CAYUGAN 1965

ITHACA COLLEGE
ITHACA, NEW YORK

Barbara Ann Rosen, Editor   Melanie Gray, Assistant Editor
Four years ago, the class of 1965 arrived on campus to be greeted by the sight of five dormitories, a college union, and the hope for the eventual fulfillment of a dream. Over the period of our four undergraduate years, we have been allowed to bear witness to the partial fulfillment of that dream.

What is this dream which we are seeing turned into a reality? It is the consolidation of all of the various units which comprise Ithaca College on one campus. As we leave, our undergraduate education completed, we see ten dormitories, a college union, health center, science complex, music building, and gymnasium. But the work is not yet finished, for a college must constantly grow and expand. Our college is doing just this.

We, the first class to graduate from a unified Ithaca College Campus, dedicate this yearbook not to just one person, but to all of those who have helped to make this campus the living monument which has arisen from their faith in the school, its administration, and above all, its students.

The "Rose of Delta Sig" contest originated at the suggestion of Beta XI Chapter at Rider College at the sixteenth Grand Chapter Congress in Minneapolis. Each chapter selects its own "Rose" from among the coeds at its university, and her picture is submitted to the Central Office of Delta Sigma Pi. The first contest was conducted in the 1947-1948 college year. Delta Lambda Chapter tries to keep the contest on a strictly "beauty" basis and away from a popularity contest. We do this at I.C. by having each girls' living quarters select a certain number of girls whose names and pictures are submitted to the dance co-chairman. This group is narrowed down to approximately twenty semi-finalists for whom a cocktail party is held. This gives the brothers a good chance to meet and get to know all of the candidates. A group of five finalists is then chosen, and from these one girl is selected as Delta Lambda's "Rose" for the coming year.

The Student Council serves as the executive and legislative head of the student body of Ithaca College. It works to uphold the standards and customs of the college, and by constant contact with the administration and faculty, acts as a clearing house for problems affecting the student body.
The Student Court is the highest student judicial group on campus and has both original and appellate jurisdiction. The Court is composed of two students from each of the three upper classes and the Chief Justice.
Oracle, the senior honor society, gives recognition to students, alumni, and members of the faculty who have made outstanding contributions to Ithaca College while attaining outstanding scholastic achievement. While initiation into Oracle is a commendable goal, true honor lies in what makes membership in the society possible — working up to its requirements.

To be eligible for active (student) membership, a student must have acquired at least 75 credit hours, have a 3.0 (B) cumulative index, must have participated actively in at least three semesters at I.C.

Oracle serves Ithaca College and its students by maintaining a loan fund, which is open to all deserving students of the college.

By recognizing superior performance, the society points out more clearly defined values and standards toward which Ithaca College and the members of Oracle hope the student body will aim.

Zeta Sigma Nu, formerly known as Adelphi, is the freshman honor society which seeks to stimulate high scholastic interest, activity, and attainment by all students, and to give recognition to those students who have attained the required scholastic index for membership during their first year at Ithaca College.
MEN'S STUDENT GOVERNMENT

Men's Governing Board constitutes the executive and judicial body for all men students of Ithaca College. M.G.B. normally consists of seven members with at least one from each of the three academic schools of the college. M.G.B. works in conjunction with the administration of the college and other student government organizations in establishing and enforcing regulations pertaining to the men students at Ithaca College.

WOMEN'S STUDENT GOVERNMENT

Women's Governing Board has judicial and executive functions within the Student Government. It formulates and administers policies governing the social life of women at Ithaca College. Women's Governing Board sponsors a war orphan named Antigone. Money is raised for her support on Penny Nights sponsored throughout the semester. This year WGB is sponsoring a new program called “Modes in Modern Living.” This program has been formulated to inform students of proper modes in our changing society.
The College Union Board meets regularly to coordinate activities performed in the College Union.

