Musical Comedy a Big Success

"Musical Racketeers" Given to Packed House by Kappa Gamma and Phi Mu Groups

When good fellows get together, there is sure to be something interesting and delightful. Such was the case last Wednesday night. A local group of Phi Mu Alpha and Kappa Gamma Phi fraternity members performed in a rather quaint but most entertaining version of "Musical Racketeers," a musical comedy presented by the National Educational Association.

The show was presented in the Little Theatre, an ideal setting for the music and dance amid the shrillness of fire alarms and of course. Middletown is a two-hour drive from the University, and it is always a welcome diversion to hear the lively strains of the music and see the performers in action.

Congratulations to two more of our brothers. The lucky ones this time are Joe Beckell and George Fichtard, who have received positions as musical supervisors in the school for next year.

Is there anyone, I wonder, who ever arrives at the point of being completely caught up, nothing to do and can relax without feeling that "I should be doing this term paper or that term paper, or get those letters written"? I would like to meet that person and ask him or her to describe the feeling. It certainly is a scarcity, and of late I would say that the Phi Delta is having hard times.

About two weeks ago, several of our members left to attend the National Physical Education Convention in Philadelphia. Following that was a convention of the Eastern chapters of Phi Delta Pi. About ten Theta's were present and brought back very interesting reports of all the business meetings which they attended. We received some very helpful information, and some fine statements of the work Phi Delta Pi is doing in the athletic and physical education circles. These conventions make one realize the influence of a fraternity and the vast amount of good which can be accomplished in education through these national organizations.

Hardly back from the convention, we found we were faced with the Athletic Hop, the Phi Delta Kappa dinners and dance, the Delta Phi Kappa bridge party, and the Musical Renactors. At each of these entertainments the Phi Delta had a very good time and wish to congratulate the organizations which fostered their presentations.

We have had many visitors.

FLANNEL and CORD "SLACKS"

We would like to introduce you to our pledges. They are Pauline Barron, Gladys Hauver of the Phi Ed. department; Marjorie Kellogg, Frances Alexander, Mary Custer, Mildred Smith, Mary Zanin and Marie Ward of the music department; Florence Gillette, Julia Brown, Laura Knipe and Dorothy Fuchs of the drama school. They have been kept busy with pledging duties during the last week, the most important of which was a breakfast which they served at the house for our members and prospective. The meal more than compensated for our early rising. After the symphony concert on Sunday the pledges again entertained us with a presentation of an original skit. Agnes Witch and Virginia Hixman went home for the week-end. Dorothy Currie's parents visited her on Sunday.

During the past few weeks, the Senior members of the fraternity have been exceedingly busy preparing their recital programs. The majority of these programs are of the miscellaneous type, and there have been several new plays presented in monologue form. The work as a group shows careful preparation by the individual and interpretation of the selections.

Mrs. Idaire Yawitz, Miss Marjorie Rockwell and Mr. Raymond Benjaman succeeded in out-scoring the others at our bridge party last Tuesday evening. Our only regret concerning this function was that more people did not take the opportunity to gaze upon the living quarters of the three girls in the front room. We fear they will never be the same again.

Pledge service was held for Helen Hickey Clark on Wednesday afternoon at Norman Hall. Just at present, our group is concentrating on our "Principles report". After that is over, we hope to have more news.

On Wednesday afternoon, April 19, Jeanne King portrayed a graduation organ recital at the Methodist Church. She played Prelude and Fugue in E minor—Bach; In Sestet—Ravens; Introduction—Smith; Night—Jenkins; Choral and Organ Cantique from "Suite Gotique"—Boillon. Marguerita Shanaman was also on the program and played Prelude in C Major by Bach.

Betty Keen spent last week-end with us. Jane Smith dropped in to say "hello". She is all excited about the parents' day program she is arranging for the Phi Mu parents in Canada. Betty Dorrity, the former Grand President, was born for the week-end to attend the Phi Delta Kappa convention in E.K. dance. Miss Chambone was here for the same reason.

And now congratulations seem to be in order; first to Martha, who recently announced her engagement to Chuck Meade. Should we say, may all your troubles be little ones? Next, to Belle States, who has signed on the dotted line. Well, Belle, the best wishes for success, and may you go from strength to strength in every Phi Delta. And now June, who has been elected as president of W.J.A.G. We know that you will satisfy.

Maybe now, dear readers, you can understand why the Phi Delta are wondering if there is such a thing as "Time on my hands".

CRESCENT BALLROOM

Tickets available at College Administration office and at door.
hold its first outdoor practice last Friday evening. No one but the Ithaca police department, local officials, and officers of the fire department will be present. The bleachers will be well populated on the good-weather day. The first base placing has been chosen, and the idea behind the plan is that the bleachers will be placed on the good-weather day. The field舀s first baseman will be stationed at first base, Archie Stearns and Frank Arioli are batting at second, and an area for easy fielding has been chosen. Near the center field candidate for the shortstop pitcher is chosen. Jim Mackey has been working at third base in a sharp attempt to win the Larrone at Conquin Tusscon. The result will be a matter of interest. He has an excellent chance of good work, and there are chances of having a sharp attack. The following candidates survived the first cut: Infielders—Dennis Pettygrove, G. L. Pritchard, Clay- ne, Alonzo R. Reilly, Leonard Reynolds, Rebold, Collard, Arlito, A. F. Reynolds, Trever. Outfielders—Ausdale, A. A. Bryan, A. D., Ander, D. Andrea, Pichner, Sawyer, Berthold, Holla, Max- well, W. R. Peterson, F. A. Reily, Fol- schum and Goodman.

CHIESE HEAD OF GLEE CLUB TO DEPUTY FROM ROCHESTER

The audience was greatly assisted in the charm of this delightful social event by the strict adherence given to the climbing room which brings about the music and the value of the color which is used to give room. It was the in breaking movement of the program which was most absolutely striking in the program. Mr. P. Y. O. S. was the first to be presented by the committee. The combination of music and comedy has been brought about until there is no better medium to be used in the strife of the change. The fourth and last movement to this symphony was well done by Mrs. G. H. F. S. S.

For the final number on the pro- gram, Schubert’s ‘‘Unfinished Overture’’ Preludium by Johann Junior. This was a great hit and the high-flying girl to the program.
