Dr. Job to be Speaker at the Baccalaureate Services, Sun., May 27
James Cook to Deliver Commencement Address

Activities of commencement week will be initiated by the Baccalaureate Service, which will be held in the Baptist Church on Sunday, May 27. Dr. Job will be the guest speaker for this service. All students are invited to attend.

The special feature of the afternoon of May 27 will be the commencement concert to be given in the park. A particularly fine program has been prepared for this occasion, and it is hoped that all students as well as the many guests, will avail themselves of the last opportunity of hearing this year's Concert Band under Walter Beeler's able leadership. Thursday afternoon, May 31, is reserved for the reception for seniors, faculty, students, parents and friends to be given by Dr. and Mrs. Job in Elevation Hall. The hours are from four to six o'clock. Mr. Roberts' successful play, "Red Harvest," will be Thursday's highlight for those guests who desire an honor of the parents and friends of the graduating class and will be the last in the series of events for the graduating class at the college.

Grads will take place Friday morning, June 1, at 10 o'clock. Among the music for the occasion will be furnished by the college a capella choir, and the orchestra. The organist, the speaker on the program is an outstanding figure in the field of music, James Cook.

Mr. Cook has many accomplishments in his credit to the field of music and it is particularly fitting to be the commencement speaker in this school of type. Widely educated he is, both in theory and abroad, and Mr. Cook has edited the well known Eulenspiegel Magazine since 1907. In addition he has been president of the Thos. Erwin Smith Choral Society since 1925, president of the Von der Fosson Foundation since 1918, of the John Chuch Co. since 1930, and of the Olivier Dixson Co. since 1951. Mr. Cook is the author of many books on the subject of music, the writer of songs, piano-form compositions, as well as short stories, a novel and four plays which have been produced professionally.

It is fitting that our institution should have an organization of men of Mr. Cook's calibre every year and that the entire student body and its paramour energies in supplying at the time musical productions in its material offerings. All students should make a special effort to attend the Commencement Address on Friday morning.

Choir Broadcast One of Excellence

The broadcast of the A Capella Choir from Radio City, Tuesday night at 6:45 (standard time), proved the highlight of the year's broadcast season. Although the rehearsal was less clear at times during the fifteen-minute program than it might have been desired by the eager listeners, it was sufficiently true to impress to the audience. This opportunity may make a real victory for the choir and a new boon to the college.

The program was well balanced, including a wide range of compositions. It was noted that in most instances the older selections such as "Ride On King" and "Praise Ye the Name of the Lord" gained clearer recognition than did the soft passages. Both solos, Edward Fedor and Lawrence Johnson, were heard distinctly, and their voices blended perfectly with this background furnished by the orchestra.

The announcer, Charles Lewis merits special commendation for his excellent performance, furnishing the finishing explanation of the choir's "Annual Spring Tour." The entire program broadcast from Radio City was as follows:

JUNIORS COMPLETE 
SENIOR BALL PLANS

This year the Junior Class is bringing in the best of three local organizations in the country for the annual Senior Ball. Happy Felton and his orchestra are coming to the Crescent for tonight's dance with an enviable record of radio and hotel successes behind them. Those who danced to Happy Felton's music at the Cornell Day Ball last Saturday night are all agreed that those who attend the ball tonight will have no reason to wish for finery elsewhere in store for them.

The committee for the Senior Ball has worked diligently to put this Ithaca College Ball on the level with those given by other colleges and universities. This has been the objective in mind and according to present indications the committee has met (Continued on page four).

RED HARVEST TO BE GIVEN MAY 26, 30, 31 (Continued from page one)
cast in the Green Room will follow the evening performance.

The play was witnessed in the fall of 1932 by many persons of prominence. The cast of the drama as well as the acting was, interchangeably, acclaimed.

Here are a few excerpts from letters received at the office of the Department of Speech and Drama:

"The play rings true as a bit of war life. The only other one which made me feel as I did in France was 'Red Harvest' for peace or motion 'Red Harvest' which I saw while entertaining them."

Eddie Sawyer was heard to remark that St. Lawrence has the worst team in years. Straight from Tom Sullivan, the Larries' coach. A few tough breaks in one of these fork games that are sometimes played.

With Cornell University in the leading role of the Eastern Inter-Collegiate League, we can put Ithaca College a few percentage points above them. Cornell-11. I. C.-8.

A very liberal estimation makes Colgate two runs better than Ithaca College. On May 22 the varsity goes to Hamilton to take on three Colgate buggers.

Mr. Hill left Wednesday morning on a trip in search of more and better material for next September. Reports have it that registrations for the Physical Education Department are far larger than those of last year at this time.

Practice games are in order for both the varsity and Freshman teams this week. The vitality plays Cornell and the D. P. W., while the Freshman team takes on Ludlowville. Ludlowville has won from Ithaca High as did the Freshman. It ought to prove interesting.

The committee has used every effort to make the Senior Ball a real treat for all. You'll find the trickey ollers. Sizes 14 to 40.

CHORAL CLUB TO PRESENT
ANNUAL BANQUET, MAY 27

The Choral Club is to present the last concert of a very busy and successful season, Sunday evening, May 27, at eight o'clock in the First Congregational Church. At this time they will be assisted by the members of the church choir who are also directed by Mr. Lyon. The concert is the culmination of a very active year, which seems fitting to sum up here. In November, the organization appeared in Ember at the convention of the Federation of Women's Clubs of New York State, the South Side High School, a broadcast over WNBR, and gave a full evening's program in the New Presbyterian Church. In December they gave a Phi Mu Alpha Sunday afternoon musicale and presented an evening of Christmas Carols at the Sigma Alpha Beta house. In January they performed at the banquet and installation of officers of the Alpha Iota house. In February they appeared at the convention of the Federation of Women's Clubs of New York State, one of the Seniors has been Miss Cornell particularly popular with the company and staff, very human and polite even when I saw her with a corner over her shoulder. The second and third acts, she held the first act curtain for the dressing room to clean her teeth. The old man Barrett drank coffee between scenes made in his own dressing room. Company delighted with the full house and the hearty applause. Oh, yes . . . Striks and company, right now, center . . . enjoying the play.

Drama Department Personnel

Mr. Arthur Newton was the sole judge of the thirty-seventh annual Prize Speaking contest of the Waterman High School, Waterman, N. Y., on Friday evening, May 11. On the following Tuesday Mr. Newton addressed the Dramatic Club of the South Side Community Club. Mr. John Brown, Director of this group, has made plans for Mrs. Broughton and Mr. Sidney Landis to speak on the performance of the opera "Pirates of Penzance" which was presented at the college a few months ago. The dramatic work was under the supervision of Miss Bar- rett Witter, of the class of '90, Miss Witter's group of students won the first place in the long play contest at the Little Theatre Tournament, which was held two weeks ago.

Down where they grow tobacco . . . in most places Chesterfield is the largest-selling cigarette

-what does that mean?

-It takes good things to make good things.

-The mild ripe tobaccos we buy for Chesterfield mean milder better taste.

-The way they are made means Chesterfields burn right and smoke cool.

-It means that down where they grow tobacco folks know that mild ripe tobaccos are bought for Chesterfields.

And because Chesterfields are made of the right kind of tobacco, it is a milder cigarette, that tastes that better.

There is no substitute for mild, milder tobacco.