President's Host Committee was newly formed in the spring of 1964 to assist the President. The purpose of this committee is to escort prospective students and their parents around the campus.
Each fraternal organization is represented on I.F.C., which serves as the governing body for the fraternal organization of Ithaca College. Its purpose is to foster a feeling of friendship and mutual understanding between these organizations and the college administration. I.F.C. controls and regulates those matters in fraternity life which are of common interest to the members, the organizations and the college. I.F.C. representatives strive to fulfill the purpose and objectives of the Inter-Fraternity Council and encourage the idea of unity. The prime goal is to promote close affiliation among the fraternal organizations. The Inter-Fraternity Council sponsors Fall Weekend, I.F.C. Weekend, and the annual greek picnic. Their service project is the blood drive, held on campus every spring.

The Varsity Club is composed of varsity letter winners who have exhibited a desire to be active members of an organization furthering good sportsmanship and leadership on the campus. The club was originated and organized by energetic young athletes and has been carried down through the years by the same type of young men.

The main objectives of the Ithaca College Varsity Club are to foster better relationships with other schools, to aid and assist in the presenting of athletic awards and contests, and to act as representatives of the varsity letter winners in school policies.
Women's Athletic Association was organized for the benefit of all the women of Ithaca College to offer an opportunity for participation together in various sports activities. The main purposes of the organization are: to encourage interdepartmental friendship and understanding by bringing together students from all areas of specialization for participation in activities of mutual interest and appeal; to provide all women students of I.C. with an opportunity to participate in recreational sports; to promote good sportsmanship; to provide a program of co-recreational activities. The Ithaca College Young Republican Club and Young Democratic Club were founded in September, 1964. The purpose of these clubs is to foster political ideas for the student body of Ithaca College. Both of these clubs were especially busy this year with a presidential and state-wide election. Each committee concentrated on its particular area to benefit the candidate running for these offices. The clubs sponsored a registration drive and acquired over 200 members. Members served daily in the Tompkins County political headquarters to give assistance in anyway possible. On election day, members served as baby-sitters, chauffeurs, and poll watchers. Also, the Young Republican Club sponsored a film for the entire student body and worked with other Young Republican Clubs throughout the state to acquire speakers for the Ithaca area.
B'nai B'rith Hillel provides the opportunity for students to gather for fellowship and study of our common heritage and individual goals. Through planned programs, informal discussions and browsing in the Hillel library, general knowledge is given additional practical and personal significance in a Judaic frame of reference. In addition, opportunities are offered for attendance of religious services and observances of all holidays.

The United Christian Fellowship, created in 1961, is the Protestant Christian community of students, faculty and staff. All such persons are recognized as part of this fellowship while at the college by virtue of their common Christian faith. UCF has been entrusted, both by the churches and the Head of the Church, with responsibility of ministry and mission on this campus. This year's theme, "Christian Involvement," initiated various means of fellowship: Sunday supper discussions, two non-credit seminars, service projects, an off-campus Retreat, and participation in Inter-Faith programs and on an Inter-Faith committee for the planning of the Chapel and Religious Center. All of this "involvement" has been under the guidance of our admired Chaplain, the Reverend George E. Clarkson, who graciously serves so many of our Ithaca College community.
The Newman Club is a national Catholic organization established on secular campuses. The club strives to deepen and enrich the spiritual and temporal lives of students through a well-balanced program of religious, intellectual, and social activities. It assists the college and its student body through its own program and through inter-faith activities.

The benefits of the Newman Club at Ithaca College are many. Mass is offered Sundays and Holy days on campus. Monthly discussions and personal conferences with the chaplain are available on campus. Members also participate in state-wide institutes of study, to meet and exchange views with other clubs from different schools.
M.E.N.C.

M.E.N.C. is a professional music organization open to all students enrolled in the department of music. A local student division, under the guidance of a faculty advisor, provides the opportunity for any student studying for a degree in Music Education to avail himself of the advantages of this group. This organization provides opportunity for the music student to develop a practical realistic concept of the music education profession. This is gained from the student's actual participation in programs, demonstrations, discussions, performing groups, etc.

