Everyone will assemble again Sunday morning for the orchestra concert.

Physio Director Listed

Dr. Leonard B. Job announced today that Dr. K. G. Han--on has accepted the position of Physio Director in the School of Physiology which will open the third year of its program in New York. Dr. Hansen has been connected with the training of Physiotherapists for fifteen years and is Assistant Professor of Medicine at Cornell Medical School.

The program in New York will probably be conducted in the New York Hospital on East 68th Street and a hospital for special surgery on East 42nd Street.

Funds To Be Collected For Memorial Plaque

Abel Rosenfeld, President of the Freshman class, announced today that the week of May 6-11 will be used to collect funds for the bronze memorial plaque to be placed in the Court streets on Tuesday, May 14, at 8:15 p.m.

The plaque doesn't belong to any one—group—it is the property and the produce of the entire student body. Everyone will contribute. This is the decision of the voters in all classes—from all departments. Every class has approached directly and subsequently one hundred percent cooperation and approval was extended.

Right now, the plaque itself is in the process of being ordered. There has been a slight delay, discovered when the seller of the ornamentation-wides. The manufacturer has consented to "push it along" as quickly as possible. In the meantime the drive to collect money will go on.

Now, the process of fund-collecting is a toughly subject. It seems that there are always drives of some sort to get money. This is one "drive" that he and continuing and tangible results as its objective. There will be twenty names on the plaque. Twenty boys—students like ourselves—who were interrupted in their studies and went away to war. They are the ones we know how, those men who later may be marked with the Prom, Saturday night, May 11, in the Court streets on Tuesday, May 14, at 8:15 p.m.

College Choir Concert To Be Given Sunday

Sunday evening, May 5th, Bert Morley Lyon will conduct the college choir in the first mixed choir concert in four years. The program will begin at 8:15 in the College Theatre.

Changed in January from a wartime men's choir to one including men and women, the group now totals thirty-four members. This annual spring concert is a tradition the college theatre.

Mr. Lyon, director of the group, has given the program as follows:

"Now is the Month of May"

"The Silver Swan" ....... Gibbons

"When All the World Went a Hunting" ....... de Pearsall

"Weep, O Mine Eyes" ....... Bannet

"Echo Song" ....... de Lasso

"My Lord What a Mornin'" arr. by Burleigh

"Aur'-a That Good News"

"Gute Nacht" ....... German Folk Song

"Cicerinella" ....... Italian Folk Song

"He's Gone Away" ....... Southern Mountain Song

"Kantin' Rovin' Robin" ....... English Folk Song

As always the entire college and townpeople are invited to the concert.

Orchestra Concert Scheduled May 12

Scheduled May 12, the Ithaca College Symphony Orchestra, under the baton of Milton Cherry, will present a concert in the College Theater at 8:15. The concert will feature Mendelssohn's Violin Concerto in E Minor, Opus 64, first movement, played by Robert Cullerton of Shreveport, Louisiana. The orchestra is as follows:

1. "Exaltabo Te" ....... Palestrina

2. "Ave Vernum Corpos ..." ....... Handel

3. "Exultabo Te" ....... Palestrina

4. "T'il Kolom" ....... Gospodi Ptomiliut

5. "Were You There?" ....... Vioitevsky

12. "Kantin' Rovin' Robin" ....... English Folk Song

As always the entire college and townpeople are invited to the concert.
World Student Conference

An International Student Conference is to take place in Prague this summer from the 17th to the 31st of August. The main purpose of the Conference has been stated in the appeal sent to all student organizations:

“We consider that the main problem confronting the World Student Congress will be that of establishing a representative international students’ organization uniting in its ranks all the democratic student organizations of the world with the aim of ensuring a lasting and stable peace, of promoting friendship among all peoples and of defending the rights and interests of students.

This conference offers a tremendous opportunity for American students to make themselves heard for the cause of international cooperation for world peace.

A call to the Conference has been issued by the International Preparatory Committee to student groups in every country. This Preparatory Committee is composed of representatives of student organizations of twelve countries and is a development of the experiences of the five hundred delegates from fifty-one countries who attended the International Student Conference at Prague in November, 1943.

At this first Conference the problems involved in the fields of student exchanges, student relief and student responsibility for keeping the peace were considered. There was a strong feeling that much closer cooperation would need to exist between student organizations of different countries if these problems were to be successfully solved. The Conference called for this summer will have as its main task the establishment of an international student organization to approach these problems.

Support for this Conference is widespread and comes not only from student groups but also from many of our leading educators and legislators. In her letter to the executive secretary of the American Preparatory Committee, Helen Gahagan Douglas, Representative from the 14th district of California, says:

“I have learned with a great deal of interest of the International Student Conference that is to take place in Prague this summer. Those of you who go will have an opportunity to sit down with foreign students to discuss mutual problems and so deepen your understanding of one another. Building understanding in the world is helping to lay a firm foundation for peace.”

