Moxie Kumba

Moxie Kumba is an African-inspired dance and drum ensemble. Our mission is to empower and inspire youths and adults to seek and celebrate their personal and authentic versions of "moxie" by expressing it through drum and dance. It is through the experience of learning the music and dances of the African diaspora that we respectfully share both traditional and non-traditional dance and drum works. We recognize that through this soul-stirring and creative journey, we are cultivating a deep response that aligns authentic expression to healing and see a great need to shed light on what has brought us closer to the real meaning of "moxie."
