$1000 SCHOLARSHIP FUND CONTRIBUTED TO COLLEGE

Earl W. DeMatte, President of the Corner Book Store, has donated a sum of $1000 to be known as the Scholarship Fund, 100 dollars of which is to be paid out to the senior at the beginning of the Fall term.

Mr. DeMatte stated, "the purpose of this fund is to give initial help to a youth who otherwise might not be able to enter college. The recipient's character, his responsibilities, and his special talents together with his need should be taken into account before any help is granted." In his gift to Ithaca College, the Corner Book Store renounces any claim to all or any part of such a gift unless the donor (recipient of the scholarship) specifically demands that it be added to the fund.

The plan of payment is as follows: one hundred dollars is to be paid on September 1, 1943, and 100 dollars each year thereafter on the same day that the principal sum is paid. Mr. DeMatte desires the option to pay more than a hundred dollars a year. The gift (Continued on Page 2)

Bert O' Brennan,

Bert O’Brenz, a native of Brooklyn, was born during one of the happiest seasons of the year on December 22, 1919.

Naturally, like other children of his age, he entered elementary school and in his fourth year had an opportunity to begin his stage performances by playing the part of young Abe Lincoln. Bert was active from this time on in technical lines and in eighth grade was selected to direct a junior high school play.

A young man’s fancy seems to turn toward sports during high school years, thus our aspirant became interested and won a letter in basketball. Although he was busy with the former activity and other high school clubs, history and drama were his primary interests.

These two ideas continued to conflict until he entered C.C.N.Y. in 1937 where he decided to major in history. Despite vacations he worked at Equinox, a camp in the Pocono mountains. His position at the camp was stage manager of the dramatic productions. While working in this capacity Bert’s former interests in the theater were aroused again and he left C.C.N.Y. after his third semester and enrolled at Ithaca to pursue a course in the field of drama.

Here at Ithaca College Bert has found himself to be his outstanding ability as a student to continue his studies to prepare for active duty in the air or on the sea. And your college will help you to qualify them for Deck or Engineering Officer training. Those whose grades are not high enough to qualify them for Deck or Engineering Officer training will be permitted to finish their second calendar year of college. After this, they will be ordered to active duty as Apprentice Seamen, but because of their college training, they will have a better chance for rapid advancement. At any time, if a student should fail in his college courses, he may be ordered to active duty as Apprentice Seaman.

Pay starts with active duty.

The first Annual Gym Meet of the W.A.A. proved that gym meets are definitely an asset to the college, not only as an educational feature but also as worthwhile entertainment. The crowd which filled the gym Thursday night, perhaps first out of curiosity, soon was showing its appreciation of the new venture.

The affair was unique, and differed from previous years in that it was not only a demonstration but a "meat" in which the classes competed against each other, just as two teams would compete at a track meet. The three classes that competed showed both ability and originality in their choice of routines. The programs in marching, tumbling, exercises and apparatus were varied, and provided the layman with the idea of what the Phyd girls accomplish in their daily gym work.

The specialty numbers were exceptionally attractive, and the Juniors introduced an opportunity to begin his stage development and become well known because of his dramatic lines and in eighth grade.

The seniors are to be greatly complimented on their contribution to the meet. Under the direction of Maryrose Lavin, several original numbers were presented with a creative and interpretative ability not commonly attributed to members of the field. Outstanding among the dances were Ruth Doane’s “Persian Market” and Iris Carnehill’s “Wind-ham Special”.

It seems that the Freshmen spirit and country would do their very best were the winning factors, for it was they who finished the contest with the greatest number of points. The Juniors ran a very close second and the Sophomores trailed in third.

Dr. Job presented the cup and expressed a desire to see the meet become a tradition to be continued every year.

Practice Teachers Entertain Bishop

The Juniors and Seniors that have been observing and teaching the Parochial School were treated to a dinner and program of entertainment. Father’s Night was held by the Parent Teachers’ Association of the Immaculate Conception School Thursday, April 16 at Parish Hall in honor of the Most Reverend James E. Kearney, Bishop of Rochester.

Community singing led by Earl Jones preceded the supper. A program of entertainment followed, featuring both Parochial School and Ithaca College talent.

After the opening address, the famed Scamper’s quartet consisting of Carney, Jones, Stutzman and Taylor opened the after-dinner program.

Yankees win nine attempts at the plate, which will be carried out by myself and staff to the best of our ability. All news concerning the department shall be presented, providing such news is true. It is of the utmost importance that all news be true, valid, truthful and of sufficient interest. From time to time this column will present criticisms and opinions. We do understand that these presentations will not be biased or prejudiced in any manner whatever, nor will they tend to veer from the truth for the sake of individual prestige. Criticisms and opinions will be carefully discussed by the staff before appearing in the column. Neither myself nor my staff will be influenced by "cliques" or groups of individuals whose motives are of a selfish nature, or whose intentions are interpreted as being detrimental to the department.

Grievances submitted by the students of the department to members of the staff shall be investigated and will be either presented or rejected; depending upon the report of the investigating committee. The chairman of the committee shall represent the voice of the Physical Education student. Members of the staff include: Tom O’Connor, Frank Toomey, and Jim Downey.

A few weeks back one of the local scribes in commenting on the line-up of the I. C. baseball club in his column stated, "Nothing short of a bombshell will disturb the infield positions." We hope the surprise move by Bucky Freeman in the vicinity of the key-stone sack isn't the result of so violent an occurrence. To some observers it is rather puzzling where one loss enters the league. Pete Newhouse is setting a smashing pace for the Staten Island Coast Guard Station. Frank says he would appreciate a letter from some of his old buddies. His address can be obtained at the Ithaca office.

