DR. FISCHER TEACHES HISTORY

The newest addition to the Ithaca College faculty is Dr. LeRoy Fischer. He is a member of the history department, teaching Civilization history to Freshmen and American history to upper-classmen.

A native of Illinois, he was born in the village of Hoffman and attended both grade and high school there. After completing his high school career, he attended the University of Illinois and Columbia respectively. Dr. Fischer received his B.A., M.A., and Ph.D. degrees from the University of Illinois.

While in college he majored in history with several extra-curricular activities. He played trombone in the University of Illinois band, which served as Illini History Club and was an active member of the student alumni association. While doing graduate work, Dr. Fischer worked as a research and teaching assistant on the university staff.

Dr. Fischer is a veteran of the Army Signal Corps Intelligence Service, being overseas for a period of twenty months in the European Theater of Operations. He re-

PHY. EDS. SIGN CONTRACTS

The first Physical Education student to accept a contract to teach at Ithaca School was F. R. "Lee" Whipple, a Freshman from Plattsburg, N. Y., who will teach in the Freshman English, Speech, or drama classes.

Lee was a transfer to Ithaca College and he will return here to finish his studies. Education will be ready during the current semester.

More Housing Provided For Men Students

Ithaca College is to have two houses to be used as men's dormitories, instead of the previously listed one. Dr. Job announced today. These dorms together will accommodate approximately 120 men. Since the college owns no property large enough for these two dorms, which will be placed together, space will be leased. The location of the land has not been decided upon as yet, but attempts will be made to secure a place fairly near the campus.

A Statement Of Policy

The duties of an editor are many and varied. We write editorials, re-write articles, attend meetings, "scribble on the cuff," compose headlines, etc. It is our job to co-ordinate the members of the staff, to make sure the paper is "dummied-up," and see that distribution is satisfactory.

It is also our duty to plan the far-reaching policies of the "Ithacan." We feel that this is the time and place to state our editorial policy, both to acquaint new students with it and to refresh old students with its policies.

The "Ithacan" is slated to be released every other Friday. Occasionally an unavoidable delay, because of late "smash-headline" stories, causes it to make its appearance a day late, but an effort is made to keep those delays at a minimum. The "Ithacan" feels it is better to print a short notice of an event and produce the issue on time than to wait for details and hold up the paper.

The "Ithacan" is an organ of student opinion as well as an instrument of news. We are happy and willing to print students opinions on any subject. We intend to print a "Letters to the Editor" column. Put your letters in the "M" box addressed to "Ithacan Editor," or in the "Ithacan" box in the main lobby. The full name may be signed, initials used, or the editor will withhold. However, the editors reserve the right to withhold printing obnoxious letters. There is no fixed requirement for a letter to the Editor, providing it does not violate the usual rules of decency and libel. It should be unnecessary to state so obvious a fact, but we have heard comments that indicate that students are unwilling to write letters because they do not feel their contributions would be accepted. Any opinions on problems of national or international interests, school affairs, or comments or dauguestions about the "Ithacan" will be welcomed.

The "Ithacan" is planning an expansion program and we feel one of the first things necessary is a "Letters to the Editor" column. The "Ithacan" welcomes any one interested in working on its staff, as a writing reporter, "fact-finding" reporter, re-write man or what have you. Many students who feel they have no writing ability, report the facts to us and we write them. We welcome any new additions to these branches in any interest. Any one interested is urged to get in touch with the Editor-in-chief or Departmental Editors.

It is only through cooperation of students and faculty that "The Ithacan" can succeed.
Bonaventure Defeats I.C.
Score 42-37

Ithaca made another trip to the Buffalo area Thursday night, and after meeting St. Bonaventure on the other half of the same Canestas twin bill, found themselves on the very short end of a 42-37 score. For once, Ithaca struck first, and struck hard. They grabbed a 6 point lead in something like 7 minutes during the first period, before the St. Bonaventures Ellison sliced down the road to their final score. However, it was Ithaca all the way down the road, and they stood out like the old sore thumb with a 25-19 advantage at the half way marker.

The second half started out with an explosion from St. Bonaventure and when the Ithacans cleared the smoke, the scoreboard read "23-24." The score grew bigger as the third period went on, and despite Ithaca's good ball playing, they were outscored. Ithaca drew close—once to the tune of a 35-34 score—but in the last four minutes, another explosion followed. "Our boys" blew up, and a few more shots made little difference. St. Bonaventure broke away in the last minute, and when they had men running around loose under the basket, that was the last breath. McNamara played another fine game under the boards, and with 6 second to Beaney's 3 points for the evening. Ellison, from St. Bonaventure, was high man with 12.

