Letter To The Editor

Dear Editor:

It has been noticed in the previ- ous issue of this publication that, as the story goes, the highly esteemed column, Feedback, alleg- edly, overstepped its column inches by using “a certain amount of per- sonal bias or saltness on the part of the author” (whoever that is). The choice use of the phrase “pers- onal bias” must admit, suits us to the proverbial “pin”—but then that’s, why we’re here. However, we do wonder on what exactly does our distinguished colleagues bias his opinion? Be that as it may, we, of WITJ have done our part in saying... HELP KEEP OUR

ANNOUNCEMENT

The next issue of the Ithacan will be the last of the school Year. All college departments, student organizations, fraternities and or- ganizations must have news turned in by the final deadline, May 7th, to insure publication.

Naval Reverts May Be Called To Active Duty

Naval veterans who are active members of Ithaca Pre-Drill Unit will be called to active duty last in the event of partial mobil- ization, officials of the Niagara Falls Naval Air Station reported today.

The announcement was made after receipt by state officials of a directive from the Chief of the Bureau of Naval Personnel outlining a new policy of in- duction of Naval Reverts.

Revers to the new recall policy, officials said, is to increase the strength of drill pay units is kept intact in the event of partial mobil- ization.

The directive states in part:

"During any partial mobilization which requires the involuntary ordering to active duty of Naval Reverts—it shall be the policy to maintain the integrity of the drilling units involved in the event of partial mobilization upon the outbreak of hostilities or a full-scale emergency."

During any partial mobil- ization Naval Reverts will be recalled to active duty with the following priority:

1. Volunteers

2. Ready Reverts not attach- ed to drill pay units.

3. Naval Reverts active in ready reserve.

Naval Air Station officials said that veterans who wish to enroll as members of the station's drill pay units should contact the station's information office, extension 15, for further details.

"Music In Europe" Tour Conducted by Dr. Craig McHenry This Summer

Dr. Craig McHenry is conducting a MUSIC IN EUROPE TOUR of the Ithaca College School of Music this summer. Professor of Music at Ithaca College, he is familiar with Europe and has had personal experience with music study there. Widely known as a teacher in music education, and for his many contributions to the field of music, his outstanding qualities are his recognized abilities as conductor, adjudicator and music educator. He is an enthusiastic leader thoroughly prepared for and dedicated to his chosen field.

Designed for teachers and students of music, and for others with serious musical interests, this program offers six weeks of living in Europe, the palaces and cathedrals, monuments and art treasures we see. The historic sites and great cultural centers we visit will vividly come to life and speak with deep meaning to each of us. These two fundamental experiences, rather than the acquisition of more factual knowledge, are the essence of this program.

The group will go to five of Europe's greatest music festivals, attend concerts of some of the leading men and women of musical talent in Europe. The program includes: Salzburg, where the historic site of much of our cultural heritage; this will result in a keener understanding for much connected with music we shall hear, the art we shall see. Also, the music we have known has been related to the places explored day after day in Europe—the palaces and cathedrals, monuments and art treasures we see. One of the guests at the brunch was Ewald B. Nyquist, association commissioner for higher education, and chairman of the Commission on Institution of Higher Education of the Middle States Association of Colleges and Secondary Schools.

Many alumni made tours of the college properties and buildings. Twenty-eight members of the class of 1932 attended at dinner in William Hall Saturday evening. Alumni and trustees filled the College Theater Saturday night to watch a dress rehearsal of the musical comedy, "South Pacific."

Speaking of Sports

The 1957 baseball Bombers after picking up four wins in their first five games, are "off and running" toward another successful campaign. Although the exhibition schedule produced only one victory, the importance of the practice and experience is shown in the current Bomber success.

The locals avenged two of last year's defeats with victories over Adelphi and Seton Hall away from home. The latter was featured by Richie Slomkowski's shutout of 9-0. In between was a 2-0 loss to Seton Hall. Both teams came up with good pitching and defensive play, but the Bombers failed to hit with men on base. Right base runners were stranded.

In beating Wilkes 6-6, the Bombers faced a stronger team than was expected. Perry Noun's single produced the winning tally and Andy Scerbo knocked one out of the park.

In the "home" opener, last Wednesday against R. P. I., the Bombers got off to an early 3-1 lead, and went on to win 10-2. This was the first chance many of us had to watch the boys in action. Many pleasing signs were found.

The pitching of Slomkowski and Basic Curry showed that Coach Freeman has a strong 1-3 mound staff. Perry Noun came up with some fine defensive plays at second base. Perry is filling the shoes of his predecessors with a great deal of success and hustle. Co-captain Al Levine is hitting the ball well. His dash for home started the Bomber success.

Along the Trail: Richie Slomkowski had pitched 14 consecutive scoreless innings before being touched for two runs in fifth inning of the R.P.I. game. Andy Scerbo hit the longest drive of his career.

The student body was well represented at the home opener and helped form one of the largest and most enthusiastic opening day crowds. Their spirit was a tremendous credit to our Alma Mater, and their appreciation of fine plays turned in by the visitors is largely due to the benefits of the southern tour.

If you missed the first home game, make sure you see the next one on Saturday, May 6, against Siena. In closing out this portion of the season remember the motto:

Can't you stuff the mattress with something else.

Bombers Open Official Season
With Four Wins; One Loss

The Bombers opened their regular season play April 11 at Garden City Long Island with an impressive 13 to 6 victory over Adelphi College. The game featured good hitting, fine defensive play and a first rate performance by a pitcher.

The Bombers ended their hitting famine by sizzling for sixteen base knocks. The attack was led by Perry Noun and Captain Al Levine. The rookie had four hits including a double, while Al had three. Defensively, the Bombers really outclassed the Ithacans while Adelphi committed eight costly errors. Bob Graham became the first Bomber pitcher to go the distance. He gave up just one run and six hits in the first six innings, before he tired in the final three. He managed to "hand-in" for nine frames striking out eleven batters.