WIVES CLUB

The Ithaca College Student Wives' Club was formed in 1958, in order that wives of Ithaca College students could get together for both educational and social functions. The basis of the organization's efforts lies in the belief that participation on the part of the student wives in a scholastic atmosphere can prove to be productive for both the family and the school.
GOVERNMENT CLUB

This organization puts forth the idea that a thorough understanding of world politics makes for an intelligent student and citizen. It is our job to organize and present lectures and discussions so that the student body may acquire this knowledge. We take a neutral position on both national and international affairs.

RIFLE CLUB

The main source for campus news, sports, and humor is the Ithacan, a weekly newspaper run by and for the students of Ithaca College. Under the leadership of Barbara Wickham, the paper is experiencing a year of experimentation and self evaluation.

In the fall members of the staff attended the Associated Collegiate Press convention in Chicago to gain a clear understanding of the purpose of a college newspaper. As a consequence, greater stress was put on the importance of clubs and student organizations submitting publicity information to the Ithacan.
The purpose of the Ithaca College Forensic Association is to enable students to gain experience in all forensic activities. Forensics includes all phases of speech work from public speaking to discussions, including work in radio and television media, legislative assemblies, and the traditional debate situations.

Our basic area of activity is, of course, the intercollegiate debate program which is open to any student who wishes to prepare for tournament debating on the national topic. The number of intercollegiate tournaments attended is determined by the number of active debaters interested. Our year is highlighted by our own intercollegiate tournament which is attended by colleges and universities throughout New York State and the East, and is usually held during the first or second week in February.
Working on the staff of Cayugan '65 has provided many students with the opportunity for expressing varied talents. However, more important is the function this expression of talent serves in producing for the entire college population a lasting record of the spirit of Ithaca College in 1965.

Delta Kappa Fraternity was originally founded as Kappa Kappa Kappa Fraternity in 1931 and was changed to Delta Kappa Fraternity in 1937. The Ithaca College chapter, Epsilon, was installed in 1932, and reactivated in 1945. The re-incorporation of 1964 provided for the independence of Delta Kappa on the Ithaca College campus.

Delta Kappa's most familiar material contributions to the school are the Student Directory compiled annually by the men of the organization, and the Senior awards given at each June commencement to the Outstanding Senior Student and the Outstanding Senior Athlete. Also, Delta Kappa initiated the Christmas Ball which is now an annual event.

Delta chapter of Phi Mu Alpha Sinfonia, a national, professional music fraternity, has enjoyed another active year on the Ithaca College campus. Since its inception in 1901, Delta has graduated over 850 members into the music profession. This year, with over forty active members, the chapter presented many musical programs. Besides the numerous house recitals presented at the chapter house, the fraternity prepares two recitals at the College Music Hall. The fraternity also sponsors many social events, the highlight being the annual Spring Weekend Banquet.

The purpose of Phi Mu Alpha Sinfonia can be summed up in these four aims: to advance the cause of music in America, to foster the welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members, and to encourage loyalty to the Alma Mater.

Sigma Alpha Nu, a social fraternity, was created in the spring of 1963 to foster a new concept in fraternal brotherhood and to offer the men students from all departments a choice in pledging a social fraternity. Sigma Alpha Nu continues to serve the Ithaca College campus through its members who are actively involved in all forms of student life including: Student Council, MGB, Oracle, CUB, and the Ithacan. To maintain these objectives, members are selected for their leadership, character, sociability, and scholarship.

In the fall, Sigma Alpha Nu’s plans included a welcome back picnic-dance to introduce freshmen to the upperclassmen and provided an introduction to fraternity life. In the spring the fraternity joins with other Greek organizations and sponsors a float for the annual Spring Weekend Parade.
Pi Theta Phi, Ithaca's professional physical therapy fraternity, was founded on December 3, 1946, in order to form a more perfect bond of fellowship, to elevate the standards of the Physical Therapy profession, and to advance the science of Physical Therapy.

