A note about the A.S.T.A. String Orchestra:

The A.S.T.A. String Orchestra is composed primarily of Music Education Majors and was formed 4 weeks ago in hopes of showing that with a little dedication, hard work, determination, and commitment, anything is possible.

Finally, a note to the orchestra:

I would like to take this opportunity to thank all of the members of the string orchestra for all of their patience, support, and effort. It was truly a rewarding and memorable experience for me. I hope you all learned as much as I did. Thank you for making my last few weeks here very special. I will miss you all very much.
