CAYUGAN, 1960
Ithaca College, Ithaca, New York

editor-in-chief   RICHARD WARING
President’s Address

The academic year 1959-60 has unquestionably been one of the most important years in the history of Ithaca College. It was over this past year that we announced our new development program calling for the erection of a new, self-contained, $15,000,000 campus on a lovely 208-acre site atop South Hill, overlooking the City of Ithaca and Lake Cayuga.

In June of this year, we break ground on this site for the erection of modern dormitory facilities to house 600 Ithaca College students, as well as a beautifully designed student union and contemporary functional academic buildings to service our students in the Arts and Sciences. In the Fall of 1959, we published to wide acclaim Dean Hickman’s Ithaca College Plan, a new approach to curriculum. The educational editor of the New York Times, the White House, outstanding educators, and high officials in state and national government have all commented with enthusiasm on this program.

The new campus and the new curriculum approach were both designed with the same idea in mind: better service to our students. The primary aim of higher education is to give the student every opportunity to develop to his or her maximum potential. This we have tried to do in the past and will continue in the future.

You, the graduates of 1960, have done a remarkable job as students of Ithaca College, and I know that you will continue to do an outstanding job as graduates of Ithaca College.

I wish you well!

Howard I. Dillingham
President
Dedication:
BERT ROGERS LYON,

We revere his unyielding standards of perfection and integrity, his clarity of explanation, his humor and mimicry, his patience and willingness to work so very hard for us. He was a glorious inspiration and a wonderful challenge to young students. Countless treasured memories are ours and a discipline and philosophy to live by.

The dearest memory of all, especially at the Christmas season, is the one of exaltation experienced during great choral performances when he conducted. It is apart from all else, very pure... no other experience can compare with it or give the same joy and satisfaction. Truly his influence lives on through us and our students.

...tribute to B. R. Lyon who died 6/8/59.

Delta Phi Zeta, Ithaca College's only social sorority, was founded on March 6, 1928, to promote a spirit of unity and friendliness among the women of Ithaca College. To maintain this objective, pledges to Delta Phi Zeta are chosen for their leadership, scholarship, and character. The girls of 510 East Seneca Street have founded a tradition of sisterhood among girls from all departments.

Social activities of Delta Phi Zeta include acting as hostesses for various college functions, sponsoring social events such as the Jam Session for Fall Weekend and the “Beatnik Bounce,” teas for rushees and the sorority’s patronesses, and an annual Pledge Weekend held in the spring.

Members of Delta Phi Zeta have received many honors. Carol Starkman was voted the “Beauty” in the United Fund “Beauty and the Beast” contest. The President of the sorority, Esther Glatt, had the title role in "The Diary of Anne Frank," and members of the sorority attended the opening night performance as a group.

Carol Starkman won the Ithaca College Beauty Contest for the second straight year.

Phi Delta Pi

The Theta Chapter of Phi Delta Pi, a National Professional Physical Education Fraternity for women was founded at Ithaca College in 1922. Since then it has been Phi Delt's purpose to provide an opportunity for girls with common interests in an atmosphere of activity and togetherness to promote the progressive development of Physical Education and to emphasize and develop effective leadership. The annual professional project, sending a representative to the Bi-Annual Convention, and receiving professional literature from National all help to contribute material for immediate and future use.

The highlights of the year are: the rush parties, sweatshirt sale, patronesses' tea and initiation, the annual raffle, a carnival for the children of Ithaca, and a weekend in the spring in honor of our new members.

The officers for 1959-60 are as follows: President, Barbara Weber; Vice President, Jeanine Michaud; Recording Secretary, Darla Maenpaa; Treasurer, Lorraine Santacroce; Corresponding Secretary, Suellen Shackleton; Alumni Secretary, Arlene Berlew; Historian and Sergeant-at-Arms, Sondra Gold; Chaplain, Harriett Marranca; Editor, Nancy Wilkins.
Sigma Alpha Iota is a national professional fraternity for women in the field of music. Epsilon Chapter at Ithaca College was established in 1909 and was founded fifth of 105 existing college chapters in the U. S. SAI requires of its prospective initiates four prerequisites: musicianship, scholarship, character and leadership. The primary purpose of the group is to further the development of music in America; and to uphold the highest ideals of the music profession. In accomplishing this purpose Sigma Alpha Iota sponsors the American Music Awards designed to aid American composers of outstanding ability.

Included in its honorary members list are such celebrated musicians as Nadia Boulanger, Dame Myra Hess, Lily Ponds, and Rise Stevens.

Epsilon Chapter presents each year one formal spring musical in the college theater which features a variety of music for the enjoyment of the public. At weekly SAI meetings, informal reading sessions performances and group singing are held for its members. Several lectures given by professors of the Ithaca College faculty are also on the year's calendar and are open to all students interested in music.

Sigma Alpha Iota's social functions include two annual dances held at the Chapter house, and the "Greek Sing." This year the sing was a tremendous success with about 600 persons in attendance. The functions of the fraternity are supported by a group called the patroness-alumnae organization which is closely related to the fraternity in all its workings.