An American Preparatory Committee has been set up composed of representatives from the following organizations: National Intercollegiate Christian Council (Student YMCA and YWCA), B’nai B’rith Hillel Foundations, United States Student Assembly, International Student Assembly, YMCA-YWCA, American Association of Internes and Medical Students, The American Preparatory Committee has decided that 25 delegates shall be sent to Prague. Approximately 17 of these will represent the organizations on the Committee. The rest shall be delegates-at-large, students representing the organizations on a particular campus or group of campuses, and who shall be approved by the American Preparatory Committee. All campus groups or individuals who are interested in having their campus represented at this Conference are urged to get in touch with Alice Horton of the American Preparatory Committee, Room 12, 8 West 49th Street, New York City.

ORACLE LOAN FUND EXPLAINED

Because many Ithaca College students know so little about the student loan fund which Oracle, through Scampers, supports, they fail to apply for a loan when the need arises.

Any junior or senior is eligible to apply for a loan. $100 is given at a time, with the consent of a committee. This is to be paid back with 3% interest and must be completely returned in five years.

To date, 60 students have been aided by the fund.

Disrespect Of DeWitt Park Monument

The World War I memorial monument in Stewart Park is the only memorial in Ithaca to its sons who were killed in 1917 and 1918. It is the only tangible memory parents, wives and families possess of those men who died overseas and are buried there. As such it remains as much a sacred place as the Washington Monument or the Lincoln Memorial.

Recently, more so than ever, Ithaca College students have been as guilty as high school students and small children in making of it a "useful ornament." The monument has been defaced by chalk marks, pencil scratches, and other lines of almost fantastic description.

It is used as a parking bench and a studying desk, as an outlook post and a hideaway. The thought must constantly be kept in mind that this memorial in DeWitt Park corresponds to the tomb of the unknown soldier and is thus to be revered and respected, even as the aforementioned tomb is.

It is not chauvinistic to state that these men believed as much in the nobility of this cause as others who fought. What we feel about the success or failure of the "war to make the world safe for democracy" does not alter the fact that due respect should be paid to the memory of those who died in it.

No student in the college would purposely deface the memorial plaque to be placed in the College Theatre honoring Ithaca College men who were killed in the last war. (At least it is the sincere hope of this paper that no such thing would occur.) Nor would anyone run, in an undignified manner, over the graves of the dead. Why then, must we think of this memorial as something to be "draped over" and marked?

Let the student body keep in mind the character of the monument and remember also that parents and families of men whose names are inscribed on this memorial are saddened by the crass disregard of the World War I memorial.

FITZPATRICK'S SINGLE SCORES JACKSON IN 10th

Lanky Paul Fitzpatrick after doling out a triple in the ninth which started I.C. on a three run inning making a run scoring single in a 10 inning thriller against Jamestown last Monday. The 1st baseman's second hit scored Dorrie Jackson from second base.

Jamestown was certainly more of an equal I.C. opponent than was Utica, and the Blue and Gold showed their worth by putting on the steam to beat the Pony League, Class D ball club. This leaves Ithaca College with 1 win and 1 loss against two pro teams and now with a win and 1 loss against Lawrence University and then they turn on May 4th against St. Peter's College.

As they proved in both the Utica game and I.C. didn't make an error anyway. There were, in fact, darn good opposition three against Utica, that pro team was Dorrie Jackson who got one. Sanders and Buckley came in but Buckley was the winning pitcher.

The Clarkson game scheduled for April 30th at Ithaca was cancelled due to rain, but perhaps the College needed the rest to beat Jamestown on Monday. In the Eastern League — an "A" League. There were many times, however, through the game when I.C. played a heads-up game of ball against the Utica Blue Sox in a dangerous slot. The college boys were, in fact, darn good opposition to such a highly touted ball club.

In the second inning, I.C. went ahead 2-1, but in the third, Utica came back with a six run spurt which gave them their start for the game.

In the seventh I.C. made 3 runs which was gained through a walk, error and two hits by Wells and Peavento. The ninth inning saw another run come in on a walk, passed balls which got the runner to third, and a long fly by scoring Darylump. Wells then walked and got to third on a wild throw by Utica's pitcher, Copeland. He scored on Jackson's fourth hit.

I.C. used four pitchers and 17 men all told. "High man" for the day was Dorrie Jackson who got four for five.

TRIPLE PLAY MARKS OPENER AGAINST UTICA BLUE SOX

In the very first inning the home team made a triple play that off to a fast start against Utica from making more than their initial one run of the inning.

Some may say that the Blue and Gold were outclassed the whole way by a superior team—a team which last year took first place in the Eastern League — an "A" League. There were many times, however, through the game when I.C. played a heads-up game of ball against Utica which was gained through a walk throw by Utica's pitcher, Copeland.

