Mu Phi Epsilon Sigma Chapter

Dorothy Little is presenting the high school chorus of the Spencer High School in a short opera entitled When Washington was a Boy. The words and music of which are by John Mayors. The presentation will be given in the gymnasium, February 27, and is a part of the Washington Bicentennial program.

We wish to congratulate Walter C. Roberts on the production of his very excellent play Donald II. That Ithaca College should have the opportunity of presenting the premiere performance in its school of such a fine play brings additional value to the recent production. An interesting fact as to the authenticity of the story is that one of our members, Mrs. Lee C. Smith, is a direct descendant of DeSoto Sampson, the heroine of the opera.

On Saturday afternoon the Mu Phi Epsilon house was the setting of a bridge party given by the local sorority for the benefit of Lambda chapter.

In the contest of original compositions held by Ithaca College students, Alpha Chapter presented a composition in honor for high school chorus of the Spencer High School. This is a direct descendant of DeSoto Sampson, the heroine of the opera.

We are happy that Miss Hugger, our president, Miss Mary Cline, president of the Sophomore Class, is a direct descendant of DeSoto Sampson, the heroine of the opera. She fostered young people until very recently.