Epsilon Chapter is a well-knit organization—its girls living and working together centering their interests about the appreciation of an education in music. The 1960 Sigma Alpha Iota slate of officers reads as follows: President, Carol Bernier; Vice President, Sue Albright; Secretary, Rosemary Barnello; and Treasurer, Betty Lou Dubben.
Delta Kappa

With a background of banner, piano, and composite pictures, the DK meeting room draws an attractive smile from all.

Meeting called to order.
115 Glen Place. This is a familiar address to all Ithaca College students. This is the home of the men of Delta Kappa. "The House" is the heart of DK, and all the plans, activities, and ideas originate here.

In the fall Glen Place is alive with the preparations for and the publishing of, the I.C. Student Directory. DK men publish the directory every year, and this year's issue, the 12th edition, is bigger and better than ever. The rest of the fall season is taken up with preparations for Fall Weekend, football games, house openings, and other college events.

As the Christmas season approaches, 115 Glen Place assumes a festive appearance. Preparations for the annual Christmas Ball begin immediately following the Thanksgiving recess. The Christmas Ball, with the coffee hour at the house following, is the highlight of the Christmas social season.

Spring at last arrives bringing with it the warm weather and high spirits. The heavy maroon jackets are hung up, and Spring Weekend is fast approaching. Each year, DK sponsors the sale of Spring Weekend Mugs, and joins with the other organizations at I.C. with a float in the weekend parade. At the close of the school year, Delta Kappa presents two awards. One award goes to the Senior outstanding in scholastic achievement, the other award is presented to the Senior outstanding in athletics as chosen by the Physical Education Department.

After the last exam is taken, and the last Delta Kappa Brother has left for the summer, 115 Glen Place is locked and closed up. But one thing is certain, it will come alive again in the fall.
Delta Sigma Pi

Prof. Kolmin, bothered by F. Beninati and D. Fialkoff, tries to conduct an auction for the UF, sponsored by Delta Sigma Pi.

Pledgemaster Lemieux is looking for his charges.

Ithaca College “Beast,” Frank Beninati, Delta Sig Brother.
With the commencement of the '59-'60 academic year, the Brothers of Delta Sigma Pi gathered to plan the activities for the coming year. Their main goal was to achieve the maximum number of efficiency points for the second straight year.

The Brothers began the first semester by conducting the annual United Fund Drive on the I.C. Campus. Among the fund raising campaigns were a “Beauty and Beast,” contest, won by Carol Starkman and Brother Frank Beninati, respectively, an auction, conducted by Professor Frank Kolmin, and a dance. The campaign was a huge success, and the Brothers netted a record amount for Ithaca College. The Brothers also assisted in both the Tompkins County Blood Bank Drive and the Tompkins County Heart Fund Drive.

The professional agenda has included a trip to National Cash Register plant in Ithaca, and many speakers. Among the latter were Dr. Earl Brooks, Personnel Professor at Cornell University, and Art Steaberg, Director of Personnel Placement for I.B.M., Owego, N. Y. Many other speakers and business trips are planned for the Spring Semester.

Delta Sig’s social event of the year is the “Rose of Delta Sig Ball.” Last year’s “Rose,” Miss Bonnie Jo Marquis, who went on to become the National “Rose,” and “Miss New York State,” will be succeeded by one of the following finalists: Bonnie Baker, Stephanie Pieper, Joan Sensmeyer, Judy Smith, and Mimi Teleisha. Best wishes to all of the candidates, and we hope that the victor will follow in the steps of last year’s “Rose.”

Other social activities include smokers, rush parties, banquets, and of course Spring Weekend activities. This year, Delta Sigma Pi took over the sponsorship of a bowling league. It was set up by Brother Charles Sundberg, and is running smoothly and with a large enthusiastic following. Well done, Charlie!

Thus far this year Delta Sig has made many advances and it is continuing to prove that Delta Lambda Chapter of Delta Sigma Pi is one of the most efficient and community-minded fraternities of the Ithaca College campus.
Iota Chapter of Kappa Gamma Psi is one of the most potent groups on the campus of the Music Department. Founded in 1913, the fraternity is dedicated to the concept of a fellowship which includes both the faculty and the student and which would stimulate the study of music and music accomplishments beyond the capability of the school. Iota Chapter demonstrates these goals by the high percentage of first-chair men and professional students who are members as well as by the numerous reading sessions, etc. which the fraternity sponsors.

Perhaps one of the friendliest groups on campus, Iota Chapter is noted for such events as the annual Christmas party, house parties and after-hours parties as well as purely musical events. To be sure, music forms an important part of these social events but on these evenings it is augmented with food, drink and fun.

The members of Kappa Gamma Psi are known all through the world and include citizens from many different countries. Pablo Casals, Fritz Kreisler and Ignace Padarewski are all members as well as Americans George Eastman, Duke Ellington and James Burke who is at present a visiting lecturer at the college. On the regular faculty we number David Berman, our adviser, and George King Driscoll among our members as well as many others.

The past years have seen numerous members of Iota find success in the musical world. These include Nick Brignola who recently was featured along with Lennie Niehaus as soloist with the Berklee Lab Band, Jerry Zampino, who is now with the West Point Band, Terry Hulick who conducts the Louisville Symphony and Frank Batisti who is the Director of Music at Ithaca High School, one of the best systems in the state.