I.C. opened up against stronger competition than most large universities. They didn't give up and showed that the College line of our little ole collitch has itself a half decent team. The recent 20-3 win over Cornell tips last week about a scrimmage with Cornell didn't pan out — it was one of those uncertain "commodities" that can't often be "purchased".

This columnist had a little talk with a local news and sports writer, on what the possible results would be in an I.C.-Cornell contest this year. It was, of course, purely just a topic of conversation. This took place just after the Utica game and he liked the looks of the college club. He did say however, that Cornell has a few good men who have played with service teams and he wouldn't want to say what the possible outcome would be. Neither did I.

The track team (rather the relay team) didn't come up with more than a last place, but as mentioned in the last issue of the Ithaca and in the "weeding-out" process to establish the "A" League. There were many times, however, through the game when I.C. played a heads-up game of ball against Utica which was gained through a walk throw by Utica's pitcher, Copeland.

Two more Physical Education seniors have signed contracts to teach next year. Nina (Pete) Maphus, the "Cupid", and "Frier Tuck" twice a week at Stewart Park.

ITHACA COLLEGE MILERS COMPETE AT PENN RELAYS

It was a cold, blustery Saturday at Franklin Field, Philadelphia and athletes from all over the country gathered to run in the first post-war Penn relays.

There was big time competition considering schools like West Point or Michigan or Illinois, there were schools like Westchester State Teachers' and Bloomfield and Ithaca College. Yes, everybody with everyone and everyone ran their heart out.

Ithaca College, with its mile relay team of Jimmy Comfort, Lester Peavento, Charlie Grave and Dick Fabricius, probably had the short-practice session of any school there. What with bad weather getting the school of a photo and a start, and the "weeding-out" process to establish participants, Ithaca showed up well. They may have been beaten by Seton Hall, but they were in there from the start to the finish tape. Coach Yavits says the team did as well as could be expected, and with meets coming up with Rochester, Union, Westchester State in the succeeding weeks, great improvement should be shown in the varied events—broad jump, low hurdles, and pole vault to name a few.

Joe's Letter To The Pres.

Ithaca, New York
3 May 1946

Mr. Harry S. Truman,
1600 Pennsylvania Avenue,
Washington, D.C.

Mr. President:

Since last week I wrote the weather up here has taken a turn for the worse. For a while we were afraid that St. John's would not be able to run their games against Cornell, but summer weather is on its way to us from winter to summer. But for the past two weeks we have been introduced into winter again. The result is that more snow for the top coats, gloves, and in a few isolated cases, ear-muffs. I heard one student phoning his home to have the oil in his car changed back to winter oil again.

The rest of the picture is definitely one the brighter side. Last Saturday was the date for the Spring Carnival, sponsored by one of our fraternities. The carnival is a big event of any midway. The usual booths were present as well as several new ones. That was the big social event of the past two weeks. Next week we have the big Jell-O party in the school year. Junior weekend. But more of that next week.

Last night the Drama Department presented First Lady, a three-act play dealing with Washington's home behind the political scene. And for those who underestimate the power of the stage I have a word for you. That was the big social event of the past two weeks. Next week we have the big Jell-O party in the school year. Junior weekend. But more of that next week.

April 30 was the evening that our second and last dinner in conjuction with one of the sororities presented their annual musical contest. Like all of the programs offered by the Drama Department, this one was received by an audience of students and townsfolk. The programs presented by Music Department are always enjoyable and always anticipated.

The baseball season got under way up here about a week after the Big Leagues began their regular schedules. IC opened its season by losing to Utica of the Eastern League by a score of 11 to 8. Coach Franklin looks for much finer performances henceforth, and the team should wind up with a more favorable average for the season. Several of their opponents will be professional teams from nearby cities.

End of the year brings a change in the fashions of the fellows here, mainly for the girls to dress a little neatier, but I don't know what college girls seem to be doing nowadays, for the right to go around wearing sloppy gray sweaters, droopy socks, and jeans rolled up to the thighs. Where would we be without 'em, God Bless 'Em.

Well, G'bye now, have to finish reading a book for a book report. Brunched in two weeks, just like Old Faithful.

Faithfully,

W.C.C. MEMBERS ELECTED

Election of members for the Woman's Civic Committee for the year 1946-47 was held April 36. From the three candidates listed from each class department, the following girls were chosen:

Music Department: Helen Edwards, Mary Camp, Helen Davis.

Physical Education Department: Ruth Brown, Dorothy Karp, Ruth Fredrick.

Drama Department: Priscilla Rathburn, Lucille Mechanic, Mary Sampson.
Dear Editor:

I am not in the habit of writing letters to the paper, but one thing I do feel should be brought to your attention.

