Junior Prom Queen

Your Guess Is As Good As Ours

Tonight Ithaca College will laugh at that old superstition about Friday the thirteenth at the biggest social event of the year, the Junior Prom. This may be the last Prom until after the war is over. Tommy Reynolds, his clarinet, his orchestra, and his feature vocalist, Miss Sue Ann McCull, will be in charge of the dancing, which will begin at 10 p.m. in the gym.

The long awaited answer to the question, "Who will be Queen of the 1942 Prom?" will be given when she is coronated during the intermission, at approximately 11:45.

The Queen and her court of honor, made up of the other candidates, will pass out the favors immediately after the coronation. Everyone who wished a favor will be brought about if we pass the line to be a modern American classic.

Ideas For Bond Money From Other Colleges

The senior class of the University of Wisconsin is planning early for its class reunion in 1952. To finance the get-together, almost $290 worth of Defense Bonds is going to be invested in United States Defense Savings Bonds for one year.

The Treasury now will bring a profit of $25.00 per bond to Uncle Sam and renews the bonds in 1952. At the same time, the government will be able to buy 25,000 45-caliber cartridges with the class funds.

Four one-time Drama students are learning to fly for the Army Air Corps. Cadet Don Baker is now doing basic training at Sumter, S. C.; Cadet John Parkansky is in his advanced training at Houston, Texas; Howard Halpert expects to be trained as a bombardier at Kelly Field, Texas; Sid Casher is in flight training at Wichita Falls, Texas.

Seven men who were in school last year are serving in one branch or other of the regular army. Graduate Bob Anderson is in the Field Artillery at Fort Bragg, N. C.; Gerald Moshle and Bob Quinn are located at Camp Croft, S. C.; graduates Edwin Kelley and Gordon Johnson are Coast Artillerymen, Kelley in headquarters company at Portsmouth, Va., and Johnson a Corporal in the Canal Zone. Graduate Abe Mitchell is located at Fort Monmouth, N. J., and Thurber Phillips is in Aviation Mechanics School at Keasler Field, Miss.

The vehicle had no power of its own. The actors had to continually get out and push it over the rough spots. The show has been over for a week now and the only thing that stands out in my memory is part of the second act; two short pieces of the show, the convincing portrayal of a hysterical girl, and the other bit done by a young lady who didn't speak a word.

Music—Dr. Charles McGaw rates can say that I have never seen a whose Drug Store Needs and Cosmetics to step into their parts with the was superb. To play a role which the most important step.

As was the first act bad, so was the whose whose Drama—The Kingdom of God was to date the most sincere and memorable performance this year. The best performance of the year is in Aviation Mechanics School at Keasler Field, Miss.

The various committees have worked zealously to make the Prem a success, but President Fred Kellea gives special credit to Steak Gallagher, orchestra; Evelyn Storrs favors and programma Rita Foley, from queen elections and crowning, Rhoda Ann Doddleston and Joe Stutman, tickets; Bert O'Brenz, publicity; Marian Ernst and John Hausman, decorations.

While attending Summit High School, Al played varsity soccer, ice hockey, and golf. During his freshman year at College he played soccer, and gym teams, and was pledged to the Phi Mu Adelphi Honorary Society. His sophomore year he was pledge master of his fraternity, Assistant Photographic Editor of the Ithaca, became a member of the track team and the Adelphi track team, and the Adelphi track team, and was pledged to Phi Epsilon Kappa. Sigma Delta Psi
Reorganization
The Theta chapter of Sigma Delta Psi, after three years of lethargy, has snapped out of it end is now pledging twenty-one men.

Dr. Steers has been appointed faculty sponsor. Under his guidance, the brothers are shaping a program which they hope will be beneficial to the school as a whole as well as the fraternity. The organization will be entirely composed of new men after graduation as our three present members, President Fritz Becker, Vice-President Dan Brown, and Secretary Bruce Herwig are all seniors.

The first pledge meeting will be held March 16, followed by the informal initiation March 23. The formal initiation will be held April 6, the Monday following Easter. Plans have been made for the election and induction of officers on April 13.

Since a recent talk with Mr. Hill, we have hopes of the school furnishing a fraternity house for the coming year. After all the splendid cooperation from the administration, we will do our utmost to live up to their expectations.

The officers wish to thank the members of Phi Epsilon Kappa for the interest and aid they have given us in our reorganization.

Phi Delta Pi
Four Pledges
With the hurry and scurry of Scammers keeping the girls busy all day long, the excitement has been great in the house. The pledges who accepted their bids, Marjorie Smith, Mary Jane, Jean Hoyt, and Elverie Rushby, have been gregariously flitting around the house each day. "Hall Week", the crowning glory of this short pledge period, will be next week.

Congratulations to "Umpty" O'Neil who received her contract to teach in Dundee.

Phi Mu Alpha
Initiate Five
A formal initiation was held Sunday for E. Jones, J. Graves, B. Smith, R. Meyers, Morris Seeley, McNaughten, and S. Blank. After the ceremony a supper was held at the house in honor of the new members.