Phi Mu Alpha

Delta Chapter is the fourth chapter of the largest men's professional music fraternity in the world, Phi Mu Alpha Sinfonia with over 165 chapters in the nation. The chapter was founded at the Ithaca Conservatory on January 28, 1901 and maintains its own house at 117 Dewitt Place. Its aims are: to foster the mutual welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members and to encourage loyalty to the Alma Mater.

The activities of the chapter include: a freshman smoker, a joint house opening with Sigma Alpha Iota as well as a Christmas party each fall, and in the Spring, the Chapter gives its Annual Recital consisting entirely of American music and also has a formal banquet in which some prominent dignitary from Ithaca College is the guest speaker.

The officers of the chapter are: President, David Partington; Vice President, Clifford Spohr; Secretary-Treasurer, F. Edward Ritchen; Warden Chaplain, Ronald Patrick; Pledgemaster, John Larchar; Assistant Pledgemaster, Duane Klinki; House Manager, Barry Brooks; Assistant House Manager, Harold Phelps; Historian, Alan Lockwood; Executive Alumni Secretary, Terrance Toth; Social Chairman, Lawrence Holdridge; Recital Chairman, Rod Derepinko.

The men of the Delta Chapter are found in every major music organization in the college. They have their own chorus, percussion and brass ensembles as well as a fifteen piece dance band. It is traditional for the Chapter's marching band to lead the school's Spring Weekend parade. Their musical excellence is symbolic of the professionalism which the fraternity fosters.
Rho Mu Theta has three basic aims: to promote high scholarship, both among its members and throughout the college; to develop interest in the study of the sciences, particularly mathematics, both in the school and in the community; and to increase the opportunity for social functions, balancing social and scholastic activities so the members are able to get the most value from their college days.

Its members are mostly Mathematics majors, but membership is open to other students who show interest and ability in mathematics.

Although Rho Mu Theta is not yet a year old, it has since its organization taken an active part in all the major campus activities, has established an annual award for scholarship during the freshman year, and offers a free tutoring service in physics and mathematics.

Rho Mu Theta is on the move.

Having been organized but a short time, this fraternity did an excellent job on their Spring Weekend float.
The year 1959-60 once more saw Phi Epsilon Kappa as one of the leaders in fraternal circles. The Brothers, totaling some 60 in number, form the nucleus of Ithaca College’s Department of Physical Education and its athletic representatives are very active in school affairs. The fraternity sponsors such events as: “The Annual Sweetheart’s Ball,” the social event of their school season; “Sports Circus,” which sees the Physical Education Department on parade before the student body; “Intramural Basketball League,” which provides an opportunity for all students to participate, and “The Most Valuable Player Awards” in the major sports.

Besides its sponsorship of many projects and events, the fraternity also did its part in giving wholeheartedly of its time and efforts toward worthwhile Community and College projects.

The Brothers and Officers of Phi Epsilon Kappa thank all of the student body for their support and attendance at all of the fraternity-sponsored events.

Rho Tau Sigma is a national, honorary radio and television fraternity. Zeta Chapter was installed in Ithaca College on April 13, 1957. The initial membership totaled six, and has been expanded to the present enrollment of close to thirty.

Activities of Rho Tau Sigma for the year 1959-1960 include an annual Christmas party, sponsorship of the annual open house and guided tours of the radio and television studios, two formal initiation banquets, a picnic on Spring Weekend, and sponsorship of many television spectaculars which proved very successful. This season, thus far, the television crews, many of whose members are members of Rho Tau Sigma, became the first crew to televise wrestling matches, on the college basis.

Membership in Rho Tau Sigma is limited to upper classmen who have shown outstanding ability in the field of radio and television.
Theta Alpha Phi

Theta Alpha Phi, Beta Chapter, is the drama fraternity here at Ithaca College. The Brothers and Sisters of this organization devote themselves to furthering theater through various activities designed to promote all the phases of theater: acting, directing, scene design, and writing, as well as the business and other technical aspects of the theatrical profession.

TAP, as this fraternity is commonly called, began the fall semester, 1959, with a welcome party for the freshmen. The officers for the year were presented, including, Jared Brown, president; Carol Silver, vice president; Sandra Paolini, secretary; James Miller, treasurer; Thomas Urban, social chairman; Doris Schaffer, parliamentarian; Esther Glatt, Inter-Fraternity Council Representative.

Early in October, The Famous Film Festival, another activity sponsored by the organization, began monthly showings of exceptional motion pictures of merit in the Little Theatre.

The Original One-Act Play Program was held shortly before Christmas. This year, the plays presented were “A New Life” by David Varnette, Jr., “A Minor Matter of Federal Fraud” by Carolyn Silver, and “The House of Dead Winds” by Roger Stevens. Theta Alpha Phi members directed the student acted productions.

The annual After-Scampers-Party was held as usual closing night of Scampers and as has been traditional consisted of refreshments, dancing, and amusing entertainment.

The Spring Semester brought the Play-Writing Contest. Cash prizes were awarded to first, second and third prize winners on the evening of “Salute to Seniors,” the short variety show presented during Senior Week as Theta Alpha Phi’s tribute to the graduating class.