It is, particularly on a warm, spring day, impossible to walk up or down the steps of the Administration Building without practically decapitating some one or mortally wounding several others. I suppose it is considered "cool" to do one's shape over two or three steps sprawling on the steps and porch is considered the relaxing thing to do. Is it? To my mind it is not only undignified college procedure (why the grade school children are more dignified than that) but it is dangerous and hazardous.

What is able to do is a reounding kick to the protruding limb or attempt to straddle it and suffer the "consequences."

A Veteran.

April 30, 1946

Dear Editor:

A few issues ago, I noted with interest the beginning of a new column, "Joe's Letter To The President." The first of the series was unique, and added immeasurably to your publication.

In later issues, the column lost its freshness, its originality, and, to some degree, its purpose. I found, for reading the paper in its entire scope, there is nothing more irritating than summarizing what appears on other pages, in other columns. It fills up space, anyway, if such is your intent.

When the column made its first appearance, I and others expected that Joe's column would contain many of the typical veteran's reactions-personal and emotional reactions to College life, and primarily, what he thinks when faced with a difficult situation. My expectation has been lessened with each ensuing issue.

Why let such a novel idea go out of hand?

RADIO PLAY SLATED

The members of the radio workshop are currently rehearsing 'Meridian 7-1212," one of the foremost Columbia workshop radio dramas. Mary Sampson directs the production the plot of which centers around the New York telephone service story. The story builds in suspense and drama in the exciting tale of a telephone time operator.

The cast includes Sally Travena, Lucille Mechanic, Lillian Cadef, Bernice Gremion, Florence Bank, Dan Bonaci, Wayne Rettstatt, George Curley and Claire Davidson. Ruth Lasker is in charge of sound, and Carol Ringle, George Curley, and Ruby Westervelt as assistants. "Meridian 7-1212" is to be broadcast at 7:00 one day in the coming week.

Band Plays 14 Concerts

Ithaca College Concert Band recently returned from a successful tour of Northern New York State and Connecticut. During the tour, from April 9th, the band made a series of fourteen appearances in Cortland, Utica, Herkimer, and Schenectady in New York State; and in Hartford, Manchester, Hamden, Westerly, Danbury and Wallingford, Connecticut.

Most of the concerts were played to high school audiences in the schools of the various cities. However, three evening concerts were open to the general public. Probably the high spot of the tour was the concert played before an audience of over three thousand at the Bushnell Memorial Hall in Hartford, Connecticut. This spacious auditorium is reserved for professional and semi-professional concerts, and it is considered an honor and a privilege to have had the band perform there.

On an average of three concerts a day, the band members gained a good insight into the trials and tribulations of professional playing. All agreed that music teaching has its advantages after much hard work, it was all without its lighter moments. A thoroughly good time was experienced by all who participated.

The tour is expected to continue, and, probably, the tour entailed much hard work, but it was all without its lighter moments. A thoroughly good time was experienced by all who participated.

The tour was a success, and the band members returned to Ithaca with renewed enthusiasm.

(Continued from page 1)

In our last issue the fair members of our institution told you what they thought of the men (and occasionally the women) of 1946. This time we wanted to know what the men thought of the girls at Ithaca College. From the answers, we'd say the boys are aware there's still a manpower shortage. Here's what they say, and remember, your Inquiring Reporter disclaims all responsibility for opinions expressed.

Tom Kavanaugh, Drama: "Summer school will be wonderful."

Dan Rubinate, Dram: "Is this going in print? Well, you've got everything a guy likes in his girl... I mean it."

Dick Woods, Drama: "I like those women very much."

Ray Daniels, Phy Ed: "I think they ought to stop their acting in the Lobby and save it for the stage. Of course, the Phy Eds aren't included.

Dan Culligan, Phy Ed: "Nine out of ten women are good looking. The tenth one goes to college."

Frank Slater, Phy Ed: "They ought to comb their hair and quiet down because Bob Weaver, Music: "Yeah, heck, I like 'em. In a platonic way, of course. We can't get sex into this thing."

Myles Lawlor, Music: "They're awfully frank. Take a little getting used to."

David Fisher, Music: "They're very charming."

There is girls, and remember, no fighting in the lobby.

ALUMNI PLAN WEEKEND

"Plans for the alumni reunion May 17, 18 and 19 are now under way," stated Mary Campfield, librarian at the College.

General plans for the alumni are as follows: Friday, May 17, Freshmen in the gymnasium. Saturday, May 18, a luncheon and business meeting, baseball game in the afternoon, and in the evening a choral and orchestra concert followed by an informal get-together. Sunday, May 19, there will be a concert in the park in the afternoon and finals at the various societies and fraternities.

The committee in charge is Joe Short, chairman; Mrs. McHenry, vice-chairman; committee: Mrs. '49 Yale, Beth Light, Mary Wilcox, and Mary Campfield.

This will be the first reunion held since 1942.