No one can deny that the Ph. Ed. department is progressive. Plans are afoot for the formation of the first golf team, the first varsity club, the first tennis tournament, summer baseball, the first varsity club, continuation of the first annual competition between girls and other many things. May be these things won't materialize, (Continued on page 4)

VARSITY CLUB ORGANIZED BY STEERS

Dr. Steers instigated the organization of the first Ithaca College Varsity Club at a meeting held Tuesday night in the Gym.

Officers elected by the thirty-odd I. C. lettermen include: Richard Cartwright as President, Irv Halstead as vice-president, and Bill Hope as secretary-treasurer.

Purpose of the organization is to promote good sportsmanship among I. C. students. Membership is limited only to those members earning a varsity letter in either football, track, basketball, baseball, and soccer. Prospective members must be voted in by the staff men.

Numerals will be awarded freshmen participating in varsity sports, while two years' varsity experience will award the sweater and three year men will receive a gold award. Four-letter men will receive a blanket with a block "I" lettered on it surrounded by four stars in various colors denoting the number of letters and type of sport.

Further plans for the club will be discussed at the next meeting.

Pirates Pace Intramural League

The Intramural Baseball league is now in its third week of competition. The hard hitting Pirates are leading the league with two wins and no losses. The Athletics, Dodgers and Indians are tied for second place with one win and one loss apiece. The favored Yankees are the cellar with one win and two losses.

Pete Newhouse is setting a smashing pace for the Pirates with an average of .750. Tommy Ross is running close behind and with an average of .700. The league has but one more week to go, and from the indications the teams are getting ready to put on the pressure for the final stretch drive which will determine the championship.

Hard Hitting Bombers Maintain Clean Slate

Last weekend the college base- ball team opened its season after a two week set-back due to bad weather conditions. Friday’s game with Western West­chester turned them back 6 to 1. Coach Buck Freeman, veteran right hander and pitching ace, John Mattola, went the route for I. C., allowing the four scattered hits. The boys were keyed up since the first big days of practice and their big bats were fairly expounding with energy which blasted all opposing pitching. In the first frame they shaved four runs across to give Johnny a comfortable lead, which wasn't threatened during the remaining eight innings, as they collected two more tallies.

Bombers Continue Heavy Hitting

The following day, Saturday, the Bombers staged a magnificent hitting ordeal, when they smashed the fields to cinders. The lost piling up 17 hits and drubbing the Blue Ridge of Maryland to the tune of 11 to 9. Senior George Cope­land tied the slab for Ithaca, and did a wonderful piece of work in the nine innings, as they collected two more tallies.

Fielding is exceptionally good so far this year. The boys are playing their respective positions in A-1 form, coming up with but few bobbles and pulling some good fielding plays.

Hartwick Humbled Tuesday afternoon, the local and college fans saw the Big Blue Bombers invade West Chester and turned them back 15 to 1. Irv Halstead, only Coca-Cola can be. In refreshing... refreshing as only Coca-Cola can be. In its frosty bottle dwells the quality of genuine goodness. And taste... a taste delicious, exciting. Thirst asks nothing more.

Girls’ Sports

The first bowling league of Ithaca College culminated its activities last week. Team number 5 managed to walk off with the top scoring honors and two of its members, Mary Lou Shaffer and Evelyn Obbett, garnered individual recognition. The other two members, Ginny Seifert and Mary Whalen, were handicapped because part of their time was spent in Canisteo while the other bowlers were piling up their scores. Eight teams participated in the tournament and the enthusiasm among the girls reigned for the duration. Already the teams are looking forward to next season with greater expectations than ever, incidentally we representatives from the other two departments are welcome.

Our sincere appreciation goes to Jeanne DuBois for her efforts in scheduling the games and keeping the league underway.

To quote Mr. Yavits, "flash,—the freshman Ph. Ed. girls are now making history." For the first time a group of girls are being instructed by the boys’ varsity coach in the techniques of their game.

The Bombers collected eight hits to drive in seven runs against seven hits and two runs by Hart­wick.

Included in the entertain ment for the evening will be a group of songs by the college choir, Mrs. Helen Boyd Montgomery, '29, will give a group of songs, and Elizabeth Ward, '43, will play a group of violin solos. House parties and dances, beginning at approximately 10 p.m., will conclude activities scheduled for tomorrow night.

The scheduled events of the weekend will end with a College Symphonic Band Concert, directed by Walter R. Beeler, in the Little Theatre Sunday afternoon.

Registration will be held in the Ithaca Hotel under the direction of Mrs. Ida Reed Andre '16, Chairman of the Reception Committee, and Angela McDermott '36, Alumni Secretary. Ithaca Hotel will also serve as official headquarters and meeting place.

Friday morning the girls journey to Percy Field to find Mr. Yavits waiting for them with that "Come on, let's go. Don't you want to play," grin on his face. With flying feet and hair to match, twenty-two ingenues dash hap-hazardly around the field, dribbling, kicking and heading the ball. Friday they put on an especially fine demonstration. The reason? Hurley Maclean had taken over the coaching reigns while "Coach" chaperoned the relay team to Pennsylvania.

On the whole, the class seems deeply interested in the game, and a willingness to learn prevails. Could be that the girls appreciate a little masculine coaching, or that they are trying to prove the theory behind the P.F.I. Anyway, here's to you, Coach, for renewing the interest in our forgotten sport.