TAP is composed of upperclassmen who have offered outstanding contributions in the field of theater at Ithaca College. Membership into the organization is a reward and an honor, but at the same time this membership does more. The initiate unlocks a door to a more precious opportunity—an opportunity to work in close kinship with people like himself—people devoted to the furtherance of theater at Ithaca College.
Pi Theta Phi is a professional physiotherapy fraternity. Ithaca’s Alpha Chapter was founded on December 3, 1946 in order to form a more perfect bond of fellowship, to advance the well being of the fraternity and to perpetuate its traditions...mainly the elevation of the standard of the physiotherapy profession and the advancement of the science of physical therapy. Membership of the fraternity is coeducational.

In the fall, shortly after the school year begins, the fraternity sponsors the Physio picnic to welcome the freshmen and make them feel right at home in their new surroundings. Phi Theta Phi also sponsors a Winter Carnival at which they participate as a group in winter sports, a banquet, and a dance. The Winter Weekend has just recently materialized into an annual event. The Reconstruction Home enjoys a Valentine party every February through the efforts of the fraternity. They also sell flowers to the students for the Fall and Spring Weekends. Another project this year was the selling of the Hymarx and Varnes and Noble Series of Books to the students. These books include outlines of many of the subjects which the college offers and are meant to be used only as supplementary reading to the text.

During pledging periods the pledges help at the Cerebral Palsy Clinic and Reconstruction Home. Formal induction into the fraternity takes place in the spring at the Institute Banquet. Pi Theta Phi’s largest event of the year is the Institute Weekend. On Saturday of the weekend, the Institute brings to Ithaca College the latest developments in the field of physical therapy. This is accomplished by inviting leading specialists in the field to demonstrate procedures, techniques, and modalities. The Saturday evening banquet and Sunday afternoon picnic top off Pi Theta Phi’s Weekend.

The Student Council is the head of the student body at Ithaca College. Its main objective is to foster a close and harmonious community of interests among students, faculty and administration. The council acts as a clearing house for any problems affecting the student body.

The Ithaca College Student Council is composed of four representatives from each class, elected from the department of Physical Education-Physiotherapy; Music; Speech, Drama and Radio-Television; and Business and Liberal Arts. It is the aim of the council to serve the student body by acting as a liaison between the students, the faculty, and the administration. The Council co-ordinates Frosh Elections and approves the organizations on campus and their constitutions.

While the Student Council itself is not a social organization, the council sponsors Fall Weekend in cooperation with other organizations on campus. Two big events which the Student Council operates are the sale of beanies to freshmen in September and moving up day in May.

The purpose of the Women's Student Government of Ithaca College is to dedicate its efforts to foster and maintain the ideals of democratic self-government, to administer the privileges and restrictions of the women students, and to formulate the policy for social regulations of the women students. A better understanding is created between the student body and faculty of Ithaca College. It also provides opportunities for women to participate in creative government work.

The work of the W.S.G. begins early in the summer with the inauguration of the Big Sister, Little Sister Program. Every freshman girl is given a better chance to learn a little about I.E. through an upperclassman who is her big sister. During freshmen orientation, the first week of school, they attend the Big Sister--Little Sister Tea which takes place at President Dillingham's home. At this event the new student meets the W.S.G. officers, her fellow classmates and several members of the faculty.

Frosh Frolics, sponsored by W.S.G., takes place about three weeks after the beginning of the fall semester. All the freshmen girls in each department present skits which are then judged and the winning group is presented with a cup. The cup is kept permanently by the department that succeeds in winning three years in succession.

The annual Tag Day for Kim, I.C.'s Korean war orphan is held in November. This particular day is set aside so that each and every student and faculty member will open their purses with generous contributions for Kim. Since the W.S.G. is Kim's sole support, a lot depends on the enthusiasm and cooperation of each freshman girl who collects the funds. Another money raising project is held in the second semester.

Early in the spring, when the new W.S.G. members have been elected, a banquet is held in their honor. The new officers then begin their official duties. Last year for the first time, the W.S.G. sponsored a garden party, held the last week of school, to honor the seniors.

Through the combined efforts of each member of the W.S.G., Ithaca College has created and maintained a high standard in respect to student self-government.

Women's Student Government

Inter Fraternity Council

The Inter-Fraternity Council serves as a governing body for the fraternal organizations of Ithaca College. Its purpose is to foster a feeling of friendship and mutual understanding among these organizations and, in cooperation with the college administration, to control and regulate those matters in fraternity life which are of common interest to the members, organizations, and the college. I.F.C. is also responsible for all freshmen in matters pertaining to the conduct of fraternal groups. The I.F.C. determine how long pledging is to last, and as an outside project I.F.C. handles the Ithaca College Blood Bank.

This organization sends a welcome letter to all incoming Freshmen in order to inform them of Fraternity life at I.C. As an incentive for scholastic achievement among the member organizations, the I.F.C. presents a cup each year, at the college moving up day, to the Fraternity or Sorority with the highest index.
Adelphi is a Freshman scholastic honor society, founded in 1932 by Ida Powell, the Dean of Women.

Election into this Freshman scholastic honor society comes after maintaining a 2.0 index for a year at Ithaca College. As a reward for maintaining such an average, one is invited to a formal initiation banquet and has the privilege of wearing the Adelphi Silver Key. The encouragement to achieve high scholastic attainment and to give recognition to freshmen and transfer students who do so is the purpose of Adelphi.

