The annual Student Appreciation Festival also is scheduled for this weekend which will promote the school this Wednesday night at First Baptist Church.

Practice Teachers Write

Letters To Dr. Grimshaw

Dr. William Grimshaw, who is in charge of the Physical Education Department of the Ithaca College, has received several letters recently from students of the school and from physics instructors and members of Theta Alpha Phi. The letters request information on the physical education program and the physical education demonstration. Howard “Scotty” Le Vine, who was visiting the school recently, is assisting in the program.

Kuss, Tillington Woods, Win TAP Play Contest

On Friday, May 27, at its party held in the Theatre and Green Room for drama students and their guests, Theta Alpha Phi Phi presented awards to three aspiring playwrights whose entries had been selected as the best in this year’s annual one act play contest sponsored by the organization.

First prize of $25.00 went to Richard Kuss, (DSO) for his entry titled “The Aspirant.” Second prize, $15.00, was won by John W. Keating, (DSO) for his entry titled “A Nerkec Incident.” Mr. Woods’ Biblical tragedy in blank verse, “The Ascensio,” was first prize in last year’s contest.

As a result of the contest, all winning plays will be given public production next fall under the direction of members of Theta Alpha Phi.

Class and Student Councils Elect Officers; Student Class Constitution Being Printed

Elections held by the various class councils last weekend resulted in the naming of Timothy Quinn, (M30), Everett House, (M31), and Eric Samek as the respective captains for 1949-1950. With these elections out of the way, the student council heads were elected by the student body for next year. Elected president of the Student Council was Richard Kuss, (DSO), with the announcement of the Old Vic’s sponsorship for his athletic contributions. Miss Pendleton, a scholarship student at that time, was president of the Student Council for the previous year. The council should be able to handle the demands of the outside world and to be able to handle the demands of the inside world.

A NOTE FROM THE FACULTY ADVISOR

During the past year, students from Music, Drama, and Physical Education Departments have received the plaudits of the crowds for their performances in their respective fields. As Faculty Advisor of The Ithacan and Cayugan, I have been able to stay in close touch with the same time ask the student body to recognize the work done by the staffs of these publications.

The action of the student body last year indicated how much they wanted a yearbook. Several times I have heard students complain when The Ithacan was a little late from the press. There have been mistakes made, but all in all we can be justly proud of the individuals working on these two staffs. Many of them will be back to carry on next year and incidentally, they will be happy to have help from any interested parties.

Stan Leveron worked on both publications, sometimes losing sleep to get copy ready for deadlines. Scotty Le Vine made trips out of town at his own expense to cover important athletic events. Mike Yawitz pasted dummy copy for the Cayugan during vacation. You all enjoyed the cover design and drawings of Virginia Mount in the Cayugan. Glen Capozzi worked on both publications and scattered dummy copy. Claire Davidson handled the arduous task of circulation and many written contributions.

Perhaps the most poignant moment any of us can experience during our college careers comes at the end of Commencement Exercises when all rise and join in singing All Long Ago. To know that our relatively carefree days are over and that we must leave behind all the friends and scenes which have meant so much to us causes a rush of sentiment to the heart which, more often than not, brings tears to the eyes of the most-hardened person.

With the exception of SHO, which, through an unfortunate lack of interest, has been permitted to do its thing, the remaining classes are living, the following lists plus these publications have been ‘awarded’ major office holders of all campus organizations. Those interested are urged to log on these names for future reference.

A College Professor Looks at College Professors (ACP)

If he's been teaching all his life, he's a rut.
If he dreams dreams of something else, he's a sinner.
If he thinks about something besides clothes, he's a bum.
If he seldom admits mistakes, he's arrogant.
If he delights in bricklaying, he's a fool.
If he plants occasional jokes in his lectures, he's a comedian.
If he gets along without notes, he's an ad-libber.
If he's constantly in the encyclopedia, he's a show-off.
If he uses notes, he's unoriginal.
If he's breadthless in knowledge, he's a hanger.
If he gets along without notes, he's an ad-libber.
If he sticks to his specialty, he's got an off-track mind.
If he holds the encyclopedia, he's a show-off.
If he can't identify Pritezze and Jack Kramer, he isn't human.
If he listens to sports broadcasts, he's articulate.
If he's paid for outside work he's greedy.
If he stands up while teaching, he's oratorial.
If he sits down while teaching, he is a rotter.
If he's young, he needs more seasoning.
If he plays on the floor, he's a hanger.
If he gives a lot of quizzes, he's a slave-driver.
If he seldom gives a test, he's too lazy to read papers.
If he never appears in the public prints, he's so much deadwood.
If he never takes a genuine vacation, he's a politician.
If he's never served on a committee, he's a work-hog.
If he's not on good terms with the president, he's a yokel.
If he doesn't wear out the stairway to the Ad building, he's a dilettante.

TAPE and LINIMENT
by Bob Wendland

Spring is now passing into a new chapter and we are looking forward to the next several weeks. In the months to come we will again focus on gaining knowledge. Gone will be many of those whose cooperation has helped us tremendously as we attempted to make the sports section of the paper more enjoyable.

Departing from her duties in the Ad office will be Mrs. Robert Blauvelt. Her ready smile and cheerful cooperation will be sorely missed by those whose work brought her in contact with her. Jane Piantanida, Secretary to Mr. Donovan whose interesting jargon and wit made reading the language of the College easier. I'm sorry Joe's ability wasn't brought to light until the very last month of his tenure.

Probably the most interesting news is that next fall a new activities schedule will be in operation. This will all leave male physical education students free for Varsity participation.

Speaking of Varsity sports, next year's schedule of football will be bigger and better than ever. These are still two strong possibilities that Ithaca College will be admitted to the Eastern College Athletic Conference. This will give Graduate Manager Ben Light even more opportunities to expand our already formidable intercollegiate schedules.

Next spring will see distant travels for the track coaches John O'Neill and "Bucky" Free.

Speaking of travel, one of my favorite teachers and patients and the student body is to attend the Catskills, drop in and say hello.