PHYS ED ATTEND CONVENTION
On February 1, eighty-one Physical Education and Faculty members attended a luncheon in Hotel Syracuse in Syracuse. Dr. John, professor of the college, Dr. Grimshaw, Physical Education professor and director of graduate school, were present. Dr. John addressed the gathering. The faculty attending included Dean Hill, Mr. Vavita, Miss Hugger, Mr. Light, and Mrs. Kerwin.

Bombers Lose To Sampson
Score 63-43

The Bombers lost its 4 game winning streak with a sharp 33 to 19 loss to the Sampson Naval Center five at Sampson.

The sailors scored first, but Ithaca came back fast and led 13 to 2 with only seven minutes of the first quarter played. However, the sailors pushed fast and hard, and just stole the lead and ball from the Bombers. Once they had changed the lead it was "easy day" at Sampson. At halftime the score read 35 for Sampson and 18 for Ithaca.

Sampson again started strong in the latter half and I.C. seemed doomed. The Bombers did, however, come back and creep up on the Tars event to the point of scoring them in the final period. But it was Sampson at the long count when by Sybil DeWitt's timely shot the Bomber team was fast and had a more experienced quintet.

Coach "Ben" Light used 14 men in the game. The highest scores were in the scoring column along with the regulars. In fact, Charlie Gray shared The Bomber's high point honors for the game with McNamara and Smith, first string men. Gauchat, for Sampson, hit the strings with 26 points to rack up the evening high. His teammate, Hoepell, racked up 16.

MEMBERS OF BOWLING CLUB PLAY IN TOURNAMENT

The bowling club has been idle for the past two weeks and will become active Friday, February 15. Their work will be devoted entirely to practice. On Friday at 3 p.m. the students bowling in the Inter-collegiate Telegraphic Tournament will be tuned up and ready to bowl at Bowling Alleys on State Street.

Those who bowled in the past tournament will participate in this one are: Jane Flynn, center, and Miss O'Neill. Eleanor Schultz, Marge Oesting and Bibi Colburn.

Any one who is interested in joining the club and entering the tournament is welcomed. The ten highest scores are entered in the column. Best of luck to our Bomber bowlers, the better chance I.C. has in coming out on top.

O'NEILL TEACHING PHY. EDS.

A tall, friendly young man wearing a brown hat and a camel's hair coat seen on the Phy. Ed. campus was John J. O'Neill. A graduate of Ithaca College, Mr. O'Neill is now assisting the physical education department by teaching nine sections of zoology. He is slated next year to assist in the coaching of football, although he has taken a leave of absence for his four years. Lawrence, Massachusetts is "J.J.'s" home town. While at Ithaca College, he played varsity football for four years. In the interim ("42-45), Mr. O'Neill joined the Marine Corps and became a First Lieutenant in the 4th division.

Gofig is one of O'Neill's favorite hobbies, although any sport is probably a vocation as well as an avocation to him.

RADIO WORKSHOP PRESENTS ORIGINAL PHANTASY

"The Flying Yorkshireman" was the companion piece broadcast with "Cartwheel" on Thursday, February 14, at 7:15 p.m. in the Little Theatre.

"The Flying Yorkshireman" was a highly original radio fantasy which dramatized the startling adventures of Samuel Small, a Yorkshireman played by Stanley Lobenstine, who under a sudden spell of religious fanaticism proved to his wife and dependents to be a heaven-sent man that alone can enable a man to fly through the air. With the motto that "Faith Will Move Mountains" Sam actually took off and proved to the world its first human airplane.

The supporting members of the cast included Arleen Fischer, Dan Bonacchi, Dave Mistovers, Bruce Fishberry, and Skip Armato.

Sound effects were provided by Mary Sampson and Fleurrett Honeystein with Evelyn Coville acting as control engineer.

HERE-A AND THERE-A

By MISTY

I.C.'s game against Scranton at the Beneca St. Gym on the fifteenth was a strong attempt on the part of the Bombers to get back into the win column. The team lost its last two skirmishes after kicking in the win dept. for four straight. If the Bombers succeed in defeating Scranton (not including the unshaded game Tuesday in Elmira), they will have won six and lost four however, if the game shows I.C. on the short end, it will be "five and six.

Following the Scranton game the Bombers will tackle the following schools: Saturday, Ithaca College, Monday, Elmira, Tuesday, and Thursday, Wells College. Many alumni, faculty members, and senior class members attended.

The Ithaca College dinner was held at the hotel, and the poor air and Scranton (at Renovo) which winds up the season.

At the Ph Ed Convention held at the Hotel Syracuse on Feb. 13, many alumni, faculty members, and senior class members attended.