Plans are well under way for the Phi Mu Weekend which will be held April 10, 11 and 12. Many of our brothers who are teaching are expected back for these affairs.

Brother "Mole" Reynolds is now happily situated at Fort Jackson, S. Carolina. He sends his best regards to all his friends at Ithaca College.

Warren (Sultan) Tarbell is back with us for the week-end. After that time the army wants him immediately.

Delta Phi Zeta
Weekend Dinners
Eleanor Wright took her pledge vows Sunday, March 1, in the chapter room of the sorority house.

Plans for Junior weekend have been made this week, but they will be changed slightly because of Saturday classes. Instead of the traditional breakfast dance, we will entertain at a tea dance, Sat.

Phi Epsilon Kappa
Fred Rella New President
As old father time is ushered out and replaced by cupid at the coming of a new year, so are the seasoned officers replaced by new ones. At a formal meeting held at Phi E. K. house, last Tuesday evening, the stage was set and those officers were elected: Fred Rella, President; Warren Lockwood, Vice President; John Housemen and Hank Adams, Secretaries, and Dave Rothanburgh, Treasurer.

The traditional Phi E. K. weekend will be held April 18 and 19. On the evening of the 18th, a dance will be held at the fraternity house. The following evening a gala banquet will be held at the Ithaca Hotel, followed by a dance at the Clinton Hotel or the I. C. Gymnasium. Elaborate plans are under way to insure a superb and unsurpassable weekend.

A smoker will be held at the house on the hill soon. Watch for the date and don't miss it. By the way, there is a possibility that the fraternity will pledge freshmen in the near future.

ATTENTION OFFICERS
May we remind the presidents of all campus organizations that the Student Council requests elections before April 1.

Sigma Alpha Iota
Spring Banquet Planned
Last Monday night we elected Fae Ellin to be toastmistress at our Spring Banquet. The banquet will be held at Victoria Hotel, April 11, 1942. It is the red letter day in every S. A. I. girl's heart.

Saturday, March 14, 4-6 p.m., there will be a Tea Dance held at the house.

Saturday, February 20, 1942 we formally initiated Eleanor Cady, Marjorie Mosely, Elizabeth Drachler, Grace Drachler, Evelyn Stine, and Joan Day. Congratulations, girls. We hope you will gain as much as we have in this cherished sisterhood.

Friday, February 19, 1942 we pledged the following girls: Betty Mitchell, Kay Dresel, Beverly Miller, Evelyn Moore, Helen Champieau and Barbara Rumsey. Welcome, pledges. Here's looking to a full, successful and happy future.

Newman Club
Activity Day Set
Harriet Wolf, phy ed junior, has been elected to preside over our Newman Club for the summer semester. Frank Ursus as vice president, Rosina Scott as secretary, and Vincent Settice as treasurer will assist her.

Elaborate preparations are underway to make April 19th a red letter day in the life of I. C. Catholic students. The activities will include a Communion breakfast with a guest speaker, Eileen Casey is chairman of arrangements for the breakfast. Rita Foley is general chairman of the evening's entertainment, which will consist of a buffet supper followed by entertainment and dancing. Anita Paone and Paul Carneau are heading committees for the event.

Newman Club hopes to establish the precedent of setting aside one day each semester for activities which all Catholic students of the College may participate.

The Ithaca Fresh finished the season with seven wins and four losses. The yearlings scored 200 points with an average of 45.4 points per game, which is not bad, but that average could have been considerably higher if the boys had hit the target from the 15 foot mark.

Don Beaney, captain, held the individual record by scoring 46 times from the field and 30 times from the free throw line.

Quite a few of these boys will be counted on heavily to round out the varsity. With graduation coming in December, this year's juniors will only be able to play a few games early in the season.

the motion picture version termed this "a story of a Yankee Faust who sold his soul for gold and won it back again." This analogy Prof. Dean said, "should be especially interesting at this time considering that the next big show is to be Goethe's "Faust."

Helen Tapley, Mary DiSarro, Howard Boone, Clem Cormody and Bob Ganyard are cast in important roles. Adrienne Larsen and Marian Teter assisted Prof. Dean in the direction. The dances were arranged and directed by Elsie Hugger, physical education instructor, and Rita Dickinson.

George Kelley's "The Flattering Word" has been on tour with the freshman company since the early part of the year. It was directed by Rita Foley.

The participants and crews may also feel confident that they added another successful event which will contribute in no small way to the continued growth and success of Ithaca College. U. S. Marine Corps
Enlisting I. C. Men

The United States Marine Corps will soon enlist several Ithaca College men for appointment to Candidate Class for reserve second lieutenants in the Marine Corps, it was announced today by Lieut. Loren J. Ryder, upon receipt of orders from Washington.

Ithaca College students who enlist for this branch for the duration will be immediately appointed privates first class and placed on inactive status while they are in college. Seniors will leave for training this June.

At least six months notice will be given these men if the exigencies of the service necessitates their being called to active duty before their graduation. Students interested in this branch of the service should contact Lieutenant Ryder by letter at the U. S. Marine Corps recruiting office, Federal Building, Syracuse, or see him in person on March 20.