In the fall, the fraternity sponsors an orientation program to help the new P.T. students to become acclimated and to meet the upperclassmen. This is followed by a Winter Carnival held in February. Pledging is set up on a professional basis and the pledges are required to do assignments which are beneficial to them in later years. It is a tradition that Pi Theta Phi help the children at the Cerebral Palsy clinic and sponsor parties at the Reconstruction Home.

Pi Theta Phi's largest and most important event of the year is the Institute Weekend, which takes place in the spring. It has been found that these weekends are extremely enlightening on the newest advancements in Physical medicine. The seminars are followed by a banquet and a dance.

Rho Mu Theta is a local fraternity that combines professional and social ideals into a compact organization that serves the entire college and fosters a close relationship among its brothers. Rho Mu Theta is the only math and science fraternity in the nation that requires only the scholastic standard set down by the inter-Fraternity Council as one of its criterion for membership. Of course personality and leadership qualities are important prerequisites for brotherhood in Rho Mu Theta.

Acquisition of knowledge in the fields of math and science is the primary goal of this fraternity, but we believe that a well-rounded program of social activities and service to the school are important in the complete educational experience that a student receives at college.
Sigma Alpha Iota is a professional music fraternity for women, founded in Michigan in 1903. Epsilon chapter was established in 1909 at the Ithaca Conservatory of Music. We are banded together to further the cause of music in America and the world and to uphold the high ideals of our profession. In accomplishing this purpose, Sigma Alpha Iota sponsors the American Music Awards, designed to help and give recognition to outstanding American composers.

Besides weekly meetings, monthly public house recitals, and guest lectures held at the chapter house, we present two formal public recitals, the spring recital devoted to American music, plus an annual television show on the college station.

Our social events include a formal Christmas Dance at our chapter house and an All-Greek sing sponsored by Epsilon chapter to give all the fraternities at IC an opportunity to bring out their hidden musical talents.

The Beta Chapter of TAP is open to all upperclassmen, regardless of department, who have shown an interest in the theater by the accumulation of "TAP Points." TAP Points are acquired by working on both Major Productions in the Little Theater, and the Junior and Senior Green Room Productions.

Every year TAP begins its activities by having a "Welcome Freshmen Party." There the members perform for the freshmen and the freshman scholarship winners perform for the members. Along with the spring comes the TAP One-Acts, and the Spring Weekend Variety Show.

The varsity baseball team's fine record of 16-3 capped a great 1963-64 athletic year for Ithaca College. The Bombers were honored for the fourth time since 1955 by receiving a bid to the NCAA District 2 Championship Tournament. Ithaca beat St. John's 6-3 in their first game but lost to a fine Seton Hall team 8-3 in the finals. Third baseman Don Fazio and pitcher Tom DePatto were selected to the District 2 All-Star team for their outstanding play.

The explosive ball club was led by Gene Monje and Don Fazio with .358 and .324 batting averages respectively. The Bombers were also blessed with an outstanding pitcher, Tom DePatto, who achieved a 0.72 earned run average, tops since 1954. Coach “Bucky” Freeman had much praise for his three valuable sophomores Lou DiParisi .370, Dan Haire .364, and Don Lando .308. Although thirteen seniors were lost through graduation, the 1965 season should be equally successful due to the return of a strong crew of veterans and the advancement of a highly rated freshman team.

The most memorable play seen by last year’s spectators was Fazio’s grand slam home run with two outs in the bottom of the last inning against St. Bonaventure. This story book ending saw Ithaca quickly change the score from 6-2 to 6-6 and finally win 7-6. Perhaps the oddity of the season was the play that ended a 2-2 defensive battle between IC and Cortland. The Dragon’s lefthander Al Garod delivered a wild pitch while trying to intentionally walk Ed Farquhar in the bottom of the 9th. On the pitcher’s miscue, Don Lando scored from 3rd base, sealing the 3-2 victory.

