## Work To Begin On New Site Soon; Stadium and Track To Be Constructed; New Class Rooms To Be Built On Present Campus

Following a visit to Ithaca by several members of the Board of Trustees, including Gustave Haenschen, noted NBC Conductor, Albert Hawkes, former Senator from New Jersey, Captain Eddie Rickenbacker, President of Eastern Airlines and George E. Stringfellow, chairman of the Board of Trustees, Dr. Leonard B. Job, President, announced that the work of developing athletic fields on the South Hill site would soon begin with the coming of spring weather.

Although no formal meeting was held, the affairs of the college were discussed thoroughly and three members of the board, who were present, endorsed the plan for the development of the athletic and activities field at the new site.

Cost of the work on these fields will come from the appropriation made last October to supplement the maintenance and improvement plan of the college.

Dr. Job has already conferred with an earth moving construction company who will assume the task of leveling some fifty acres of terrain to provide for an eventual football stadium. This will be located at the Southeast corner of the college property, on the Danby Road. Surrounding the football field will be a quarter mile cinder track and its components.

Also under construction will be a baseball field for varsity contests and two practice baseball diamonds. Three softball diamonds and two football practice fields will also dot the area.

There will be two soccer fields for men and one for girls and a combination area that will be utilized for lacrosse and field hockey. Fourteen tennis courts and an archery range will complete the activity areas.

### New Building Downtown

Discussion by the board also revealed that they agreed it would be advisable to construct on the present campus, a two story, thirteen classroom building. It will probably be some five or six years before the college will be able to effect a transfer to the new campus.

Construction of this new building, which will be on a site now utilized as a parking lot, adjacent to the college dining hall, will allow the college to move its present classes from the Sprague building to an on campus site. The thirteen standard size rooms will be included in the structure together with a large size room which will be used by the drama department for scene construction purposes.

Appearing as Mr. Jordan will be Edwin Bigelow. His messenger is Carl Wagner and Lewis Gallo will play Joe Pendleton around whom the play evolves. John Tillinghast will portray the role of Max, Pendleton's trainer; Donald Champlin will appear as Tony, Pendleton's secretary. Two soloists, Joan Redden, trumpet, and John Reichard, xylophone, will be featured on the tour. Mr. Thomas Pulaski will accompany the band on their tour as narrator for *Lincoln Portrait*.

The band, after playing approximately fifteen concerts, expects to return to Ithaca late next Saturday.

### Frosh Dance Tomorrow At Hotel Ithaca

Featuring an evening of music and laughs, the Frosh Dance will take place tomorrow night at the Ithaca Hotel.

## 12 Executives To Be Heard; Discussions Feature Program

Ithaca College's first Career Conference will be launched at 11:15 today in the college theatre with a keynote address by Mr. Carl E. Shineman, a market analyst and statistician for Eastman Kodak Co.

The purpose of this conference, as stated by the committee, is threefold:

1. "To aid some upper classmen in choosing their vocations, and others in determining whether or not they should attend graduate schools; what schools they should attend; and what other preparations are necessary to be successful in their chosen field.
2. To help freshmen and sophomores in choosing their vocations and in determining the best majors and courses of study in their later college years.
3. To be vocational and educational in nature. The conference is not set up for the purpose of applying for employment."

A program of lectures, round-table discussions, and interviews has been planned. This afternoon will be devoted to lectures of a half hour each in the college theatre and the Aurora lecture room. An evening of round table discussions and bull sessions will be held tonight at the second floor rooms of the YMCA. Tomorrow morning the consultants will interview those who have appointments with them.

The school of business is sponsoring and managing the conference, but the college as a whole is invited to participate. "An examination of the list of speakers will show that many of their topics are within the scope of every department," the conference committee said. The committee added, "Interview experience gained at this conference may pay off in applying for that first job later on." In his keynote address, Mr. Shineman will discuss, "The Business Outlook In 1950." His remarks will be addressed principally to this year's graduates.

The following executives have donated their time to familiarize the

## Plans Being Formulated For Spring Carnival

According to Miss Anne Herbeck, "The biggest event of the Spring season is to take place on April 29." The event she refers to is Phi Delta Pi's annual Spring Carnival which will be held in the Seneca Gym.

Although final plans have not been formulated, as in years gone by, each fraternity and sorority on the campus will prepare a booth. In the past these booths were devoted to golf, ring toss, penny pitching and wheels of fortune. Miss Herbeck states, "With a little imagination on the part of the planning committees, we can make this year's carnival the best ever held at IC."

