Alumni Report

At the time the college applied for membership in the Middle States Association a report was made stating "the activities of the Alumni Office.

Today this report was referred to as a guide for this article. Frankly we have been so energetically working to carry on the work as outlined that this is the first time we have reviewed the plans and attempted to measure accomplishments.

So we are pleased to report some progress in every phase of the work and almost spectacular improvement in some respects. Thus, we report to you under-graduates, that we are "blazing the trail" for you to use. Just as the Oregon trail opened up a great area of our country, so the reports of your school will give more alumni the opportunity to attend the Ithaca Reunion. A home baseball game with Hamilton is a featured high-light of the weekend.

All members of the Senior class are to be our guests at the reception. This is mailed to 4,500 alumni. A fall reunion was added to the program this year and was a success. A bar conducted at this time of alumni contributed articles to the alumni association.

It's his telephone number. But it's not his telephone. And it's not his name. It's just a call to his buzzer. It's his buzzer. If it rings, he'll answer it. Prominent I. C. Matmen

Dave Whitlock

Dave Whitlock, a sophomore Physical Education major from Black River, N.Y., has been Ithaca’s surprise wrestler this season. Dave never wrestled at Black River, N.Y. He did play football, basketball, and baseball at Black River, but he never considered wrestling. When Dave came to Ithaca, he was at first interested in basketball and was practicing with the freshmen team, but when he was introduced to wrestling, he decided to make wrestling his sport. Dave had two matches in his freshman year and lost both matches. This year Dave has a 5-1 record, and he appears to be improving each week. Dave has to go through a good deal of training from his friends since his phenomenal success as a wrestler, but Dave takes the joking in stride and remains his pleasant and easy-going self, when he’s not on the mats.

Sam Zuccarelli

Sam Zuccarelli, a freshman 137 pound varsity wrestler for I.C., bounced from Brook Round, N.Y. Sam is majoring in history at I.C., but says that he is also interested in journalism as a major. At Board Brook High, Sam wrestled varsity two years, played football, and was a member of the track team. In his senior year, Sam was co-capt. of the wrestling team, and had a 6-2 record. Although Sam weighs only 137 now, he used to be a husky 190 pounder when he put the shot for his high school’s track team. Sam wrote for his high school’s newspaper, and he also wrote some articles for his home town newspaper. Despite columns were his specialty. He was in many dramatic performances, and he was chosen as his high school’s “Actor of the Year” in his senior year.

SPORT SHORTS

by Dave Feldman

As the long cage season draws to a close, the battle to attract the top collegiate aggregations begins. At the present time 7 teams have accepted bids to play in the N.I.T. held annually at Madison Square Garden, traditional mecca of dribblers. The usual confusion among the doings in selecting teams for the N.C.A.A. tournament which depends upon conference champions scattered throughout the country. Most races will not be decided until the last games have been played, but unabated, defending champ, San Francisco will be the team to beat. The N.I.T. meanwhile is watching very closely the next several days, the doings of such hopefuls as Holy Cross, Niagara, St. Josephs, St. Mame, Hofstra, Byness and Temple to mention the most likely candidates.

With the close of the current campaign, the usual rush for All-American listings will be heard. Most of the nominations are sure to include Russell of San Francisco, Heinsohn of Holy Cross, Freeman of Ohio State, Green of Duquesne, Hundley of West Virginia, Floyd of Pavan, Shurrilt of N. C. State, Uhl of Dayton, Rosenholm of North Carolina, Holoy of George Washington, Durre of Kentucky and Bute of Utah.

Meanwhile, in the N. B. A., Ft. Wayne appears to have their second Western Division title sewn up as they lead by 5 games. The other teams are very much in the battle for playoff berths as only a half game separates all 5. In the Eastern Division Philadelphia, which has led from the start, also has a comfortable 5 game edge. Last year’s champs, the St. Louis, are out of it, and the St. Louis, are out of it, and the small 3rd place New York by 2 games with time running out. The Rochester Royals were dealt a cruel blow when one of their outstanding rookies, Ed Fleming, was drafted into the army.

All hopes for an eighth consecutive N. H. L. championship by the Detroit Red Wings appears to lose as list the Montreal Canadians maintained their wide first place margin. In fact, the Motor City Sextet will have quite a fight to beat out the surprising New York Rangers for runnerup honors. The 6th Avenue pucksters have been pocking the Garden with their excellent play over the past winter, an event which has become quite rare in past seasons. This proves that Joe Martin will still try to see good sports attractions.
Frosh Boost Third Straight Victory

The I.C. Frosh Bombers now have a strong, experienced team. After putting on a slow start in the opening games of the season, the team has developed a fine sense of teamwork that has been responsible for their current success. The starting five: Chuck Bailey, Bob Graham, Don Hurley, John Stoner, and Russ Mann have been playing outstanding ball for the club.

The Frosh Bombers traveled to Utica last weekend. Tomorrow night the Syracuse A.F. U. Team will be at Boynton Gym to play the Frosh Five. The Frosh Bombers will play Utica next Wednesday, Feb. 29, at Boynton Gym. Their season will end the next day at Syracuse University.