Due to three heartbreaking losses, the varsity track team posted an average 4-4-1 record. Two sophomores established new Ithaca College school records through their outstanding performances. Long distance runner Warren Campbell broke the mile run in 4:19.9 and also the two miler in 9:47. The 330 yard hurdles was a new event added to the I.C. track slate in which Norm Haac set a record of 0:40.7. Other consistent performers were Ted Terray in the broad and triple jumps, Len Muhlick and Joe Alber in the sprints, and Gerd Lutter in the pole vault. Coach Mearl Green should have a most successful season in 1965 with an abundance of veterans returning.

VARSITY GOLF

The 1964 golf season saw a more experienced team take the fairways than had been seen in previous years. With more than twenty-five students coming out for the team, Coach Broadwell finally selected a very promising six-man team. With the exception of Jim Stalker, returning veterans will be striving to better last year’s record. All home matches are played on the scenic Municipal Golf Course located near Stewart Park against the background of Cayuga Lake. Spectators are welcome at any home match.

The IC Cubs had a most impressive season under Coach Eugene DeLuca. With their only loss coming to Cortland, the trackmen compiled a 4-1 record because of the tremendous balance and depth in all events. The individual standouts who will help next year’s varsity are: Bob Burnham and Niel DeRosa in the shot, discus, and javelin; Jim Snead and Dan Iezzi in the sprints; Paul Evans in the hurdles; and Gary Jackson in the pole vault.

VARSITY FOOTBALL

Ithaca's solid victory over American International gave Coach Dick Lyon his third successive record of 6 wins and 2 losses. Playing a tough schedule, the bombers lost only to Cortland and the always rugged West Chester squad.

Senior halfback Len Muhlich was the workhorse of the 1964 season as he lugged the pigskin the most times, 118, of any back in Ithaca history. Len averaged 4.9 yards per carry and scored four touchdowns rushing. He added three more touchdowns through the air and was the team's leading pass receiver snaring 35 passes for 413 yards. Other individual standouts were halfback Bob Glazier with 326 yards rushing, sophomore halfback Dan Iezzi with 195 yards pass receiving, and quarterback Denis Slattery who completed 64 out of 131 passes for 816 yards.

Ithaca also had its share of top linemen and pass defenders. The opposition attempted 142 passes, completed 48, and averaged only 65.5 yards per game through the air. Two tackles, senior Roger Hayes and junior Len Tyler were selected on Eastern College Athletic Conference All-Star teams during the season. Tyler also achieved Little All-American distinction. Three IC seniors also participated in the Gem Bowl held on Thanksgiving Day. They were Hayes, Bill Hoereth at defensive end, and captain Bill Mottola at defensive linebacker. Coach Lyon disclosed that Larry Turel has been selected as next year's captain.

FRESHMAN CROSS-COUNTRY

Members of the 1964 varsity soccer team can be well proud of their achievements as as they gave Ithaca College its most successful record in its 32 year history of the sport. The Bombers' key player was Hungarian-born Sandor Szabo who broke the school's scoring record after his first seven games with 24 goals. The ace center forward went on to establish a new individual record of 29 goals. Szabo's best effort was against the University of Rochester when he scored five times in a 7-3 victory. Other IC scoring threats were co-captain Gerd Lutter with 6 goals and playmaker Bruce Gordon with 4. Lutter's impressive play earned himself a position on the second team of the All New York State Area Soccer Team.

Ithaca's top defense was also a heavy factor in establishing their record of 9-2. Goalie and co-captain Dave Halen gave up an average of 1.1 goals per game and was credited with five shutouts. Big center half Lou DiParisi was a defensive bulwark all season as he came up with many fine plays. Coach Carlton Wood should have an even better season next Fall as few players are lost through graduation.
Sandor Szabo, rugged center forward for the Ithaca College soccer team, was named to the Honorable Mention list for the 1964 All-American soccer team. In addition, he was selected to the All New York State soccer team.
FRESHMAN FOOTBALL

