Maryland: ‘Death of a Salesman’

‘Death of a Salesman’ is labeled currently by our critics and the critics. The plot can be summed up in one sentence. A disillusioned old man is destroyed by his wrong sense of values. ITHACA COLLEGE! ITHACA COLLEGE!

Coffee, coffee, coffee, coffee

You rah, you rah rah.

Henry Norman and James Halsey

Thornton portray Happy and Stuff respectively. Both performers ex- pressed a sharp and intense insight into human behavior between the extremes of plain fun and deep psychological insight.

The dramatic and literary interest of the play is far from new, next, familiar to the audience, and very useful in enlightening and amusing the audience in the theatre.
