"As You Like It" To Open Sunday Night, March 13
Shakespeare's sparkling comedy "As You Like It" will be performed by the Ithaca College Drama Department in the College Theatre beginning March 13, and continuing through Saturday, March 19. Tickets are rapidly selling at $1.50 each.

A Phi Mu Alpha Musical
On Wednesday evening, March 23, Phi Mu Alpha will present its annual musical, "The Prince's Progress," in continuing this program, the fraternity will be fulfilling one of its primary objectives, that of promoting the advancement of American music.

The production will be presented by the Phi Mu Alpha group, the band, the glee club, and the drama society. The cast will be composed of Phi Mu and Phi Sigma students.

A "Yaygan" Staff For 1956
Plans for the 1956 Yaygan have begun to roll with the formation of the new staff. The Yaygan, which is sponsored by the Ithaca College Drama Department, is published each February.

The Yaygan Staff for 1956 is:

'61 Hildi Group Formed
On February 21, a meeting of all Jewish students of the college was called by Mr. Gelfand to meet in the Aurora Street Gym Lecture Hall. At the first meeting, Mr. Gel­ fand brought up the idea of forming a Hildi group at Ithaca College to satisfy the social needs of the Jewish students.

The Hildi group was formally organized on March 12, and a group appointed Bob Ross as temporary president of the group. After the first meeting, the group will hold a meeting each week to plan on its program for the future. As the first social activity, it was de­ cided that the group would hold a dance which will be held on March 6, at 1:00 p.m. in the Aurora Street Gym Lecture Hall. The dance will be supervised by Mr. J. H. Bedell, and the North Tongs and Court Street Aft.
Does the smell of fresh paint disturb you—are you bothered by dust? The students of the college should out…

SHH! There she is. Be careful and don't disturb you—are you bothered by dust? The students of the college should out...
Music Building to Have New Studio

The Music Education building of Ithaca College which was damaged recently by fire, will have as an additional structure a room with classes soon.

Dr. Howard I. Dillingham, music president, said the new studio will be constructed by partitioning off part of the second floor. With this new addition, each music instruction room will have a studio, and space which has been needed for a long time will be provided.

The repair work is being done by W. D. Melfi and Sons of Ithaca.

One major job was to locate the foundation of the building. Water used in combusting the blaze seeped into the cellar, undermining the center foundation.

Dr. Dillingham stated that the building had to be jacked up so that workmen could put in the needed repairs to reinforce the building's foundation. Although the interior is now being reconditioned, it will probably look the same as before the fire with the exception of a coat of paint. At present, the music shelter has a temporary roof to protect it from the weather. Meanwhile, one room on the main floor on the south side of the building had to be put back into operation, while the remainder of the classes are being conducted in the rooms provided by the First Presbyterian Church.

Office space has been provided for Dean Rawski, H. E. Elawal and Miss Marylou Potter, secretary, School of Music, in Room 10 of the Annex. Miss Potter will probably return to her office some time next week and at the same time 'Ike Room D is expected to be ready for use.

Several more classes were being held in the church. Professor Verrett S. Sanders conducted small classes in Sanders Hall, and Miss Elinor Potter, secretary, School of Music, in Room 10 of the Annex. Miss Potter will probably return to her office some time next week and at the same time 'Ike Room D is expected to be ready for use.

The instruments that were damaged will be either repaired or replaced, but all of them are covered by insurance. A half grand piano located in Dean Rawski's office, and another smaller piano were the only two instruments of that type damaged beyond repair. Dr. Dillingham pointed out that the loss was held to a minimum by the quick action of many students who assisted in moving the valuable instruments.

The fire, which originated in the south wing of the Ithaca Fire Department for nearly two hours, caused an estimated damage of $35,000. It was the third major fire to strike IC in five years.

Miss Orr Lectures

Upon an invitation from Miss Catharine Reccas, director of the experimental nursery school in the College of Home Economics at Cornell, Miss Helen Orr, Instructor in music, is giving a series of five lectures on the subject "Music for Preschool Children" for a class in child development. The series includes discussion of the child's voice, song materials, rhythmic activities and singing games, and other meaningful activities for preschool children.

IC Bombers Win 11, Lose 11

By winning their last two games the Ithaca College Bombers finished the 1955 season with a .500 percentage, 11 wins against 11 losses. The two victories came against Mansfield and Cortland.