Each year Adelphi provides ushers and ticket takers for the annual student show, Scampers. Many of the Adelphi members later become members of the senior honor society, Oracle.
Oracle

Oracle is an honorary society of Ithaca College reserved for outstanding upperclassmen. Eligibility is based upon individual merit, and election upon the four point consideration of leadership, loyalty, service, and character, as well as of scholarship. These qualifications make the membership for each year representative of the highest type of undergraduates, irrespective of department.

Oracle was founded at Ithaca College in 1929. Mrs. Jennie Talcott was faculty advisor for the next twenty-three years until her retirement. Mrs. Helen Hood took over as faculty advisor, and serves in that capacity at the present time.

From time to time the society has honored with membership alumni who have done outstanding work in their profession since graduation, as well as certain members of the college faculty. With the initiates of 1959 the membership has reached 640.

As an annual project to benefit the college, Oracle began in 1934 the annual student program called “The Student Scampers,” the proceeds of which support a student loan fund for Juniors and Seniors. This fund has benefited well over 100 students.

A large formal initiation of members and combination initiation—Scampers banquet is held each spring.
The Newman Club is a national Catholic Club established in secular colleges everywhere. It was organized to “deepen the spiritual and enrich the temporal lives of its members through a well-balanced program of religious, intellectual and social activities,” to bring Catholic students into a common union, and to assist the college and its students whenever it is necessary. A Catholic student pursuing a secular education must safeguard his Faith and integrate his education with his Faith.

The Newman Club offers the student ways and means of fulfilling these obligations. He may have personal counsel with the Chaplain whenever he chooses. The Club provides an opportunity for healthy association with other Catholic students in meetings and social events. Newman Club provides these benefits when the student participates actively in the Club’s program. The Ithaca College Chapter officers are: President, Carla Marchuska; Vice President, Jim Lemieux; Secretary, Rosemary Barnello; Treasurer, Bob Caparula.
Hillel

Hillel organization at Ithaca College is a branch of the larger B'nai B'rith Hillel organizations. This Judaic group, found on most college campuses throughout the U. S., often team up with their religious counterparts from nearby colleges for debates, dances, brunches, and lectures.

The Jewish community on campus and others interested are provided with further knowledge and appreciation of the religious, cultural and social aspects of Judaism.

The 1959 administration has placed special emphasis to engender common interests for Jewish students of diverse backgrounds. The present officers at Hillel at Ithaca College are: President, Ruben Marshall; Vice Presidents, Dave Scheuer and Arnie Reif; Secretary, Joan Heyman; and Treasurer, Richard Moss.

Cayugan

"Scampers" is the College's annual all-student production, usually produced, as in 1960, in February. The students are responsible for writing, directing, designing, managing, and every other facet of theatrical production. The Scampers tradition began in 1934 when Oracle, the Senior Honor Society, voted to sponsor a project which would benefit the college, and came up with a stunt night in which various fraternities, sororities, and miscellaneous organizations took part, displaying original talent. Gradually it became either a variety show or a book show (in which there is a single story line). Scampers 1960 was a book show by Jared Brown and Charles Moss, with music by Ken Lauber, entitled "Oh Say Can You See."

All proceeds from Scampers go into a student loan fund, from which worthy juniors and seniors may borrow tuition, thus enabling many deserving students to complete their education. To date, the fund has accumulated nearly $14,000, and 139 students completing their education because of its existence.

Scampers is open to anyone, and in fact welcomes everyone, in any department or class who is able to contribute to the production in one way or another, whether by selling advertisements, acting, copying music, writing, directing or any one of the hundred talents that are needed in order to produce a musical show.

Ever since 1934, Scampers has been produced annually (with the exception of a few years during World War II when lack of manpower made it advisable not to undertake the production), and the probability is that it will continue to supply the same outstanding entertainment for many years to come.

Varsity Club

One of Ithaca College's busiest organizations is the Varsity Club. This group of I.C.'s Varsity lettermen starts its activities early in the season with the Frosh Dance at the beginning of the semester. Its members serve as hosts to the various visiting athletic teams when they arrive in Ithaca, fostering better inter-collegiate relationships. Running refreshment concessions at various athletic activities and collecting tickets are among their regular chores. The revenue raised from these activities help to fatten the purse for the annual lettermen and award winners' banquet in the spring, the highlight of the year.

In all the activities of the club, the purpose of organization is expressed: to help all varsity men in unison and to assist in arousing school spirit.

Many Varsity Lettermen from other sports participate in intramural basketball to keep in shape.
Women's Athletic Association

W.A.A. offers an ample opportunity for association with girls from all walks of college life through participation in the various activities of W.A.A. In fact, the main purposes of W.A.A. are: To encourage inter-departmental friendship and understanding by bringing together students from all areas of specialization for participation in activities of mutual interest and appeal. To provide all women students of Ithaca College with the opportunity to participate in recreational sports; individual, dual, and team. To promote good sportsmanship. To organize and conduct the sports program in accordance with the D.G.W.S.—Division for Girls' and Women's Sports.

