WE PROUDLY PRESENT.....
YUGAN
TO THE CLASS OF 1959

I salute the Class of 1959, the sixty-second graduating class at Ithaca College. Your four years as undergraduates came at a time when your college was growing. This has been true not only in numbers of students and faculty and plant size but, also, in its stature. In this, you have played no minor part.

Only a few of your many achievements can be mentioned in this limited space. As this is written, months before publication of your yearbook, the writer has just returned from a visit with its editors. This is a Christmas vacation for most but not for them. Their efforts during this college recess are dedicated to the publishing of the best yearbook in the history of the College. The extent to which this spirit has borne fruition, you can now judge.

Class spirit and school spirit embodied in an aspiration for excellence has been exemplified in the Class of 1959. I express the plaudits of many when I bow to your achievements in music, the theatre, radio and television, in athletics and in the less spectacular arenas of the classroom and laboratory.

The spotlight has remained on many student activities whose continuing excellence has come to be taken for granted. Others deserve particular commendation as having reached the pinnacle of their achievement during your senior year; the choir, varsity football team, and the television production, “Case Number 9, The United States vs. General Ohlendorf.” The spring semester will extend the list.

You have seen many changes at the College since you enrolled as freshmen. A new television studio, new athletic fields, a cafeteria, and a new campus in the making, with its men’s dormitories and new science laboratories. More significant but, perhaps, less apparent to you has been the change in attitudes, actions, and appearance of the Ithaca College student. Popular demand dictated a weekly newspaper. New fraternities were organized and others re-vitalized. A new Woman’s Student Government was formed. The scuffed saddle shoe and soiled blue jeans lost their popularity.

You members of the Class of 1959 have reason to be proud of the part you have played in helping to build a greater college. But this pride must be tempered by humility in recognizing that the lasting values which you have shared are based on a tradition of over half a century; that theory is sterileunless translated into effective performance; that man’s happiness depends on the constant striving for fulfillment of his unreleased powers; that human understanding is the substitute for tolerance. In such a community of students and scholars as Ithaca College, these lessons are taught and lived.

Dr. Howard I. Dillingham

President, Ithaca College

ZURFLUH, ALLEN B., INTERLaken, New York, B.S., Accounting.
Leonard Brown, Vice-President; Michael Verno, President; Sharon Bryce, Secretary-Treasurer.

GREEKS
In closing out its second full year of activity on the Ithaca College Campus, the Delta Lambda Chapter of Delta Sigma Pi has truly come of age.

The first semester saw Delta Sig accept responsibility for the College United Fund Campaign. Under the direction of Vice President’s John Thrudeau and Dick Tuskey, the brothers brought home a record 120% of the quota, tops in the city. A plaque, in recognition of this effort, now hangs in the College library, along with the Delta Sigma Pi Scholarship Key Scroll. Shortly after the UF Campaigning, the brothers volunteered to build a float for the Tompkins County Heart Fund Chapter to appear in the Christmas parade. Efficiency Chairman Tony Moreira assumed charge of the float project, as the chapter responded to its duty of furthering the civic welfare of the community.

Playing no small part on the Delta Sig calendar of events was the chapter’s professional program. Chairman Bob Regala and Committee presented the fraternity with a number of movies, speakers, and businesses tours, chief among which were the National Cash Register and Corning Glass Works visits.

Another headliner was Delta Sig’s social event of the season—The “Rose of Delta Sig” Ball. This event is a new addition to the Ithaca College social calendar. Along with dancing to the band of Dick Ford, the Rose of Delta Sig Ball also presented a floor show featuring the Bower School of Dance. The highlight of the evening was the crowning of the Rose. The candidates for this contest were Irene Maltar, Bonnie Jo-Marquis, Carol Starkman and Mimi Teleisha.

Not all was business with the Fraternity in the college year 1958-59. In addition to the usual smokers, rush parties and cocktail parties, Delta Sig showed its new initiates two very impressive initiation banquets at the plush Statler Club.

Delta Lambda Chapter of Delta Sigma Pi’s lores indeed prospered this year from its professional, social and civic activities.
Epsilon Chapter of Delta Kappa National Fraternity Inc. has been a permanent fixture on the Ithaca College Campus since its organization in 1932. It is an organization established to promote leadership through brotherhood among men and is ever stressing the importance of scholastic well being in the college life of a young man.

