Poet’s Corner
Dream with me when we are old
And signing round,
From hours we could not hold.
Tell me of the days well spent
In careless glee,
When life leapt free,
From hours we could not hold.
As on that night,
In star lit flight,
We raced through eternity.

Drama Review
RETROSPECT
by Jared Brown
It is doubtful it would be wrong of any member of the audience that saw the production of “Roméo and Juliet” at the College Theatre last week to claim Shakespeare for what transpired. It is safe to say that he was not interested in the plot.

Although it is not my province to question the veracity, I think that the director, Joseph A. Short, might have instructed his cast in the basic principles:
1) They must be understood;
2) They must be understood;
3) They must be understood.
Not one of the audience that saw the production saw the play effectively but failed to generate any comment or project and meaning.

Of the principal members of the cast, Elizabeth Ann as Juliet seemed to come closest to an understanding of her character. In- deed, she showed, by her contumacious barrier, Warren Hino’s Róméo was a valiant effort, but unsuccessful; at times naive, ap­

Two Wrestlers Represent I.C. At Cleveland

Ithaca College was represented by two varsity wrestlers at the 41st tournament at Cost Institute of Technology, Cleveland, Ohio, March 14-15. R. Dan Rob HARROLD and Dan Violi were runner-up for the heavyweight title at the tournament last year, and the former is Ross VIOLI of Massena, 167-pounder. Harrold is a Junior in the School of Health and Physical Education; Violi is in the Business Department.

Harrold had a three-year varsity record of 23 victories, 2 draws, and 2 losses. He has won by falls 8 times, by decisions 3, and by forfeits 1. He has never been pinned in a match.

The 280-pound athlete holds the Ithaca College shot put record, and plays varsity football for two teams.

Violi had a 7-3 record for the season, losing only to opponents from Syracuse, Wilkes, and Army. He scored five pins.

Harrold and Violi were accompanied to Cleveland by their coach, Herb Broadwell.

The Ithaca varsity grapplers had a 4-6-1 record this season. They defeated Clarkson, Oswego State, Binghamton University, and Alfred; lost to Wilkes, Syracuse, Lockhaven State, Army, and Rochester Institute of Technology; and drew with Corieland State.

hopes that every Ithaca College woman will be mindful of the fact that she is attending an Ithaca College when she attends parties at our neighboring institution, and that she will carry proper atti

tude and conduct herself so as to bring credit to the school.

There has been a general feeling that some government that has not been fairly representative of the women's student body. WCC has been conducting a series of meetings this spring with the aim to re-organization of Women's Students Council on the Ithaca College campus. From time to time, realization of an organization's constitution is necessary as changes take place in the membership of the organization. A new Constitution and a new method of selection would be an improvement, so representatives of all women students who have been discussed by the WCC plans are being made to call a general assembly of women students in the near future when these are hoped suggestions for reorganization will be made from the floor.

The WCC hopes to complete reorganization plans so that selection of candidates may be made this spring and a new government structure may begin operations when school opens in September. Women students are requested to watch the Ithaca and school bulletin boards for further information.

SMOKE RINGS come in all shapes and sizes. Like 4-sided smoke rings for squares. Sturdy smoke rings for windy days. Even invisible smoke rings for people who aren’t so steady. As a competent smoke ringer (Vapor Shaper in Stickless!) tell you, the best way to start one is to light up a Lucky. It’s best mostly because a Lucky takes best. A Lucky gives you naturally light, wonderfully good-tasting tobacco, toasted to taste even better. Why settle for less? You’ll say a light smoke’s the right smoke for you!

DON’T JUST STAND THERE...STICKLE! MAKE $25
Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (No drawings, please!) We’ll shell out $25 for all we use—and for hundreds that never see print. So send us stickles of 2 words each with the answer to Happy Joe Lucky, Box 67A, Mount Vernon, New York.

WHAT IS A MAN WHO BLOWS SMOKE RINGS?

WHAT IS A Raccoon Coat?
WHAT IS A CATTLE SHOE?
WHAT IS A FACIAL COAT?
WHAT IS IT WHEN ROSES SWAP SHOES?
WHAT IS A SAUCER EARR?