These purposes are fulfilled in several ways. For instance, through the sports activities offered the members such as field hockey, tennis, volleyball, basketball, bowling, co-recreational activities, table tennis, badminton, fencing, and softball, the members meet, and enjoy the company of their opponents, as well as showing good sportsmanship. Each sport is handled by student sports managers who set up tournaments and supervise their own activities. Aside from sports activities, such things as demonstration clinics and blazer sales are sponsored. To top off the year’s activities a banquet is held for the members, at which time awards are distributed. As a final informal get-together, a picnic is held at Stewart Park.

Much credit for the success of W.A.A. is due to our advisor, Miss Kelsey, who always has an encouraging word and a helpful suggestion.

Through the years W.A.A. has proved to be very successful and we hope the success will continue in the future. The officers of W.A.A. are: Lorraine Santacroce, President; Pat Delaney, Vice President; Joanne Prouty, Secretary; Sandra Weber, Treasurer; Carol Pratt, Program Manager; Nancy Wilkins, Publicity Manager; Terry Bolha, Freshman Representative; and Miss Martha Kelsey, Advisor.
The Ithaca College Wives Club was formed in the Fall of 1958 by Mrs. Harriet Ornato. She is the wife of Mike Ornato, who graduated from Ithaca College in 1959. He was a Physical Education member. The Club was formed in order that wives of Ithaca College students could get together for both educational as well as social functions.

Last semester's activities were highlighted by a few bake sales as well as the club's bi-weekly meetings. The students at Ithaca College, as well as the Club benefit from these bake sales. The students get to enjoy homemade goodies, and the Club's treasury grows from the proceeds. The meetings are highlighted by speakers. These speakers cover all topics for both educational and social benefit. At the present, the club is working on various money-making schemes.

Each Spring, the Club holds a banquet around graduation time, and the wives are presented with P.H.T. (Push Husbands Through) degrees. As well as this humorous occasion, the Club usually invites a Dean from the College, as well as some speaker.

Having been formed for only two years, this Club is growing steadily, and more and more interest is being developed. This year's officers are: President, N. Fasalino; Vice President, M. Bidwell; Secretary, C. Monaghan, and Treasurer, Mrs. Carmean.

Music Education National Conference

M.E.N.C. stands for Music Education National Conference which provides for student participation, at the organization. It affords students opportunity for professional orientation and development while still in school. The Ithaca College chapter No. 219 sponsors demonstration, discussion and performance groups. All are related to instrumental or vocal teaching at either elementary, Junior or Senior High School, or the college level.

Through these discussions, demonstrations, and concerts it is hoped that the music education student will be aided in developing a practical, realistic concept as to the function of the music education profession.
The Government Club was organized in January, 1956. The main purpose of the Government Club is to provide a forum for students to discuss important issues, to stimulate an interest in governmental affairs and politics and promote harmony and friendship between persons of varying political opinion. Although the Club does not endorse candidates or political parties as a group, various members work for their favorite candidates or parties. This year's meetings have been highlighted by a series of lectures on various aspects of government and current events.

The officers of the Government Club are: Speaker, Art Cohen, and Speaker Pro Tempore, Joe Malone. The members of the Club as well as its officers believe that if more people were to attend some of their meetings and lectures that more people would become interested in the workings of their Club and the major governments of the world.
Many couples enjoy the break afforded by “Fall Weekend.”

I.C. ’59-'60

Football pep-rallies were better attended this year probably because of a winning season both last year and this.

A highlight of Spring Weekend is the Float Parade.

A costume hop on Friday night is informal and many different costumes are likely to be found.

One of I.C.'s major productions was BUS STOP, very well done by all persons.

JAMAICA was very well done and conformed to the theme: Broadway Musicals.

King and Queen of last year's Spring Weekend are E. Shuster and H. Shapiro shown here riding their float.
SPORTS
This page represents a blank page in the original document.
The Ithaca College Gymnastics team engaged in a very ambitious schedule this year. At least 10 exhibitions were slated as well as home and away gymnastic meets with Cortland. For the most part, the exhibitions have been given at public schools in Ithaca and the surrounding area, which has done much to create good relations for the College. The squad is composed of male and female physical education students. Vincent Messina and his assistant George Maurer handle the coaching reins. George Webber serves as captain of the Gymnasts.

Varsity Baseball

Coach Bucky Freeman’s twenty-fifth year at the coaching helm proved to be one of his most successful in a long and eminent career. After dropping a close decision to Scranton University, the Bombers went on to win 14 in a row in regular season play. As a result of this fine record, Ithaca College was picked to compete in the N.C.A.A. District II championship playoffs. They then defeated the University of Pittsburgh on the fine hitting and pitching of Bob Graham before losing to a powerful Penn State team. It was the second time an Ithaca College baseball team appeared in championship competition.

The team’s accumulative batting average was a potent .351. Stan Borow led in the batting department with a .400 average while Bob Graham posted a 5 and 0 mark to head the pitching staff. Mel Giarolo was named to the N.C.A.A. District II all-star team.

The annual tour through the South was another highlight of the season with the University of North Carolina, Elon College, Camp LeJeune, and Quantico Marines furnishing the opposition.
Like their varsity counterparts, the Frosh Baseball squad went through a highly successful season. Only three defeats marred their record and every opponent was defeated at least once with the exception of Delhi who played to a scoreless tie in a hard fought contest.