Mr. Freeman, Miss Williams, Mr. Murray, Mr. Light and Mr. Murray performed the faculty contingent.

In the last issue of the ITHACAN, I tried very hard to indicate the satisfactory and positive aspects between the two O'Neills, however I made a "fuss pas" any way and called Dr. John J. O'Neill. In any case, I'd like to mention that he is going to assist in coaching football next year, and as a running back of football (which was only casual) Dean Hill, Mr. Yavita, Mr. Freeman, Miss Hugger, Mr. Light and Mr. Murray performed the faculty contingent.

I'd like to express thanks to WHCU for its fine handling of the subject "media"... the terrific tales and great music. I'd like to mention that the station spent considerable time on their disapproval of the "Anti-Vi-vi-section" Bill. The bill would have done much good. If passed, it would have been a big step in the right direction. In any case, I'd like to mention that the station spent considerable time on their disapproval of the "Anti-Vi-vi-section" Bill. **NOTES AND NOTICES**

February 16—Saturday

Phi Delta Pi will present the “Balloon Ball” to be held in the college gym from 9:30 to 1:30. Music will be furnished by Wink Conwell with vocals by Jackie Toriello. The dance is open to everyone and the price is $1.60 per couple.

March 1

Sigma Alpha Iota will present a “Bobby Soxers” Dance to be held in the college gym from 8 to 12. This is an open dance and music will be furnished by records. A small price for admission will be announced later.

At a recent Student Council meeting held on Tuesday, February 9th, the “clean-up” situation in the main lobby was discussed.

Although the students cooperated well at the beginning of the semester, effort to keep the lobby clean has diminished. Students are urged to post notices and posters on the bulletin board, not the walls. Posters, manuscripts, books, instruments, etc., should be removed from mantle and chairs as soon as possible. All books left in the lobby over night will be removed and placed in a box for that purpose in the instrument room. Not only do the books cause an unsightly appearance in the lobby, but they may well be lost. This from 8 to 12. The cooperation of all students is requested in this matter.

If you are interested in writing or in any other phase of newspaper work, there is an opening for you in the Ithacan staff. Our staff needs more representatives, more ideas, and more material, therefore we urge anyone who is interested in the work to fill one of the vacant positions. Write in confidence and we will let you know how to write, just be dependable and able to report accurate facts.

Old members of Ithaca College, new members of Ithaca College, including the G.I.'s, are all eligible to join the staff. If you prefer to choose your type of writing, the following fields are offered you: news reporting, feature writing, sports reporting, departmental news, or the circulation department.

So remember there is an opening for you on the Ithacan staff. Just write your name, plus the type of work you desire, on a slip of paper and drop it into the Ithacan box located in the lobby of the theater.

In the last issue of the Ithacan (February 1) the calendar of the music department listed, among other events, the last Student recital on March 6 and an orchestra concert on May 1. These should be marked on the school calendar.

The Recital—March 13th and Orchestra Concert—May 12. The rest of the calendar will remain as previously listed.

A Senior class meeting will be held the first Wednesday of every month at 5 p.m. in Room 12.

**WRITERS FOR RADIO SOUGHT**

The following article, from the “News from the Muatual Broad- casting System” is published to introduce our readers with one of the interesting parts of radio writing. Young writers who are seeking a career in broadcasting will find an opportunity to achieve their ambitions when the Mutual Broadcasting System inaugurates a new half-hour dramatic show, “The Carrington Playhouse,” beginning Thursday, March 13th (9:30 EST). Original scripts will be used on this series which will be produced by Elaine Carrington, famed radio writer, author, and playwright.

These awards have been established in clear, straightforward recognition of a need for new creative talent, for new ideas and innovations that will ultimately contribute to a finer calibre of radio entertainment.

Rewards for accepted scripts will be in money and official recognition to the author. Writers whose scripts are accepted will receive $250 plus the nation wide broadcast of their drama on a medium that goes without a word to the far-reaching Mutual listeners.

In addition, all winners will automatically become eligible for the Carrington Award—a diamond ring, $500 and a handsome plaque, which will be awarded for the best script submitted during this 13-week period. Miss Carrington will herself appear on each broadcast to give full name of the author and his school or organization.

The network is soliciting the cooperation of established radio, dramatic and journalism departments of universities and colleges throughout the country in unearthing new writing talent. The radio writing departments and work shops of all higher educational institutions are urged to lend their support and to advise the Carrington Playhouse series, and entry blanks are being made available to all prospective pledges and pledges in various departments.

