Slovenski, Whitlock Named Basketball, Wrestling MVP's

Dave Whitlock in wrestling. Rich Slomkowski, high scoring sophomore from Kearney, N.J., ran away with the honors in basketball as a result of the wrestling squad had a record of 7 wins, one tie, and 2 losses this season. Coach Broadwell built the nucleus of his team around the point average of Rich Slomkowski (center) for basketball and Dave Whitlock in wrestling.

The Ithaca College Radio on Full Week Schedule

For the first time in the ten year history of Ithaca College Radio, stations WITJ-WICR have begun a seven day broadcast week. With the addition of Saturday evenings to the broadcast schedule, Ithaca College Radio News now has a total of seven evenings per week of actual air time. The new move was announced today by Mr. Edwin D. Glinske, General Manager of Ithaca College Radio News.

The Major's Club is presently organizing a softball intramural league for intercollegiate department, with games scheduled to begin shortly after Spring Vacation. This is in recognition that a league of this sort has been formed.

Students interested in participating in this program may pick up application forms in the Physical Education Office. The Radio-TV Office, The Music School Office or the Deans Office.

For more information about the League, contact Joe Bannan, John Johnston, or Frank Istitfo, or dial 2-1175.

IFC Blood Bank Quota Met

A total of 95 units of blood were donated at the Ithaca sponsored blood-bank on Feb. 25, 25 of 105 appointments failed to materialize. However, 25 walk-in donors compensated for the loss. Doctors turned away nine students because of illness.

Gollon Club members at IC are Prof. Lynn B. Bogart and Joseph Mirando.

The Inter-Fraternity-Council solicited donors and was assisted at the bi-monthly by the Men of Phi Beta Alpha.

Lenni Wagner Named Asst. Program Director

Miss Wagner, a junior, has been active in women's activities at Ithaca College and is presently a member of Phi E Kappa Delta Kappa. Miss Wagner, who has been active in women's programming at Ithaca College Radio, succeeds Miss Lala Marnock, who has been active in the programming department at WITJ-WICR for several years.

The idea of Saturday broadcasts at WITJ is not a new one. At various times during previous years, WITJ has attempted Saturday morning broadcasts. Personnel problems at the station brought an end to these broadcasts. With the addition of Saturday evenings to the broadcast schedule, WITJ-WICR have maintained their original program schedule for several years. WITJ-WICR have maintained an original program schedule for several years.

Hi-Fi Recordings of Scampers '57 Available Soon

Hi-fi fidelity, long-playing, 12-inch recordings of 1957's Scampers will soon be available on the market. The special at cost, custom recordings were prepared for Ithaca College students, faculty, and alumni only. We must have at least 100 orders to make the records available at a reasonable price. Phone 8770 or 4-8905 for details. Orders must be in within one week. To place your order, contact Edwin Glinske or Armand Aguero at WITJ, Act now.

What's For Dinner?

It has come to our attention once again, that the Dining
Hall isn't all it should be. To be perfectly frank, we are getting
sick and tired of writing Editorials on the Dining Hall Situation.
We cannot see why, when the College Women pay several hundred
dollars per year, . . . each, . . that decent food cannot be served in the
Dining Hall. We receive on the average two or three letters a
week about bad food. If the writers of these letters would sign
their names (We will withhold any names on request and hold
the writers identity in strictest confidence) we will gladly print
them. In the past, we have had no evidence, since we are fortunate
enough not to take our meals in the Dining Hall, of the bad
conditions. Recently, however, we had the opportunity to see a
piece of meat served for one of the meals. To begin with, it wasn't
even cut...
Ithaca College's court team came off second best in its season finale Saturday night with Cortland at Dryden gym. The Red Dragons lost both to a fair stand lead with 35% minutes left and sat on it to the wire, winning, 65-73.

The lead of six points through the last stages was fairly tenuous as compared with the spreads earlier in the struggle. It was see-saw with the lead switching 26 times and with 14 ties.

Cortland entered 8-point bulges three times in the early going but couldn't hold them. While Ithaca managed to forge ahead 13 times it never led by more than four points. And its two leads of four points, midway through the second half, were short lived. Bob Hoyt's shooting provided both big bulges, 63-59, 65-61. But it was shortly afterwards that Cortland tied it at 64-all on some good shooting by Harold Van Earden and Frank Dawson. Van Earden sank a set to put Cortland ahead. Hoyt got a short buyup to tie it again. Dawson's charity and a three-point play by barry Wayne Weiss promptly gave Cortland a lead it never lost. It was Cortland's second win over Ithaca this year and gave it a 1-1-3 record for its regular season. It also gives the tournament game coming up at Dryden. Ithaca won up with a 1-2-3 record. The loss was its first at home after nine straight victories.

Ithaca got a good game from young Bob Hoyt of Center Moriches, but a truly great game from husky Mel Coban of the Breon who rounded out his very worthwhile IC sports career. Despite stiff opposition, Mel did a great job on the boards and managed to total 21 points as compared with Hoyt's 22. Rich Slomkowski netted 19 points and Frank Dawson 13. Van Earden split 11.

The Freshman ended an 8-10 season by topping the Cortland Jayvees, a hard-fighting "B." Mr. Leibrock tallied 27 points for the winning Bombers. The summary:

Cortland State (9) G P T
Van Earden 10 2 2 2
Dawson 4 2 1
Hoyt 3 2 1
Leibrock 3 3 1
Weiss 2 1 0
Young 1 1 0
Total 15 10 8
Ithaca College (73) G P T
Slomkowski 6 11 11
Leib 3 1 1
Dawson 1 1 1
Hoyt 1 1 0
Van Earden 1 1 1
Total 15 10 8

You Know Where
March 3

Dear You Know Whom,

Since I last wrote to you, time has been marching on with its usual inevitability. There have been many good things that have happened on the base and as usual a few bad ones. One of the good things was that one of the medics has gotten himself engaged to a girl that used to be stationed here. She was quite a singer, and I believe still is, and I'm sure she has many friends around the base.

One of the recruits has left us for good I'm afraid. He was kicked out of the service and very nearly had trouble with the civil authorities. Rumour has it that a combination of pull and good luck got him out of that mess at any rate.

The recruits are griping about the usual things, bad food, the barracks, chicken Lieutenants, and other necessary evils which accompany life on any base. They do have one legitimate complaint which has been brought to my attention and is of great interest. This base if following the economic trend seen everywhere these days, namely inflation. As soon as a new basic cycle starts they are raising the prices again. Even though this won't effect me, both they and I are wondering if this is a necessary evil or just a case of following the Jones'.

Colonel Work, the third commander of this post, has finally gotten the orders to transfer to a better climate. I believe these orders came following the Jones'.
