Scamper's Presented; Maximes First Term

Organizations Prepare Skits; Technical Difficulties Are Handled Speedily

Wednesday night a responsive and appreciative audience laughed and enjoyed the yearly performance of original skits by several of the organizations of the college. The production of this year's Scamper's evidenced cooperation and much enthusiasm of each skit. A well trained stage crew, under the direction of Mr. Pollock, worked with the skits with difficulties with skill and speed. Luther Perry and Michael Fox as "farmer men" handled the serious situations with great ease and transformed the actual world of literature and stage with the various members of the faculty.

Mr. A. Alpha presented the opening skit, "The Road to Paris," and sweet music, furnished by a remarkable variety of popular airs to the rich mouth of the audience, was sung by the group. The program, as arranged by Joseph Doe, contained some very interesting material, including a symphony orchestra. The program, as arranged by Joseph Doe, contained some very interesting material, including a symphony orchestra. The music of the entire evening was pre-arranged and carried on with much activity.

The program, as arranged by Joseph Doe, contained some very interesting material, including a symphony orchestra. The program, as arranged by Joseph Doe, contained some very interesting material, including a symphony orchestra. The music of the entire evening was pre-arranged and carried on with much activity.

During the performance, an imaginative stage design was used, with the audience being seated in a circle around the stage. The lighting was soft and the audience was able to hear the performers clearly.

The proceedings of the evening were well received by the audience, with many of them giving a round of applause for the performers. The performance was a success and the audience was pleased with the effort put into it.

The program, as arranged by Joseph Doe, contained some very interesting material, including a symphony orchestra. The music of the entire evening was pre-arranged and carried on with much activity.

Scompany's First Term Reveals Interesting Panorama Of Events

With the Oracle Scamper's production off the board, we feel that the first term has been classified, and that the organization has a long way to go before the end of the year.

In May, the orchestra will be unfolded to you a panorama of the interesting events which have taken place since September, 1934. The Scamper's is preparing hereafter some of the important items which have appeared in its pages.

May the readers, with special mention of our readers in many cities, find the same degree of interest that we have in the Scamper's and the material. It is one of our penetrating into the activities of the college.

We have been noting with unbridled joy the publications of associations in various cities of the country. The Scamper's has been the year's successful season of the Ithaca College football team. Among the alums of the college there have been programs by Mr. R. A. Smith, of the Ithaca, Mr. L. D. Newens, of the London, and Mr. D. S. Sampson.

The College Concert Band, under the direction of Mr. W. H. Smith, has broadcast several items (a national broadcast), and has received by the audience. Letters and telegrams of appreciation followed each broadcast.

The cast of students selected, including "Ivy Freeman" a bust of the of the University, "The Voice of the London" and "Hey, Doctor!" in a program of songs, received by the audience. The concert was conducted by the director of the college.

It is impossible to determine how the program was received, but the audience was given a round of applause.

This report from the Iowa psychology department was made following an experiment conducted by a large psychology class-rooms which proved that they were only five per cent accurate.

Smith Girls Increase Mail To Dartmouth

Northampton, Mass.-Northwestern, Mr. H. S. Nepal, and Smith are many miles away from the. Smith girl's mail box at the University of Dartmouth is crowded with letters.

The sudden increase in letters written to Hannah, N. H., by the Smith girls here tells us when the time for the campus is coming, which ought to make Uncle Nepal, Smith, and Mr. Nash really glad that the Dartmouth Bears held a comeback.

Ithaca College Alumni To Meet Wednesday

The Ithaca College Alumni Association of Ithaca will hold its regular meeting and dinner Wednesday, Feb. 20, in Williams Hall.

Following the business meeting there will be an ensemble musical program in the Little Theatre. Numbers will be given by the piano, voice, violin, and dramatic students of the school.

FLORENCE WILCOX AND LEROY R. NEWENS

At a Valentine Day program, February 7, in the Women's Community Building, Mr. Florence W. Newens, by the Newens, was accompanied by Katherine Kemmy, Mrs. Newens, of the Department of Speech and Drama. Mrs. Newens was accompanied by Betty Lasher, and Sarah Brookes, a violin solo accompanied by Harry Cory

COLLEGIATE REVIEW

(Continued from page two)

Scored 667 points in 51 games. He is the highest scorer in the Buckeye state.

There are more than twice as many students of economics and sociology at Wellesley College (Mass.) at the present time than in 1929.

A new addition to the library of the University of North Carolina includes 58 books printed in the 15th century, more than 800 manuscripts on parchment, dating back to the 9th century, and a number of manuscripts of the medieval period.

Tickets on the Grand National lottery in England next month will be sold at 50 est each, the profit to go to the building fund of the University of Montreal.

Attendance at morning chapel for students at Harvard University (Cambridge, Mass.) averaged 63 daily during the past year. The Minnesota-Wisconsin basketball rivalry is the oldest in the Big Ten.

A poll of women students at Murray State Teachers College revealed co-ed prefer "men who are men," broad-shouldered, and of the same man variety to any other type.

Mr. Martin Guest Speaker: Word has been received by The Ithacan that Dr. Frederick Martin, director of the Speech Clinic at Ithaca College, was one of the speakers at the Farm and Home Week program sponsored by Cornell University.

Just what is meant by cross-blending tobaccos... and how does it make a cigarette milder and taste better...

Well, in blending you take two or more tobaccos and mix them together—a rather simple process. But cross-blending go a step further...

In making Chesterfields we take Bright tobacco from Virginia, the Carolinas, Georgia and Florida. We take Burley tobacco from Kentucky and Tennessee, and tobacco from Southern Maryland. Then in addition to these home-grown tobaccos we take tobacco grown in Turkey and Greece. We balance these mild, ripe home-grown tobaccos with the right amounts and the right kinds of aromatic Turkish.

Then, instead of just mixing the tobaccos together, we blend and cross-blend them so that different flavors go together into one full flavor—the Chesterfield taste that so many smokers like.

Cross-blending tobacco as it is done at Chesterfield gives the cigarette a pleasing taste and aroma—they're milder and yet they satisfy.