Skip Lyne led the team in hitting with a .340 average and in addition produced the most hits and tied Nick Lamendola for R.B.I. leadership. Jim Russin did the bulk of the pitching and blasted the lone home run of the season. Don Martin, who batted .322, won the most valuable player award.

Many of the yearlings will be badly needed to bolster the varsity club which lost a host of players by graduation.
Only one meet was scheduled for the Frosh Trackmen and that resulted in a 66 to 51 loss to Wyoming Seminary. The Ithacans took first place in six events but couldn't seem to gather enough total points for the victory. Gary Hatch turned in an outstanding performance by scoring a double victory in the high and low hurdles. I.C. also placed first in the discus, javelin, broad jump, and shotput respectively, but they had a tougher time in the running events which eventually led to their downfall.

Another vaulter clears the bar set at eleven feet.

Bob "Tiny" Marella tries to best his shotput record at I.C.

Pole-vaulter George Webber clears the bar.

Ralph Russell is far away from his nearest opponent in this race.
The outstanding feature of the 1959 Ithaca College Track and Field season was the Bombers’ third place finish in the New York State College Track and Field Meet. Dick Carmean placed first and broke his own meet record in the pole vault with a 12'10½" vault. Bob Marella took first place in the shot put and third place in the discus.

Two Ithaca College records were also broken during the course of the season. Bob Marella upped his own Ithaca College shot put record to 48'8" while James West leaped 21'6½" to establish a new broad jump mark.
One of the significant aspects of the spring sports scene was the impressive 6 and 2 record compiled by the golf team. The Bombers captured the unofficial championship at the 12 team Harpur Invitational Tournament. Gene Stefanacci and Jack Bower tied for medalist honors in tournament competition with 78's. The latter then recorded a birdie on the first extra hole to win the playoff.

The team was composed of a solid combination of veterans Tony Forte, Herb Bowen, Jack Bower, Nelson Harrington, and Ken Overslough plus two fine sophomores—Gene Stefanacci and Henry Hulbert. Stefanacci captured medalist honors in four of the team's encounters and suffered only one defeat.

Credit must be given to Coach Herb Broadwell who provided the direction needed to establish one of the best records in the history of the sport at Ithaca College.
The Ithaca College tennis team got off to a fast start with two quick victories before they ran into some tough competition from Cortland, Brockport, and Hartwick. Against Utica, the Bombers took all of the doubles matches and four of the six singles matches. Influential in the Harpur victory was Bob Stephens who won his singles match and teamed with Murray Stern to capture a doubles match. This provided the margin of victory.

Although the team registered only two wins while enduring four defeats, this total was somewhat of an improvement over recent seasons. With the top four singles players returning and some promising freshmen, I.C's tennis fortunes should be considerably brighter next year.
The 1959 Bombers failed in their bid for an undefeated season, but they came very close to accomplishing this goal. One touchdown losses to East Stroudsburg and Cortland meant the difference. Again this year the gridders had a high ranking among small colleges in total defense, ranking 6th with a 121.1 yard per game total defense.

Coach Dick Lyon continued the practice of substituting two units, the Blue Darters and the Green Hornets, throughout the season. This has accounted for a large part of I.C. football success as an aggregation of players have made tremendous contributions to the team's efforts. Graduation will take 16 of this year's 27 lettermen and these losses will be greatly felt.
The 1959 season brought many achievements. The 58 point total against Brandeis was a new college record. Dick Carmean scored at least one touchdown in nine consecutive games before being stopped by Brockport. Jim Bradshaw rushed for 209 yards including a 91 yard touchdown jaunt in the King's game. Finally, John Guinan took full advantage of the new liberalized goal post rule by kicking two field goals.

Ithaca College also got its share of post season honors. The Little All American Honorable Mention list included three Ithacans—Charlie Boots, Guinan, and Bradshaw. In addition, Guinan was selected to the small college E.C.A.C. North squad. Team trophies went to Pete Sansiviero, Most Improved Lineman; Bradshaw, Outstanding Back; and Boots, Most Valuable Player. John Cashman will captain the 1960 Bombers.

The coaching staff, headed by Richard Lyon, must be commended for their fine job. So completely have they rebuilt I.C. football that many observers have forgotten the numerous lean seasons of the past.
Ithaca College's future football prospects continued on the upgrade as the Freshman football team concluded a rewarding campaign. They started off with impressive wins over St. Lawrence and Hobart. But in between these first two victories and their final success, the Bombers were unable to take the measure of Alfred and Manlius. At the time of their meeting with the Frosh, Manlius was unbeaten, untied, and unscored upon. Unfortunately the Ithacans couldn't change these conditions, yet they played admirably in defeat. The final score was not a true indication of the close disparity between the two squads. A case of 'fumbilitis' was the main cause for the Alfred defeat as the Frosh let many scoring opportunities slip through their hands. Nevertheless the Frosh did much to offset these defeats by giving Cortland a sound thrashing to close the season in grand style.
High-scoring phenom Sandor Szabo has only the goalie to contend with.