The College toured Mensfield 106-0, tying Ithaca's high scoring mark set here in February 1954, against the same Mansfield team. The Bombers lost the whole game with Mansfield drawing close only at half time when the score was 45-41.

Big Sam Burnell, IC's center, paced the squad in scoring with 20 points. Aside from his accurate shooting Sum displayed adept rebounding.

"Golly, Mary Lou, the house party's been put off till next weekend. Maybe I should have phoned you."

Ever find yourself in a situation like this? Embarrassing, isn't it? And so easy to avoid. A Long Distance call is the simplest way to set up a gala week end. Or make new arrangements if your plans change. It costs only a pittance (even less Sundays and nights after six) and it's such a sure-fire touch—shows everybody how well you were brought up.

Speaking of upbringings, how about bringing the folks back home up to date on what you're doing? A call from you right now would really cheer them up. So much, in fact, they probably wouldn't mind a bit if you called collect.

The best ball for your game has the exclusive DURA-THIN COVER

Here's the amazing new durability in a high compression ball. The Dura-Thin® cover provides this great new Spalding DOT® with real scuff resistance...keeps the DOT uniform and true, even on rugged high-iron shots. The new DOT has a greater compressive for true, more uniform flight. It's actually an economical ball for you to play.

And, with all this new durability, new DOTs still offer such a solid, solid ball for you to play.

SPALDING sets the pace in sports
something new has been added... Big Sam Mason, the Bomber’s six and a half foot center, is scoring amazingly accurate left and right handed hook shots of baffle resulting in a dozen or so more points a game for the redhead.

Jim Wilson of the Bruins won more games in 1954, but five all were on the opposite side. He hurled two three-hitters, one a short hitter, and a few-hit- ter in addition to his no-hit- no run game...

Alabama’s 64” forward George Lion threw up a desperation heave in the end of the first half during the North Carolina-Ala- hans clash this season. Much of the aura of the 4,000 capacity crowd leers. 123 points a match, to the even.

Scaling a burly 227, Jones, who is matriculating at Oxford University prefers Rugby fields. Standing right was launched. to undisputed possession of his arms. Twisting and spinning to avoid Tech tacklers, the U of C ace had a fumble bounce into the open field. For eleven, Roy Riegels, captain of the Cal line. It seems that Riegels had spun onee the ball immortality, a “California” solution see paragraph below.

It was January 1, 1930 ... The place, Pasadena, California... The time, mid-afternoon. The occasion, Rose Bowl game... Late in the second-half, with Georgia Tech trailing California, center Roy Riegels, captain of the Cal eleven, engaged a formidable barrier in his arms. Twisting and spinning to avoid Tech tacklers, the U of C ace is ripping up England’s Rugby fields. Standing 6’4”, Jim “Wilson of the Braves won Breezes assuring themselves of the taste better to all sorts of people. College smokers, for instance, prefer Luckies to all other brands, according to the latest, greatest coast-to-coast survey. Again, the No.1 reason for Luckies’ wide lead:

GRAPPLES BOW TO CORTLAND

The Ithaca College wrestlers bowed to the Cortland squad Saturday night in IC’s final match of the season at Cortland. IC’s rec- ord is 3-2.

One injury was sustained by the Ithaca Squad in the 177 division when John DeKay injured his ribs. The injury appeared to be of the same type DeKay had suffered two years ago while wrestling, and rather than let him continue Coach Broadwell forfeited the match. The 121 division was won by Ed Sullivan in an unusual manner, Cortland’s Wade Cummings, was pinned by his own action while trying to put a crutch hold on Sullivan. The Cortland man had his back on the mat while trying to make the hold and was counted out by the referee. In the preliminary bout the IC aces were defeated by the Cort­ land Freshmen, 26-6.

The summaries:

VARIETY

place by upsetting the Debbie Perry Tigers, 75-69. John MacNamara led the Pentoner’s attack with 10 points and Missouletthow threw in 17 for the losing cause.

Lucky Dropsels! We’ve Got ‘Em!

WHAT’S THIS? For solution see paragraph below.

IT’S EASY TO SEE that the Droodle above is titled: Tired anthropologist relaxing with better-tasting Lucky behind freshly dug-up fossil. No bone about it, Luckies taste better to all sorts of people. College smokers, for instance, prefer Luckies to all other brands, according to the latest, greatest coast-to-coast college survey. Again, the No.1 reason for Luckies’ wide lead: Luckies taste better, first of all, because Lucky Strike means fresher, smoother. So, enjoy the better-tasting cigarette ... Lucky Strike.