Delta Kappa is the only completely multi-departmental fraternal organization of the College to fill in the Ranks of D. K.

Delta Kappa strives to be of a service to the student body and the administration by compiling, editing, and printing the annual student directory. Remembering this service and the many other ways D. K. helps the College, everyone becomes familiar with the boys in the “maroon jackets.”

A local sorority, Delta Phi Zeta was founded in 1928, to promote friendship and socialibility among the students of Ithaca College with continued improvement of the individual and organization in mind.

Since the sorority's founding, the girls of 510 E. Seneca Street have founded a tradition of sisterhood among girls from all departments.

Girls with pink carnations, rush parties, pledge weekend, holiday parties, rushing to rehearsals, concerts, games, meetings, parties—"Delta Phi Zeta" girls.
A local sorority, Delta Phi Zeta was founded in 1928, to promote friendship and social- bility among the students of Ithaca College with continued improvement of the individual and organization in mind.

Since the sorority’s founding, the girls of 510 E. Seneca Street have founded a tradition of sisterhood among girls from all departments.

Girls with pink carnations, rush parties, pledge weekend, holiday parties, rushing to rehearsals, concerts, games, meetings, parties — “Delta Phi Zeta” girls.
Phi Delta Pi's are girls with a purpose on their way towards both individual and professional goals. As a group the girls are continually working to further both their organizations' ideals and their own immediate objectives. This year's highlights consist of sweatshirt sales, the ever important and enjoyable rush parties, two tea's in honor of our patronesses, our annual raffle and our weekend formally welcoming new members. These projects, which involve your support for success, are supplemented by an annual professional project, the sending of a representative to our National Bi-annual convention, and the receiving of literature from our national office. These other activities are useful in broadening our outlook on our profession now and in actual application later.

Phi Delta Pi

Pi Theta Phi

"Pi Theta Phi," Professional Physiotherapy Fraternity Inc., Alpha Chapter was founded on December 3, 1946 in order to form a more perfect bond of Fellowship, to advance the well being of the fraternity and to perpetuate its traditions... mainly the elevation of the standards of the Physiotherapy profession and the advancement of the Science of Physiotherapy." Membership of the fraternity is composed of both men and women.

Each Fall Pi Theta Phi fraternity sponsors the Physio Picnic to welcome the freshmen physios. This year, Pi Theta Phi sponsored a Winter Carnival at which they participated as a group in winter sports, had a banquet and a dance. This may materialize into an annual event. The residents of the Reconstruction Home enjoy a Valentine party every February through the efforts of Pi Theta Phi. Another of Pi Theta's efforts this year produced the Hymarg Series of Books to the Ithaca College Students. These books include outlines of many of the subjects which the college offers.

Pledging periods of the Fraternity are run on a professional basis. During these periods the pledges help at the Cerebral Palsy Clinic and Reconstruction Home. Formal induction with the presentation of membership certificates takes place in Spring at the Institute Banquet. The Institute Weekend is Pi Theta Phi's largest affair of the year. Saturday of the Weekend, the Institute brings to Ithaca College the latest developments in the field of Physiotherapy. This is done by inviting some of the leading specialists of physiotherapy to demonstrate procedures, techniques, and modalities. The Saturday evening banquet and the Sunday afternoon picnic top off the Pi Theta Phi's Weekend.
Theta Alpha Phi is a national honorary dramatics fraternity dedicated to the betterment of theater in colleges and universities. At Ithaca College, TAP sponsors the annual After Scampers Party, the One-Act Play-writing Contest, and Salute to Seniors, a yearly variety show honoring the graduates of the school.

This year Theta Alpha Phi has voted to issue awards to those people making outstanding contributions to drama. The versatility of TAP members in each of the arts connected with the theater is indicative of the type of contributions to drama displayed at Ithaca College. Also being planned is a scholarship fund to be set up for a worthy Junior or Senior in Drama displayed at Ithaca College. In such ways, TAP endeavors to maintain the high standards of dramatic achievement at Ithaca College.