Door prizes, donated by local merchants, will be awarded. Tickets will be on sale soon.

PLAN CONFERENCE—This Ithaca College committee, comprising students in the School of Business, planned the career conference being held today. Standing are: George Pringible, William Farrell, Beverly Thorpe, Frances Starnier, and Joseph Mayer. Seated are: Henry Miller, Angelo Cappelz, John McEligot, Robert Govern, Edgar Chapman, Henry Novakowski, James Winter and Joseph Spadaro.

### JUNIORS PLAN TO HAVE A BABY!

The Junior Class Officers have been discussing the issue of becoming a parent. Ev Rouse, President of the Class, has proposed that the Juniors accept the financial responsibility of rearing a child stricken with the disease known as "war torn Europe."

Foster Parent's Plan For War Children, Inc. has inaugurated this policy for educational institutions or groups to support these helpless victims. For fifteen dollars per month, over a one year period, a group can give to a child "food, clothing, shelter, medical care, schooling and instruction in the religion of birth." In this manner the adoption merely becomes one of financial parenthood with the finances coming from class fund.

The Junior Class Officers would like to see their class take on this responsibility for a year. We would like to see the Junior Class act upon this issue. Ev Rouse requests that the members of the class contact their representatives and let them know how the class stands on the problem. In the past, IC students have had a great capacity for silence whenever major issues require their action. This is one time each member of the junior class should contact his representatives who are moving on untreaded ground for an IC class and do not want to misrepresent the class. As you would write your congressman, write your representatives and let them know that the entire Junior Class accepts the obligation as well as the responsibility of adopting a war stricken child.

### A REMINDER ON THE REP BAND

In the last edition of the Ithacan, the Student Council announced that a PEP BAND would be organized at Ithaca College next year, providing enough students respond to the plan. Tim Quinn, President of the Senior Class, reports that interest was great but that very few people filled out the information blank printed in the Ithacan.

Paul Steiner, of the Music Dept. is accepting the names of those students who are interested in the organization. Please see him if you have not already done so. At present, Paul has collected about twenty names of students who would definitely like to turn out for the band. Here's your chance to show some of that school spirit you've been yowling about for so long! For any details you may have missed concerning the PEP BAND, review the front page of the last issue of *your* Ithacan.

### LITERARY AND PHOTO MATERIAL DESIRED

The literary edition will come out in April and material is now being sought for this added Ithacan feature. This year we intend to print pictures which have an appeal as character studies or as artistic compositions. Photographers as well as IC's literary enthusiasts who would like to display their art are invited to contribute to the paper.

Acting as Literary Editor, William Grammar is soliciting material for the two page supplement. If you care to submit any original work please put it in his mailbox in the Administration Building.

## BREAD AND WATER

By Betty Fletcher

Mr. John, Our Chef

When the IC dining hall was built it was quite a bit smaller than it is now. It only had to accommodate 150 people. At that time the kitchen was in the room which is now the dietitian's office. Today there are 275 people eating in the dining-hall. This is double the capacity for which the building was planned, so naturally it had to be enlarged. The hope of moving into a larger building kept the old equipment in use, but this year the dishwasher, which was only adequate for one hundred girls, had to be replaced. As the girls can see in the kitchen, there is a limited space for a dishwasher and other equipment. Much of it had been used longer than the normal life of standard equipment. This year, however, along with the new dishwasher, the college purchased a new broiler and ranges.

Mr. John, the chef, who was trained in Europe, is now in his 23rd year in the dining-hall of IC. He is an experienced man in his field and is doing an excellent job with the facilities and small amount of space he has at his disposal. In the future, when IC is building new structures, it is hoped that there will be a larger and more adequate dining-hall. Some of the girls here now (probably the freshmen and sophomores) may have the opportunity to see this.

### Letter to the Editor

Dear Editor:

In my letter published February 10, 1950 I seemed to have carried the impression of an overcharging on textbooks by the Corner Book Store. I should like to make it clear that this was not my intention. I should also like to correct my statement of impoliteness on the part of the proprietor, Mr. Earle DeMotte.

I should like to take this opportunity to apologize to Mr. DeMotte for my unfounded remarks regarding his character. I was given full particulars pertaining to my article by Mr. Robert K. Devricks, secretary of the college and Mr. Earle DeMotte. I might add that it was very encouraging.

