Lockman Leads Scorers As IC Defeats Wilkes 73-62

The varsity basketball team rebounded from two losses to defeat Wilkes College, 73-62, in the inaugural home contest of the season at Ithaca College last Saturday afternoon.

The victory brought the Bombers back to the .600 mark with a 3-2 record. Wilkes has now dropped its third straight game and is still looking for its first win of the season.

Although Harvey Roan and John Moore stole game honors in the individual point-getting department with 20 and 21 points respectively, Ithaca placed ten men in the scoring column with four of them hitting double digits. Jim Lockman led the parade, netting 15 points, followed by John Hewes, Bill Schacht and Tom Voigt with 11, 10 and 10 points respectively.

Never behind, the Bombers jumped to a 16-7 lead. Losses brought on three straight Wilkes tallies, but the homesteaers pushed back to 22-15 and then advanced to fast breaks. Wilkes then reeled off six straight points and narrowed the gap back to three points by halftime, 32-29.

Final shots by Roan put the visitors two points behind, 37-35, part way through the last half.

Summer Schools Offer Study-Travel Abroad

Four British and two Austrian summer schools are offering American students the opportunity to combine 1962 vacation travel abroad with six weeks of liberal arts study next July and August. Applications for study at all six summer schools are now being accepted by the Institute of International Education.

Under the British Universities Summer Schools program, students can apply for study at one of four schools concentrating on a particular subject and period. At St. Andrews, on the west, the subject will be Shakespeare and Elizabethan drama; at the University of London the course will be the study of English literature and the arts of the 18th century England. The theme of the Edinburgh School will be British history, philosophy and literature from 1658 to 1832. Although the courses are designed for graduate students, undergraduates in their junior or senior years at a university will be considered.

THANKFUL FOR CHRISTMAS

Dear Editor-

I have a reason to be thankful for Christmas this year. Recently, I learned that the school's bell is to be installed on South Hill. Perhaps this is to be done to provide the campus with a sound that will echo through the halls and remind us of our school spirit.

Sincerely,
Karen Jane Flores '66

DEBATE ON AHI

To the Editor:

I wish to protest the disappointing decision of the AHI executive board on January 2 to hold a debate on AHI. This decision was made without due consideration of the issues at hand. The debate is scheduled for next week, and I believe it is important that we have more time to discuss the matter before proceeding.

Sincerely,
Delia Kappa

This unbalance has caused the managers to resort to the use of outside directors, who have contributed to the establishment of a new colony.

However, beneath this veneer of success and accomplishment, trouble is brewing for the MacDowell Colony. The philanthropic endowment and the large foundations are today involved in projects of their own initiative. In addition, personal gifts to the colony have diminished in recent years. The colony's financial condition is in serious need of repair, and it is clear that any new gifts or contributions will have to be substantial.

The Ithaca Hotel Barber Shop will provide free service to their customers for two days this week in order to raise funds for the colony.

Pan's Cottage, MacDowell Colony

The idea for the MacDowell Colony was originally envisioned by Edward MacDowell himself. When MacDowell died, the Mendellushum Club of New York had been conducting a campaign to raise funds to care for his имени. The 3,000 sum was then transferred over to his widow, Marian MacDowell, to establish this colony that had been conceived by her husband.

Mrs. MacDowell made a systematic musical tour of the country, giving lectures and recitals of her husband's music to raise more funds for the colony. She convinced philanthropists, women's clubs, foundations, and families to contribute money to the colony. She also accepted a position with the Ithaca College, and her work was recognized by the city of Ithaca, which awarded her the McCall Award for her contributions.

To top things off it also marked victory number two in a row for Clarkson Tech.

The team back several times, couldn't hold him for the pin and was awarded a decided victory. Coach Greene has a team with two or three decision. This was because Bobcay's second loss in two years and projects "Lions" into the running as one of the area's top middleweights.

Gary Robert, 197, followed suit with a 0-0 decision over his opponent. He scored the opening seconds of the third period after holding his opponent to the mat the second.

Chuck Henke, sticky pounder, dropped a 1-0 decision to John Parent in a hard fought contest. Henke, the victim of two period takedowns, defeated Parent last year when Clarkson won 15-0.

With the score standing 16-11, heavyweight Al Chadwick needed a pin for the meet to end in a tie. Although he turned his foe to his back several times, he couldn't hold him for the pin and was awarded a technical decision. The 1st round was continued.

Scoop's Corner
by Bruce Theobold

Last week I thought I would be up in the fall sports, but Little All-American selections, All-Star teams and Awards are still being finished at the Ithaca College football and soccer team members.

Receiving honorable mention on the Little All-American football team, which was announced last week by the Associated Press, were William Ron Segal from Lynhurst, N.J., and John Miller from Kent Orange, N.J.

Segal, a senior end, adds this honor to his selection to the first team of the ECAC All-Star North team, while Miller, a junior offensive guard and defensive line backer, has been elected to captain next year's squad.

On the soccer scene, fullback Zach Zehris, senior from Florida, N.Y., was chosen to the second team of the New York State All-Star soccer squad. Teammates Peter Navaretti, center halfback—Junior, and Harry Nefpliotis, right inside forward, gained honorable mention to the star unit.

Awards were presented at the annual football banquet, that was sponsored by the boosters, at the Ithaca Elks Club, last week Monday.

Charles Brady and Vinny Carbone were each presented the "Paw's" Hotel Trophy for being elected this year's captains.

Other awards included:

Tom Voigt—quarterback—most improved back.
Jim Wilson—junior tackle—most improved back.
Ron Segul—senior end—best blocker.
Larry Gregor—who wasn't giving the best second effort.
Guni Monte—quarterback—recovering the most fumbles.
Bob Mueller—making the most tackles and intercepting the most passes.

Nec Awards (noveloes)—Ron Bouchet and Buss Kirkhart—their backs increased their numbers this season.

It is known that if Clarkson Tech beats Ithaca College in any sport, they consider the year a successful one even if they lose to everyone else! So they must be pretty happy up there in Potsdam. They not only beat 1IG in one sport, but in two!

The first came last Tuesday when Coach "Carp" Wood's basketballers lost to the Golden Knights for the first time since anyone can remember! It was sort of a sweet victory for Clarkson's coach Al Chadwick, as it was his first triumph over his Alma Mater since taking the head basketball coaching position three years ago. Last year his squad almost did the trick but lost out in overtime, 85-84.

The second was on Christmas Eve. "Chaps" went on to a 53-45 victory over Cornell's Big Red. It was Al who led Cornell to its first and only win over an Army band. Last, that moment came on December 11, 1960, when Al established one of the college's records which still stands today.

Scoring a total of 28 points (a record—highest single game total—that was broken by Richard Bliomwold in 1965), he tossed in 22 in 22 vs. the free throw line, the most anyone has ever collected in a single game in history of the school.

Al also still holds the IC mark for the highest season total—43 points, 1964-65—20 games.

The second Clarkson colorful triumph over Ithaca came only days later, last Saturday, when the Golden Knights wrestlers squared off 15-14 verdict over Coach Herb Grosboll's Bombers.

To top things off it also marked victory number two in a row for the Northeastern Bombers.

The college hockey team has an extra treat in store for them as they will be playing on an Olympic ice rink this weekend when they meet Northwood Prep up in Lake Placid.