Phi Epsilon Kappa

The year 1958-59 once more saw Phi Epsilon Kappa as one of the leaders in fraternal circles. The brothers, totaling some 65 in number, form the nucleus of Ithaca College's Department of P.E. and its athletic representatives. Long active in school affairs, the Fraternity sponsors such events as: "The Annual Sweetheart's Ball," the social event of their school season; "Sports Circus," which sees the Physical Education Department on parade before the student body; "Intra-Mural Basketball League," which provides an opportunity for all students to participate. "The Most Valuable Player Awards" in the major sports are also presented to the respective leaders of these sports by the Brotherhood. A new event was added to the list of activities this past year—I.C.'s first "Mixed Bowling League," open to all the student body and faculty.

Besides its sponsorship of many projects and events, the fraternity also did its part in giving whole-heartedly of its time and efforts toward worthwhile Community and College projects.

The Brothers and officers of Phi Epsilon Kappa thank all of the student body for their support and attendance at all of the Fraternity-sponsored functions.
Rho Tau Sigma is a national, honorary radio and television fraternity. Zeta Chapter was installed in Ithaca College on April 13, 1957. The initial membership totaled six, and has been expanded to the present number of twenty-four.

Activities of Rho Tau Sigma for the year 1958-1959 include an annual Christmas party, sponsorship of the annual open house and guided tours of the radio and television studios, two formal initiation banquets, a picnic on spring weekend, and sponsorship of "The Marathon" (sixty consecutive hours of broadcasting) broadcast on spring weekend.

Membership in Rho Tau Sigma is limited to upper classmen who have shown outstanding ability in the field of radio and television.
Sigma Alpha Iota is a national professional fraternity for women in the field of music. Epsilon Chapter at Ithaca College was established in 1909 and was founded fifth of 105 existing college chapters in the United States. SAI requires of its prospective initiates four prerequisites: musicianship, scholarship, character, and leadership. The primary purpose of the group is to further the development of music in America; and to uphold the highest ideals of the music profession. In accomplishing this purpose Sigma Alpha Iota sponsors the American Music Awards designed to aid American composers of outstanding ability.

Included in its honorary members list are such celebrated musicians as Nadia Boulanger, Dame Myra Hess, Lily Ponds, and Rise Stevens.

Epsilon Chapter presents each year one formal spring musical in the college theatre which features a variety of music for the enjoyment of the public. At weekly SAI meetings, informal reading sessions performances and group singing are held for its members. Several lectures given by professors of the Ithaca College faculty are also on the year's calendar and are open to all students interested in music.

Sigma Alpha Iota’s social functions include two annual dances held at the chapter house—the Holly Hop and The Spring Dance. The functions of the fraternity are supported by a group called the patroness-alumnae organization which is closely related to the fraternity in all its workings.

Epsilon Chapter is a well-knit organization—its girls living and working together centering their interests about the appreciation of an education in music. The 1959 Sigma Alpha Iota slate of officers reads as follows: President, Janet Consalvi; Vice-President, Joan Sensmeyer; Recording Secretary, Virginia Lesche; Corresponding Secretary, Marylou McCullough; Treasurer, Virginia Kimmons; Assistant Treasurer, Sue Albright; Chaplain, Betty Johnson; Editor, Persis Parshall; Sergeant-at-arms, Carol Krain.
Delta Chapter of Phi Mu Alpha Sinfonia is the fourth chapter of the largest national professional fraternity of the world. This chapter was founded at the Ithaca Conservatory of Music in 1901. Its aims are: to foster the mutual welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members and to encourage loyalty to the Alma Mater. Each year Phi Mu Alpha gives a fraternity concert consisting entirely of American Music.

Phi Mu Alpha men are found in every major music organization here in the college, and they have their own chorus, percussion ensemble brass group and a fifteen piece dance band. It is traditional for Phi Mu's marching band to lead the school's Spring Weekend parade. Their musical excellence is symbolic of the type of professionalism which the fraternity fosters.
Kappa Gamma Psi, national professional music fraternity, was founded at Boston, Massachusetts in 1913. The conception of this organization was the result of a desire for a fellowship including both the student and the faculty which would be able to stimulate the study of music and music accomplishment beyond that obtainable within the school as well as being able to fulfill social needs.