Very truly yours,

Nick Demarco

## As I. C. It

By Dick Kuss

Across the street from the Ithacan Office in a cubicle that previously housed Vice-president Haines, the IC Brochure is painfully being created. As are most brochures, this one will advertise IC to the many high school students that are searching for a college. In charge of the editing of the brochure is Mr. Edward Sargent.

The booklet will be approximately thirty-two pages long and will incorporate three basic ideas. Primarily it will supplement the present catalogue by showing the varied activities of IC. It will inform the guidance advisors as to what we have to offer in our five departments, especially the more recent and growing departments of Physiotherapy, Radio and Business. The book will be based upon the modern advertising principle of using many pictures. This modern principle is based upon a former principle established by Confucius pertaining to one picture and a thousand words.

### ALUMNI FEATURED

In addition to the many pictures from each department, the brochure will feature certain well known or successful IC grads. In a prominent place are: Philip J. Lang, Lt. Col. George S. Howard, Eddie Sawyer, Paul Mowrey, Joe Short, Margaret Daum, and Margaret Itter. Included in the list is Dave (Mistovsky) Moss who recently got married and became program director of WCTC in New Brunswick, N. J. It might have been the other way around.

The booklet is being pushed through publication in hope of coming out prior to Alumni Weekend which will take place April 14 to 16.

### THE ALUMNI GET AROUND

While on the subject of the alumni, the grapevine, in the presence of Martha Barber, unearthed some rather fascinating material for us. It seems that one of our local boys is about to make good. Bert Remsen, and its your misfortune if you don't know him, is plugging his six shooters and personality on that fabulous street, Broadway. It seems he is going to be a producer, that is he is going to portray a producer in a forthcoming musical comedy, with a solo number included. The show is still in the forming stage and running around naked . . . without a title.

The glory of the theatre was pulled out of a tragedy by an IC combination that once acted together on the local stage. Skip Armato was hurt in an accident involving the children's theatre company with which he was traveling. Suffering from a concussion and a bruised leg he was forced to drop out of the company. Page (Howe) Johnson was flown by plane to meet the company and stepped into the part, one which he played previously. We hope Skip gets well soon and everything settles down to theatrical normalcy.

### NOAH CAST PRESENTS ARGUMENT FOR BOY'S DINING ROOM

Between the matinee and evening performance of "Noah" on Friday, the 24th of February, box lunches and beverages were brought into the Green Room from the Dining Hall for the cast. An atmosphere of good feeling and fellowship ruled as they heartily enjoyed their meal. This gesture on the part of Miss Parent, the dietitian, is well appreciated by that cast who are biding Joseph Banale in his suggestion to have dining facilities for the boys. Not only would such a move aid the men financially but they would also get to know each other better and break down those barriers of ignorance between departments.

### MURIAL SHARON PRESENTS DEMONSTRATION LECTURE

On Saturday afternoon, February 25, Miss Muriel Sharon, children's theatre director of the YMHA in New York City, spoke on children's theatre and conducted a demonstration in the College Theatre. Miss Sharon received dramatic training at Western Reserve University, Cleveland, Ohio and has taught at Ohio University in Athens and at the Barnard School for Girls in New York City.

Tryouts for five male and two female speaking roles in the opera "Down In the Valley" were conducted Tuesday afternoon by Mrs. Beatrice MacLeod.

Greta PenKower requests that students of any class or department who have entertainment ability contact her as she needs talent for the Tuesday afternoon programs which she presents weekly at the Reconstruction Home.

### CORNELL DOES "GILBERT AND SULLIVAN" OPERA

*Trial By Jury*, Gilbert and Sullivan's one-act comedy opera, first presented seventy-five years ago this month, was delightfully performed at Cornell last week end. The set, the costumes, and the direction combined to make it a laugh-filled joy. The players were all entertaining but special mention must go to Roderick Robertson and Lan Elliot for their action-filled antics as the Learned Judge and the Clerk of the Court.

The one-act play classic, *Box and Cox*, by John M. Morton was the curtain raiser for the program. The stylized set and acting kept the script flowing with its too many laughs. Graham Jones as Mr. Cox carried the show with his special talent for stylization and his excellent interpretation.

#### THE KING AND THE MINSTREL

Pipe a carefree tune, my lad,  
Hate cannot entrench your heart.  
I've doomed the father and friend  
you had  
To fight this war, my own beastly  
art.

But lips that know not sorrow play  
their tune  
For men who rot inside, and die too  
soon.

