Various College Religious Organizations Plan to Hold Joint Meetings on Tuesdays

The long awaited unity of religious life at I.C. is coming closer to reality. It is becoming more important by the activities of the Inter-Religious Activities Council.

For the first time a "Religious Night" on the campus took place this fall and it is hoped that, this time and co-operation of their respective groups, all students will respond.

Newman Club President Greg Triantos, Millen club President Ruben Marshall, and Century Club leader Jim Murphy all believe that this new idea and program is worthwhile and that any questions they will have have been taken care of.

Father Zimmer, Rabbi Goldfarb, and Barbara Bollhorst, Production Manager of the Ithacan, are adviser to these activities and co-operation of their respective religious groups.

Dean Howard and Dean N. Michael Bluestone feels that this program will be a major contribution to religious groups. The Junior Advisory Committee, and members of the college faculty will be the final judges.

Rudolph Brown will direct this year's production of Scampers and Barbara Bollhorst will be the Production Manager. As all production work is voluntary, Barbara, who has performed in many laboratory and major productions—most recently the lead in the play "The Two Foollall games of November 18—will have the responsibility of the school stock and has written and produced a musical review.

Barbara has worked backstage on Scampers for the last three years and has gained further experience in major productions and musicals. She has also acted, directed, produced Boss B. Bollhurst Discuss Scampers with Director Brown

Dear Editor:

I flattered the silly unicorn just like you told me to, but he told me he was wise to my game and I should get lost. I still want to get my story published, despite the unicorn's sour attitude. How can I go about it?

Unhappy gardener

Dear Editor:

I am a smoker. There's a tinge I like better than a good cigar, but I am a smoker after dinner. But every time I light up, my friends laugh at me and call me to task. I am not trying to give up cigars, but I can't stand the laughter because of it. What should I do?

Signed,
Jane

Dear Rabbe,

There comes a time in every young girl's life when she must conform to the rules of society. Unfortunately, cigar smoking female students aren't accustomed enough to get by unnoticed, so I think you would be better off if you found another diversion. Send me your book number 31, "What To Do When The Cigars Run Out", I think I'll read it first.

Signed,
Rabbe

Dear Editor:

Somebody has suggested that I make you take the criticism from the fraternity members a grain of salt. Are you looking for a cowpuncher to talk down the campus, or just to hit the crap away? I'm still not being called a cowpuncher. This is no ordinary unicorn. I should go to you. I'll let you out of your reading. History tells us mighty Casey struck out.

Signed,
Least form of animal

Poets' Corner

And there was a rose here
-an inspiration
And a bit of straw
And boxes too.
Flat and round and square
An the kitchen sink-

And a thought
With a soul sad and faint
On groups tall and short.
(Sighs make no difference.)
There was red
And a rose.

Blue and red
Warm and light;

Darkness and fire
At heart's desire
And twill matter moans
An the kitchen stove--
And a rose.

And there was a rose here

-because there is a reason
And a thought

With a soul sad and faint
On groups tall and short.

There was red

This is the first year Ithaca College will have a hockey team representing the school. A group of students interested in the sport was formed and we expect to have a complete lineup by the time we return from vacation. The team will be playing against the other colleges in the area and we hope to make a good showing. The hockey team will be coached by Bob Jordan, a former Ithaca College student who has played at the collegiate level. The team will be composed of members of the freshman and sophomore classes.

College Football Squad Completes Best Season In School's History by Joe Gillen When the 1953 grid season opened, it was anticipated that the Bombers would be one of the best in recent years, and that it would complete its schedule with a victory over the Red Dragons of Cortland on the last day of the season. The Bombers came through with a record of 6-2, and finished its schedule on a high note, victory over the Red Dragons of Cortland.

The Bombers put their 4 game winning streak on the line against the powerful Red Dragons of Cortland in the next game, and much to the delight of the players and Coach Dick Lyon, the student body, and the faculty, the longest winning streak of the year.

The Bombers are the only remaining undefeated team in the division, and will face some tough competition in the playoffs. They have proven themselves capable of handling any team they have faced, and will continue to be a force to be reckoned with in the future.

The Man Who Thinks for Himself Knows –

Do You Think for Yourself? (HERE’S A TEST THAT WILL TELL YOU!*)

1. If the salaries were equal, would you rather be a college professor than a movie star? YES NO

2. Would you rather borrow money from a bank or institution than from a friend? YES NO

3. Would you rather have tests sprung on you than be warned about them in advance? YES NO

4. Do you think it’s foolish to daydream? YES NO

5. Do you believe it unwise to eat at irregular hours, even though you’re hungry? YES NO

6. If you actually saw a “flying saucer” land, would you run for your life? YES NO

7. Would you be inclined to follow the latest style in clothes regardless of how it looked to you? YES NO

8. Would you feel badly if you thought nobody at all knew where you were? YES NO

9. Are you confused by the clamor of conflicting claims so many filter cigarettes are making these days? YES NO

The fact is, thinking men and women don’t let themselves get pushed and pulled by all those filter claims. They know what they want in a filter cigarette. And they know only VICEROY gives it to them. A thinking man’s filter, a smoking man’s taste. Makes sense. Should you smoke VICEROY? If you think for yourself—chances are you do already!

*If you have answered Yes to two or out of the first three questions, and No to five out of the last six—you think for yourself!