A good defense beats a good offense, but a good defense without any offense isn't going to beat anybody. This was the story of IC's freshman football team. Defensively, backs Jim Vieta and Lou Spiotti, together with end Jack Michalak were cited for their heads-up play throughout the season. Ithaca's one bright spot came in the last game of the season as the Cubs defeated Brockport 25-8. Right halfback Pete Toomey was the star for the Bombers, scoring three times. His first two came on runs of 45 and 6 yards and the last was on a pass from quarterback Art Asselta that covered 60 yards. Left halfback Lou Spiotti got the other IC six-pointer on a 58 yard jaunt. Outstanding linemen for the freshmen were Steve Hyman, Bill Horne, and Ray DeMarco.

FRESHMAN SOCCER

The IC freshman soccer team, coached by George Moore, posted the most victories of any aggregation in 17 years of the sport at Ithaca College. The squad totaled 48 goals while keeping the opposition to 20. Janos Benedek, native Hungarian, was the big threat scoring 22 goals for a new frosh record. The previous record was 18 held by our current varsity star Sandor Szabo. The Szabo-Benedek combination is expected to add to Ithaca’s varsity scoring punch next season. Other frequent scorers were Steve Kuzman with 9 goals and Korean Chun Limb with 4. Goalie Pete Anderson made 97 saves in 10 games.

Compared with last year’s season, the 1964-65 basketball team presented disappointment at IC. With only two seniors on the squad, coach Hurst was troubled with the inexperience of his boys to play together. Ithaca’s fine play in defeating favored Oswego twice and Albany State once proved that the team could win the big ones. Senior Dave Halen led the team with 302 points and averaged 15 per game. George Valesente and Barry Lalonde also scored regularly with averages of 14 and 11 per game. Lalonde was the leading rebounder with 206. Sophomore David Barton was selected as the team’s most improved player.

With nine lettermen returning next year, coach Hurst hopes to be on top again. The varsity team should also benefit by the addition of several members of this year’s freshman squad.

The Ithaca wrestling team compiled a 8-4 season as the grapplers were cheered by many in our new South Hill Gymnasium. The squad was looking for their best record in 12 years after winning six in a row at mid-season but because of the two defeats in closely contested matches with Oswego and Buffalo University, Ithacans lost their hopes. Competing against big name wrestling schools like Lock Haven, Syracuse, and Wilkes makes Ithaca's record even more impressive.

Leading wrestlers for Ithaca were:

- Bob Franciamone
- Ed Michael
- John Sacchi
- Howie Peirano
- Neil DeRosa
- Gary Foote
- Dan Anderson
- Dick Morse
- Joe Ferrucci

The relatively new varsity gymnastics team competed against many schools in the Eastern United States during the past season. Although their record cannot be looked upon as successful, coach Denoncourt produced many talented gymnasts who greatly impressed Ithaca spectators. Outstanding performances were given by Walt Snopek and Jim Sears on the parallel bars, Mike Norcross on the long horse, Jay Hall and Bob Jackson on the still rings and Jackson in free exercise.

Jim Sears and Mike Norcross represented Ithaca College at the Eastern Gymnastic League Individual Championships held at Temple University.

THOU WERT MY GUIDE, PHILOSOPHER, AND FRIEND.

ALEXANDER POPE
The Class of 1965 should consider itself the pioneer class. It was the first class to occupy buildings on the South Hill campus. The first year had its grim aspects. There was mostly mud where now there is grass. The new buildings provided were, in a number of instances, only partially completed; yet, progress was in the air and spirits were high. As this pioneer class leaves, it has already viewed the emergence of a campus nearly complete or, at least, with all essential buildings completed or under construction. Perhaps in years to come, the hardships and inconveniences attendant on unfinished buildings and grounds will not be remembered as much as the dramatic emergence of South Hill campus whose fame will continue to grow.

A song to the oak, the brave old oak,
Who hath ruled in the greenwood long;

Then here's to the oak, the brave old oak,
Who stands in his pride alone!

And still flourish he, a hale green tree,
When a hundred years are gone!