Dance, my lad, and dance away  
Greed, that plagues my soul with  
lust.  
Their blood now flows on the earth's  
dank clay,  
And burns my flesh to charcoal and  
dust.

So dance my life away in rhythmic  
beat;  
My soul's no more than dirt, my  
heart is meat.

Sing, my lad, a mournful dirge!  
Words, to you, are bread and wine.  
This world's a grim battle field of  
purge.

My time draws near; your sad tale  
is mine.

But lips that know not sorrow sing  
their tune  
For men who rot inside, and die too  
soon.

#### WHO DO I QUESTION

And who do I question now—  
When all is quiet  
And only the rain kissing the  
Wind is heard?  
Who do I question now  
When the music seeks my heart—  
Reaches it  
And bids me still  
Like the mother brushing away her  
child's tear?

I do not question now—  
But tomorrow—  
When the rain ceases  
And the music ceases  
And the noise of the city grows  
loud—

Tomorrow—I question.  
And who do I question tomorrow?

## RADIO AT RANDOM

by Earl Popp and Bob Rice

Jack Hearst, sports editor (at control board), Earl Popp, promotion editor (at patch board) and Fred Heckman, station manager, are shown putting the IC radio station WITJ through operational tests. According to Bruce E. Flaherty, instructor of Radio, application for a broadcasting license will be filed with the FCC early next week. Upon approval of this application WITJ will formally take to the airwaves.

It's interesting to note that during operational tests WITJ programmed an hour and fifteen minutes of live music per week. But this is far from what we hope to achieve in live programming. However, if every other department at IC would contribute as much as the Music Dept. has so far, WITJ would be well on its way to truly becoming an all-student radio station.

Bill Malliai's quite a versatile guy. Aside from directing this week's LAND OF MAKE BELIEVE show—*The Pink Suspenders*—he also wrote it. We feel that Bill's originality should make this another children's show worth listening to.

Joyce Spero has finally "broken into" radio. She portrayed Jean in the last HOP TO IT CLUB script. Now that you've cracked the ice, Joyce, let's stay on the beam.

Congrats to Dave Cowger and his fine interview with "Doe" Yavits on *Sports Parade*. It's programs like this that cement good student-faculty relations.

The proverbial sardines have nothing on the people who jammed into Studio A during last week's FOLK TALES OF OUR STATE program—*Singin' Gatherin'*. Over sixty grade school and college students participated in the singing of American folk tunes.

WITJ's latest "Hopper Report" shows Chuck Angell and Bob Bischoff vying for first place honors in regards to audience response. Chuck's tally . . . two phone calls; Bob's score . . . one postal card.

For sale :one jazz record collection and collector (Ray Burnhimer). Any reasonable offer will be accepted. In fact ANY offer, reasonable or not, will be accepted. In fact it doesn't even have to be an offer . . . just as long as you take Rayoffourhands and give our ears a rest.

And that's this week's relay on radio at random.

## An Open Letter To One's Uncle

Ithaca College  
Ithaca, New York  
September, 1934

Dear Uncle Hezekiah,  
I should've writ you before but I just aint had time.

As you know Maw and Paw brought me up here last Sunday. When we got in Ithaca, it was raining like all get out and on top of that we couldn't find the College. We asked a fellow where we could find the college and all he seemed to know about was Cornell (He didn't look very smart though). Well, we drove around and finally we found a building which looked something like the front side of the fire station back home and we figured it must be part of the College on account of it had a sign on one corner which had Ithaca College printed onto it.

I started to go up on the stoop of this building and just as I was going up the steps some funny acting fellows come out and asked a fellow that was standing there to go out and get coffee with them (it was the middle of the afternoon!) He said that he had to stay and greet the customers. These other fellows went on and gee whiz I never seen men

act the way they did. They kinda disturbed me at first but I found out later that they were Dramatic (want to be play actors) students and they do that to be funny. Well I stood there on the stoop with this fellow and I guess I looked sorta be fuddled because he straightway asked me if he could help me and I told him I was coming to college and I was looking for a place to stow my duffle and such-like—Well, sir, he turned out to be Doc Job the head man of the whole college. He was sure nice to me. He helped me find a place to stay and I think I'm going to have a job where I can get my meals. All last week I went to free speeches by pretty near every one in the College. They's been more talking around here then there is in Si's store on Saturday night.