In its many chapters in colleges throughout the country, these aims have been realized by the men of Kappa Gamma Psi as they are at Iota Chapter of Ithaca College. Among the members of Iota Chapter are such men as Frank Batisti, Director of Music at Ithaca High; George King Driscoll, Professor of Music at Ithaca College; Gerald Zampino, now with the West Point Band; and Nicholas Brignola, now recording for Ace Records. Members of the National Fraternity include Pablo Casals, George Eastman, Fritz Kreisler, Ignace Paderewski and James Burke who lectured in trumpet for the past year.

Kappa Gamma Psi

Atom bombs? Vacations on the moon? Want to know the capacity of a D.K. mug, or the quickest route back to the dorms before curfew? Just ask any of the members of Rho Mu Theta who intend to take Mathematics out of the classroom into collegiate life. They plan to get away from the more serious side of their subject from time to time and to show that mathematicians can enjoy the pleasures indulged in by less lofty intellects.

Formally launched on March 5, 1959, Rho Mu Theta is the newest organization on campus. You'll have to gaze into a crystal ball to discover its activities but they will be worth watching. Keep your eye on Rho Mu Theta.

C. Gordon, Art Editor; R. Stephens, Art Staff; Not Present: R. Waring, Co Ordinator.
A night of recreation and relaxation calls every Women's Athletic Association member once a week. Sportsday and Intramurals are the highlights of the year.

This year WAA has introduced a workshop in Fencing. What will it be next year? This is up to all of you—Our motto is “We aim to please.”

Throughout the year WAA has offered such sports as Volleyball, Basketball, Bowling, Ping Pong, Badminton and Softball.

This one night a week and the special events provide an enjoyable time for all. “See you at WAA”—is the cry of our members!
One of Ithaca College’s busiest organizations is the Varsity Club. This group of I. C.’s Varsity lettermen starts its activities early in the year with the Frosh Dance at the beginning of the semester. Its members serve as hosts to the various visiting athletic teams when they arrive in Ithaca, fostering better inter-collegiate relationships. Running concessions at the Spring and Fall athletic events help to fatten the purse for the annual lettermen and award winners banquet in the spring: the highlight of the organization’s year.

In all the activities of the club, the purpose for organization is expressed: to help all varsity men in unison and to assist in arousing school spirit.
Newman Club

Newman club is a Catholic organization with regular membership open to all Catholic students and honorary membership to non-catholics of all denominations.

The club’s program is divided into three phases: spiritual, educational and social.

Regular meetings are held each second Tuesday of the month. This year Father Zimmer, the club’s Chaplain, covered a series of talks on Love and Marriage as part of the organization’s educational program. Spiritually the Newmanites attend Mass together on the second Sunday of each month and follow with a Communion Breakfast.

Socially, the club sponsors social events which vary from skating parties to picnics.

This year there were several additions to the club. Newman Lodge, a fraternity home for the men of the club was opened. The club’s monthly paper, the “Voice,” under the editorialship of Joe Malone, took on new dimensions. Dick Lyon, newly appointed head football coach to the college, became their new faculty adviser. Membership hit a record high with 250 members.

Hillel

Hillel organization at Ithaca College is a branch of the larger B’nai B’rith Hillel organizations. This Judaic group, found on most college campuses throughout the U.S., often team up with their religious counterparts from nearby colleges for debates, dances, brunches and lectures.

The Jewish community on campus and others interested are provided with further knowledge and appreciation of the religious, cultural and social aspects of Judaism.

The ’59 administration has placed special emphasis to engender common interests for Jewish students of diverse backgrounds.
M.E.N.C. student membership is a membership classification of the Music Educators National Conference which provides for student participation at the college level, in the activities of the organization. It affords students opportunity for professional orientation and development while still in school. Besides regular meetings, the Ithaca Chapter sponsors demonstrations, discussions, and performing groups. Through these, it is hoped that the student will be aided in developing a practical, realistic concept as to the function of the music education profession.