Scripts that are submitted do not have to be the new word in radio writing. According to information, anyone with a good story to tell and a pledge of technique to tell it... is welcome to submit material for possible use in the Carrington Playhouse. There will be full appreciation by all of a new writers difficulties and these will be taken into consideration in selection.

There are few limitations upon the nature of the script. Comedy... tragedy... love... mystery... comedy... melodrama—all will have a place in the series.

All radio will watch with great interest when the first champion of the daytime radio drama field, steps into this new venture. Miss Carrington is known for her wealth of talent to the production and development of this evening series. She is completely in sympathy with the outstanding with an enduring, popular appeal on a quality level consistently high. For sincerity and actuality, the writers will find full expression on “The Carrington Playhouse.”

**LOST**

By Nele LaPe

You sent a rose one evening
You kissed me, whispered words of love,
You were so very tender and so sweet—
I'm sure I must have cried.
But did you know?

**SYMPHONY**

Louder, louder—
Listen to the thunder,
To the rolling, to the beating
Of the drum.
Then—
A hush of suspense's made,
And all is still again.

**THE SPLENDOR OF WINTER'S CALLING**

By David Mistskovsky

Roofs filled with a tinge of white,
Men with derby filled with fright;
Laughter rings in everyone's ears,
Choirs singing with Christmas cheers.

Floors decked with carpets of slush,
Northwoodsmen to their dogs shouting "mush!"
Churches outlet of black against blue,
White falling—and winter is on you!

Cesar and Samson, Deliah and Cleo,
Pasteur and Stearns, Whitman and Poe:
A million and more years of progress,
And the snow has embellished the Passing Parade!

What does this weather of white mean to me?
The house on the ground, the tree,
It brings a feeling of joy and happiness,
And makes dull spirits into a beautiful cleanliness.

With another thought to the beauty of snow
I will look at the valleys far below;
They know the meaning of snow's tone.

For to them—and to me—a voice is calling—
A voice in the valley which echoes in my ears
And which continues in all my passing years;
Calling me with its shrill white tone.

"Behold," it says, "this is for you alone!"

**KAPPA GAMMA**

Besides the three new men who were inducted a few weeks ago and the return of those other Kappa Gamma members who were in the Armed Forces, we extend wishes to two other returnees, Gene Reichenhan and Andy Vorke.

Bids have been sent out to prospective pledges and pledging will begin shortly.

**ORGANIZATION NOTES**

**PHI MU ALPHEA**

The reorganized Stalontons augmented by such men as Hank "Big Tone" Carr and "Gar" Myers are on the up grade again. It is rumored that it was heard in a not too distant assembly. At times the men on the hill may seem a little too gay but please understand, every evening hour they are bounded by a flend known as "Whip" Reimersma.

This Friday evening the members will enjoy a couple of informal gatherings on Sunday afternoons this semester. Together with dates they enjoyed dancing at the house one week end, a supper and theater party the next week.

**PHI DELTA FI**

On Sunday, February 10th, an afternoon tea from 3:00 to 4:30 was held at the home of Mrs. Murphy for physical education girls. Some of the guests who attended were Mr. and Mrs. Mill, Dr. Grisham, Mr. and Mrs. Murphy, Mr. and Mrs. Allen and Joe Reina. Mrs. Job and Mrs. Allen served the tea.

The Balloon Ball is the next affair on the list. Wink Conwell and his Six Blinks are the main attraction, featuring Jackie Toriello on the vocals.

**SIGMA ALPHA IOTA**

A formal rush party was held for the Freshman music girls on Monday evening, Feb. 11. After the entertainment, refreshments were served in the dining room.

One of the recent graduates of SA, Miss Irene Franks, was married Saturday, Feb. 5th to Lt. (j.g.) Edward Bowman, who was formerly in the Navy. Mr. Bowman is Deft of Cornell. Lucy Makris represented the girls of the house at the ceremony in Kingston, Pa.

**THETA ALPHA PHI**

A Sunday night suppper was held last Saturday at the home of Mrs. Sally Ochab, our advisor, in honor of our graduating members. We will miss both Peggy Lobbin and Andy Vorke.

At a meeting held Tuesday, Feb. 5, Bernice Cohen took over the president's chair left by Peggy Lobbin and Wayne Retaliff, a step up for the program. Members Mike Clayman and Wayne Retaliff were elected to the position of vice president.

We are happy to welcome back to the fraternity the following members Mike Clayman and Wayne Retaliff.

T.A.P. is planning presentation of a Gay Nineties Night at the Masonic Temple sometime in February. Plan to come to the dance and be entertained by the members, plus a special added attraction—singing by our own quartette, the faculty four.

**THE ITHACAN**
