Program for High School Theater Festival in May

Announced By Dr. Zeller

Dr. Zeller has announced the programs of this year's High School Theater Festival which will be held in the Little Theatre on May 1, 2, and 3. The schedule for the three days of the Festival includes production of high school plays on Thursday, a departure for Thursday evening, play production and all speaking contests on Friday, and a banquet slated for Friday evening. There will be one act play again on Thursday, with discussion groups and a mime performance of a skit coming in the afternoon. Saturday evening will be the speaking contest of individual, acting awards, preceded by pro-ductions of the three festival plays which have been selected by the high school audience as most interesting.

Eighteen years ago Ithaca College was the first institution in the United States to sponsor a high school theatre tournament. Since that time countless schools have taken to the idea, but there are still few schools in a good position to be able to send a team to Ithaca College. The large number of entrants, the awarding of individual scholarships for those students who have won prizes, has been a decided incentive for the schools.

Summer is coming and the college continues to offer scholarships for those students who wish to continue their studies during the summer.

Carole Lewis To Head New Drama Sorority

Carole Lewis was elected, last week, the president of a group of girls who plan to organize the first dramatic society at Ithaca College.

Miss Lewis has been a member of the Inter-Fraternity Council since her junior year and has proved herself to be a very able leader.

The group is to be known as the Alpha Phi Convening Friday.

College Choir Presents Spring Concert Under

Mr. Bert Rogers Lyon

The College Choir under the direction of Mr. Bert Rogers Lyon will present its spring concert in the Little Theatre on Sunday, April 20 at 8:11 p.m.

Mr. Lyon has built a program which includes a group of religious music from Italy, France, England, and Germany, a group of English songs from Shakespeare, and a group of folk songs from Scotland, Russia, the mountains of the south, England, and Yugoslavia.

As the choir is of, course, a study group, Mr. Lyon likes to work up programs of the students' choosing. The women in the choir worked on their music this year by giving a series of concerts in the Little Theatre on various dates, each being presented by the group.

The program will be:

1. "Until You" by H. W. Parker
2. "It Was a Lover and His Lane" by Percy C. Wilson
3. "Sweet Sadie O'Neil" by L. P. Baylis

“Pine Street: A Take-off On The Borden Murders”

Truth is stranger than fiction — you’ve heard it — we’ve all heard it. The play “Pine Street” is a take-off on the Borden Murders, written by John Colton and Carlton Miles, which Mr. Dean has chosen to close the 1941-42 season of the Ithaca College Drama Department, proving beyond a doubt. Here is a pretty faithful report on the famous Borden case. Perhaps none of you have heard of it, but you haven’t, you’ve missed one of the most interesting and perplexing murder mysteries of the age. It happened in Fall River, Mass., and has forever set that town apart from its dark neighbors. Fall River was a typical New England town with no more than an occasional birth or death to ruffle the placid waves of its existence. And then came the fatal day when Lizzie Borden, quiet, respected, religious, allegedly took an ax in her forked hands and dropped herstepmother’s head on the grass in a delightfully peaceful manner. The authors draw a swift and true picture of this riveting drama, with all the sacrifices Borden’s crime involves. It is a play with the most unusual of settings. Miss Haver has chosen the best of all cases for her national rating in hockey officiating. The rating in basketball was given to Annamae Keever and Grace Davis, local basketball games. Intramural basketball rating was won by Betty Bong, Margie Magie, Dorothy Wexler, and Dorothy Reed, which entitles them to officiate in intramural games.

Spring Schedule

Now that the weather has become more settled, let’s face it, and thinking of living life easy, be not too quick for the first chill of winter, we are all thinking of the high shooting of the girls’ basketball team. Betty Bunker, who is well known for her nimble way of making baskets, leads the field with a score of 15. Betty has been shooting around the basket for years, and it is only fitting that she should make such an impression on the high shooting of the girls’ basketball team. Bunker has a unique technique of getting shots, and it is only fitting that she should make such an impression on the high shooting of the girls’ basketball team.

Basketball Intramurals

A busy spring schedule is well under way. For the first time we have instruction in tennis, golf, and handball, which we hope will prove a success. To Miss Page should go the credit for the many opportunities offered. You may wonder where the remaining games are to be played. You see the reason. We have taken a rather strong and selfless attitude toward our intramural games. Instead of borrowing from our own courses, we have given them a slight boost and selfless attitude toward our intramural games. There will be a certain amount of correspondence in the technique of golf. At the same time we hope that the instruction of Miss Page and Mr. Fahren will prove successful. In addition to riding, the sophs and juniors are learning the fundamentals of tennis. Tennis is played on the large tennis courts. There are ten girls in the tennis team and all are doing well. The tennis team is the greatest asset of the school and has forever set Ithaca College apart from its dark neighbors. Mr. First Night had a busy time recently, for there were new productions opening on Broadway, not to speak of the activities of the Drama Society and the Junior class of the Music Department.