Row One: Sam Bruce, President; Fred Bock, Vice President; Joan Sensmeyer, Secretary-Treasurer; Clifford Spohr, Sophomore Representative. Row Two: Mr. H. Weaver, Mrs. C. Slocum, Glen Brown, Mrs. H. Wickstrom.

MENC
One of the newest organizations on campus is the Economics Club of Ithaca College, which was formed in February, 1959. The organization was directed by the co-chairmen Russell H. Buchanan and Fred E. Crisp, Jr., with the able assistance of Dr. Alfred Kraessel. Representatives from various major fields of business will serve as speakers at club meetings.

The purposes of this organization are: to encourage, advance and improve the understanding of economics; to encourage participation in economic discussion among the members; to improve individual proficiency in the study of economics, and to do everything within its power as a club to promote and better the economic program of Ithaca College.
Women's Student Government

Women Student Government Coeds are real VIP's on campus . . . they stand ready in regular meeting schedules to aid the house committees in interpreting the many regulations they set up for I.C. coeds. A full schedule of social activities and services to the College continues throughout their busy year, which incidentally, begins in July when the "Big Sisters" correspond with the incoming freshmen. These activities include the Big Sister Tea, Frosh Frolics and a tea honoring the Seniors. Each year they hold fund raising projects for the support of the war orphan, Kim.

W.S.G. members are elected annually in the spring by popular vote . . . their hardest job is trying to remain that way throughout their term of office!
Oracle is an honor society of Ithaca College reserved for upperclassmen. Members are elected each spring and fall on the basis of five attributes of human excellence which they have exhibited prior to that time. The five qualities are scholarship, leadership, loyalty, service, and character. A large formal initiation of members and combination initiation-Scampers banquet is held each spring.

Oracle was founded at Ithaca College in 1929. Mrs. Jennie Tallcott was faculty advisor for the next twenty-three years until her retirement. At that time Mrs. Helen Hood took over as faculty advisor, and serves in that capacity at the present time.

The primary activity of Oracle is the production of Scampers each year to finance a revolving student loan fund. The money in this fund is used to help many worthy seniors and some juniors to finance their last years in college.

Adelphi

Adelphi is a Freshman scholastic honor society, founded in 1932 by Ida Powell, then Dean of Women.

Election into this Freshman scholastic honor society comes after maintaining a 2.0 index for a year at Ithaca College. As a reward for maintaining such an average, one is invited to a formal initiation banquet and has the privilege of wearing the Adelphi Silver Key. The encouragement to achieve a high scholastic attainment and to give recognition to freshman and transfers who do so is the purpose of Adelphi.

Each year Adelphi provides ushers and ticket takers for the annual student show, Scampers. Many of the Adelphi members later become members of the senior honor society, Oracle.

THE ITHACAN
Published weekly by and for the students of Ithaca College

Editor-in-chief: Tony Buttino
Managing Editor: Joe Gillan
Business Manager: Harrison Davis
Copy Editors: Sandy Collins, Joyce Carzan
News Editor: Dave Scheuer
Feature Editor: Joyce Chumbley
Sports Editor: Greg Aversa
Editorial Editor: Art Cohen
Make-up Editor: Dan Healy
Photography Editor: Ruben Marshall
Advertising Manager: John Geron
Circulation Director: Phil Farney

Reporters and Feature Writers: Jared Brown, Al Bowby, Ken Murray, Bernie Ruttenberg, Walt Legreaver, Dick fielding, Dan Valle, Jan Consalvi, Bill Diets, Dom Pacio, Bert Helfner.
Copy Staff: Bill Holbrook, Don Rich, Mary Ann Teleska, Dan Drew.

The big three think—Harrison Davis, Joe Gillan, Tony Buttino.

The editors plan—Dan Healy, Art Cohen, Dave Scheuer, Lyn Civitello, Greg Aversa.

The writers write—Dom Pacio, Dan Drew, Arnie Rief, Bert Helfner, Irene Malter, Sandy Giannatasio.

Late writers also write—Jan Consalvi and Ken Murray.
WEEKLY IN 1958-59

Editor-in-Chief of the ITHACAN, Tony Buttino has announced officially the Newspaper's plans to be circulated weekly for the 1958-59 school year.

