense. Roger Freize led them in pitching with a 5 and 1 won-lost record. One of the highlights of the season for Ithaca College was George Strickland’s no-hit-no-run-no-error ball game in which Ithaca was only able to score one run. Strickland, who was used primarily for relief, compiled a .53 earned run average.

Many feel that Ithaca was slighted when they lost a bid to the section 2 playoffs to Penn State. However, the ball club was not slighted when it came to selecting the E.C.A.C. All-Star Team. Don Fazio, the team’s outstanding third baseman was selected to the first team. Battery mates, Rockwell and Freize, were selected to the second team. Tom Vogt received an honorable mention at second base. These are only a few of the reasons why Ithaca once again ranked high in the collegiate baseball world.

The spring golf season had many highlights which do not show on the score card. Their come from behind victory over a strong Cortland Team, climaxing a team effort against an arch-rival. For the majority of players this was their first year of competitive golf. With their return next year, it is hoped a winning season can be posted again. The team is coached by Mr. Broadwell, who has volunteered his time and experience to improve the player's games. The home matches are played at the Newman Course, near Stewart Part, and a gallery is always welcomed.

FRESHMAN TRACK
Although the Ithaca College track team was unable to compile a winning season it produced several outstanding performers. During the 1963 season there were some track and meet records broken. Joe Biddy ran the half mile in 1:57.7 to break an Ithaca College record of 2:01.8 that was in the record books since 1951. Co-capt. Buddy Brooke put his name in the Ithaca College track team. He gained a first place for Ithaca every time he entered the 100 yard dash and was defeated only once in the 220 yard affair. High-jumper Gary Gregorka and shotputter Leroy Green were also quite consistent in their events.

One fact that cannot go without mentioning is the retirement of head coach Isadore “Doe” Yavits. For many years he served as a very capable leader.

Biddy.
Hampered by hard luck and strong opposition, the Ithaca College Booters managed to end the season with a commendable record of five wins and six defeats. The consistent scoring of Greg Lutter and Don Fazio kept the bombers on top. Although the team will lose many veterans through graduation, Coach Carlton Wood is hopeful of improving by next season. For their outstanding play this season Greg Lutter and goalie Dave Halen were elected co-captains for next year.

VARSITY FOOTBALL

The Ithaca College "Bombers," under the direction of Richard Lyon, came through with one of the best showings by any I.C. football team in the college's history. After an opening game loss to highly rated Temple, Ithaca rolled over Kings, Brockport, Cortland, Montclair and C.W. Post.

Gene Monje was the leading point producer, tallying 66 points via 11 touchdowns. Other high scoring Ithacans were Len Muhlick, Bob Glazier and Sam Curko. The team totaled 208 points to their opponent's 76, and virtually outclassed all adversaries.

Post-season awards included Sam Curko's nomination to the first team on William's Small College All-American. Gene Monje also received honorable mention for the same squad.

WOMENS’ GYMNASTICS

FRESHMAN GYMNASTICS

The Ithaca College Gymnastics team engaged in a very ambitious schedule this past season. At least eight exhibitions were slated as well as home and away gymnastic meets with various colleges. For the most part, the exhibitions have been given at public schools in Ithaca and the surrounding area, which has done much to create good relations for the college.

Co-captain Ed Sliwinski, competing in all six Olympic events, sparked the team on to a successful season. Coached by the well experienced Bob Denoncourt, the Ithaca College 1963-1964 Gymnastic Team enjoyed an interesting and resourceful year.

Several of Ithaca College's outstanding seniors competed in the Eastern Regional Gymnastics Tournament at Penn State during the first week of March.
The Ithaca College Wrestling team, after a poor start, came alive to show its true potential. It lost the first four matches due to the absence of some of its outstanding members. Orlando Iacovelli missed the first three matches, when one more 'bomber' would have been the margin of victory. In the fourth match there were three starting grapplers missing from the lineup. In this match one more win would have turned the tide. Since then the bomber assault has been supreme.

Blaze Iuliano and Orlando Iacovelli have been outstanding for the bombers this season. Blaze, who has bowed only three times during his college career, lost two of these outings to Jim Nance, the defending NCAA heavyweight champ. Along with Blaze and Orlando, Ithaca College has several other hopefuls in this year’s 4-I tournament in Cleveland.

A new and exciting Winter sport has taken root at IC. Under the direction of Mr. George Moore, the 1963 Hockey team was molded into a strong contender in the Finger Lakes League.

Considering the team is still in the formative stage, its record of 4 wins, 9 losses, and 1 tie was very respectable. Among the outstanding players who came of age during the season included: Bill Miller, Tom McHugh, Jeff Hibbard, Tim Ragan, and Captain, Pete Reilly.

Although the loss of Jeff Hibbard will be big, the remainder of the squad will return much improved and experienced next year.

Ithaca College’s Basketball team has accepted an invitation to the NCAA College Division Post-Season Tournament at Akron, Ohio.

Twelve in a row! The high-flying Ithaca Bombers quintet established a new Ithaca College record, erasing the old standard of nine straight. The victories followed an opening-game loss at the hands of Clarkson.

Returning veteran, George Strickland, paced the College five through its early victories, and emerged the team's top scorer and leading rebounder. Senior lettermen Don Fazio, Tom Vogt and Bill Shutz were vital cogs in the Bomber wheel that rolled to its twelve straight wins.

The success of the squad hinged on a well-balanced attack. The many runaway games gave coach Carlton Wood an opportunity to shuffle his line-up, and exhibit many of next year's prospects.

ROW I: L. Friedberg, M. McNamara, R. Reinert. ROW II: B. Burgess, B. Miller, J. Olt.
The “Rose of Deltasig” contest originated at the suggestion of Beta Xi Chapter at Rider College at the sixteenth Frand Chapter Congress in Minneapolis. The first contest was conducted in the 1947-48 college year.

Each chapter selects their own "Rose of Deltasig" from among the coeds at their university, and her picture is submitted to the central office.

On the local level, Delta Lambda chapter tries to keep the contest on a strictly "beauty" basis and away from the "popularity contest" which is typical of many contests found on most campuses. We do this at Ithaca by having the girls themselves pick the original candidates for the contest. Each dormitory selects a certain number of girls, which usually totals about fifty. The co-chairmen, through the use of pictures and personal discussion, then cut this group down to twenty semi-finalists. A cocktail party is then held at which the twenty semi-finalists and the brothers attend. This gives the brothers a good chance to meet and get to know all of the candidates. An election is then held and the list is reduced to five finalists. From these five, one girl is selected as Delta Lambda’s “Rose” for the coming year and then her name is submitted as a candidate to the national contest.

The winner, together with the second and third choice are announced in the May issue of the DELTASIG. She is then presented with an all-ruby badge of Delta Sigma Pi, which is suitably engraved and ordered especially for her by the fraternity.
We don't know how many fires we'll put out, but we're a “happy” crew!

Don't worry . . . all the world loves a clown!

Before we're finished, we'll all be seeing “a” pink elephant!

Ready or not, the show must go on!
Hurry! Hurry! Get 'em while they're hot!

Who says there's no such thing as a pink elephant? Who??

Ready! Aim! Chug!! Whoops, I mean fire!

If this is wedded bliss, forget it!!!