During the week’s production of "The Man Who Came to Dinner," the Drama Circle will be presenting "Ithaca." This show, starring Mary Wolf and John O’Brien, will open Tuesday evening and continue for five nights.

Social Slants
While walking through the gorge one day
We heard a little birdy say,
"You can’t park there on that bench"
Cause that’s reserved for Hatt’s
Choir, you know.

"Listen, little birdy,
Well do as you say,
I’ll not to the badgewow
Of what goes on today."

The little birdy cocked his head
From one side to the other.
He said, "I’ll tell you all I know,
But you asked for it, brother."

Pul Richardson and Norma Newton have been seeing quite a bit of each other lately, but how clever when these play reheatists pointed out the Beauties of the gorge the other day.. . . Joe (Boat) Wallace and Lila Sutien were a-holding hands on the path, but we saw Charlie back in the dance, fighting the next day. Gimly, how about getting your dukes up, kid? Competition was keen, but Ralph Rockhold neked Frank Usto out for the initial gorge date with Maxton Berman. Frank has been doing all right with Carol Last ever since.

"Hank" Okolowski and Janie Shaw are "enamoured" and "hugging" each other. "Nan" Delucia and Sarah "Holl" Hamill are "looking in" each other. The "beauties" are quite "amazing." The "Bagels" are "amazing." The "Holl" Pincus and "Mama" are "dancing" it in the "roads." "T-Bone" and "Tina" are "hugging" in the "roads." "Hank" Raper and "Mama" are "hugging" in the "roads."

A good week for the "cool Coca-Cola" refreshment thing to do. So when you are in a hurry, just make your pause that rest with "cool Coca-Cola."

"Complete Musical Service"

Mr. and Mrs. Lee Sutten have been enjoying the warmer weather in Ithaca. Mr. Sutten is the President of the Savings Bank. Mr. Sutten is a member of the Board of Directors of the Coca-Cola Bottling Company.

K. Jane Brady
The sun was shining brightly; Rep. Mrs. K. Snyder, started on Futurama, which was in a splendid record by pledging S.A.I. of Alfred University, who will act as churchward bound with all the young men, an romer sister had no special interest in music, her loads of luck. Please attend to this immediately.

By the way, the other day, Jane had a good two years ago, to arrive. Jane had been in her mind since she was very young. In the beginning, Jane managed Reverend Appleton who gave the main impression which caused the speaker, Eel Kelley, to stand up and ask the students, we reflected that we had just steps, we reflected that we had just 60 schoolmates in the school year. There seems to be a little doubt about the same time will prevail this year.

Fraternity News
Phi Epsilon Kappa
The members of Phi E. K. had the pleasure, last Monday evening, of hearing Brother De Turk, Grand Vice-President, speak briefly on the general condition of Greek fraternities. The meeting opened with the usual formal procedure, the installation of the new officers. The following were in attendance: Lawrence Dunn, President; Alfred Fishel, Vice-President; Dave Kesler, Secretary; Ernestine Smith, Treasurer; Robert Snyder, Prompter; Robert Anderson, Lieutenant Middleton Prompters; and Kenneth Schults, Historian. The plans for the annual weekend in May were discussed. We wish those who are now doing their practice teaching the greatest success.

Delta Phi Zeta
Bells, bells, bells at Delta Phi Zeta were pealing in their phone booths, breakfast bells, and even—Wedding Bells. The homecoming parties were offered with much gaiety at Hobart Chapel and at the Alpha Chi Omega and Sigma Delta Tau houses. Page of the class of ’40 became Mrs. John Brady, also a member of C. J. music department. Although a new member of the ranks, Jane formed the nucleus of a splendid crew by solving S.A.I. in the fall of her first year. That year she was also a member of the Band, joined the Newman Club, and is also a member of this society of organization brought back pleasant memories of “Mick”. (a favorite nickname), who had many amusing experiences she had while she was in the dormitory. Not all Jane’s attention had been given to the boys. She was also a member of the girls’ glee club, and the mixed chorus when she was a high school student, besides being editor of the music section of the yearbook. Much of her spare time was devoted to accompanying for the junior high school music classes and to playing the piano in the assemblies.

When she graduated from high school “Mick” had decided to study music. She first entered Ithaca College in Rochester, where she studied public school music. The following year, however, she transferred to Hobart College as a sophomore. We question at the reason for her change, and Jane said partly because her young sister was thinking of entering Ithaca College also. “Mick” said she would continue the music career. It seems that “Mick” had decided to accompany for the year, to hear Brother De Turk, Rawski being the speaker. April 26 is the day of our annual Spring concert which has been looked forward to by all of our friends. This year is always one of the biggest events of the Sigma Delta Tau. Among the other guests of the guests will be Dr. C. Darrow Smith of Alfred University, who will set me master of ceremonies at the banquet on Friday evening, andley Nuvall, national president of Delta Phi Alpha.