A meeting of President Dillingham, Dean Clarke, Tony Buttino, and Harry Davis, Business manager of the ITHACAN, at the end of the last school year, gave the ITHACAN the incentive to go ahead if the editors and staff were deemed capable.

Although plans have been talked about in previous years, this year will mark the first time in the history of the College that a weekly newspaper will become a reality.

... and that's how the editors and staff began on a new experiment and venture... four page weekly... convention in Chicago... new ideas on layout and the newspaper formulated... experiments... headaches... Beagle, (Berzhum) finds a home and many friends... offices redecorated, (Spring Recess)... new semester... new headaches... new advisor... results: successful year... Banquet, awards... new editor... headache... Good Luck...

Rewriters rewrite—Jared Brown, Jack Cantwell, Bill Holbrook.

Circulators start circulating—John Casciani, Bill Brunner, Phil Farney.

Typists and proofreaders go to work—Mary Ann Teleisha, Bill Diehl, Sandy Collins.

Not bad—Editor Buttino checks finished product.
A lot of interest and enthusiasm was in the air for an organization of this kind, this year saw an Ithaca College Ski Club come into its own. Thirty-two members were rounded up from all departments for Saturday jaunts to Cortland's Greek Peak. Hopes were raised for a weekend in real ski country—but alas they were futile. Funds were needed! So a moonlight skating party, "The Secret Blade Blast," was planned along with a dance in the future. Off season activities are to include outings of various kinds: hiking, boating, swimming, etc. It's been a great season: lots of laughs, much excitement! ... Are you a member?

Government Club

The Government Club was organized in January, 1956. The main purpose of the Government Club is to provide a forum for students to discuss important issues, to stimulate an interest in governmental affairs and politics and promote harmony and friendship between persons of varying political opinion. Although the Club does not endorse candidates or political parties as a group, various members work for their favorite candidates or parties. This year's meetings have been highlighted by a series of lectures on various aspects of government and current events.

Ski Club

P. Latte, J. Bowles, S. McKenna.
The Ithaca College Student Council is composed of four representatives from each class, elected from the departments of Physical Education-Physiotherapy, Music, Speech, Drama-Radio Television, Business and Liberal Arts. It is the aim of the council to serve the student body by acting as a liaison between the students, the faculty and administration. The Council co-ordinates Frosh Elections and approves the organizations on campus and their constitutions.

In more informative and social natures, the Student Council provides the freshman with beanies and orientation talks. It sponsors the Football Vic Dance, Fall Week-end, and Moving-up Day. These established events help round out college life at I.C.
“STAND BY” — You’re “ON THE AIR” — with these few words and the flick of a switch or two, Ithaca College Broadcasting springs to life. Radios sing, picture tubes light up, and 112 “communicators” snap to the execution of their duties with professional skill.

Through the tireless efforts of the Ithaca College Board of Trustees, the understanding and help of the Ithaca College Administration, and the guidance of the Radio and Television faculty, the fruits of toil can now be shown. The seed was planted in 1945 when the Radio-Television Department became incorporated as a school in Ithaca College. From this beginning, step-by-step, with seemingly unbelievable speed, the school has grown in leaps and bounds to its present height, surpassing most others in educational broadcasting.

To a child, toys are a wonderful addition to his imaginative, make-believe
world, but as the novelty passes the toy is laid aside. In our case, however, the novelty of the youngster's toy has given way to the reality of purpose for which it was intended. From novelty to reality—from toy to tool. The purpose of this tool is to prepare us so that the 50 million American homes may continue to receive the spokesmen as a member of their family.

As professional men and women of the industry, we must realize that, like all educational institutions in the world, the business for which we are training is, in essence, a continuation of our present position. Now we are being taught, but later we will be the teachers. Both the radio-television industry and the educational institutions are concerned with communication—the conveying of information and the stimulation of ideas. Both are apt to be the first, and often the only, means of exposure that many people have to the world in which we live. This is a great challenge and responsibility.

The new broadcasting facilities of Ithaca College Television and WICB AM—FM are no longer new toys. They begin to take on a new role—a purposeful role. These facilities now become tools for future craftsmen who are not only interested in presenting the millions with the world as it outwardly appears, but most important, as it is inwardly significant, much the same way as the instructors and professors in the schools.