Freshman Soccer

The Frosh booters soared to an impressive season tally of 7-1, the best soccer record in Ithaca College history. Only a one goal loss to Brockport separated the Bomber yearlings from enjoying a perfect season. Included in the win column were victories over such formidable foes as Cornell, Army, and Cortland.

During the season Sandor Szabo, a Hungarian refugee, created quite a sensation when he hooted 18 goals into the nets. He was particularly tough on Army and Broome Tech by connecting for four goals in each contest. The team picked John Hewes and Pete Navaretta as co-captains, and Szabo was named the most valuable player. Due credit must be given to Coach Carlton Wood as well as the rest of the squad whose combined efforts made this record possible.

With a strong second half effort, the Varsity Soccermen overcame R.P.I. to insure a winning season and a 5-4 won and lost record. Two of the four losses were administered upon the Bombers by only a one goal margin.

The win over R.P.I. was of greater significance because it marked the first victory over this school in a long soccer rivalry. In addition, the Ithacans extended their winning streak to five straight over Hobart.

Captain Phil Leibrock, who consistently played well, was voted the most valuable player and was named along with Barry Shufelt to the All New York State honorable mention list. Dick Bona led the team in scoring with a six goal output.

As a whole the booters were quite a well-balanced squad with many players turning in outstanding games during the schedule.

Won—5  Lost—4
Despite the graduation losses of high-scoring Richie Slomkowski and many of his teammates, the Ithaca College varsity basketball team compiled an outstanding record. After a disappointing opening season loss to Cortland, the Bombers reeled off seven straight victories before being stopped by Army. The squad was able to stay close to the Cadets in the first half but the latter’s superior height advantage proved to be decisive from then on. Nevertheless, they came within two victories of tying the all-time season winning streak set by the 1932-33 and 1939-40 College quintets.

Senior guards Phil Leibrock and Carl Wambold were elected co-captains and formed a strong backcourt combination. Leibrock ranked very high among small college players in free throw percentage. Paul Mueller is the most improved player on the club, advancing from a sub into a solid first string performer. In addition, Ken Slonis, Jim Russin, Mike O’Brien, and Ed Sharpe have added considerably to the winning effort.

The success of the squad hinged on a well-balanced attack. The first ten games saw Coach Carlton Wood constantly shuffling his starting line-up so that many players saw extensive action.

Freshman Basketball

Winning nine of their first ten games, the Freshman Basketball team are on their way to establishing a new Freshman record with eight games left to play. The only loss was to Cornell by a three point spread. Ithaca had the edge for a good part of the contest and stayed close to the Big Red right up to the final gun. A feature of the season was an 82 to 77 decision over the Army Plebes.

The Bombers were led by a high scoring trio consisting of Paul Colacecchi, Gary Gregorka, and John Hewes. So far both Colacecchi and Gregorka have averaged over 20 points per game. Hewes will be lost for the rest of the campaign as he is now eligible for Varsity competition. The Frosh will greatly miss his scoring punch and rebounding prowess. Recognition should be given to the rest of the squad, especially John Lilac and Bob Risley, for their contributions to the winning cause.

I.C. basketball fans will be waiting to see this group of Freshmen, who might well be the best in the College's history, move up to the Varsity next season.

I.C. ballplayers are eager for rebound, but so are the two opponents.

Freshman Wrestling

At the time of this writing, the Freshmen grapplers have gotten off to an inauspicious start. The yearlings had to withstand some tough opposition from Syracuse, Cornell, Army, and Cortland, which is the main reason for their poor showing. Thus far, Tom Hasemann with two pins and Louis Ricks with a pin and a decision have been the most successful wrestlers. In addition, Joe Kontrebecki, and Nick Gordon will figure prominently in future matches. With Buffalo U., Alfred, R.I.T., and Oswego remaining on the schedule, the Frosh have a good opportunity to avenge their previous defeats and improve their record.

Varsity Wrestling Coach Herb Broadwell faced the beginning of the season with only four lettermen returning from last year’s squad. In spite of this, the Bombers were able to subdue Syracuse in an exciting opening season upset. The outcome was not decided until the final match when heavyweight Jack Stanbro overcame his opponent to cop the victory. Next, the Ithacans bowed to a top-flight Winona S.T.C. delegation. Only Weldon Canough was able to salvage a victory from that onslaught. A win over Clarkson and an unanticipated loss to Wilkes followed before the squad crushed Cortland by taking 7 out of the 8 bouts. With half the schedule completed, Stanbro and Canough boast the most outstanding records. The latter is undefeated while the former has one blemish—a 7-4 decision. Jim Valentine, Dick Bona, and Joe Sangiorgi are also prominent veteran wrestlers. If the Bombers are unhampered with injuries, last year’s mark should be at least equalled.

After an absence since 1950, Cross Country returned last fall to the Ithaca College athletic program. However, the inexperienced harriers could only salvage one victory while dropping three decisions and placed ninth in the New York State Track and Field Association Cross Country Championship. The bright spot of the season was the fine running of sophomore John Coons who finished third in the State meet. Against Oswego, Coons broke the previous record by 30 seconds when he ran the 4.1 mile course in 20:01.5. Others on the squad included Don Martin, Bill Neeley, Bill Alexander, and Charles Albert. With Coons eligible for two more years, Coach "Doe" Yavits will have a fine nucleus around which to build future teams.
