Ithaca College College Stampers Score One Victory Out Of Series; Karnowski New A. A. President

Blue and Gold Trim Mansfield But Loses To St. Bonaventure And Rochester Mechanics Institute In Recent Series; Student Council Elects Walter Kannowski President of Athletics.

Ithaca College basketball won and lost two in a series of games played last week. The two losses were suffered to Mansfield Mechanics Institute and to good fortune. Student Council Teachers felt prey to the Blue and Gold eagors in a loose game to the score of 79-26.

The Mansfield game was tied at the half, with each team having 13 points. Petros and Patrick were high scorers for Ithaca with seven and six points respectively.

Mansfield Mechanics Institute was upset by St. Bonaventure for the Ithaca team. Ithaca trailed 19-9 at the half. Ken Patrick, who hit 10 points, was the big man for the team. The netted 13 of his teammates joined in.

St. Bonaventure ran over Ithaca 32-26 in a fast game. St. Bonaventure was also defeated by Mansfield the week before. Patrick was again high scorer, collecting 10 points.

Hartwick College comes to Ithaca Friday night to clash with the local team. Hartwick was defeated by the local team last year, and they may surprise Coach O'Connell. In the meantime, the George Jinelle Republic team will meet the fast freshmen aggregate from the neighboring city for the sum of 7:30. There will be no deficiency in the basketball matériel.

The inter-marshmallow basketball teams in the Physical Education department are making a friendly rivalry, as well as giving the phys. education students a chance to show off. The seniors in the school are given a chance to chase these teams, and to participate in the games.

Plans are being made in hopes of having a night game between thePhi Epsilon Kappa and Tri-Kappa; and the Phi Mu and Ithaca College Men’s Club, probably on Friday night. It will be a rare and delightful experience to see what manner of basketball the musical students love. This is a lot of talk going around, and from what we hear, there are more than a few, if not an army of students who do not have for the time necessary. Let hope it is aranged, so that we can confirm our statement.

At the meeting of the Student Council, Walter Kannowski was elected President of the Athletic Association. This Association has been functioning rather weakly for the first term, and it is hoped that Mr. Kannowski will put it back to the point where it has always been when Mr. Warren Willa was President.

The President-elect presented a program to his men to form a strong team for 1931-32 season.

On Monday, January 25, the Ithaca College Student Council will present Bitez’s “Carmen” and first production of the Cosmopolitan Opera Company. The Student Council has been in the habit of presenting a musical in the Student Union, and the present effort promises to be even more popular with the student body.

The stuff of the Cypayan wishes to take this opportunity to thank the various organizations of Ithaca College for their splendid support in the recent subscription drive.

The order for the books has now gone in, and those who had to buy a Cypayan ticket for the play may now consider for a book and thereby get a chance to see some of the wonderful music that is being written for the coming Metropolitan season.

No extra books have been ordered, so do not expect to be surprised five minutes unless you have placed your order with Mr. York.

FRIDAY NIGHT ITHACA COLLEGE GAME

FOTFINO CONCERT BY ITHACA COLLEGE GIRLS’ GLEE CLUB

The Girls’ Glee Club of Ithaca College, under the direction of Joseph Lauzur, presented a concert in the Student Union.

The program was as follows:

I. A Choral Medley
   "Daydreams" — Morley
   "Wine O’ mine" — Drury
   "Brindisi" — Vesti — Weller
   "Let us sing together" — Vesti
   "Four Low Songs" — Brahms
   "The Pines — Elegy — Song of India— "Journey’s End" — Vaughan
   "Sinfonia" — Tosti
   "Twilight — String — Chorus of Ithaca College Technovoks-Harrus." This was the first concert given by the glee club this year, and the numbers are now being made for programs to be presented in nearby towns during the year with perhaps a trip to distant towns and cities in the Spring.

**THE WINTER OLYMPICS**

IN FEBRUARY, scores of nations will compete in the Third Winter Olympic Games held at Lake Placid, New York, where speed skating, skijumping, and figure skating will be had. These sports are popular among college students and faculty basketball fans, home games are plainly designated. The editor suggests that this schedule notice be clipped and filed for future reference.

This Friday, January the 22nd, the next home basketball games will take place in the gymnasium of the college. The freshmen preliminary game will be followed by a varsity game, both of which are expected to be a living. Most of the students who are planning to attend these games will be Sociables, as the Sociables have plenty of thrills. We owe these teams our support. Let us be there to cheer them on.

Damn Deborah, a military-like, is to be presented to Little Theatre audiences by the Ithaca College Department of Drama, on February the 14th, and 20th—Thursday, Friday, and Saturday (matinee and evening on Saturday).

In the early spring, the Student Council and the Ithaca College students are arranging the Mid-Winter festivities for Ithaca College students. Among the features will be ten dances, athletic games, the prom and the Junior Prom. The Student Council is available to all who wish to cooperate with the council in organizing and cooperation in making the Mid-Winter presentations of the Student Council a success.

The time is fast approaching that we will, undoubtedly, have a large group of pledges who have received their orders early in the afternoon. The men are very excited about the big news that they have been waiting for. The pledges are to be entertained at a formal dinner at the Hotel, and the women are to attend the same event.

the basketball game between Ithaca College and Mansfield. A chilly

night was had by all.

It’s beginning to look as though Ithaca College will have another

undefeated ice hockey team this year. But we’re to the lack of ice, the

boys haven’t played yet but if they do what they say they are

giving up and are sure not to do some of their more
terrier weather, it will be just too bad for all in person by the way, can

you imagine anyone being more
tony than the fellows who have
decided to take this sport for their
winter activity? They’ll be just

in front of them as they fought

off with the Guggenheim Foun-
dation. The opening performance

was given in Syracuse, Harrisburg and other cities. The company is ar-

ning to Cornell by special train from Utica and after the two per-

formances Monday, will continue
to Chicago and Cleveland.

The orchestra is composed of

thirty-five talented musicians.

There are one hundred four peo-

ple in the cast including a ballet

division of forty.

It is certain that two very fine

performances will be given and

More or less directly to the inhibi-

the Japanese.

Dr. Koo says of the situation:

“This situation in Manchuria is a manifestation of

Japan which if not checked

will lead to the partition of China

in the Far East that brought about

the extension of railroad and

trade relations.

come an important problem—and

of course, the right to own land

is vital to the Chinese popu-

lation.

The extension of railroad and
territorial leases is the third

cause, noted by Dr. Koo. These

involve especially the South Manchurian

Railway, the Almace-Tung pen-

sula. All these concessions have a

fixed term of 99 years from the
time China has the right to buy

them back from Japan. These conces-

sions were demanded by Japan in

1915 for an extension of 59 years.

That means they can’t be bought

back until the year 2064. That
doesn’t look so promising.

Then there are two opposite trends in international policy at

work in Manchuria; this being the

fourth cause. Japan wants gra-
dually to isolate Manchuria from

China so that she can dominate.

The Japanese tactics