The professor's tools are the textbook, chalk, blackboard and lectern—our tools are the television camera, the microphone, the script, and finally the television and radio receivers. So— "Stand By" . . . ready . . . "SWITCH" . . . Announce: "This is WICB AM—FM, the radio voice of Ithaca College in Ithaca, New York."
The Inter-Fraternity council serves as a governing body for the 12 fraternal organizations of Ithaca College. The IFC determines how long pledging is to last, and where and how bids are to be given out. As an incentive for scholastic achievement among the member organizations, the IFC presents a cup each year at the college moving up day to the Fraternity or Sorority with the highest index. As an outside project the IFC handles the Ithaca College Blood Bank each spring. A first with the IFC this year was a welcome letter sent to Freshmen to inform them about Fraternity life in I.C.

In informal meeting, the members of the literary club get a chance to understand and express the deepest meaning of the literary works they choose for discussion. Through casual conversations, comfortably sitting in chairs or more comfortably on the floor, they look for an inspiration to come. Exchanges of ideas and opinions are brought about during these informal discussions.
Along about February of the year, the students of I.C. look forward to seeing the annual production, Scampers. This is the production that is organized and directed entirely by students. Scampers is open to anyone, in any department who has an idea or a talent to test in any facet of theatre from writing to designing. This year’s book show was a musical comedy entitled “The Social Event of the Season” written by Jared Brown and Charles Moss, music by Larry Holdridge. The idea back of Scampers is to aid Oracle in building a loan fund for students who are unable to complete their education. Through conscientious student effort plus plain hard work, this year’s production proved to be a tremendous success.

CORRECTION: 34-6!!
The 1958 Bombers enjoyed the most rewarding season in Ithaca College history, with the only blemish being the 6-16 loss to archrival Cortland. Highlight of the season proved to be the College’s ranking as top defensive team in the nation in statistics on total defense (100.0 yds. per game) and rushing defense (48.4 yds. per game).

Captain John Fasolino’s leadership was a major factor in the success story as is attested by the squad’s electing him to the same role again for the ’59 season. Speed and second effort seemed to be the keynote throughout the season as two teams rotated through each game. Loss of co-captain Brian Wade at the first practice session and later loss of Captain Fasolino in the Cortland game were damaging blows.

Ithaca College was honored when Mike Angelo and Dick Carmean were mentioned on the Little All American. Carmean, who scored in every game and averaged 9.2 yards per carry, won the Most Valuable Player award. Don Pacio was named Most Improved Back while Guido Maiola and Jim Rafferty shared the Most Improved Lineman award. Seven men were honored by mention on the ECAC Team of the Year: Perry Noun, Dick Carmean, Bob Ryan, John Fasolino, Guido Maiola, Mike Ornato and Mike Angelo.

While many individuals gained recognition, the success of the season lay in the unselfish team attitude and efforts of the entire squad.

Due credit should also be given to Richard Lyons, and his staff: Merle Green and Edward Pesarise. The new coaching staff, the new field and the new life instilled in the team contributed to their successful season.

Under the able direction of Coach Herb Broadwell and his coaching staff, the frosh grid squad rolled up a record of four wins and one loss. In their first game, the Bomber Yearlings went down in defeat against Morrisville. They then surged back to smother their next four opponents, Cortland, Hobart, St. Lawrence, and Rochester. If this exceptional won-lost record is indicative of what is to come, Ithaca College football is certain to maintain the upward spiral that their senior counterparts have achieved this season.

Carding a six and five won-lost record, the I.C. bootmen completed their second consecutive season above .500, under the coaching of “Doe” Yavits.

The squad defeated Hartwick for its initial success, and then went on to score an exciting 2-1 victory over Cortland.

The trip to West Point was not as successful as the previous season, but even in defeat, the Bombers played creditably.

Ithaca placed a man on the All-New York State Soccer Team, as well as studding the honorable mention list with three men. Captain George Murphy was honored by receiving a place on the first team, and Bob Funck, Joe Drum, and Carl Wambold receive the honorable mentions.
