Book Published By I. C. Graduate Jean Latham

Miss Jean Latham, a 1928 graduate of Ithaca College, is the author of a book, "This Dream tablets," which will be published in the spring in observance of the 35th anniversary of the founding of Jamestown, Va.

Miss Latham, who earned national awards for her literary work in 1926, was recently key speaker for Ithaca's first book sale.

The book, which she said will be used in Ithaca College family. She is a graduate of the Drama Department.

Alvin C. Snapke, P.E. '37 former director of Ithaca College and later on the college faculty, recently retired on ground breaking ceremonies for a new Physical Education Building at the University of Hawaii. Honolulu Snapke, a 1927 graduate of Ithaca College, is currently chairman of the Department of Education at the University of Hawaii. He was on the Ithaca College faculty 1926-47, and has earned the masters degree (1921) and the degree of doctor of philosophy at Harvard University 1956.

Dr. Rawski On Music Council

At the annual meeting of the American Musical Society, held at the University of Illinois, December 23-29, Dr. CONRAD H. RUZICKA, was elected to serve on the Council of the American Musical Society. Dr. Rawski, who has been a member of the music faculty at the University of Illinois for the past 25 years, is also a member of the American Musicological Society.

Support the March of Dimes

One of 14 respiratory centers supported by March of Dimes funds reports that 30 out of 40 male patients have been helped to return to work or train for jobs in other fields. Given to the 1957 March of Dimes to help other men return to normal living, Delta Nu Omega Presents Scholarship Medal To Austin

At a recent banquet Delta Nu Omega, the first sorority to present a scholarship medal to a student, honored Dr. Austin. The award was presented on the basis of outstanding achievement in the fields of Business Administration and the recommendation of the full-time business faculty.

After the banquet at the Clinton House, the fraternity was honored to have as its guest speakers Dr. Williamson, President-elect of Ithaca College; Dr. Hickman, Dean of the College of Arts and Sciences, and Dr. Clark, Dean of Students. Dr. Dillingham spoke on the significance, responsibilities, and duties of the President of Ithaca College. The emphasis was placed on the importance of these groups in professional and social functions. Dean Hickman commended the students for their efforts at the college. He pointed out the numerous opportunities for Business students. He also spoke of the importance of the Business Department at Ithaca and noted that this department has been growing steadily in extent that it is now the largest department in the College of Arts and Sciences, and he is the second largest department in Ithaca College. "Operation Bootrap" in this season was an impelling talk given by Dr. Clark. The fraternity was also fortunate to have Mr. James Thompson, Executive Director of the International Professional Business Fraternity of Delta Sigma Pi, speak on the functions of that fraternity. He stated that Delta Sigma Pi is the largest fraternity in the Business field, and has chapters located at many outstanding colleges and universities. Mr. Thompson also mentioned that one of the characteristics of Delta Sigma Pi, namely, its quarterly magazine, placement service, and employment manual.

Following the banquet, the Delta Nu Omega Fraternity held a smoker for the purpose of giving Dr. Austin an opportunity to become better acquainted.

Entertainment was generously offered by Beth Catliff, Helen Jones, and Francis Vega, and our guests, Lenni Wagner, and Bert Garrett. Real Sanstadica accompanied Jim Whelan on a guitar. Refreshments were served, and everyone spent the evening in the North room of the Clinton House.

Positions Open

There are a few positions open on the various staffs of the Ithaca for the next semester. Anyone who is interested in news or feature writing, make-up, photography, or circulation should contact any member of the Editorial Staff, or Mr. Gill, faculty advisor.