Well I gotta stop writing now and go to bed—I've got a class at eight o'clock and as Paw says there aint much sense in his spending all that money he got from the government for them pigs which he didn't raise if I'm going to sleep while I'm supposed to be getting educated.

Your nephew

## J. P. SMITH SETS SCORING RECORD

**Sinks 15-18 Field Goals  
And 10-11 Foul Shots  
For High Total of 40**

Lanky John P. Bud Smith 6' 2" Senior from Kingston set a new IC and Seneca Gym scoring record as he netted forty points in a recent basketball game against Lock Haven.

Listed among the field goal percentage leaders among small colleges "Bud" had an exceptional night as he hit 15-18 from the field and 10-11 from the foul line. This was accomplished in addition to setting up numerous easy scoring opportunities for his team.

His season total of 343 points is also a record as far as can be ascertained from existing records. His average of 17.1 points per game will rate high among the national leaders when the final tabulations are released.

High scoring is nothing new for the fun loving personable Smith. He scored 83 points to lead the track team in scoring last year and coach "Doe" Yavits is expecting big things from his long-limbed captain this spring.

A seemingly tireless performer, Bud once again will be called upon to compete in a variety of events that will include the high jump, javelin throw, the high and low hurdles and pole vault.

### IC WOMEN'S CLUB PLANS RUMMAGE SALE

#### Student Contributions Solicited

Mrs. Blodgett, chairman of the committee for this sale, has issued a request for contributions from the students. As to what is needed, she said, "Anything you think we can sell will be accepted: Shoes, old clothes, books, costume jewelry, nick-nacks and old clothes." Boxes will be placed in the various department buildings for the student contributions.

## Physio I Takes Top Honors In Interdepartmental BB

### AMATEUR NIGHT In SENECA GYM

By Greg Patalo

The 1949-50 Interdepartment Basketball League Championship Trophy will be at stake when the play-offs get underway Monday evening, March 13. Physio I will meet Business II and Drama I will play Kappa Psi. These teams will play the best out of three games; the winners will meet also for the best out of three to decide the champs. The playoffs are scheduled for successive Monday and Wednesday nights till the winner is determined.

Team Captains will be notified of future games by the League Chairman. Qualified referees, Earl Popp R '50, Bill Straub Phy Ed '50, and Harold Mezaros Phy Ed '51 will handle the contests.

#### Physio I League Leaders

Wednesday night Physio I, undefeated in League competition, won the crown by defeating Drama I in the final highlight game of the season. Before an enthusiastic turnout of students, Jerry Kraft led the Therapists (dumping in 19 points) to their 49-34 initial win. Bob Bischoff and Ron Pedrone paced the losers with 13 and 10 points respectively. The game proved interesting and close, until the towering power of Physio began to roll in the last quarter. WITJ-FM, IC radio station, sent the game out over the air.

#### Short Pegs

Other final games saw Kappa Psi, paced by Eric Werner, Bob Osmun, and Pete Ford take possession of fourth place by downing Physio II 35-15. Business II move dinto third place by dropping Phi Mu out of a playoff berth 38-22. Al Gilberti, consistent threat and scorer all season looped up 19 points for the winners. In the second division, Business I sank Music 32-25. For those not familiar with the situation "Buck", I'm sure that the other team really appreciated those two points you dumped in for them.

If there is anyone interested in starting a Interdepartment Softball League in the spring please notify this columnist or the sports committee chairman, Ed Chapman B '51, so we can begin arrangements.

Final standings in the BB League are:

Team	Won	Loss
Physio I	9	0
Drama I	8	1
Business II	7	2
Kappa Psi	6	3
Phi Mu	5	4
Business I	4	5
Music	3	6
Kappa Gamma	1	8
Drama II	0	9

It has given me great pleasure to see that the League this year has progressed since its origin four years ago and has come to a successful and exciting finish. I am only sorry that every participating team couldn't have made the playoffs. In behalf of the Interdepartment Sports Committee I would like to extend thanks to all who have made it possible for our Amateur Night in Seneca Gym . . . See you at the playoffs.

## TAPE AND LINIMENT

By Ron Altman

Jack Bialas IC speed-skating enthusiast stands a good chance of making the 1952 U. S. Olympic Team. In the State meet, he won the mile events, and placing second in the mile and 2 mile.

In 1948, he was runner-up in the Northeastern States and Northern New York races. At the Dartmouth Winter Carnival, racing under IC colors he won top honors by taking first in the 220 yard dash, and half mile events, and placing second in the mile and 2 mile.
